Minutes of the meeting of Board of Studies (BOS) of Mathematics held on July 11, 2017

The meeting of Board of studies of Mathematics was held on 11/07/2017. The following members were present in the meeting

1. Prof. Vinay Kanwar
2. Prof. D. S. Pathania
3. Dr. S. K. Srivastava
4. Dr. Ashish Aarora
5. Dr. Arvind Sharma
6. Dr. Honey Sharma
7. Dr. Harpreet Kaur
8. Dr. Vikramjeet Singh
9. Dr. Gurjinder Singh
10. Dr. Rajesh Narula (Special Invitee)
11. Dr. Megha Goyal (Special Invitee)

The following recommendations were given by the Board:

Agenda 1. The board recommended the reshuffling of subjects of various semesters as follows:

Semester-I:

(i) Fundamentals of Computer and C programming (MMS-105) is recommended to be replaced by Mathematical Methods (MMS-402). Hence the subject Mathematical Methods now may be given new code of MMS-105.

(ii) Fundamentals of Computer and C Programming Lab (MMS-106) is recommended to be replaced with Mathematical Software Lab and may be assigned the code MMS-106.

Semester-II:

(i) Tensors and Differential Geometry (MMS-204) is recommended to be replaced by Partial Differential Equations (MMS-403). Hence the subject Partial Differential Equations now may be given new code of MMS-204.

Semester-III:

(i) Operations Research (MMS-302) is recommended to be replaced with Number Theory and Cryptography (MMS-508). The Operations Research is recommended to be incorporated in the list of Elective-I. Subject code of Operations Research may be assigned as MMS-503 and subject code of Number theory and cryptography may be given as MMS-302.

Semester-IV:

Head
Department of Mathematical Sciences
I.K. Gujral Punjab Technical University
Kapurthala-144603 Pb. (India)

(i) Discrete Mathematics (MMS-401) is recommended to be replaced by Mechanics-II. Hence the subject Mechanics-II now may be given new code of MMS-401.
(ii) Mathematical Methods (MMS-402) is recommended to be replaced by Mathematical Statistics-II. Hence the subject Mathematical Statistics-II now may be given new code of MMS-402.
(iii) Partial Differential equations (MMS-403) is recommended to be replaced by Tensors and Differential Geometry (MMS-204). Hence the subject Tensors and Differential Geometry (MMS-204) now may be given new code of MMS-402.

Elective Subjects:
The list of Electives was reviewed by the Board and following changes/incorporations were suggested

Elective-I

MMS-501 Wavelet Theory
MMS-502 Coding Theory
MMS-503 Operations Research
MMS-504 Advanced Linear Algebra

Elective-II

MMS-505 Advanced Complex Analysis
MMS-506 Advanced Operations Research
MMS-507 Advanced Fluid Mechanics
MMS-508 Advanced Solid Mechanics

Elective-III

MMS-509 Theory of Linear Operators
MMS-510 Advanced Numerical Methods
MMS-511 Topological Vector Spaces
MMS-512 Fractional Calculus

Revision of Instructions for paper setters and candidates:

The following changes were recommended by the Board for examination of M.Sc. (Mathematics)
(i) The entire question paper should be distributed into three sections viz. Section-A, Section-B, Section-C
(ii) Section-A should contain eight question of two marks each. This section should cover the entire syllabus. All questions in this section should be compulsory.
(ii) Section-B and Section-C should contain three questions each carrying 16 (sixteen) marks.

Department of Mathematical Sciences
Guru Nanak Dev Engineering College
Punjab Technical University
Ludhiana-141006 Pb. (India)

(iii) Student should be asked to attempt at least two questions from Section-B and Section-C each.
(iv) The awards for internal and external examination should be in 20:80 ratio.

Revision of course contents:
It was recommended by the Board that for revision of course contents external experts of different Universities may be requested.
(i) The following is the list of courses and the corresponding experts as recommended by the Board:

S. No	Course Code	Course Title	Expert	University
1.	MMS-101	Algebra-I	Prof. D. K. Khurana	Panjab University
2.	MMS-201	Algebra-II	Prof. D. K. Khurana	Panjab University
3.	MMS-102	Real Analysis-I	Dr. Vikas Bist	Panjab University
4.	MMS-202	Real Analysis-II	Prof. T. D. Narang	Guru Nanak Dev University
5.	MMS-103	Complex Analysis	Prof. S.S. Dhaliwal	SLIET, Longowal
6.	MMS-104	Ordinary Differential Equations and Special Functions	Dr. S.K. Srivastav	BCET, Gurudaspur
7.	MMS-106	Software Lab	Dr. Honey Sharma, Dr. Arvind Sharma, Dr. Gurjinder Singh	Main Campus and affiliated colleges
8.	MMS-205	Numerical Analysis	Prof. Vinay Kanwar	Panjab University
9.	MMS-206	Numerical Analysis Lab	Prof. Vinay Kanwar	Panjab University
10	MMS-203	Mechanics-I	Prof. S. K. Tomar	Panjab University
11.	MMS-401	Mechanics-II	Prof. S. K. Tomar	Panjab University
12.	MMS-301	Topology	Dr. N. S. Noorie	Punjabi University
13.	MMS-302	Number Theory and Cryptography	Prof. A. K. Agarwal	Panjab University

Head
Department of Mathematical Sciences
I.K. Gujral Punjab Technical University
Kapurthala-144603 Pb. (India)

14.	MMS-303	Mathematical Statistics-I	Prof. Narinder Kumar	Panjab University
15.	MMS-402	Mathematical Statistics-II	Prof. Narinder Kumar	Panjab University
16.	MMS-403	Tensors And Differential Geometry	Prof. R. K. Nagaich	Punjabi University

It was also recommended by the Board that the course contents of the subjects of Electives shall be discussed in detail in the next meeting. It was also recommended that the changes in Semester-I should be implemented with immediate effect in anticipation of the approval of Academic Council as the changes are quite necessary and the semester is scheduled to begin from August 1, 2017. The course contents of Number Theory and Cryptography (MMS-302) and Functional Analysis (MMS-304) should be reviewed immediately and necessary changes must be incorporated with immediate effect.

Agenda 2.

After discussion the board recommended the following changes in credit of various subjects

(i) In Semesters-III, for the subject Elective-I (MMS-XXX), one tutorial period is recommended to be added. Now, the subject Elective-I is recommended to be of 5 credits.

(ii) In Semesters-IV, for the subject Elective-III (MMS-ZZZ), one tutorial period is recommended to be added. Now, the subject Elective-III is recommended to be of 5 credits.

(iii) It was also recommended that the course codes henceforward be changed. MMS in all course codes may be replaced with MSM to avoid any further confusion.

The meeting ended with the vote of thanks,

Subject: **Meeting of Board of Studies Mathematics**

Sir/ Madam

A meeting of the above said members of Board of Studies **Mathematics** is scheduled to be held on **July 11th 2017** at **11:30** in the conference hall, 2nd floor, department of Academics, IK Gujral Punjab Technical University main Campus, Jalandhar-Kapurthala highway, Punjab.

The agenda of the meeting is as follows:

1. Restructuring of the curriculum of M.Sc. Mathematics
2. Review and formulation of CBCS for M.Sc. Mathematics
3. Review of the syllabus of different subjects being taught in M.Sc. Mathematics
4. Any other matter with the permission of Chair.

You are requested to participate and contribute through your suggestions. Kindly confirm your participation in the said meeting through e-mail Dr.ashish10@htmail.com or through SMS at 9478098067.

TA & DA / Honorarium will be paid as per the University rules.

Dated: 15/03/2018

Minutes of the meeting of Board of Studies (BOS) of Mathematics held on March 15, 2018

The meeting of Board of studies of Mathematics was held on 15/03/2018. The following members were present in the meeting

1. Prof. Om Prakash
2. Prof. Vinay Kanwar
3. Dr. G.N. Verma
4. Dr. S. K. Srivastava
5. Dr. Ashish Aarora
6. Dr. Honey Sharma
7. Dr. Harpreet Kaur
8. Dr. Gurjinder Singh
9. Dr. Rajesh Narula (Special Invitee)
10. Dr. Megha Goyal (Special Invitee)

The following recommendations were given by the Board:

Agenda 1. The board confirmed the minutes of last BOS meeting which was held on July 11, 2017.

Agenda 2.Revision of course contents:
It was recommended by the Board that for revision of course contents of remaining subjects of third and fourth semesters of M. Sc. (Mathematics) external experts of different Universities may be requested.
The following is the list of courses and the corresponding experts as recommended by the Board:

S. No	Course Code	Course Title	Expert	University
1.	MSM-301	Topology	Dr. N. S. Noorie	Punjabi University
2.	MSM-303	Mathematical Statistics-I	Prof. Narinder Kumar	Panjab University
3.	MSM-401	Mechanics-II	Prof. S.K. Tomar	Panjab University
4.	MSM-402	Mathematical Statistics-II	Prof. Narinder Kumar	Panjab University
5.	MSM-403	Tensors And Differential Geometry	Prof. R. K. Nagaich	Punjabi University

Agenda 3. Finalizing the scheme of M.Sc. (Mathematics) for batch 2018 onwards.

1) **Change of Elective Courses:**

The Elective-II course Advanced Operations Research (MSM-506) should be replaced by Advanced Number Theory and the course code MSM-506 may be assigned to Advanced Number Theory for the batch 2018 onwards. And the syllabus of Advanced Number Theory may be reviewed by subject expert Prof. A.K. Agarwal, Department of Mathematics, Panjab University, Chandigarh.Board also suggested that Discrete Mathematics should be added in the list of Elective-I subjects and the course code MSM-500 may be given to this subject.

2) **Inclusion of Course objectives & Program Objectives:**

It was recommended by the members of board that course objectives and outcomes should also be provided by the experts developing the course contents.

3) **Change of Credits for Theory and Labs:**

The Board recommended that the credits of Theory lectures should be changed from 5 (five) credits to 4 (four) credits and the credits of Labs should be changed from 1 (one) credit to 2 (two) credits. Also, the teaching hours of Labs should now be increased to 4 (four) hrs./week as per the increase in credits. The revised structure and scheme of M. Sc Mathematics for the batch 2018 onwards as recommended by board should be as under.

The board decided to update the scheme of 3rd and 4th semester for 2018 batch onwards in next meeting. It was also recommended by the board that credit of each core subject should be 5 and the policy document stating (100 marks=4 credits; Skeleton of M.Sc.) should be reviewed.

4) **Revision of Instructions for paper setters and candidates:**

The following changes were recommended by the Board for examination of M.Sc. (Mathematics) for the batch 2018 onwards.

a) The entire question paper should be distributed into three sections viz. Section-A, Section-B, Section-C.
b) Section-A should contain five questions of two marks each. This section should cover the entire syllabus. All questions in this section should be compulsory.
c) Section-B and Section-C should contain three questions each carrying 15 (fifteen) marks.
d) Student should be asked to attempt at least two questions from Section-B and Section-C each.

5) **Revision in the list of recommended books of various courses:**

The Board suggested the following books to be incorporated in the list of Recommended books of various courses.

Agenda 4. Finalizing the syllabus of B.Tech (all semesters) as per AICTE guidelines.

The Board recommended that the syllabus of B. Tech (all semesters) as recommended by AICTE will be adopted as such. But keeping in view that the syllabus is too vast to be covered in 3+1 and 2+1 systems, and also keeping in view thestudent's previous knowledge in the field of Mathematicsand the difficulty of the course contents of Maths-I, Maths-II, Maths Paper-1, Maths Paper-2 etc., the Board suggested that the recommended Scheme and Credit of these courses as suggested by AICTE

L	T	P	Credits

may be replaced by

L	T	P	Credits
4	1	0	5

It was also noted by the board that in the model curriculum developed by AICTE, the credits and teaching hours are not compatible for Mathematics-2 and Mathematics-III given on page number 16 and 90, respectively.

Dated: 24/07/2018

Minutes of the meeting of Board of Studies (BOS) of Mathematics held on July 24, 2018

The meeting of Board of studies of Mathematics was held on 24/07/2018. The following members were present in the meeting

1. Prof. D.S. Pathania
2. Dr. Ashish Aarora
3. Dr. Honey Sharma
4. Dr. Harpreet Kaur
5. Dr. Gurjinder Singh
6. Dr. Vikramjeet Singh
7. Dr. Rajesh Narula (Special Invitee)
8. Dr. Megha Goyal (BOS Coordinator)

The following recommendations were given by the Board:

Agenda 1. Finalizing the scheme of M.Sc. (Mathematics) for batch 2018 onwards:

The board finalized the scheme and syllabus of 3rd and 4th semester of M.Sc. (Mathematics) for batch 2018 onwards. The Board recommended that on page 1 of the scheme and structure of M.Sc. Mathematics for Batch 2018 onwards, the word "Course" should be replaced with "Program" and the objectives of the Program may be extended including teaching as one of the objectives. Eligibility condition for admission in M.Sc. Mathematics should be read as "B.A./B.Sc. or equivalent from a recognized university with Mathematics as one of the major subjects with at least 50% marks in aggregate".

Agenda 2. Revision of the course contents of the subjects Mathematical Statistics and Mechanics-II of M.Sc. (Mathematics) for batch 2018 onwards:

It was recommended by the Board that for revision and formation of course contents of subjects Mathematical Statistics and Mechanics-II, external experts of different Universities may be requested.
The following is the list of courses and the corresponding experts as recommended by the Board:

S. No	Course Code	Course Title	Expert	University
1.	MSM-303, MSM-402	Mathematical Statistics	Prof. Narinder Kumar	Panjab University
2.	MSM-401	Mechanics-II	Prof. S.K. Tomar	Panjab University

I. K. Gujral Punjab Technical University
Department of Mathematical Sciences

The syllabus of the subject Mathematical Statistics-I & II with subject codes MSM-303 and MSM-402 should be merged and may be assigned a single subject code, that is, MSM303-18. The subject code of Mechanics-II should be MSM305-18.

Agenda 3. To introduce the subject Differential Geometry as Core subject and Advanced Topology as Elective subject in Semester IV for batch 2018 onwards.

It was recommended by the Board that the subject Differential Geometry should be introduced as a core subject and Advanced Topology as an Elective subject in Semester IV for batch 2018 onwards. The subject code MSM401-18 may be assigned to the subject Differential Geometry and MSM513-18 may be assigned to the subject Advanced Topology. For revision and formation of course contents of these subjects, the following subject experts are recommended by the Board:

1.	MSM401-18	Differential Geometry	Dr. Rakesh Kumar	Punjabi University
2.	MSM513-18	Advanced Topology	Prof. N.S. Noorie	Panjabi University

Agenda 4. To revise and merge the list of Elective-I, II and III subjects of various courses of M.Sc. (Mathematics) for the batch 2018 onwards.

It was recommended by the board to merge the list of Elective-I, II, III and make one comprehensive list of electives to be offered in 4th semester.

Agenda 5. To finalize the Choice based credit scheme of M.Sc. (Mathematics) as per the approved skeleton of M.Sc. courses by IKG Punjab Technical University.

The board recommended the changes in credits as per the approved system of 25 marks equal to one credit for all theory and lab courses. A lab on Number theory and Cryptography was recommended by the board to be introduced in third semester and the subject code MSM306-18 may be assigned to it. The revised structure and scheme of M. Sc Mathematics for the batch 2018 onwards as recommended by board should be as under.

Minutes of the meeting of Board of Studies (BOS) of Mathematics held on March 01, 2019

The meeting of Board of studies of Mathematics was held on 01/03/2019. The following members were present in the meeting

1. Dr. Tejwant Singh, Retd. Professor, PAU, Ludhiana, Ex-Chairman BoS
2. Dr. Vinay Kanwar, Professor, PU, Chandigarh, Outside Expert
3. Dr. D.S. Pathania, Professor, GNDEC, Ludhiana,
4. Dr. G.N. Verma, Professor, SSIET, Dera Bassi
5. Dr. Sanjeev Kumar Srivastava, Asso. Prof., BCET, Gurdaspur
6. Dr. Ashish Arora, IKGPTU, Kapurthala, Chairman (Ex-officio)
7. Dr. Vikramjeet Singh, Asst. Prof., IKGPTU, Batala
8. Dr. Rajesh Kumar Narula, Special Invitee, IKGPTU, Kapurthala
9. Dr. Gurjinder Singh, Asst. Prof., IKGPTU, Kapurthala
10. Dr. Megha Goyal, Bos Coordinator, IKGPTU, Kapurthala

The following recommendations were given by the Board:

Agenda 1. To finalize the Program objectives, Program Outcomes and Program Specific Outcomes, Course objectives and Course outcomes of M.Sc. (Mathematics):

The board suggested some significant changes in Course outcomes, Course objectives and Program objectives of M.Sc. (Mathematics) for batch 2018 onwards. It was recommended that the faculty member teaching the particular course shall make the requisite changes in the course objectives and course outcomes. The final document should be sent to all board members through e-mail with in a week of the meeting for approval. After the approval of all board members, the final document should be sent to competent authority for further action.

Agenda 2. Framing the course contents of the subject Number Theory & Cryptography (LAB) for the batch 2018 and onwards.

It was recommended by the Board that Dr. Megha Goyal, Assistant Professor, Department of Mathematical Sciences shall formulate the course contents of Number Theory and Cryptography (LAB) for the batch 2018 onwards. After formulation of contents, the document should be sent to all board members for further suggestion or modifications if any and ratification thereafter.

Agenda 3. To introduce value added courses in Semester IV of M.Sc. (Mathematics) for the batch 2018 and onwards.

It was recommended by the Board that a value-added course should be introduced as an audit course in M.Sc. Mathematics for batch 2018 onwards. The value-added course should consists of Latex and Maple-soft software. The course contents shall be formulated by Dr. Gurjinder Singh, Assistant Professor, Department of Mathematical Sciences. The subject code MSMVA-18 may be assigned to the value-added course. This course should also be sent to all board members for ratification through e-mail.

Agenda 4. To formulate the bridge courses for change of B.Tech branches.

The board recommended that two bridge courses, namely, Bridge Course-I and Bridge course-II should be formulated as per the recommendations given by the committee formulated by the registrar of the University for this case. The Board recommended the following subject codes for Bridge Courses.

1.	BTAMBC1-18	Bridge Course-I
2.	BTAMBC2-18	Bridge Course-II

The board further recommended that these courses should be formulated at departmental level and sent to the board members through e-mail for further suggestions and ratification.

Agenda 5. To revise the course of Mathematics in 3rd semesters of B.Tech (all branches) as per AICTE model curriculum.

The board finalized the syllabus of Mathematics Courses for B.Tech 3rd semester, batch 2018 onwards for all branches as per AICTE model curriculum. The Board recommended the following subject codes for Mathematics Courses for B.Tech 3rd semester, batch 2018 onwards.

S.No.	Subject Code	Subject Title	Branch
1.	BTAM301-18	Mathematics-III (Vector & Transform Calculus)	Civil Engineering
2.	BTAM302-18	Mathematics-III (Probability and Statistics)	Electrical Engineering
3.	BTAM303-18	Mathematics-III (PDE, Probability & Statistics)	Mechanical Engineering
4.	BTAM304-18	Mathematics-III (Calculus and Ordinary Differential Equations)	Computer Science Engineering
5.	BTAM302-18	Mathematics-III (Probability and Statistics)	Electronics and Communications Engineering

6. Dr. Megha Goyal, BoS Coordinator, IKGPTU, Kapurthala
7. Dr. Gurjinder Singh, Special invitee, , IKGPTU, Kapurthala

The following recommendations were given by the Board:

Agenda 1. Framing the Structure and course contents of the subjects of B.Sc (Mathematics) Ist semester for the batch 2019 and onwards.

The Board finalized the Structure/Scheme and course contents of the subjects of B.Sc (Mathematics) Ist semester for the batch 2019 and onwards. The recommended course contents of the subjects of B.Sc (Mathematics) Ist semester will be formulated as per the suggestions of BOS and shall be sent to the members for their consent through email.

Agenda 2. To Finalize the pattern of Question papers of B.Sc (Mathematics) and M.Sc. (Mathematics) for the batch 2019 and onwards.

The Board discussed pattern of examination of B.Sc.(Hons.) Mathematics & M.Sc. Mathematics for batch 2019 onwards. The ratio of marks for external and internal exam as recommended by BOS will be 60:40. Also board recommended the following style of external paper (60 marks) for both B.Sc. and M.Sc. courses:

- 50 percent content of the external examination will be conceptual/numerical in nature and remaining 50 percent will be from theory.
- There should be three sections A, B and C in the question paper. Each section should be of twenty marks.
- Section A will contain ten objective type questions covering the whole syllabus and having two marks each.
- Section B will contain four questions having eight marks each. This section will cover the unit I & II of syllabus.

Head

- Section C will contain four questions having eight marks each. This section will cover the unit III & IV of syllabus.
- Sub-parts of the questions in Section B and C should be preferred for numerical/conceptual questions.

Section A will be compulsory. Students shall be asked to attempt any five questions from section-B and C, selecting at least two from each section.

While discussing the standard of question settings for the final examination, the board recommended that, for each course, COE may collect the question papers from more than one external experts to make a pool of question paper bank. The committee consisting of COE, HOD and one (more) external expert(s) avoiding any conflict of interest may be constituted to select the final question papers.

Internal marks (40) will be bifurcated as follow:

Average of Two MSTs	-	24
Assignments (Minimum two)	-	10
Attendance/General behavior	-	06

Agenda 3. To revisit the Syllabus/structure of M.Sc. (Mathematics) of batch 2018 onwards.

The board recommended the minor changes in the syllabus of certain subjects M.Sc (Mathematics) course of batch 2018 onwards and removal of number theory and cryptography lab.

Agenda 4: To revise the list of core subjects to be offered for pre-Ph.D course work (Mathematics)

The Board recommended the addition of subject of specialization of each faculty of the department in the list of core subjects to be offered for Pre-Ph.D course work of Mathematics. The board recommended that the concerned faculty member shall prepare the course contents of the subjects to be incorporated in the list of pre-Ph.D course work and e-mail to the members of BOS for their consent/suggestions

Respected Madam Harpreet

Good evening.

Thanks for your mail and information. I have gone through the proposed mathematics syllabus for third and fourth semester of B.Sc. (Hons) students. Syllabus is OK from my side, however, there are some minor typographically mistakes in the proposed syllabus (Please see the attached file).

With best wishes,

Respected Sir,

All are requested please send the duly filled and signed DA form. Kindly mention honorarium amount Rs. 5000. The formulated Syllabus and scheme with minutes of meeting has sent you late. Beacuse in this programme various subjects are from other departments. We have received syllabus and mapping of courses with programme outcomes of their subjects in the last week.
