ਆਈ. ਕੇ. ਗੁਜਰਾਲ. ਪੰਜਾਬ ਟੈਕਨੀਕਲ ਯੂਨੀਵਰਸਿਟੀ

Estd. Under Punjab Technical University Act, 1996
(Punjab Act No 1 of 1997)

Evaluation of technical bid documents submitted in response to 2nd deficiency observations (Tender Ref No: IKGPTU/MC/2018-19/001) has been completed by the committee. The following points were discussed and decided:

1. Out of nine bidders only four bidders are found eligible. Detailed report is attached.
2. It is expected that from the eligible bidders, equipments of 04 labs can be procured.
3. As per tender document, the bid validity was of 120 days from the date of opening of tender (03.10.2018). However, to make the tender more competitive, the bidders were given the time to submitting deficiency documents twice (16.11.2018 and 24.01.2019). Due to that, the process of evaluation extended beyond the validity date.
4. Further, keeping in view that four labs equipments could be procured, bid validity extension is required. Hence, after the approval of extension of bid validity (60 days) from competent authority, subsequent consent from the bidders is required. Bidder should submit the consent of extension of bid validity (60 days) through email (neelkanthgrover@gmail.com) within three working days from the date of publication of information on the website.
5. The technical qualification will be finalised after the receipt of the consent of bidders regarding extension of bid validity.
6. The same committee will evaluate the technical bid and financial bid to finalise the tender.
