### Mentoring objectives and process for mentors

- The general objectives of mentoring students is to equipment them in performing better in achieving better grade points/percentage scores in their study.
- The specific objective is to understand the mentee with number of counseling on one-to- one basis and identify the short fall of the mentees, with the consent of mentees.
- The short falls identified may be in core-curricula, extra-curricular activities, personal shortfall of a mentee, if any, and any other difficulties faced by the mentee during his/her period of study at IKGPTU.
- From the identified shortfall remedial measures shall be taken in preparing the mentees to score better grade points/percentages of their study. Remedial measures taken shall be detailed in the table below:
- Continuous follow-up (once in a week) and a healthy mentor-mentee relationship shall be proved that results in good output of mentor-mentee work.
- A separate attendance report shall be maintained for every counseling hours given on weekly basis.

### Details of Remedial Measures Suggested / Taken
