NOTIFICATION

Sub: **Establishment of E –Cells in the University.**

All India Council for Technical Education has come up with the National Student Startup Policy. The policy strongly recommends that each University/Institute must consider entrepreneurship promotion as their prime responsibility. The policy aims to create 100,000 technology based student start-ups and a million employment opportunities within the next 10 years. The policy plans on achieving this by developing an ideal entrepreneurial ecosystem and promoting strong inter-institutional partnerships among technical institutions.

To further strengthen the entrepreneurial activities of the University and to instill the spirit of entrepreneurship among the university students, it has been decided that Entrepreneurship Cell (E-Cell) will be established in all academic departments of the University. Each E-Cell will consist of 1 faculty member and 5 students. It will work to promote startups, Innovation, participation in entrepreneurship activities like business Plan Competitions and promoting entrepreneurship education etc. All the faculty incharges of E-Cells of the academic departments will coordinate with the Deputy Director (CR&A) and his office for the above mentioned and related activities.

ABOUT NITTR CHANDIGARH

National Institute of Technical Teachers Training and Research, Chandigarh, formerly known as Technical Teachers Training Institute (TTTI), was established by Ministry of Human Resource Development (MHRD), Government of India in 1967 to meet the requirements of training Polytechnic teachers for the growth and development of polytechnic education in the northern region of the country. It had the collaboration of Royal Nether-

Government up to 1974. The institute ushered into a new era in November 2003, with its changed name and enhanced status as National Institute of Technical Teachers Training and Research (NITTR). It is one of the four such National Institutes in the Country with a focus on the Northern Region comprising the states of Haryana, Himachal Pradesh, Punjab, Rajasthan, Uttar Pradesh, Uttarakhand, National Capital Territory of Delhi, and Union Territory of Chandigarh, Jammu & Kashmir, and Ladakh. Presently, the outreach of the programmes and activities of the institute covers the entire gamut of technical education. It is now reckoned as a resource institute for the technical education system providing services to its clientele covering faculty/staff of technical institutions, officials of directorates/boards of technical education, central and state government departments, industry, students from technical institutes, community and trainees from overseas.

About the Organizing Department

Entrepreneurship Development and Industrial Coordination (EDIC) department was established at NITTR, Chandigarh in the year 1983 with a view to introduce and promote entrepreneurship development and improve Industry-Institute Interaction (III) in the technical education system. Presently, the department provides services to the Engineering Colleges, Polytechnics, Management Institutes of the Country. The department is engaged in training of entrepreneurs, potential entrepreneurs, entrepreneur-trainer-motivators (ETMs), technical teachers, managers, administrators & professionals from industries. With a holistic approach to the promotion of

entrepreneurship and industry-institute interaction, the department is also conducting research & development studies; preparing instructional material (both print and non-print); offering assistance in curriculum design and review; providing extension services to client institutes and undertaking consultancy work in the broad areas of Entrepreneurship and allied aspects.
