Report of the Event

REPORT: The one week FDP entitled Surface Engineering & Material Characterization was sponsored by AICTE & IKGPTU jointly and held during 09/12/2019-13/12/2019. More than 45 Participants including faculty of Engineering Colleges, Research Scholars and PG students participated and enhances their skills relating to the Surface characterisation. Experts from various institutes with expertise in the field and from the faculty of engineering shared their views. A visit to IIT Ropar also organised as the part of the said program.
