INTERNATIONAL YOGA DAY

Hectic life schedule of present day does not allow a normal person to take care of his health adequately which leads to unwanted physical and psychological issues. Yoga has proved that even if practiced for small durations of time it can lead to many health benefits. To promote Yoga in the masses NSS units of colleges affiliated with the university on International Yoga day i.e. 21st June, organized Yoga camps in their premises as well as in the neighborhood with duration ranging from 01 day to 08 day camps.

TREE PLANTATION DRIVE (VAN MAHOTSAV)

To keep harmony in different elements of nature tree plantation has become an integral part of every well-meaning citizen's life. Punjab's culture has been associated with Tree Plantation for long and tradition demanded that this year too, an integrated effort should be made to plant as many trees as possible. NSS units were asked to rally citizens of their neighbourhood for this effort along with the forest department officials of their area.

On the last day of the drive our NSS volunteers cleaned the open/vacant spaces of the village. After cleaning them they started a planation drive there. Apart from these places our volunteers planted the trees in the village school, Public Heath Centre and the park of the local Gurudwara. During this drive they have planted around 250 saplings. All the plants were not planted by volunteers only, rather they gave some of the saplings to the villagers and inspired them to plant the trees and to take care of these saplings even after the drive also.
