[COLLABORATIVE ACADEMIC AND RESEARCH PROGRAMME]

1. The Baba Farid University of Health Sciences hereinafter referred to as "BFUHS" is a premier Institution established in the memory of great Sufi Saint Baba Farid under an Act passed by the Legislature of the State of Punjab in July, 1998. The mission of the University is to create an intellectual, academic and physical environment, conducive to free flow of ideas and exchange of information between various faculties of the University and between this University and other Universities of Health Sciences in the country and abroad, thereby opening a window to the world for the health professionals, health planners, health managers, biomedical and social scientists and educators in health sciences of the country. Fifth of its kind in India, First in Northern India- Punjab Govt. deserves the credit of establishing it. Due to inadequacy of health professionals (in quantity & quality) the need was imminent. Such a University is expected to be a "Pace-setter" - in developing appropriate modes & models of Health Care. University is committed in providing Community oriented need based education & Training programmes for Health professionals.
2. Punjab Technical University (PTU) was established by an act of State Legislature on 16th Jan.1997, to promote Technical, Management & Pharmaceutical Education in the state at the degree level and above. The University has the mandate to set up Centres of Excellence in Emerging Technologies and for promoting Training, Research & Development in these areas. One of the main focuses of the University at this time is in the area of professional & skill oriented technologies to the masses. The University has undertaken the task of training students to help in the development of skilled manpower in this sector in the country in general and the state in particular. With this goal in mind, the University is promoting a number of courses in different streams in regular as well as distance education programmes. Now the University, under its administration, has around 300 Colleges, offering Courses in Engineering, Management, Pharmacy, B.Sc. MLT, Hotel Management & Catering Technology and IT Disciplines and around 2000 Learning Centres under Distance Education Programme. It has taken new initiatives in technical education to provide latest trends in technology and give opportunity to student and faculty to interact with the technology leaders in the country including e-Governance to PTU.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

RAJIV GANDHI NATIONAL UNIVERSITY OF LAW, PUNJAB

AND

PUNJAB TECHNICAL UNIVERSITY, KAPURTHALA

[COLLABORATIVE ACADEMIC AND RESEARCH PROGRAMME]

PREAMBLE

The Rajiv Gandhi National University of Law, Punjab situated at Patiala, hereinafter referred to as "RGNUL" is a premier Institute established in 2006 by Punjab Government (Punjab Act No. 12 of 2006). The RGNUL was established to satisfy the need of having a centre of excellence in legal studies in the Northern part of the country. RGNUL is affiliated to UGC and approved by Bar Council of India. In a short span of time RGNUL has established a number of specialized centers in its campus catering to the myriad of needs of its students. The most important among them are the following:

- Centre for Advanced Studies in Criminal Law (CASCL)
- Centre for Consumer protection Laws and Advocacy (CCPLA)
- Centre for Advanced Study in International Humanitarian Law (CASH)
- RGNUL Institute of Competitive Exams (RICE)
- School of Agricultural Law and Economics

The objective of RGNUL, as enshrined in the RGNUL Act, 2006, inter alia, includes "liaising with institutions of higher learning and research in India and abroad". It has got its goals to provide quality education, undertake basic, applied and adaptive research to seek appropriate solutions to the emerging problems and develop effective mechanisms for technology transfer. The university as first party is committed to developing quality manpower and research collaborations.

Whereas, the Second party, Punjab Technical University (PTU) was established by an act of State Legislature on 16th January 1997, to promote Technical, Management and Pharmaceutical Education in the state at the degree level and above. The University has the mandate to set up Centres of Excellence in Emerging Technologies and for promoting Training, Research & Development in these areas. One of the main focuses of the University at this time is in the area of professional & skill oriented technologies to the masses. The University has undertaken the task of training the students to help in the development of skilled manpower in this sector in the country in general and in the state particular. With this goal in mind the University is promoting a number of courses in different streams in regular as well as distance education programmes. Now the University, under its administration, has around 400 Colleges, offering Courses in Engineering, Management, Pharmacy, MLT, Hotel Management & Catering Technology and IT Disciplines and around 2000 Learning Centres under Distance Education Programme. It has taken new initiatives in technical education to provide latest trends in technology and give opportunity to student and faculty to interact with the technology leaders in the country including e-Governance to PTU.

Whereas, The RGNUL desires to establish academic collaboration with institutions of excellence in the field of law, Social Science and other disciplines in India and other countries abroad and the PTU is one among such recognized institutions and seeks to promote the institutional collaborations for academic, research and publication through this Memorandum of Understanding.

SCOPE OF AGREEMENT

This Memorandum of Understanding is signed between the RGNUL as First Party and the PTU Kapurthala as Second Party for the purpose of Academic Collaboration that will encompass exchange of students and members of faculty between the two parties as well as other academic activities, research and publication. In addition to this, active efforts will be made to develop joint training and research programmes that will be pursued in a collaborative spirit. The collaboration between the First Party and the Second Party shall be subject to following:-

I. TERMS AND CONDITIONS OF COOPERATION:

1. The RGNUL and the PTU shall collaborate in mutually agreeable academic events, teaching, training and research, wherever feasible. Such collaboration will be based on mutually agreeable terms and conditions specifically agreed for each of the collaborative efforts;
2. The RGNUL and the PTU shall offer full time regular as well as optional courses to the undergraduate and post graduate courses offered at these institutions from time to time on mutually agreeable terms and conditions;
3. The Ph.D. candidates in interdisciplinary areas of research involving law from the PTU shall work under the supervision of the faculty members of RGNUL or if agreed, jointly supervised by the faculty members of both the parties to this MOU;
4. Faculty members from each of these universities shall be invited for important seminars, conferences and for teaching at doctoral level. The financial implications shall be worked out on a

MoU between PTU & RGNUL, regarding Collaborative Academic & Research Programme

5. Those modalities for a similar exchange of researchers and faculty members will be laid down through mutual discussion that should be made operational for a period of five years;
6. Ph.D. Scholars of both the universities shall be allowed to make use of the library resources of each other and to have academic interaction with the faculty;
7. Research Scholars and Teaching Faculty of both the RGNUL and the PTU will explore possibility of taking up collaborative research work and also apply jointly or individually for funding from national and international agencies, governments and other funding agencies;
8. The collective programme between two parties shall be coordinated by Coordination Committee consisting of one member from each organisation.
9. Any financial implication emerging out of such collaborations (other than the fees of the students etc) shall be worked out and decision will be taken with mutual agreement;
10. In case of any dispute that may crop up during execution of MOU, the matter would be settled through arbitration referred to Arbitration Committee of a member nominated each by two parties and one member will be jointly nominated by two parties.

II. AREAS OF COOPERATION

This MOU expresses a mutual desire by the RGNUL and the PTU to co-operates in building intellectual and research capacity and scholarship. Additional areas of co-operation may be added by written consent of both the parties. Both parties will act in good faith to ensure that the objectives in this Memorandum are realized.

III. INTELLECTUAL PROPERTY AND CONFIDENTIALITY

1. In respect of each project and programmes of co-operation, the parties shall negotiate and mutually agree in writing on their respective rights to intellectual property and commercial exploitation of the same (including without limitation, trademarks and service marks, copyright, patents, designs and confidential information pertaining thereto).
2. Neither party shall, at any time disclose to any third party any confidential information of the other party which is acquired in the course of activities under this Memorandum, a collaborative project or a programme, without the prior consent of the other party in writing.

The confidentiality obligations herein will not apply to information in the public domain; information in the possession of the receiving party prior to the disclosure of the information; information which is independently developed by the receiving party; information required to be released by law; and information which is rightfully received by the receiving party from third parties without any breach of confidentiality obligations.

IV. NON-BINDING NATURE OF MEMORANDUM

Nothing in this Memorandum shall be construed as creating any contract, partnership, agency or other legal relationship between the parties. This Memorandum is only a non-binding statement of intent to foster genuine and mutually beneficial collaboration.

Progress in realizing the terms and conditions referred to herein will be reviewed periodically as mutually agreed and the memorandum may be amended at any time by mutual consent and in writing.

V. TERMINATION

1. This memorandum shall come into force immediately upon its signature by the parties to this MOU.
2. The validity of this Memorandum of Understanding is initially for a period of five years from the date of its execution and the same can be further extended on mutual agreement.
3. This Memorandum of understanding can be terminated by either party by giving six months written notice to the other and without jeopardising the coursework or registration of any of the students of either institution. The implementation and/or continuance of programmes or projects established pursuant to this memorandum prior to the effective date of termination shall not be affected by the termination of this Memorandum.

IN WITNESS WHEREOF, this Memorandum of Understanding is executed by the parties hereto on this 30th day of November, 2011.
