Sub:- Regarding quote of internet leased line

Kindly refer to your e-mail regarding renewal and revision of rates of internet leased line of 500 Mbps. In this regard, we are pleased to offer you specially approved rates for renewal of Internet leased line (ILL) on latest state of art technology specially designed for your organization.

1) Internet Leased Line

Product Name	Charges per Annum(In Advance)	Minimum Commitment Period
500 Mbps Internet leased line (1:1)	Rs 9,15,000 /-	3 Years

Note:-

- 1) GST as applicable will be charged extra. At Present GST is 18%
- 2) ILL is already given in ring connectivity to provide uninterrupted service.
- 3) 100 Mbps ILL on RF (as back up) is also provided free of cost.

Features of Internet leased line:-

Internet Leased line ILL is an always on Internet connection based on leased line access (i.e. dedicated access). Leased lines provide the last mile access from the user premises to BSNL equipment. Required by heavy users like educational institutes, big cyber cafés, small and medium corporate house who need to constantly remain online with Internet. Since the access is "always on", it is possible to associate a pool of permanent IP addresses with a particular leased line. Using IP addresses provided by BSNL, it becomes possible to deploy a variety of services such as mail, FTP, WWW, DNS, and proxy, to name the most common requirements of organizations.

The Internet leased line service offered by BSNL is to enjoy round the clock internet connectivity.

We assure you the best state of the art technology services. You can expect a fruitful and useful association with BSNL. Kindly give us an opportunity to serve you.

Hoping for a positive response,

Yours Sincerely
