Sub: Regarding online Workshop on aptitude skills.

Campus placements for the current batch of students at IKG-Punjab Technical University, Kapurthala have been a resounding success with global and Indian corporate biggies. Students have received good packages from MNC's. Further, many students of University campuses are preparing for online recruitment tests of these MNC's.

In order to enhance the employability skills and selections of students, CR&A cell is planning to organize a three days online workshop on aptitude skills w.e.f 4th June, 2021 to 6th June, 2021 for batch passing out in 2022. The said workshop will be taken by Mr Roshan, who is an expert on Analytics and aptitude skills development. The said workshop will cover topics like Quantitative Aptitude, Logical Reasoning and Mock Online Test.

It is also worth mentioning here that Mr Roshan have previously conducted similar training for IKG-PTU students in 2019 which was highly appreciated by participating students and T&P faculty coordinators of University

Keeping in view the above facts, it is observed that pre-placement training for various companies before their respective campus drives is urgently required therefore it is proposed that Mr Roshan aptitude skill trainer may be invited for three-day online workshop on June 04, 2020 to June 06, 2021 for batch passing out in 2022.

Three days Honorarium (Rs15000/- total) may be paid as per University norms.
