### Activities Related to Pre-admission Counselling Services Undertaken by DDE

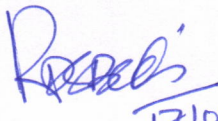

## **Pre Admission counselling of the students**

### **Advertisement:**

The University advertises for admission in the reputed newspapers of the state and also through Radio & Banners and social media for new admission in the ODL programmes

### **Appointment of Logistic Support Centre (LSC)**

Logistic support centres have been set up by the University at selected affiliated colleges of the University within its territorial Jurisdiction. These logistic support centres have been set up as per the guidelines of UGC (DEB) and MOU has also been signed with them highlighting the support to be provided by them to the prospective learners. List of LSC is also put on website ([odl.ptu.ac.in](http://odl.ptu.ac.in)). These logistic support centres have designated qualified staff headed by the centre head who is responsible to provide all information and counselling regarding the pre-admission queries to the students. During the pre-admission counselling, student gets a chance to see the study centre and also is guided about the curriculum and employability of each program that helps the student to select the right program for itself. Other than that, all information regarding the prospectus, procedure, fee structure and all relevant information is also provided to the student on the web portal of the university. Further direct support numbers have also been given on the web portal from where the student can get desired information. After admission, each logistic support centre guides the students of various academic activities related to the distance education program like conduct of Personal Contact Program, submission of assignments & practical files, conduct of practical examinations and end semester examination.
