Dear Sir,

I have just had a conversation with Mr. Joginder from PTU.

I have been a distance learning student of PTU for MBA and my Course year was 2011-2013 and LC was Unitedworld school of Business with the LC Code 1910.

I am writing to you to get my MBA degree as I was unable to collect the same from my LC.

I also raised a ticket on the student portal of the student support website of PTU (Query No.10044822). In which I've been informed that my semester 4 fees were not submitted by LC to the University and because of that I am unable to get my degree.

Now as my LC is no longer an active LC of PTU they are unable to help and have asked me to approach the university directly to pay my fees and collect the degree.

Hence i write to you to let me know if i can do the same if the university allows. I've got NOC from my LC and submitted the same on the ticket raised on the website.

Respected Sir/Madam,

I am writing this email to inform you that, I need my original degree certificate from your university. FYI, I am a student of distance education from your authorized center LC Code 1515 - ACS Academy, Paonta Sahib, Distt- Simrour, Himachal Pradesh, Batch: 2012-2016. Roll Number: 11215150019.

I'm trying to get it from your online portal but there is need of DMC of all semesters, passing certificate and NOC from centre. I have only DMC of up to 4th semesters whereas I have passed 5th and 6th semesters have passed but the centre is not provided me DMC of them. That time they have told me you can get from the university while you go to taking a degree.

Request you to please give me a degree certificate along with the 5th and 6th semesters DMC. I have attached herewith a few documents like admit card and NOC of the centre and scan DMC from 1st to 4th semesters.

If there is a need to pay any fees then please let me know. I will ready to pay.

Please help me I will be very thankful to you.

Subject: Urgent- Requesting Admission Prospectus of PTU(Distance Learning)-2012

Hello Sir/Mam,

Greetings for the day!

My name is **Atul Pradhan** and I have completed my B.Sc. Multimedia Degree under distance education program of Punjab Technical University. I took admission in **September 2012** and our first-semester exam was held in March 2013 and the last/6th-semester exam was held in December 2015. My Roll Number is **12220160013**, Institute Code is **LC_CD:2016**.

Currently, I have taken admission to **PRSU, Raipur Chhattisgarh** in **B.Ed.** program but they had an objection to the Degree and refused to give the **eligibility certificate** to give sem exams, stating that PTU didn't have the permission to run this course in Delhi (As my learning center was in Delhi).

Previously I acknowledged the PTU about this issue, through the mail and got a response. In that response, I got a copy of the notification from the distance education council which justifies the territorial jurisdiction of PTU's Distance Education. After the lockdown, I submitted that copy of the notification to PRSU, Raipur, But now they are demanding the **Admission Prospectus of PTU (Distance Learning) of the Year 2012** for further clarification. After this only they will provide me eligibility, otherwise, my result of the recent sem exam will be on hold and admission may get canceled.

So, I request you to provide me with the Official Admission Prospectus of PTU (Distance Learning) of the Year 2012. Hope you will understand my problem and expedite the process as soon as possible. Looking Forward.

regards,

Atul Pradhan

Dear Sir / Madam,

Can we all our classmates, and one Teacher, can have a conference call, where we can discuss progress and how we are going to settle sem-3 & 4. Once semester 3 & 4 is over, then we should ideally proceed for the 5th Semester.

Once both 3rd and 4th Semester, Exams and practicals are done, I have no objection in paying fees.

Hello sir,

I would like to inform you that I want to know about my exam status or exam result status of semester 3rd & 4th. I have been trying to know about this for a long time but no one is replying and PTU staff is very unprofessional and they do not pick a call they only call students when they want to ask about fees before one day from the last date of readmission. And when I called the college which I filled as an examination center they said your name is not in our list so please let me know which college is it. Please, it's my humble request please do not waste students' time and money and there are a lot of students who are waiting for these updates. Please do the needful.

Thank you. Regards

Dear Sir,

I am Abhishek Khanna. My Roll No. was 1700037. I have already made a request in front of you that I have applied my original Degree certificate on your Student Support Portal. I have already discussed my problem with you. My query number is:

10029648

I have raised my ticket on 1 december 2020, which was delayed from your end without any reason after that when I wrote to you then my ticket was updated that my ticket is in process. But today, when I checked for the status of my ticket. It was closed without any reason and without giving me any kind of information as to why my ticket is closed.

I already told you in my previous mail that I need my documents very urgently. I already made payment and completed all the necessary formalities. But still there is no hope that it will be delivered. I need my degree for the verification purpose for my further studies. But needlessly being delayed too much. So i again humbly request, please dispatch my degree certificate and provide me the docket or dispatch number as soon as possible.

Thank you,
With regards.

Hi Sir/Madam,

This is to request you regarding the refund of the payments that were made for the DCA (Diploma in computer application) course. I made two payments of INR 10,050/- each (a total of INR 20,100) for the admission to the January, 2020 batch of DCA course for below mentioned candidates:

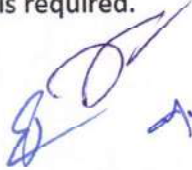

- Nitin Sharma (application form attached herewith) [Mob: +91-9878318002]
- Palak Dhawan (application form attached herewith) [Mob: +91-7507118000]

However, I visited the PTU main campus (distance education directorate office) last week, and they told me that there are no ongoing admissions for that batch, and told me to send an email to request the refund of the fee payment. (24)

I thereby, request you to please issue a refund for the payment. I have attached admission application forms and the payment receipt for the payment of the first-semester fee for Nitin Sharma; however, I was unable to download the receipt for Palak Dhawan through EasyPay. Please let me know in case any other information or documentation is required.

Thanks and Regards,

Hello Sirs,

I, Abhishek Sarna Roll no: DEP9203440001, passed my BBA through Distance Learning in September 2012.

Unfortunately, I lost my 6th Semester DMC. Now, when I try to apply for Duplicate DMC, it asks for uploading some documents out of which I do not have my 6th semester DMC, Result Notification, NOC.

Please advise how should I proceed further. I would really appreciate your support.
