Policy document on e-governance

Department of College Development has taken an initiative to create a user friendly e-governance web portal to facilitate the college/ educational societies, University officials and other stakeholders to ensure the transparency and confidentiality of online submission of applications process for New College/ New Course/ Increase in Intake/ Continuation by University Affiliated colleges/societies/trusts. Accordingly, an online portal is developed in-house to facilitate the same. The policy that prevails during functionality using e-governance is as below:

Affiliation of New Colleges: The steps are as follows:

- Department of College development creates a login account on the request of interested societies/ trust applying for affiliation of new college.
- Submission of online application form after entering the data by the applicant through web portal and uploading the required documents.
- Challan generation to deposit the fee through online mode
- Deposition of application processing fee through online mode on web portal and uploading the receipt of fee deposited duly verified by the bank.
- The entered information is download by the applicant to check the correctness of data entered and their documents.
- Lock the online application form.
- The submission of fees of Inspection and affiliation through online mode

For Existing Colleges: The steps are as follows:

- The existing college login through the login id & password

Deputy Registrar

Annual E-Governance Report

College Development Web Portal

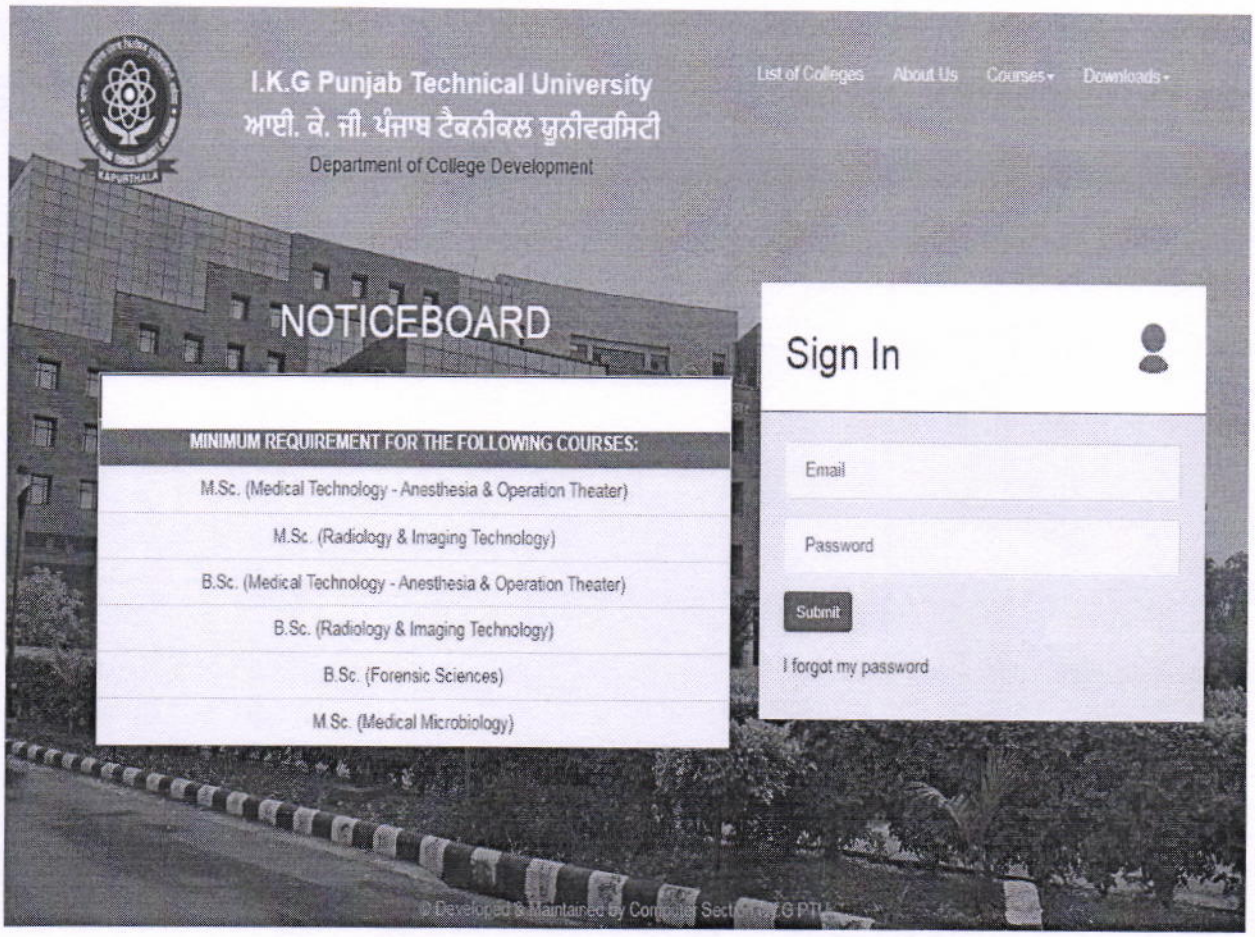
Session 2020-21

I.K. Gujral Punjab Technical University

(Jalandhar-Kapurthala Highway, Near Science City, Kapurthala)

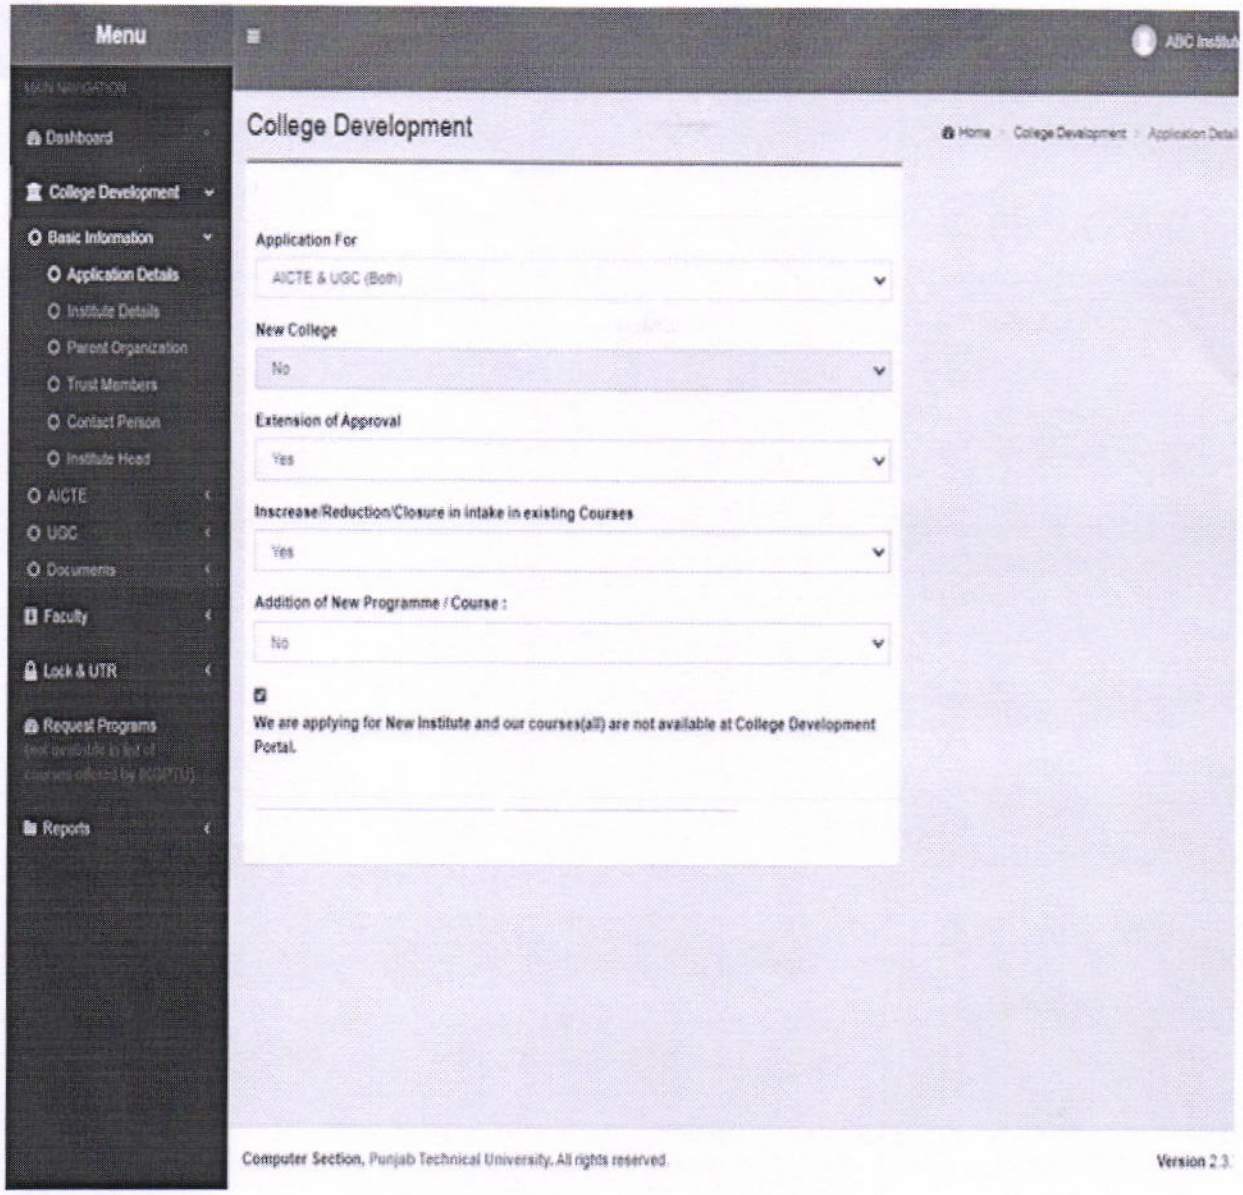
Director, College Development
Punjab Technical University,
Jalandhar

E-Governance: The objective of setting up of e-governance at Department of College Development is to help streamline operations and utilize the resources in an optimal way. It is expected that e governance will make workflow in the university functioning more efficient with computerized operations and make accurate data and information available to users. This will help in reducing paper work, time taken for movement of papers and files in official work and better utilization of human resources. We have initiated implementation of E-Governance in the Department of College Development in the year financial year 2020-21.



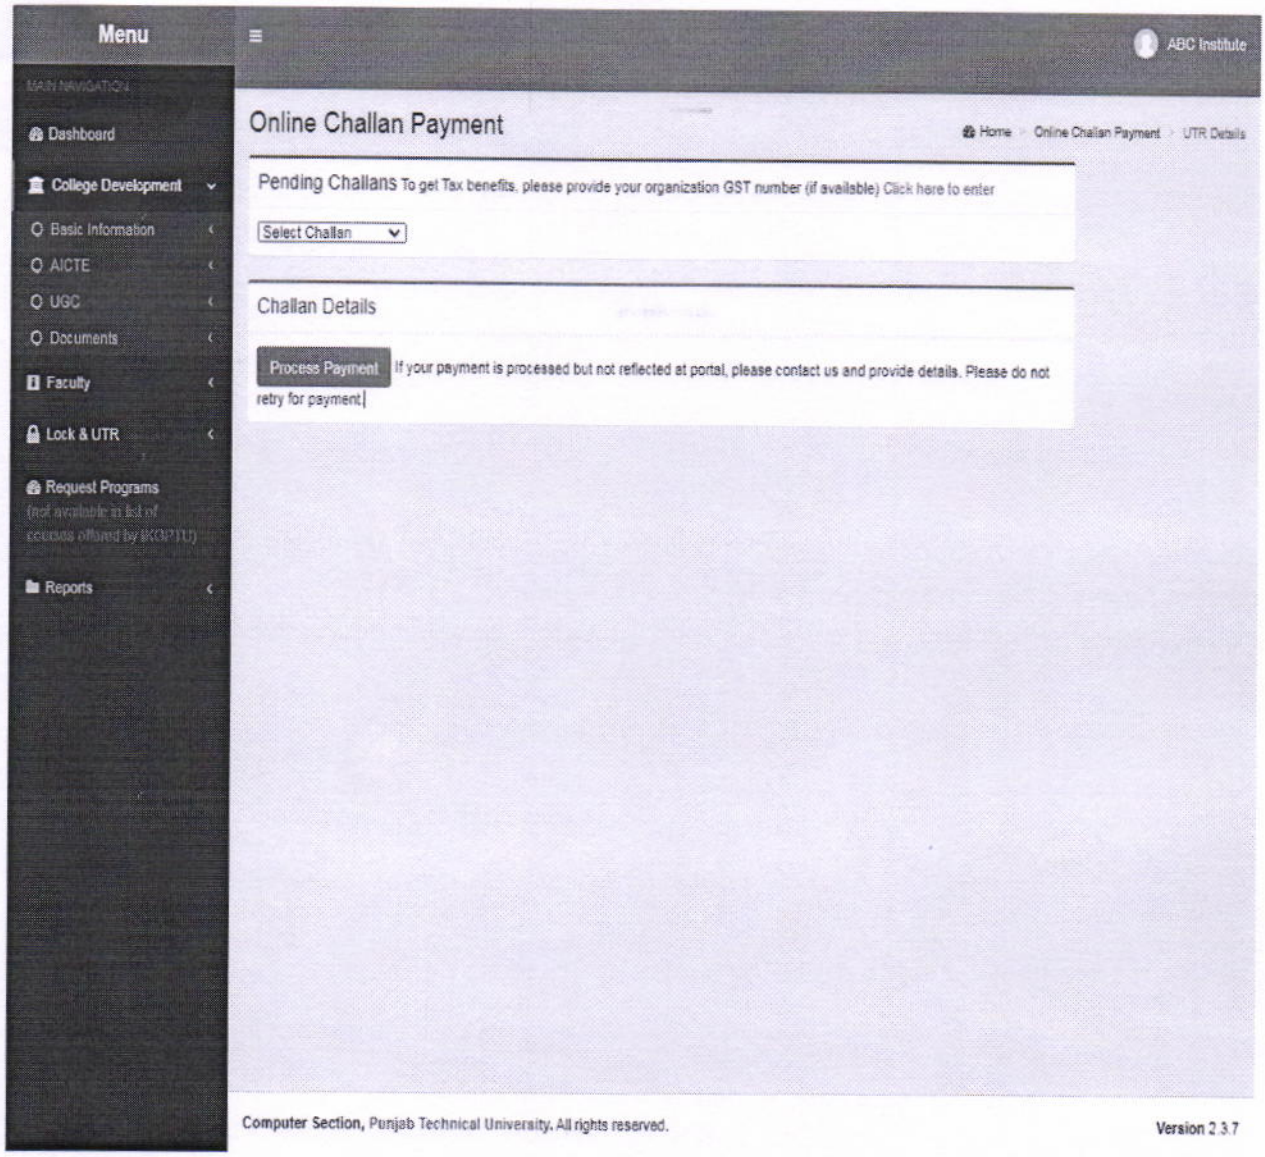
Department of College development creates 03 login account for new user on the request of interested societies/ trust applying for affiliation of new college alongwith previously created 212 existing users.

Director, College Development
Punjab Technical University,
Jalandhar



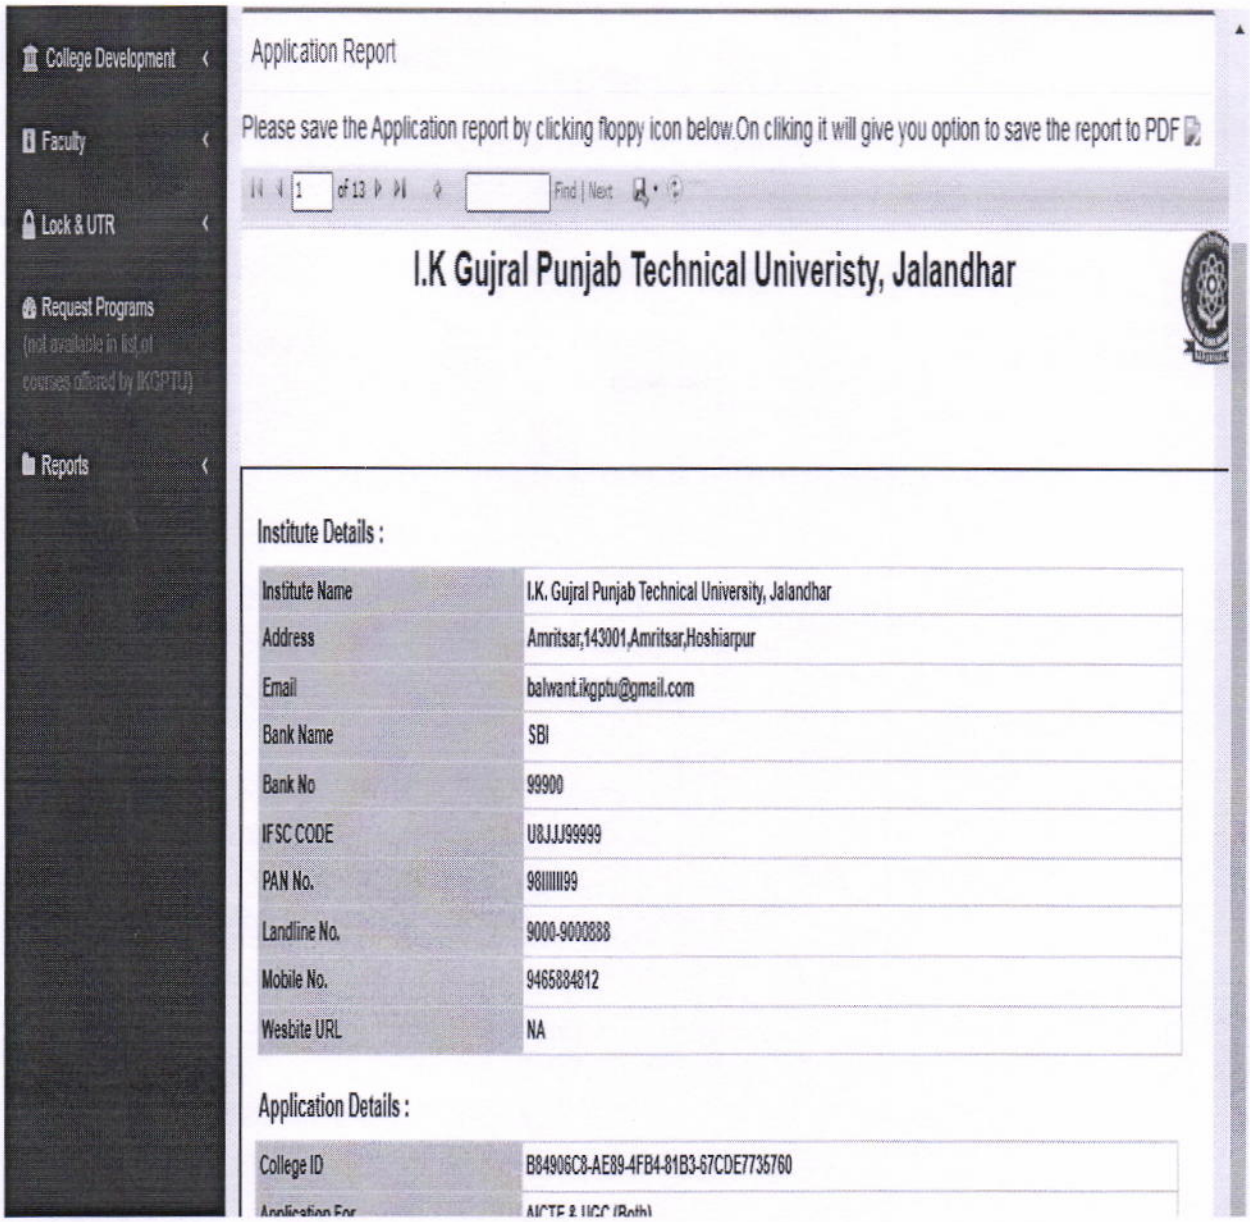
Total 215 colleges (existing and new) have entered the requisite details to start/continue the programmes as per the requirements of regulatory body i.e. UGC/AICTE/PCI/CoA etc. accordingly submitted the online application form through web portal and uploading the required documents.

Director, College Development
Punjab Technical University,
Jalandhar



The Fee Challan of 215 colleges has been generated to deposit the fee through online mode. Deposition of application processing fee through online mode on web portal and uploading the receipt of fee deposited duly verified by the bank.

Director, College Development
Punjab Technical University,
Jalandhar



Various types of report have been downloaded by the multiple users i.e. college user, supervisory and admin user for their records maintenance.

Director, College Development
Punjab Technical University,
Jalandhar

Going forward we shall also be implementing the E-Governance in the other relevant areas and subsequently all these modules will be linked to each other. The very reason of implementing the E-Governance in the University in a phase wise manner is to automate the complete operation without any disruption.

Director, College Development
Punjab Technical University,
Jalandhar

Punjab Technical University,
Jalandhar

Various types of report have been downloaded by the multiple users i.e. college user, supervisory and admin user for their records maintenance.

Director, College Development
Punjab Technical University,
Jalandhar

Going forward we shall also be implementing the E-Governance in the other relevant areas and subsequently all these modules will be linked to each other. The very reason of implementing the E-Governance in the University in a phase wise manner is to automate the complete operation without any disruption.
