## 1. Introduction

The Inder Kumar Gujral Punjab Technical University(IKGPTU) was established in the year 1997 under The Punjab Technical University Act, 1996 (Punjab Act No. 1 of 1997) to provide for the establishment and incorporation of a University for the advancement of technical education and development thereof in the State of Punjab and for matters connected therewith. In pursuance of this Act, the University started its journey with 09 engineering colleges and few management colleges affiliated to it. Since then the University has come in a long way and during the Academic Session 2015-16, the University has affiliated 65 Engg. Colleges, 109 management and Computer Application courses, 33 institutions imparting Pharmacy education, 08 colleges imparting hotel management education, 06 colleges providing Architecture Education, 11 Regional Centres for M.Tech and Ph.D. in different branches of Engineering and Management and 01 Regional Centre for M. Pharmacy. The IKGPTU is responsible for producing quality technical manpower in the field of Engineering and Technology through AICTE approved Govt. / Govt. Aided / Self-financed Institutions and University Departments. The norms and standards prescribed by AICTE are being followed.

For admission to various technical courses namely B.Tech / Degree Pharmacy, the state government used to conduct entrance tests viz. CET. As result of entrance tests, manual computerized counselling were conducted by different institutions/nominated agencies for completion of the admission process for various courses, which was very cumbersome & tiresome process.

Keeping in view the generic problems faced by the candidates, their parents and by the state administration, it was decided to give up the manual counselling system and adoption of modern web based online off campus counselling system to bring in transparency & efficiency for making merit based admissions.

The National Informatics Centre (NIC), the premier Science & Technology organization of Government of India under Union Ministry of Information Communication & Technology is entrusted to accomplish the task of Software development, testing & implementation of Web based e-Counselling for admissions to B.Tech, B.Arch and B.Pharmacy Degree courses being run in all type of institutions in the State.

### 1.1 Purpose

This document outlines the Software requirements Specification (SRS) for the project of web based e-Counselling and requirement for finalization and approval of:

- The functional areas of counselling
- The online seat allotment procedure
- The Seat matrices as per the reservation policy /distribution of seats
- Conversion/merging of reserved seats
- INPUT/OUTPUT layouts & Data Requirements
- Required Hardware software interfaces
- Infrastructure and resource requirement at PI & CCR.

- Process and Procedure for counselling

For development of software package for **e-Counselling** of IKGPTU, Punjab, SRS has been prepared to facilitate the team of software developer and to apprise the user regarding all aspects of Web based counselling.

*Once approved, the SRS document will be referred as a base document for design and software development by IKGPTU and NIC software development team. SRS is the outcome of the feasibility and analytical study of the counselling system.*

## 1.2 Scope

The main scope of the SRS is to identify the processes and procedures that will meet the specified requirements and also available from the technical, economical, logistical and operational point of view. It is also required to establish whether the project will be implemented successfully not only to meet meaningful rationale but also in aspects to withstand legal, economical and technical viability as well. This SRS will enhance the likelihood of success, reduces project risks and minimizes shortcomings due to shortsightedness caused by the lack of research, in-depth study and analysis of various aspects of the project.

The scope of the proposed web based counselling shall be applicable to all the courses offered by following institutions as listed below.

- Inder Kumar Gujral Punjab Technical University's affiliated Engineering / Institutions for Engineering & Technology.
- Maharaja Ranjit Singh Punjab Technical University affiliated Engineering / Institutions for Engineering & Technology
- Punjab Agricultural University, College of Agricultural Engineering, Ludhiana for Engineering Courses

### Engineering Four Years Degree Courses:

Course Code	Course Name	Short Name
1	APPLIED ELECTRONICS AND INSTRUMENTATION ENGINEERING	AEIE
2	AUTOMOBILE ENGINEERING	AE
3	BIO MEDICAL ENGINEERING	BME
4	BIO TECHNOLOGY	BT
5	CHEMICAL ENGINEERING	CHE
6	CIVIL ENGINEERING	CIVIL
7	COMPUTER ENGINEERING	CE

18	MECHANICAL ENGINEERING	ME
19	PRODUCTION ENGINEERING	PE
20	TEXTILE CHEMISTRY	TXC
21	TEXTILE ENGINEERING	TXE
22	AGRICULTURAL ENGINEERING	AGR

**Note:** NIC shall provide the complete database of all the candidates, applied and registered on line to IKGPTU. IKGPTU will process the data as per admission rules and criteria and prepare the merit list of all eligible candidates along with reserved category candidates. IKGPTU will provide the same database to NIC after inserting merit rank of eligible candidates.

### 1.3 Objectives

This year, 7<sup>th</sup> time in a row, Web based counselling for admissions to all B.Tech, B. Arch AND B.Pharma courses in all technical institutes under participating universities is being conducted in the State after constitution of IKGPTU with following main objectives;

- To bring in 100% transparency in seats allotment and admissions.
- To build strong public interface to minimize travel burdens on counselees & their parents for counselling.
- Providing enough time to counselees for submission, change, delete, re-ordering of multiple choices from anywhere any time.
- Availability of required information, queries, reports at different levels.
- Centralized database and centralized monitoring.
- Less Paper counselling and Increase in number of registrations and allotments
- Secured and controlled data access at every level.

- Provide fair chance of allotment to eligible candidates following the merit list in case seat are vacated by other candidates on the top of merit. Otherwise, in physical counselling it is allotted in the subsequent allotments, the meritorious candidate will be denied of his choice and the seat will be allotted to a candidate, who is lower in the merit.

## 2. Functional Areas / System Requirements

### 2.1 functional activities

- a) The SRS has been prepared for development, testing, implementation and certification of counselling software.
- b) **Core Committee has been constituted by IKGPTU** for helping in finalization of Process and Procedures of Counselling and for the approval of regulatory requirements and software specifications (SRS) etc.-placed on **appendix-I (appendix-I contains name of the Core Committee and Technical Committee members)**
- c) Roles and responsibilities for NIC & IKGPTU are described in **Appendix-II**
- d) Counselling **process and methodology to be** approved by the [IKGPTU](#)
- e) Circulation of counselling Procedure, Process & Instructions to PIs along with requirement of hardware, software, connectivity, infrastructure and manpower for conducting of training, submission of choices by candidates and making their admissions as per the allotments of seats.
- f) Infrastructure in terms of hardware, software & connectivity for PI /Help Centers and [IKGPTU](#).
- g) Finalization of information brochures for placing on websites and due publicity
- h) Finalization of counselling schedule-placed at **appendix-IV**
- i) Finalization of **seat matrices**, institution & branch wise as per the state reservation policy.
- j) IKGPTU will provide fees data well in advance for uploading on web. The data will include Roll no, Name of the candidate, Date of Birth, Application Form No., JEEMAIN rank, Name of Bank, Date of deposit of fee & Fee Amount etc with in minimum possible time enabling the candidates to register on the counselling website for exercising of choice. Filling up of the fee related data in the prescribed format should be the responsibility of the candidate. The designated bank branches need to be listed in all documents to be read by Candidates, PIs, [IKGPTU](#) and NIC.

- k) Development & testing of counselling** software package by NIC and approval by IKGPTU. Seat allotment algorithm also will be certified by IKGPTU and complete user acceptance test will be done by IKGPTU.
- l)** Awareness training for core committee PIs & Help Centers members on counselling software.
- m)** Training to the identified officials of selected PIs/Help Centers on identified locations in the presence of core-committee members to operate the counselling software for successful counselling and further to train the remaining officials of Help Centers and candidates for choice making and saving.
- n)** Candidates shall be given time as per the counselling schedule decided by IKGPTU to exercise their choices during counselling's as per the counselling schedule decided by IKGPTU
- o)** Allotment of seats shall be done as per the seat allotment procedure and seat matrices provided by the IKGPTU. The results shall be published on the counselling website after choice saving period of each round of counselling.
- p)** *Concerning PIs shall provisionally admit the candidates after verification of credentials and documents. If any candidate does not report to PI for provisional admission within stipulated period as per the counselling schedule, her/his seat allotment will be treated as cancelled.*
- q)** Concerning PI will update admission status on the website and IKGPTU shall declare unfilled/leftover seats-instructions.
- r)** Withdrawal of Seats will be taken care of by IKGPTU Administrator through Admin module.

## 2.2 Context Diagram

## 2.3 User Interface

### 2.3.1 Candidates Interface

While operating the counselling website by the candidates for [online form](#) registration, choice filling & saving etc, On-line help is provided which explains about every function of the software i.e. How candidates should exercise their choices. Designated Trained officials identified by [IKGPTU](#) shall be available at Participating Institutes to help the candidates during counselling.

Candidates can also exercise their choices from cyber cafes and other nearby Internet gateways.

Following software interface shall be available for candidates during "web based e-counselling"

- **New Candidate Registration:** – New candidates will register through the registration form and get the userid and password. All the candidates will have to register on the website provided they have deposited requisite counselling Fee in the designated bank. The system will ask for details like roll no, rank, date of birth etc for cross-verification. It will ask for other details like category, sub-category, Priority etc. It will then ask the candidate to create the password. Candidates will be directed to read the reservation policies of participating universities and Government notifications and give their acceptance. The successful completion of above will complete the registration process.
- If there is any change from the already available information, candidate has to report to the IKGPTU with necessary documentary proofs and IKGPTU Administrator will modify/ update the data.
- Registered candidate can view his data from view profile. If the necessary change does not reflect in view profile, he/she has to contact CCR.
- **Registered Candidate Sign In / Login**
- Change Password
- Registration details
- Choices Available
- Standard Template for Choice with User Defined Scroll up/down on Template without change Original Template after Copied into Choice Fill
  - Branch wise
  - College wise
- Choices Edit – Interchange(Swap)
- Choices Edit – Rearrange(Move)
- Choices Delete
- Save choices
- Choices Print (report format)
- Result
- Withdrawal of Seat
- **Generation and printing of Allotment letter**
- Log out

### 2.3.2 PI Interface

- Candidates Reported at PIs
- Online candidate information Display (for verification)
- Online Fee verification
- Provisional Admission
- Document verification with generation of document verification checklist and signed by candidate and PI.
- Printing of Admission Letter.
- Updation of admission status on the counselling website.

### 2.3.3 Administrator Interface

- List of Institutes, Institute Profile & Institute Course Summary
- Seat Matrix Entry , Seat Matrix Summary and different views
- Candidate Details (Registered Candidate) and Edit Registration
- Message Entry, Counselling Schedule
- Candidate Original Information (Unregistered Candidate)
- Admission Status (Course Wise Details, Name Wise Allotment, Admitted Candidate List, Candidate Who Got Refund, Admission Withdrawal and Vacancy Position)

## 2.4 System External interface

### 2.4.1 Data requirement from IKGPTU and Bank

- System will have seamless interface with candidate's data obtained by [IKGPTU](#) and Bank as under.
  - a. Candidate Record (detailed data)
  - b. Valid Merit Number (Rank) Database
  - c. Payment Details from the Bank.

**Note:** Databases obtained by [IKGPTU](#) will be hosted on counselling website for registration and counselling process

## 2.4.2 Data requirement from IKGPTU

[a] **Information** Brochure for all courses and **Institutes Profiles** will be supplied by IKGPTU to NIC for uploading it to the above-mentioned counselling websites along with the counselling procedure & seat matrices.

[b] **IKGPTU** will provide following information as well as database to NIC:

- **Participating Institutes** Information, categorization with Govt. / University/ self-finance/Pvt. Institutes, Engineering /Pharmacy wise.
- **Course/Branches wise list** containing branches/disciplines finance/self finance wise.
- **Unique Merit Number (Rank) and detailed data** of candidates appeared in All India Engineering Entrance Examination.
- **Seat Matrix** – for every technical institute having category wise breakup of seats as applicable (SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others)
- **Eligibility criteria's & Reserve Categories master**

## 2.5 Overview of the proposed project

The proposed system of counselling is web based and shall be applicable for admissions to all AICTE approved technical professional courses run by different technical institutes in the state (Govt./Aided/University Departments/self-financed/Private Institutes) to overcome the problems faced by the candidates during manual system.

To meet the requirements of web based counselling, the website <http://ptuadmissions.nic.in> shall be launched. The website shall keep following required links for different activities of counselling.

1. Counselling Website (procedural) with URL: <http://ptuadmissions.nic.in> shall contain procedures and information for counselling w.r.t institutes, availability of seats in different disciplines and categories, profile of institutes, eligibility criteria and counselling procedure.
2. Counselling website with URL: <http://ptuadmissions.nic.in> for registration, exercising of choices and saving/saving the choices during actual counselling and for publishing of results of counselling etc (The link shall be activated during actual counselling days).
3. Actual Admission intranet website, URL: <http://intraptu.nic.in>, which shall be accessible through a prescribed User-ID and Password.

All above websites links shall perform following functions:

- After paying the counselling fees, students can register themselves on the website
- Information relating to Institutes, disciplines (Engineering), branches (e.g. Civil Engineering or Computer Science etc.) and categories (General, SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others) should be displayed through relevant menus.

- Secure user/password based Login and the system will provide the facility to add, change, re-order, delete the choices in respect of institutions and branches.
- Candidate can save their choices, when ever required using <Save Choices> button.
- Candidate can get print of their choices after Final saving, but list of choices and indicative seat matrix can be printed, when ever required.
- The system shall process the submitted choices and generate the indicative seat Matrix (latest positions of seat availability)
- Processing for Seat allotment & final seat allotment shall be published on Website.
- Candidates shall print their allotment letter and will report to the PIs for admission with in prescribed time period.
- Document Verification, generation of document verification checklist and updation of final admissions by Institutes will be done by PIs on the Website.
- The system shall provide required online query/Reports.
- After completion of admission period for counselling, the leftover/unfilled seats shall be transferred for consequent counselling.
- Online Withdrawal facility will be managed by IKGPTU Administration. Candidates, who are willing to withdraw from Counselling after taking admission in allotted college, will give the request to IKGPTU administration.
- Subsequent counselling's based on the vacant seats/leftover /unfilled / merged seats

## 2.6 Assumptions and dependencies

- All Counselling's based on IKGPTU merit list(JEEMAIN for B.Tech\*\*, IKGPTU Rank for B.Arch and B.Pharma).
- Merit Numbers (Rank) for each candidate should be UNIQUE (i.e. no two candidates can have same Merit Number (Rank) in a stream).
- IKGPTU will finalize/provide and upload all required master data including seat matrices(of all the colleges/streams/branches, comprising of the distribution of the seats in absolute terms as per the state reservation policy), Institute profile etc well in advance before the start of the counselling.
- Eligible Candidates, who have paid counselling fees, will register online and obtain unique-ID based on roll number and password (as given by the candidate at the time of registering on the web) prior to exercising of choices.
- Seat allotment as per the seat matrices given by IKGPTU according to reservation policy of the state.
- IKGPTU shall reserve all right pertaining to any changes in any master data including candidate master. Changes in **Candidates' Master Database**, like **DOB, Gender**, etc. Permitted through web interface by authorized IKGPTU officials.
- A candidate shall be able to fill unlimited choices as decided by IKGPTU
- Saving of Choices by Candidates is a must for the seat allotment. Unsaved choices will be considered as deemed choice.
- Saving of Choices by Candidates is to be taken as the last choices submitted by the candidate. In case the candidate does not explicitly lock the choices, the choices submitted till last moment of the last cut-off time shall be taken as the final choices by that candidate.

- All the PIs should have the prescribed computer infrastructure, trained manpower and Internet connectivity through an Internet Service Provider (ISP) with specific IP addresses (obtained from the ISP by the PIs) for accessing secured databases for making admissions and updating of admission data on website.
  - Updation from PIs will not be allowed.
  - IKGPTU will provide all functional, regulatory and non-functional requirements for the project.
  - Students data base shall be the property of IKGPTU
- \*\* After allotting seats in B.Tech on the basis of JEEMAIN in 2<sup>nd</sup> Round, remaining seats will be processed for B.Tech students on the basis of 10+2 Inter se Merit.

## 2.7 Nonfunctional requirements

### 2.7.1 Performance

During entire period of e-counselling the web server & database server shall remain accessible to the candidates, the PIs and to IKGPTU on 24x7 hours operational basis through the counselling website. To access the counselling website, performance shall also depend on the mode & capacity of Internet connectivity used by candidates, PIs and IKGPTU. For satisfactory performance the Internet connectivity should be as mentioned in the section 4 of this document.

### 2.7.2 Security

1. **Client Side security:** The PIs will be given role based unique user IDs and passwords for authorization and controlled access to the website of counselling. The PIs will be required to use Digital Signature Certificates for accessing the website.
2. **Database level security:** NICs web server and database server are well secured on SAN (Storage area networks).
3. **Network based security**
  - a. **Auditing and Testing:** Before final launching of the site, it will be audited and tested for Vulnerabilities by the experts.
  - b. **Finally, provision has been kept for certification of the website from 3<sup>rd</sup> agency.**

### 3. Software product functions.

Following are the functional areas with regards to the "e-counselling" for all technical courses in the state.

- [a] Web based counselling & entry/saving of final choices
- [b] Online Seat allotment and declaration of result on the net
- [c] Administration of Pls & Admissions
- [d] Seat Availability, vacant, filled status.
- [e] Data Administration and overall control module for **IKGPTU**

[a] Web based counselling shall comprises of following functions.

FN001: New Candidate Registration Screen

FN002: Candidate basic credential entry Screen

FN003: Eligibility criteria of all participating Universities Screen

FN004: Online Form Filling – Registration Screen

FN005: Registration Confirmation Screen

FN006: Registered candidate Sign In /Login

FN007: Password Change Screen

FN008: Forgot Password screen

FN009: Available Choices screen

FN010: Choice Submission screen

FN011: Choice Edit – Swap screen

FN012: Choice Edit – Rearrange / reordered (Move) screen

FN013: Choice Delete screen

FN014: Choice Save & Continue screen

FN015: Choice Saving & Exiting Screen

FN016: Logout Screen

FN017: Seat Allotment & Publishing of Result screen

FN018: SMS Alert to Candidates

FN019: Printing of Allotment Letter

FN020: Withdrawal of Seat and Printing of Refund Letter

FN021: Subsequent Round Undertaking Screen

## **FN022: Subsequent Round Choice Filling direction screen**

### **[b] Administration of CCR & Provisional Admissions**

**FN001:** Candidates Reported at Pls - Admin user can see details of reported candidate of the Pls.

**FN002:** Online candidate information Display (for verification)

**FN003:** Provisional Admission Screen

### **[c] Seat availability, leftover & filled status and reports**

**FN001:** Institute Wise Total Seat Availability/filled/leftover

**FN002:** Category Wise & Branch wise Seat Availability/filled/leftover in all institutions

**FN003:** Institution/branch/Category wise Seat Availability/filled/ leftover

### **[d] Administration of Pls**

**FN001:** Viewing of Branch Wise Seat Availability/filled/leftover

**FN002:** Document verification Screen

**FN003:** Printing of provisional Admission Letter

**FN004:** [Category wise breakup of Seat Matrix](#)

### **[e] Data Administration and overall control module for IKGPTU**

**FN001:** Counselling registration Admin

**FN002:** Secured interface for uploading/updating of seat matrices.

### **[f] Seat Allotment Module**

**FN001:** User Manager

**FN002:** Seat Allotment Processing

**FN003:** MIS (Institute wise, Rank wise Candidates) Reports

**FN004:** Login/Logout

## **4. Resource Requirements**

### **4.1 At Participating Institutes / Help Centre**

#### **Hardware, Software, connectivity & Manpower requirement**

- 10-20 Sets of latest computers with original Operating System, IE 7.0 or above and Antivirus on  
**UPS & Power generators**

- **2-3 network laser printers** or stand alone heavy duty laser printers connected with the clients for choice saving printing
- 2-5 number of trained officials under supervision of HoD/ Sr. faculty/programmer of Computer /Electronics departments for handholding of candidates
- Required **Internet connectivity ranging from 512 kbps to 1 MBPS using** (Broad Band or RF Link or Lease Line or VSAT based) if not available, it can be obtained from nearest Internet Service Provider to ensure 24x7 connectivity. Also provision of backup of connectivity needs to be made to meet the link breakdown situations.
- Updation of admission status on the web site
- Proper Seating, Cooling and drinking water facility for the Candidates
- Required Consumables like CD, Floppy, Printer toners/Ribbons and stationeries.

## 4.2 Counselee's side

1. The Client must have Internet browser i.e. IE 6.0 or above version or Mozilla Firefox 3.0 or above to access the websites. He should also ensure that his machine is up to date in all respects.

## 4.3 Establishment of Control Rooms

One control room at IKGPTU will be made and called as **Central Control Room (CCR)**. It will be equipped with computer machines/printer connected with internet on **24x7** hours operational during the counselling period to respond/resolve queries of candidates and Pls. It will be managed by team of IKGPTU officers concerned.

One control room also needs to be established at NIC HQ New Delhi in the counselling division.

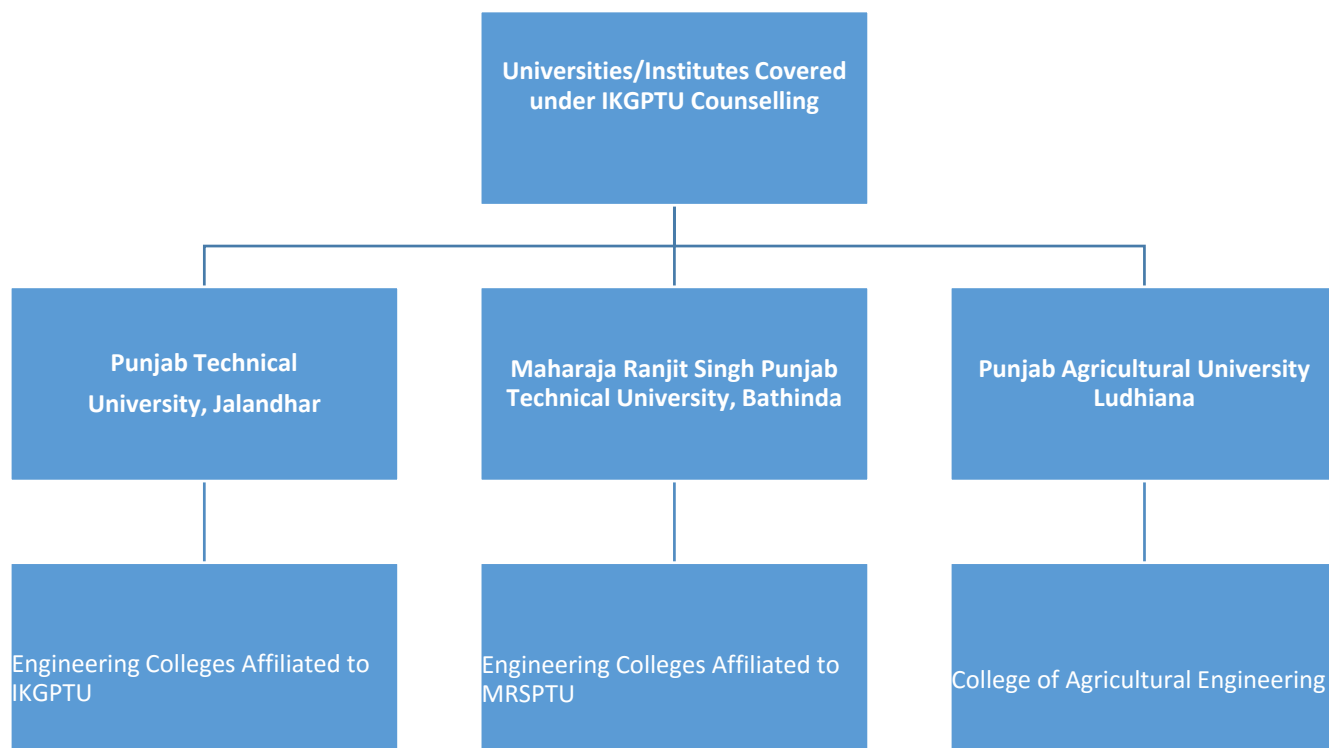

Control Room should equipped with following infrastructure requirements,

- Proper Seating Facility with AC environment
- 4-6 Computers with 2 GB RAM & TFT Monitors, anti virus loaded and patches injected
- Network Printers connected with Computers
- 2 MBPS lease line with alternate backup of Internet
- All computers must be connected with UPS of proper Backup
- Fax Machine with STD Telephone Facility
- 4-6 Telephone Line
- Mobile for Officers of IKGPTU seats in control room
- Photocopy

## 6.0 Counselling Process & Methodology

### 6.1 Functionalities of Candidate Module

The candidates declared eligible for counselling have to visit the website <http://ptuadmissions.nic.in>. This website will give them static information about the Participating Universities including affiliated Institutes, various courses offered by them, Government notifications, Counselling schedule, Process Flow, FAQs and User Manual, Notice Board apart from New Registration and Login section.

#### 6.1.1 Registration Module & Choice Filling in 1st round (for B.Tech courses based on JEEMAIN)

- a. Candidate is required to click on the [New Registration](#) link on the Home Page.
- b. He/ She has to fill five authentication parameters for gaining access.
  - Roll No.
  - Rank
  - Candidate Name
  - Date of Birth as printed in Admit Card
  - Security Pin as shown on the screen

System will insist students to read eligibility criteria of all participating universities before proceeding further. On pressing OK button, the above data submitted by candidate will be verified with the JEEMAIN 2016 database. It will also check for Counselling fee submitted by the candidates. If system finds entry of Counselling fee and information provided by candidate matches with the JEEMAIN 2016 database, then the candidate will be permitted to register.

**Online Form Filling** – Candidate can choose/fill his state of eligibility, Main category, sub category, Sikh minority status, Rural Area, Qualifying marks, etc. He will also choose Password as per Password policy for getting the valid userid and password for login to e-Counselling. Candidate can change this information as per his wish till he does not confirm it. Once this personal data is Verified and Confirmed by the candidate, candidate cannot change the personal data. At the end of the process, a registration receipt will be generated on the screen. Candidate can take a print out the registration receipt. For subsequent access to the website, Registered users will use Sign In /Login section.

**Password Change facility:-** System will facilitate registered Candidates for changing the password. After successful login, the candidate can change his/her password by entering the Old Password, followed by New Password and Confirm New Password. Password policy will be enforced at every level.

In case, the candidate has forgotten the password, he/she is required to enter the Roll Number, Rank, Name and Date of Birth as per their JEEMAIN-2016 Rank card and secret answer to the question selected during registration process. The above data submitted by candidate will be verified with the registered candidate Database. If it matches, then only the candidate will be permitted to change his/her password and proceed further.

#### Registration Module in 1st round (for B.Tech courses based on 10+2 Inter se Merit)

- a) Candidate is required to click on the [New Registration](#) link on the Home Page.
- b) He/ She has to fill five authentication parameters for gaining access.
  - Fee Slip Roll No.

- Candidate Name
- Father Name
- Date of Birth
- Security Pin as shown on the screen

System will insist students to read eligibility criteria of all participating universities before proceeding further. On pressing OK button, the above data submitted by candidate will be verified with the 10+2 Fee data. If system finds entry of Counselling fee and information provided by candidate, then the candidate will be permitted to register.

#### Available Choices:

After successful login and on clicking the link “Available Choices”, the systems internally retrieve the credentials of the candidate like gender, category, subcategory, state of eligibility and eligibility remarks from the candidate’s database and the available choices specific to the candidate based on his/her credentials.

All the choices of B.Tech Courses (includes both Fee waiver B.Tech Courses and non Fee waiver B.Tech Courses) will be displayed in choice filling section for these candidates and they can select choices as per their priority. The candidates may opt same course for fee wavering scheme and as well as for Non fee wavering Scheme.

#### Choice Submission:

On clicking the “Choice Submission” button, the available choices to the candidate will be displayed in the left side frame and on clicking the add button, it will be removed from the left frame and will be added into right frame. User can sort their choices University-wise also.

#### Choice Edit – Swap / Move Choice / Delete Choice:

System will provide the students with option of swapping already selected choice, setting their order(moving the choices or deleting the choices).

#### Save Choices

During choice selection, Candidate can click on “Save Choices” button to save his choices. System will save the choices and keep the screen open for Candidate to select more choices.

#### Save and Exit

Clicking on Save and Exit button will save the choices filled by candidate during the session and close the screen. It will take Candidate to **Displaying Filled Choices** section, where Candidate can take a printout of saved choices, which includes Choice saving date time and IP address.

After saving the choices, if a candidate logs in again, then the saved choices given by the candidate will be displayed and can be modified or altered by the Candidate.

### **Seat Allotment & Publishing of Result**

Seat Allotment will be done by IKGPTU Technical Team by downloading the choices filled by registered candidates and processing as per approved algorithm. After verification and approval by the technical team, the result will be uploaded into the website.

### **SMS Alert to Candidates**

Successful candidates, who get a seat in the Counselling round will get a SMS indicating the seat allotted and College details.

### **Printing of Allotment Letter**

Candidate who gets a seat, can login to his portal and take printout of the Provisional Allotment Letter, which he will produce at the allotted College during admission period.

### **Seat Withdrawal**

Admitted candidate, if wishes to surrender his seat during reporting time in both round and upto 7 days after completion of counselling, can do so by giving his consent absolving concerned University.

### **Subsequent 2<sup>nd</sup> round student access methodology**

In the subsequent rounds, new students, who wish to join Counselling for the first time will go through the same process as given above for the 1<sup>st</sup> round. Students who are already registered and exercised their choices can access the system in following fashion.

Candidate will fill five authentication parameters for gaining access.

- Roll No.
- Rank (JEEMAIN or IKGPTU generated)
- Candidate Name
- Date of Birth as printed in Admit Card
- Security Pin as shown on the screen

If all the five parameters are valid and match the Candidate database, then a new Re-registration/Confirmation screen will appear. In which candidate will give an undertaking that

“Before participating in the second counselling, I have understood that if I am allotted a seat in the second counselling, my previous seat in 1<sup>st</sup> counselling shall automatically be cancelled and replaced by the seat allotted in second counselling. My claim for previously allotted seat stand forfeited. I shall have claim only on the seat allotted in second counselling. I have further understood that I should fill only those choices which are preferred over the already confirmed seat in first counselling. “ On accepting the Declaration, candidate will be registered in the system. System will give following information.

“In the second round, Candidate can also fill College/Branch even if Available seats section shows Zero(0) seats. In case any candidate, who has been allotted the seat in 1<sup>st</sup> round vacates the seat during 2<sup>nd</sup> round, the same will be made available to other candidates in the 2<sup>nd</sup> Round itself.”

#### **6.1.2 Procedure for B.Tech students based on 10+2 Inter se Merit**

During 1<sup>st</sup> round of B.Tech Counselling, students registered under B.Tech 10+2 Inter se merit course will be permitted to register themselves. After completion of 1<sup>st</sup> round of B.Tech, Rank will be prepared of registered candidates as per following procedure and PTU verification team will check and approve the Rank. On approval, the rank will be uploaded into the course.

#### **Tie Breaking**

In case of tie the same shall be decided as follows

- i. The candidate scoring higher marks in Compulsory subjects shall be higher in merit
- ii. In case of tie in (i) above, candidates scoring higher marks in Physics shall be higher in merit.
- iii. In case of tie in (ii) above, candidates scoring higher marks in Mathematics shall be higher in merit.
- iv. In case of tie in (iii) above, candidates senior in age shall rank higher in order of merit.
- v. In case of tie in (iv) above, candidates scoring higher marks in 10<sup>th</sup> examination shall be higher in merit.

2<sup>nd</sup> round for B.Tech course and B.Tech 10 + 2 Inter se merit Course will run simultaneously. After closure of Choice filling period of both courses, first choices of students in B.Tech course will be processed and allotted seats. Once all students under B.Tech and B.Tech Fee Waiver course are allotted seats depending upon their Choices, leftover seats will be processed for students under 10+2 Inter Se Merit course based on their choices, eligibility criteria and Universities Rules.

Both the results will be declared simultaneously and students can take admission during reporting period.

#### **6.2 Seat Allotment procedure for First Counselling for candidates of Punjab 85% and Other State 15% JEEMAIN Rank-wise Seat Allotment procedure for First and subsequent counselling.**

##### Assumption:

- a. Candidate has to register himself and fill choices. If candidate does not fill any choices, he will not be eligible for counselling.
- b. Seat Matrix is to be uploaded fresh before the start of counselling.
- c. Based on JEEMAIN test Rank will be unique i.e. no two candidates will have same rank in general merit list. The general merit list will include candidates of all categories.
- d. Candidates from Punjab residents will be considered under Punjab 85%.
- e. Candidates from Chandigarh UT are only eligible to participate in online counselling through 15% JEEMAIN quota. However only in case of PAU, PUNJAB and Chandigarh are considered as One State. For rest of the Universities i.e. IKGPTU, GNDU and PU Punjab and Chandigarh are different states.

##### Algorithm:

1. Sort the candidate's data stored in Registration table rank wise with condition where choices have been locked.
2. Process the data of first candidate.
3. Store the value of sex, category code, sub-category code, in the temporary variables.
4. Identify eligible categories, subcategories on the basis of category, subcategory and Priority as applicable of candidate and store it in arrays.
5. Process the choices of candidate for each category in the same sequence as described elsewhere in the document.
6. If seat is available then allocate the seat to candidate
7. Update the seat master and reduce the value of seats available in the seat matrix by 1 against the particular institute
8. Repeat above steps for all candidate.

#### **6.2.1. Algorithm for Seat Allocation Procedure for 85% Punjab Candidates**

For 85% Punjab Candidates: Following categories/sub-categories exist;

- General
- SC/ST
- Backward Class (BC)
- T-Sunami(TS)
- Border Area(BR)
- Backward Area (BA)
- Sports Person (SP)

#### **Seat Allocation sequence for 85% Punjab Quota**

Following rules shall be applicable for seat allotment for counselling for 85% Punjab category for all the institutions under IKGPTU/GNDU/PU/PAU participating in counselling located in Punjab.

In case of IKGPTU, seats under Fee Waiver Category will be processed as a separate category depending upon choices filled by the Candidate.

Counselling for seats for the Children /Widows of Defense Personal category, Sports Person, under Para Military Forces Personal and under Terrorist/Riot affected category is done in the order of sub-category, priority, rank (as applicable) and eligibility condition.

**The following cases are checked and searched for a Candidate until seat is allotted or options are exhausted for JEEMAIN merit Rank.**

**FOR General Merit List :**

The seats based on rank wise list, will be allotted in the following sequence:

**Case 1: If candidate has opted for Fee Waiver and filled Fee waiver seat choices (Applicable for B.Tech only)**

Candidate can fillup Fee waiver seat choices in addition to his category based choices. Check the seat for **Fee Waiver**, if it is available then seat is allotted else go to candidate's next choice. Repeat till a seat is allotted or all the choices are processed.

**Case 2: If candidate is General, no subcategory**

Check the seat for **General (Open quota)**, if it is available then seat is allotted else go to candidate's next choice. Repeat till a seat is allotted or all the choices are processed.

**Case 3: If candidate is having any one of the reserved category, following is the seat allotment criteria**

All the reserve category candidates will first be considered in General Category. In this case JEEMAIN Rank is the allotment criteria. Check the seat for **General (Open quota)**, if it is available then seat is allotted else check the seat in respective Reserve Category(SC/ST,BC, T-Sunami(TS)/BA/ BR/ FF). If seat is available then allot the seat else go to candidate's next choice. Repeat this process till a seat is allotted or all the choices are processed.

- ✓ If candidate is DF then allocation is done on the basis of sub-category and priority.
- ✓ If candidate is PM then allocation is done on the basis of sub-category.
- ✓ If candidate is RT then allocation is done on the basis of sub-category.
- ✓ If the candidate is SP then allocation is done on the basis of subcategory and eligibility criteria of the participating universities.
- ✓ If candidate is DPB/DPD/DPO, then allocation is done on the basis of respective category(i.e. DPB/DPD/DPO) and checking for leftout seats in any of (DPB/DPD/DPO) categories.

reserved category else check from Non Sikh Minority reserved category . If seat is available than it will be allotted to the candidate else his/her next choice is searched for.

### **6.3 Seat Allotment procedure for Second Counselling for candidates of 85% / 15% (2<sup>nd</sup> Round)**

#### **Pre-requisites/Assumptions:**

- a. Candidates falling under 85% / 15% quota will be eligible for 2<sup>nd</sup> Round of Counselling. Candidate has to reconfirm his registration for the 2<sup>nd</sup> counselling and fill fresh choices. Candidates, who have participated in 1<sup>st</sup> counselling, need not pay counselling fee again, whereas new candidates appearing in counselling for the first time will have to deposit counselling fee and register themselves in the website. If candidate does not fill any choice for 2<sup>nd</sup> counselling, then he will not be eligible for 2<sup>nd</sup> counselling.
- b. Candidate can also include the same choice in 2<sup>nd</sup> counselling against which he is allotted seat in the first counselling. In such case choices which are listed before this choice will be processed. For example a candidate has filled 5 choices in 2<sup>nd</sup> counselling and choice no 3 is same for which candidate is allotted seat in first counselling. In this case first two choices will be processed.
- c. Seat Matrix will be uploaded afresh before the start of second counselling.
- d. Seat Allocation will be done exactly as per rules adopted in 1<sup>st</sup> round of Counselling, i.e. no seats will be merged.
- e. If a candidate has been admitted against his allotted seat in his category(reserve) in previous counselling, the seat will not be changed in the subsequent round of counselling for the Same branch and Institute with regards to category.

Note: Candidates once opted a category can not change his category without the permission of Chief Co Ordinator(admission).

#### **Algorithm:**

- a. Sort the candidate's data rank wise once the choices are locked
- b. Process the data of first candidate.
- c. Store the value of sex, sub-category, and category temporarily.
- d. Identify eligible categories, subcategories on the basis of category and subcategory of candidate, priority(as applicable) and store it in arrays.
- e. Process the choice's of candidate for each category in the same sequence as described in first counselling.
- f. If seat is available then temporarily allocate the seat to candidate
- g. Update the Seat matrix and reduce the value of seats available for the particular branch by 1 against the particular institute
- h. Transfer the seat allotted to the candidate in the first counselling to vacant pool.
- i. Repeat above steps for all candidate. (first iteration is complete)
- j. Next iteration will start and will repeat all the above steps till vacant pool seats become 0.

### **6.4 Participating Institute and Administrator Module**

#### **6.4.1 On-Line Admission Reporting by the Participating Institutions:**

##### **General Assumptions**

- Individual candidate shall print a "Provisional allotment letter" and shall report to the PIs for admission. In case of any type of problem candidate has to contact Central Control Room of IKGPTU.

In case candidate fails to take admission during the slotted time period, his seat shall remain vacant and shall be declared as vacant for next counselling.

- Credential and documents shall be verified with online data by the designated PI officials.
- If candidate is found eligible, PI will issue provisional admission letter to the candidate.
- In case of up gradation by the candidate he/she will have to participate in subsequent counselling for re-scheduling and saving of choices.
- If a candidate has been allotted a seat or fail to report within specified time limit at PIs shall be allowed to participate in the subsequent phase of counselling, if candidate opts for up gradation against the available vacant seats, declared vacant by various institutions on the counselling website and compiled by the system (as per counselling schedule). If a candidate has not been allotted any seat from his/her choices, such candidate shall be allowed to participate in subsequent round of counselling.
- The candidates, who would like to upgrade their earlier allotted seats, will also be permitted to participate in the subsequent counselling, provided they give a declaration, while they are getting themselves registered for the subsequent counselling, to the effect that they would be vacating the seat allotted to them in the previous counselling. For the subsequent round of counselling, candidate will have to give his/her consent and fill fresh choices. If the candidate shall not get the admission seat from new choice of the subsequent round in such a case, his/her previous admission shall be continued.

Reporting process will start after the allotment of seats as in the previous step and this process will comprise of following steps:

- a. After allotment of the seat, the candidate is required to report to the allotted institute for admission within the date specified in the allotment letter. The administrator website will have PI module secured by separate user id and password for each PIs.
- b. The credentials and certificates of the candidates are to be verified by PIs as part of the admission process at the reported Institute. If the credentials and certificates are found wrong the allotment will be canceled and the admission is denied otherwise the admission is granted.
- c. Candidates are required to pay the fees in the prescribed form at the designated bank.
- d. The authorized institutes can access candidates' details who have been allotted to a specific institution. All the PIs are required to update the successful candidates' data on web to complete the process of admission. It will facilitate to compile filled and vacant seats.
- e. On successful verification of the documents, Institute designated officials will generate an admission slip. One part of the slip will be handed over to the candidate and second part will be retained by the Institute.
- f. PIs can also generate reports on admitted candidate course wise round wise or roll no wise, list of vacant seats etc.

**6.4.2. Administrator Module :-** IKGPTU Administrator will be responsible for technical conduct of the counselling including initial seat matrix creation, schedule preparation, uploading of static contents, message management and interaction with NIC Hqrs Counselling helpline etc. He/she will login to the website <http://intraptu.nic.in> using two level userid and password.

IKGPTU Administrator will have following facility in his account.

1. Creation of Participating Userid and details thereof
2. Seat availability, leftover & filled status and reports
3. Category Wise & Branch wise Seat Availability/filled/leftover in all institutions
4. Category wise breakup of Seat Matrix
5. Candidate Information Updation
6. Candidate Seat Allotment Details
7. Secured interface for uploading/updating of seat matrices.
8. Online Withdrawal/Cancellation of Candidates' Admission
9. List of Candidates who withdrew their seats

### **Seat Allotment Module**

Since the allotment of seats is to be done by the software using the seat matrices and seat allotment procedure, therefore every bit of required procedure is need to be coded. As per the study and detailed discussions with the user/core committee, following procedure has been designed.

For allotment of a seat, Merit Number (Rank) is not only the criteria but also the eligibility and reservation criteria of candidates are checked. The admissions shall be subjected to the verification of credential and documents in the allotted institution.

For any course, before the allotment starts, Candidate must complete following steps

Step-1: The candidate should deposit the counselling fees of Rs. 2000/- non-refundable.

Step-2: The candidate has to fill up the choices and save it successfully. The candidate is advised to give as many choices as desirable. There is no maximum limit for the choices.

The offline processing module gives the feature of round wise processing and generation of MIS (Institute wise, Rank wise Candidates) Reports

## 1. Introduction

The Inder Kumar Gujral Punjab Technical University(IKGPTU) was established in the year 1997 under The Punjab Technical University Act, 1996 (Punjab Act No. 1 of 1997) to provide for the establishment and incorporation of a University for the advancement of technical education and development thereof in the State of Punjab and for matters connected therewith. In pursuance of this Act, the University started its journey with 09 engineering colleges and few management colleges affiliated to it. Since then the University has come in a long way and during the Academic Session 2015-16, the University has affiliated 65 Engg. Colleges, 109 management and Computer Application courses, 33 institutions imparting Pharmacy education, 08 colleges imparting hotel management education, 06 colleges providing Architecture Education, 11 Regional Centres for M.Tech and Ph.D. in different branches of Engineering and Management and 01 Regional Centre for M. Pharmacy. The IKGPTU is responsible for producing quality technical manpower in the field of Engineering and Technology through AICTE approved Govt. / Govt. Aided / Self-financed Institutions and University Departments. The norms and standards prescribed by AICTE are being followed.

For admission to various technical courses namely B.Tech / Degree Pharmacy, the state government used to conduct entrance tests viz. CET. As result of entrance tests, manual computerized counselling were conducted by different institutions/nominated agencies for completion of the admission process for various courses, which was very cumbersome & tiresome process.

Keeping in view the generic problems faced by the candidates, their parents and by the state administration, it was decided to give up the manual counselling system and adoption of modern web based online off campus counselling system to bring in transparency & efficiency for making merit based admissions.

The National Informatics Centre (NIC), the premier Science & Technology organization of Government of India under Union Ministry of Information Communication & Technology is entrusted to accomplish the task of Software development, testing & implementation of Web based e-Counselling for admissions to B.Tech, B.Arch and B.Pharmacy Degree courses being run in all type of institutions in the State.

### 1.1 Purpose

This document outlines the Software requirements Specification (SRS) for the project of web based e-Counselling and requirement for finalization and approval of:

- The functional areas of counselling
- The online seat allotment procedure
- The Seat matrices as per the reservation policy /distribution of seats
- Conversion/merging of reserved seats
- INPUT/OUTPUT layouts & Data Requirements
- Required Hardware software interfaces
- Infrastructure and resource requirement at PI & CCR.

- Process and Procedure for counselling

For development of software package for **e-Counselling** of IKGPTU, Punjab, SRS has been prepared to facilitate the team of software developer and to apprise the user regarding all aspects of Web based counselling.

*Once approved, the SRS document will be referred as a base document for design and software development by IKGPTU and NIC software development team. SRS is the outcome of the feasibility and analytical study of the counselling system.*

## 1.2 Scope

The main scope of the SRS is to identify the processes and procedures that will meet the specified requirements and also available from the technical, economical, logistical and operational point of view. It is also required to establish whether the project will be implemented successfully not only to meet meaningful rationale but also in aspects to withstand legal, economical and technical viability as well. This SRS will enhance the likelihood of success, reduces project risks and minimizes shortcomings due to shortsightedness caused by the lack of research, in-depth study and analysis of various aspects of the project.

The scope of the proposed web based counselling shall be applicable to all the courses offered by following institutions as listed below.

- Inder Kumar Gujral Punjab Technical University's affiliated Engineering / Institutions for Engineering & Technology.
- Maharaja Ranjit Singh Punjab Technical University affiliated Engineering / Institutions for Engineering & Technology
- Punjab Agricultural University, College of Agricultural Engineering, Ludhiana for Engineering Courses

**Note:** NIC shall provide the complete database of all the candidates, applied and registered on line to IKGPTU. IKGPTU will process the data as per admission rules and criteria and prepare the merit list of all eligible candidates along with reserved category candidates. IKGPTU will provide the same database to NIC after inserting merit rank of eligible candidates.

### 1.3 Objectives

This year, 7<sup>th</sup> time in a row, Web based counselling for admissions to all B.Tech, B. Arch AND B.Pharma courses in all technical institutes under participating universities is being conducted in the State after constitution of IKGPTU with following main objectives;

- To bring in 100% transparency in seats allotment and admissions.
- To build strong public interface to minimize travel burdens on counselees & their parents for counselling.
- Providing enough time to counselees for submission, change, delete, re-ordering of multiple choices from anywhere any time.
- Availability of required information, queries, reports at different levels.
- Centralized database and centralized monitoring.
- Less Paper counselling and Increase in number of registrations and allotments
- Secured and controlled data access at every level.

- Provide fair chance of allotment to eligible candidates following the merit list in case seat are vacated by other candidates on the top of merit. Otherwise, in physical counselling it is allotted in the subsequent allotments, the meritorious candidate will be denied of his choice and the seat will be allotted to a candidate, who is lower in the merit.

## 1.6 References

Following documents have been referred during preparation of SRS;

- Specifications/Requirements document by the Core Committee constituted by IKGPTU
- Seat Matrices provided by IKGPTU
- Feedback from various Meetings held with IKGPTU and concerned officers.
- IKGPTU Prospectus 2017 and Notifications for different courses

## 2. Functional Areas / System Requirements

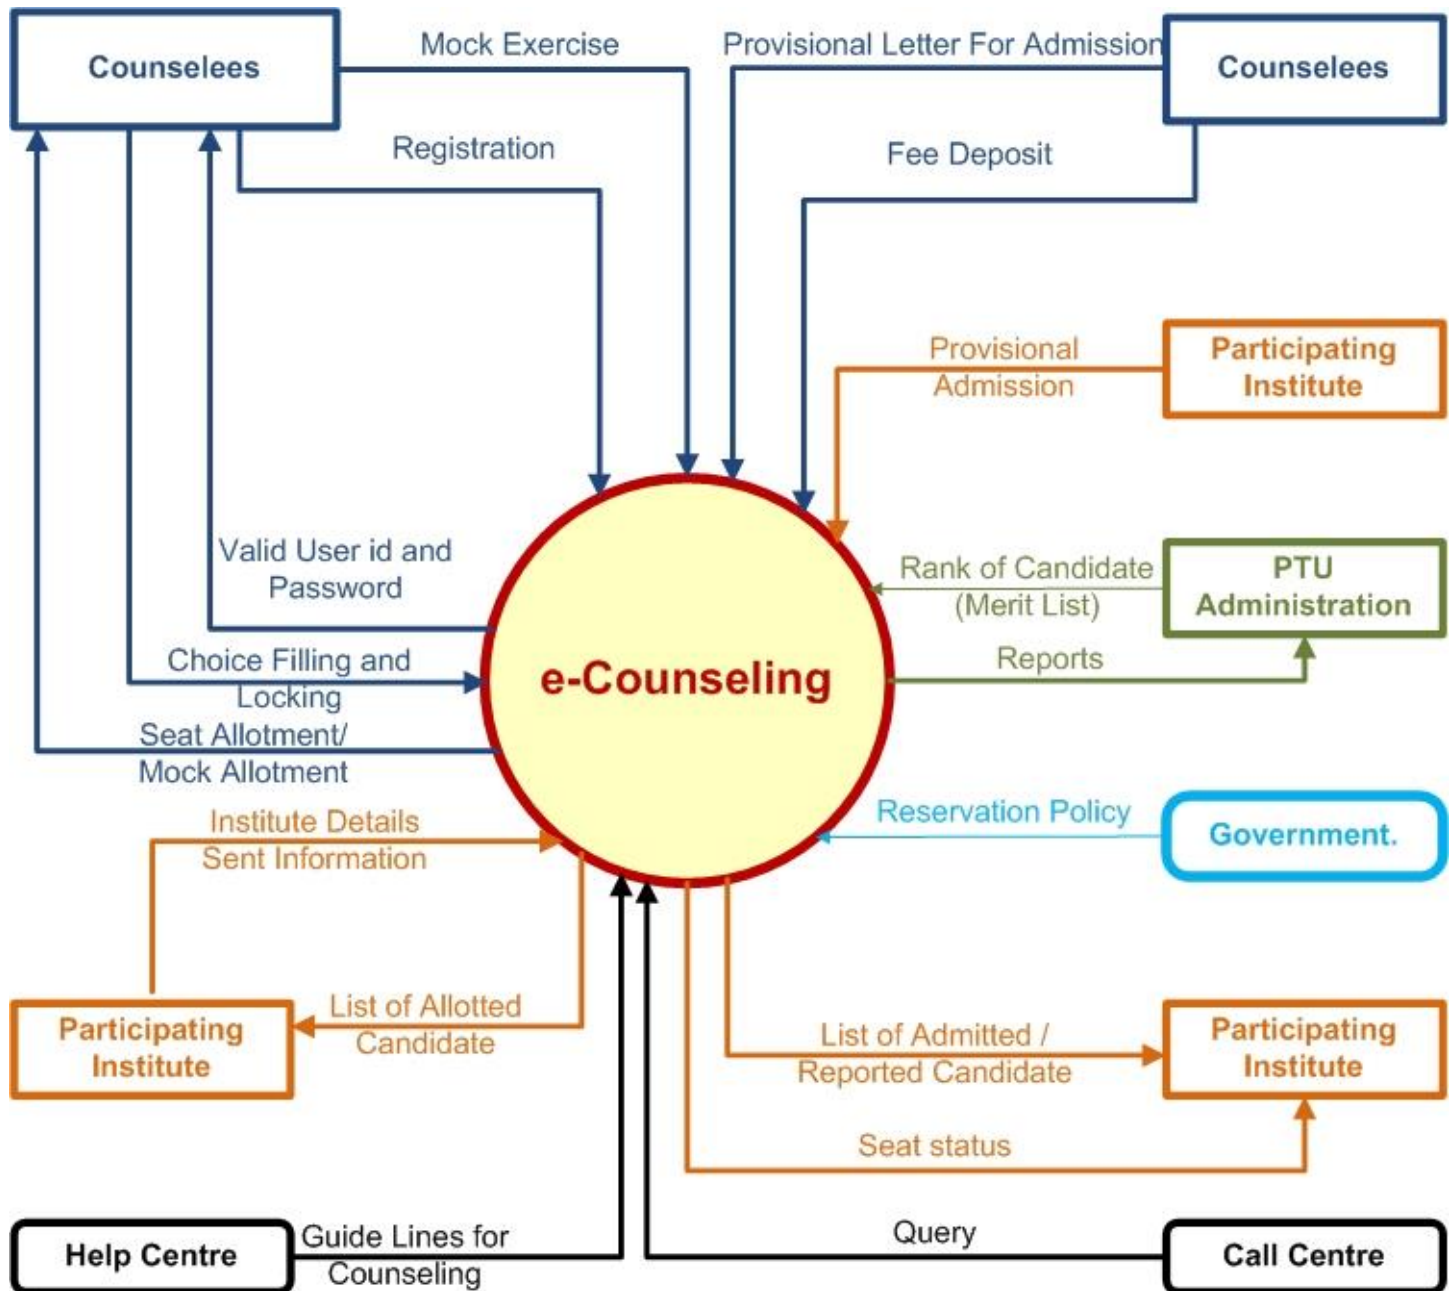

### 2.1 functional activities

- a) The SRS has been prepared for development, testing, implementation and certification of counselling software.
- b) **Core Committee has been constituted by IKGPTU** for helping in finalization of Process and Procedures of Counselling and for the approval of regulatory requirements and software specifications (SRS) etc.-placed on **appendix-I (appendix-I contains name of the Core Committee and Technical Committee members)**
- c) Roles and responsibilities for NIC & IKGPTU are described in **Appendix-II**
- d) Counselling **process and methodology to be** approved by the [IKGPTU](#)
- e) Circulation of counselling Procedure, Process & Instructions to PIs along with requirement of hardware, software, connectivity, infrastructure and manpower for conducting of training, submission of choices by candidates and making their admissions as per the allotments of seats.
- f) Infrastructure in terms of hardware, software & connectivity for PI /Help Centers and [IKGPTU](#).
- g) Finalization of information brochures for placing on websites and due publicity
- h) Finalization of counselling schedule-placed at **appendix-IV**
- i) Finalization of **seat matrices**, institution & branch wise as per the state reservation policy.
- j) IKGPTU will provide payment gateway in advance for facilitating students to deposit fees online. NO FEE will be accepted through Challan or in cash. Filling up of the fee related data in the prescribed format should be the responsibility of the candidate. The designated bank details need to be listed in all documents to be read by Candidates, PIs, [IKGPTU](#) and NIC.
- k) **Development & testing of counselling** software package by NIC and approval by IKGPTU. Seat allotment algorithm also will be certified by IKGPTU and complete user acceptance test will be done by IKGPTU.
- l) Awareness training for core committee PIs & Help Centers members on counselling software.

- m)** Training to the identified officials of selected PIs/Help Centers on identified locations in the presence of core-committee members to operate the counselling software for successful counselling and further to train the remaining officials of Help Centers and candidates for choice making and saving.
- n)** Candidates shall be given time as per the counselling schedule decided by IKGPTU to exercise their choices during counselling's as per the counselling schedule decided by IKGPTU
- o)** Allotment of seats shall be done as per the seat allotment procedure and seat matrices provided by the IKGPTU. The results shall be published on the counselling website after choice saving period of each round of counselling.
- p)** *Concerning PIs shall provisionally admit the candidates after verification of credentials and documents. If any candidate does not report to PI for provisional admission within stipulated period as per the counselling schedule, her/his seat allotment will be treated as cancelled.*
- q)** Concerning PI will update admission status on the website and IKGPTU shall declare unfilled/leftover seats-instructions.
- r)** Withdrawal of Seats will be taken care of by IKGPTU Administrator through Admin module.

## 2.2 Context Diagram

## 2.3 User Interface

### 2.3.1 Candidates Interface

While operating the counselling website by the candidates for [online form](#) registration, choice filling & saving etc, On-line help is provided which explains about every function of the software i.e. How candidates should make online payment, exercise their choices. Designated Trained officials identified by [IKGPTU](#) shall be available at Participating Institutes to help the candidates during counselling.

Candidates can also exercise their choices from cyber cafes and other nearby Internet gateways.

Following software interface shall be available for candidates during "web based e-counselling"

- **Online Fee Payment :-** Candidates will be able to pay Fees through Online mode as provided by IKGPTU.
- **New Candidate Registration:** – New candidates will register through the registration form and get the userid and password. All the candidates will have to register on the website provided they have deposited requisite counselling Fee in the designated bank. The system will ask for details like roll no, rank, date of birth etc for cross-verification. It will ask for other details like category, sub-category, Priority etc. It will then ask the candidate to create the password. Candidates will be directed to read the reservation policies of participating universities and Government notifications and give their acceptance. The successful completion of above will complete the registration process.
- If there is any change from the already available information, candidate has to report to the IKGPTU with necessary documentary proofs and IKGPTU Administrator will modify/ update the data.
- Registered candidate can view his data from view profile. If the necessary change does not reflect in view profile, he/she has to contact CCR.
- **Registered Candidate Sign In / Login**
- Change Password
- Registration details
- Choices Available
- Standard Template for Choice with User Defined Scroll up/down on Template without change Original Template after Copied into Choice Fill
  - Branch wise
  - College wise
- Choices Edit – Interchange(Swap)
- Choices Edit – Rearrange(Move)
- Choices Delete
- Save choices
- Choices Print (report format)
- Result
- Withdrawal of Seat
- **Generation and printing of Allotment letter**

- Log out

### **2.3.2 PI Interface**

- Candidates Reported at PIs
- Online candidate information Display (for verification)
- Online Fee verification
- Provisional Admission
- Document verification with generation of document verification checklist and signed by candidate and PI.
- Printing of Admission Letter.
- Updation of admission status on the counselling website.

### **2.3.3 Administrator Interface**

- List of Institutes, Institute Profile & Institute Course Summary
- Seat Matrix Entry , Seat Matrix Summary and different views
- Candidate Details (Registered Candidate) and Edit Registration
- Message Entry, Counselling Schedule
- Candidate Original Information (Unregistered Candidate)
- Admission Status (Course Wise Details, Name Wise Allotment, Admitted Candidate List, Candidate Who Got Refund, Admission Withdrawal and Vacancy Position)

## **2.4 System External interface**

### **2.4.1 Data requirement from IKGPTU and Bank**

- System will have seamless interface with candidate's data obtained by [IKGPTU](#) and Bank as under.
  - a. Candidate Record (detailed data)
  - b. Valid Merit Number (Rank) Database
  - c. Payment Details from the Bank.

**Note:** Databases obtained by [IKGPTU](#) will be hosted on counselling website for registration and counselling process

### 2.4.2 Data requirement from IKGPTU

[a] **Information Brochure** for all courses and **Institutes Profiles** will be supplied by IKGPTU to NIC for uploading it to the above-mentioned counselling websites along with the counselling procedure & seat matrices.

[b] **IKGPTU** will provide following information as well as database to NIC:

- **Participating Institutes** Information, categorization with Govt. / University/ self-finance/Pvt. Institutes, Engineering /Pharmacy wise.
- **Course/Branches wise list** containing branches/disciplines finance/self finance wise.
- **Unique Merit Number (Rank) and detailed data** of candidates appeared in All India Engineering Entrance Examination.
- **Seat Matrix** – for every technical institute having category wise breakup of seats as applicable (SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP- Others)
- **Eligibility criteria's & Reserve Categories master**

## 2.5 Overview of the proposed project

The proposed system of counselling is web based and shall be applicable for admissions to all AICTE approved technical professional courses run by different technical institutes in the state (Govt./Aided/University Departments/self-financed/Private Institutes) to overcome the problems faced by the candidates during manual system.

To meet the requirements of web based counselling, the website <http://ptuadmissions.nic.in> shall be launched. The website shall keep following required links for different activities of counselling.

1. Counselling Website (procedural) with URL: <http://ptuadmissions.nic.in> shall contain procedures and information for counselling w.r.t institutes, availability of seats in different disciplines and categories, profile of institutes, eligibility criteria and counselling procedure.
2. Counselling website with URL: <http://ptuadmissions.nic.in> for registration, exercising of choices and saving/saving the choices during actual counselling and for publishing of results of counselling etc (The link shall be activated during actual counselling days).
3. Actual Admission intranet website, URL: <http://intraptu.nic.in>, which shall be accessible through a prescribed User-ID and Password.

All above websites links shall perform following functions:

- Provision for online Counselling fee payment.
- After paying the counselling fees, students can register themselves on the website
- Information relating to Institutes, disciplines (Engineering), branches (e.g. Civil Engineering or Computer Science etc.) and categories (General, SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others) should be displayed through relevant menus.

- Secure user/password based Login and the system will provide the facility to add, change, re-order, delete the choices in respect of institutions and branches.
- Candidate can save their choices, when ever required using <Save Choices> button.
- Candidate can get print of their choices after Final saving, but list of choices and indicative seat matrix can be printed, when ever required.
- The system shall process the submitted choices and generate the indicative seat Matrix (latest positions of seat availability)
- Processing for Seat allotment & final seat allotment shall be published on Website.
- Candidates shall print their allotment letter and will report to the PIs for admission with in prescribed time period.
- Document Verification, generation of document verification checklist and updation of final admissions by Institutes will be done by PIs on the Website.
- The system shall provide required online query/Reports.
- After completion of admission period for counselling, the leftover/unfilled seats shall be transferred for consequent counselling.
- Online Withdrawal facility will be managed by IKGPTU Administration. Candidates, who are willing to withdraw from Counselling after taking admission in allotted college, will give the request to IKGPTU administration.
- Subsequent counselling's based on the vacant seats/leftover /unfilled / merged seats

## 2.6 Assumptions and dependencies

- All Counselling's based on IKGPTU merit list(JEEMAIN for B.Tech\*\*, IKGPTU Rank for B.Arch and B.Pharma).
- Merit Numbers (Rank) for each candidate should be UNIQUE (i.e. no two candidates can have same Merit Number (Rank) in a stream).
- IKGPTU will finalize/provide and upload all required master data including seat matrices(of all the colleges/streams/branches, comprising of the distribution of the seats in absolute terms as per the state reservation policy), Institute profile etc well in advance before the start of the counselling.
- Eligible Candidates, who have paid counselling fees, will register online and obtain unique-ID based on roll number and password (as given by the candidate at the time of registering on the web) prior to exercising of choices.
- Seat allotment as per the seat matrices given by IKGPTU according to reservation policy of the state.
- IKGPTU shall reserve all right pertaining to any changes in any master data including candidate master. Changes in **Candidates' Master Database**, like **DOB, Gender**, etc. Permitted through web interface by authorized IKGPTU officials.
- A candidate shall be able to fill unlimited choices as decided by IKGPTU
- Saving of Choices by Candidates is a must for the seat allotment. Unsaved choices will be considered as deemed choice.

- Saving of Choices by Candidates is to be taken as the last choices submitted by the candidate. In case the candidate does not explicitly lock the choices, the choices submitted till last moment of the last cut-off time shall be taken as the final choices by that candidate.
  - All the PIs should have the prescribed computer infrastructure, trained manpower and Internet connectivity through an Internet Service Provider (ISP) with specific IP addresses (obtained from the ISP by the PIs) for accessing secured databases for making admissions and updating of admission data on website.
  - Updation from PIs will not be allowed.
  - IKGPTU will provide all functional, regulatory and non-functional requirements for the project.
  - Students data base shall be the property of IKGPTU
- \*\* After allotting seats in B.Tech on the basis of JEEMAIN in 2<sup>nd</sup> Round, remaining seats will be processed for B.Tech students on the basis of 10+2 Inter se Merit.

## 2.7 Non functional requirements

### 2.7.1 Performance

During entire period of e-counselling the web server & database server shall remain accessible to the candidates, the PIs and to IKGPTU on 24x7 hours operational basis through the counselling website. To access the counselling website, performance shall also depend on the mode & capacity of Internet connectivity used by candidates, PIs and IKGPTU. For satisfactory performance the Internet connectivity should be as mentioned in the section 4 of this document.

### 2.7.2 Security

1. **Client Side security:** The PIs will be given role based unique user IDs and passwords for authorization and controlled access to the website of counselling. The PIs will be required to use Digital Signature Certificates for accessing the website.
2. **Database level security:** NICs web server and database server are well secured on SAN (Storage area networks).
3. **Network based security**
  - a. **Auditing and Testing:** Before final launching of the site, it will be audited and tested for Vulnerabilities by the experts.
  - b. **Finally, provision has been kept for certification of the website from 3<sup>rd</sup> agency.**

### 3. Software product functions.

Following are the functional areas with regards to the "e-counselling" for all technical courses in the state.

- [a] Web based Counselling fee payment, counselling & entry/saving of final choices
- [b] Online Seat allotment and declaration of result on the net
- [c] Administration of Pls & Admissions
- [d] Seat Availability, vacant, filled status.
- [e] Data Administration and overall control module for **IKGPTU**

[a] Web based counselling shall comprises of following functions.

**FN001: New Candidate Counselling Fee payment and Registration Screen**

**FN002: Candidate basic credential entry Screen**

**FN003: Eligibility criteria of all participating Universities Screen**

**FN004: Online Form Filling – Registration Screen**

**FN005: Registration Confirmation Screen**

**FN006: Registered candidate Sign In /Login**

**FN007: Password Change Screen**

**FN008: Forgot Password screen**

**FN009: Available Choices screen**

**FN010: Choice Submission screen**

**FN011: Choice Edit – Swap screen**

**FN012: Choice Edit – Rearrange / reordered (Move) screen**

**FN013: Choice Delete screen**

**FN014: Choice Save & Continue screen**

**FN015: Choice Saving & Exiting Screen**

**FN016: Logout Screen**

**FN017: Seat Allotment & Publishing of Result screen**

**FN018: SMS Alert to Candidates**

**FN019: Printing of Allotment Letter**

**FN020: Withdrawal of Seat and Printing of Refund Letter**

**FN021: Subsequent Round Undertaking Screen**

## **FN022: Subsequent Round Choice Filling direction screen**

### **[b] Administration of CCR & Provisional Admissions**

**FN001:** Candidates Reported at PIs - Admin user can see details of reported candidate of the PIs.

**FN002:** Online candidate information Display (for verification)

**FN003:** Provisional Admission Screen

### **[c] Seat availability, leftover & filled status and reports**

**FN001:** Institute Wise Total Seat Availability/filled/leftover

**FN002:** Category Wise & Branch wise Seat Availability/filled/leftover in all institutions

**FN003:** Institution/branch/Category wise Seat Availability/filled/ leftover

### **[d] Administration of PIs**

**FN001:** Viewing of Branch Wise Seat Availability/filled/leftover

**FN002:** Document verification Screen

**FN003:** Printing of provisional Admission Letter

**FN004:** [Category wise breakup of Seat Matrix](#)

### **[e] Data Administration and overall control module for IKGPTU**

**FN001:** Counselling registration Admin

**FN002:** **Secured interface for uploading/updating of seat matrices.**

**FN003:** Fee payment management

### **[f] Seat Allotment Module**

**FN001:** User Manager

**FN002:** Seat Allotment Processing

**FN003:** MIS (Institute wise, Rank wise Candidates) Reports

**FN004:** Login/Logout

## **4. Resource Requirements**

### **4.1 At Participating Institutes / Help Centre**

**Hardware, Software, connectivity & Manpower requirement**

- 10-20 Sets of latest computers with original Operating System, IE 7.0 or above and Antivirus on **UPS & Power generators**
- **2-3 network laser printers** or stand alone heavy duty laser printers connected with the clients for choice saving printing
- 2-5 number of trained officials under supervision of HoD/ Sr. faculty/programmer of Computer /Electronics departments for handholding of candidates
- Required **Internet connectivity ranging from 512 kbps to 1 MBPS using** (Broad Band or RF Link or Lease Line or VSAT based) if not available, it can be obtained from nearest Internet Service Provider to ensure 24x7 connectivity. Also provision of backup of connectivity needs to be made to meet the link breakdown situations.
- Updation of admission status on the web site
- Proper Seating, Cooling and drinking water facility for the Candidates
- Required Consumables like CD, Floppy, Printer toners/Ribbons and stationeries.

## 4.2 Counselee's side

1. The Client must have Internet browser i.e. IE 6.0 or above version or Mozilla Firefox 3.0 or above to access the websites. He should also ensure that his machine is up to date in all respects.

## 4.3 Establishment of Control Rooms

One control room at IKGPTU will be made and called as **Central Control Room (CCR)**. It will be equipped with computer machines/printer connected with internet on **24x7** hours operational during the counselling period to respond/resolve queries of candidates and PIs. It will be managed by team of IKGPTU officers concerned.

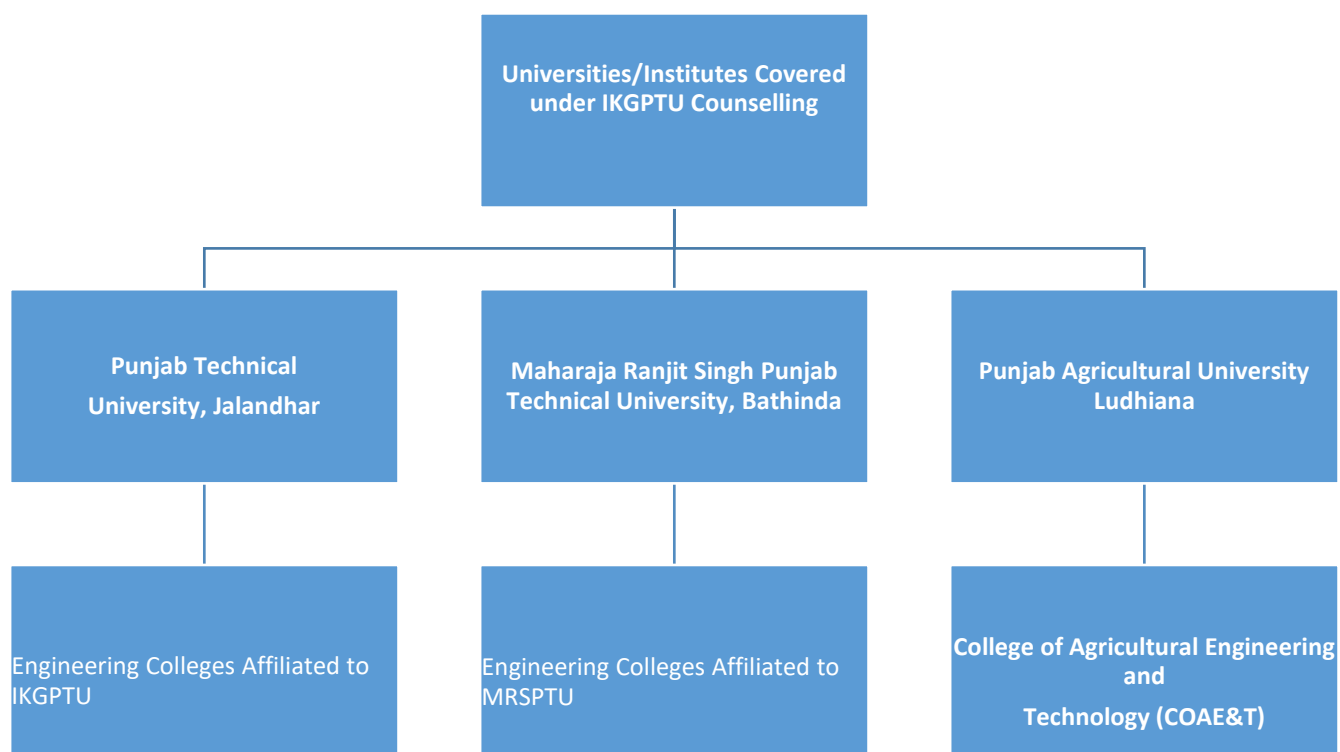

One control room also needs to be established at NIC HQ New Delhi in the counselling division.

Control Room should equipped with following infrastructure requirements,

- Proper Seating Facility with AC environment
- 4-6 Computers with 2 GB RAM & TFT Monitors, anti virus loaded and patches injected
- Network Printers connected with Computers
- 2 MBPS lease line with alternate backup of Internet
- All computers must be connected with UPS of proper Backup
- Fax Machine with STD Telephone Facility
- 4-6 Telephone Line
- Mobile for Officers of IKGPTU seats in control room
- Photocopy
- Necessary consumable like Paper, CD, Tanner etc.

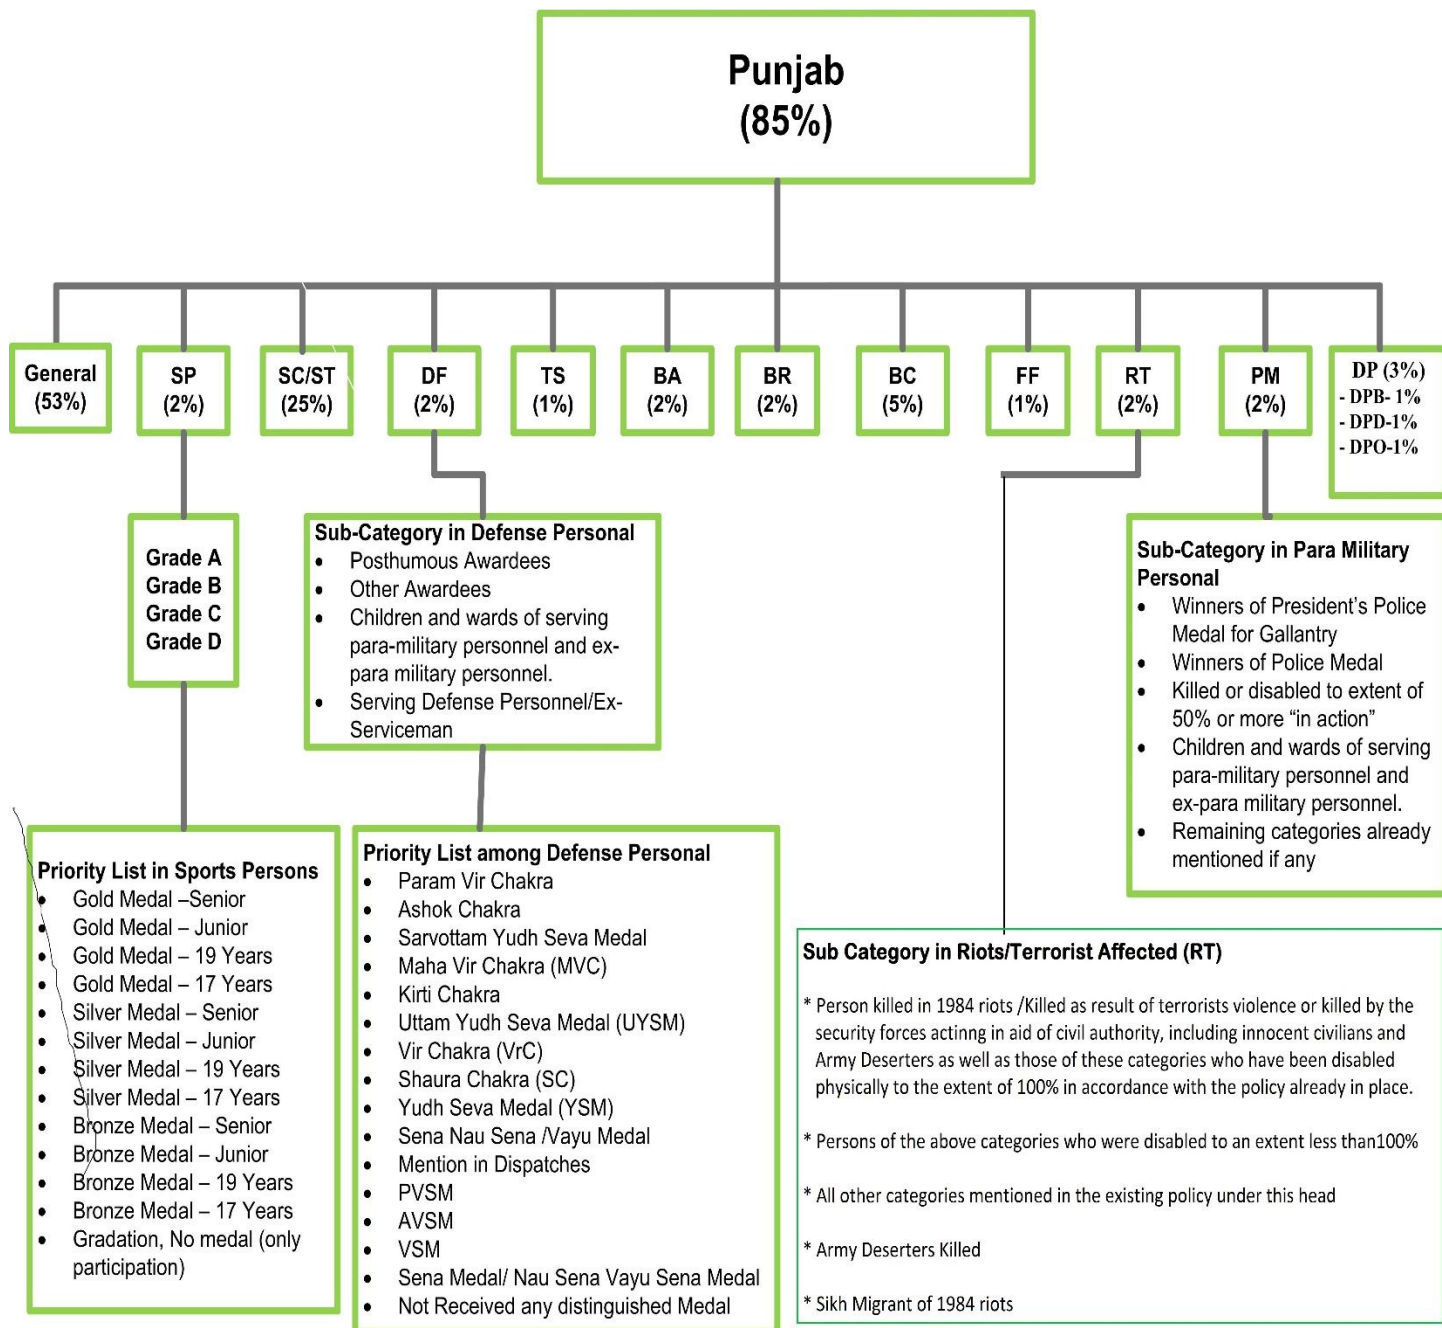

## **5.0 Seat Reservation Distribution and Reservation Policies**

### **Universities/Institutes where Admission will made through JEEMAIN-2017**

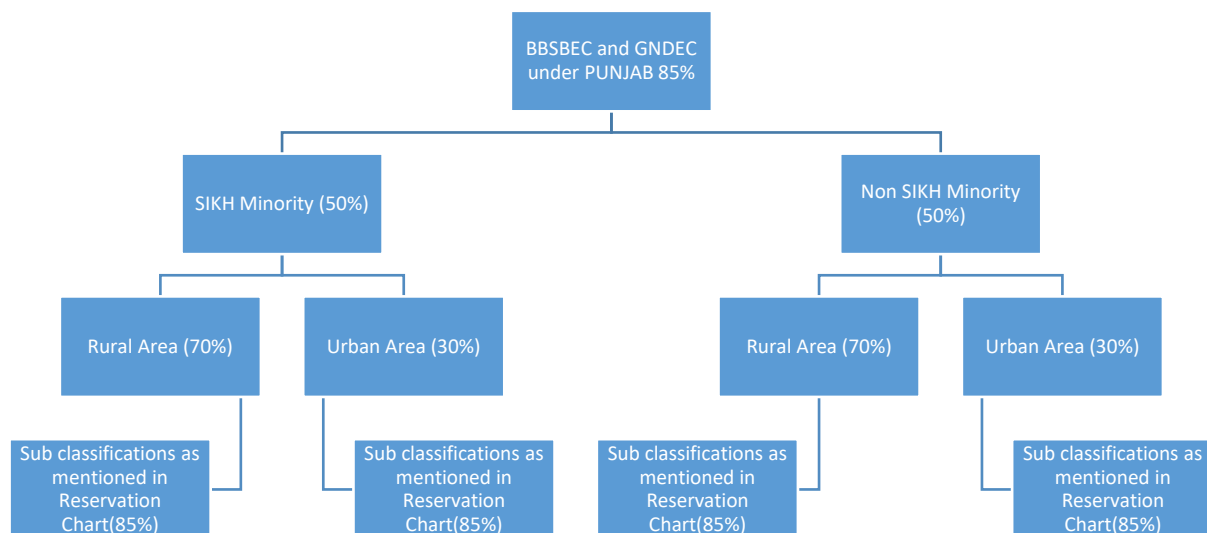

## Reservation Policies for Colleges/Institutions under IKGPTU/MRSPTU

**Punjab 85% based on JEEMAIN Ranking / 10+2 Inter Se Merit**

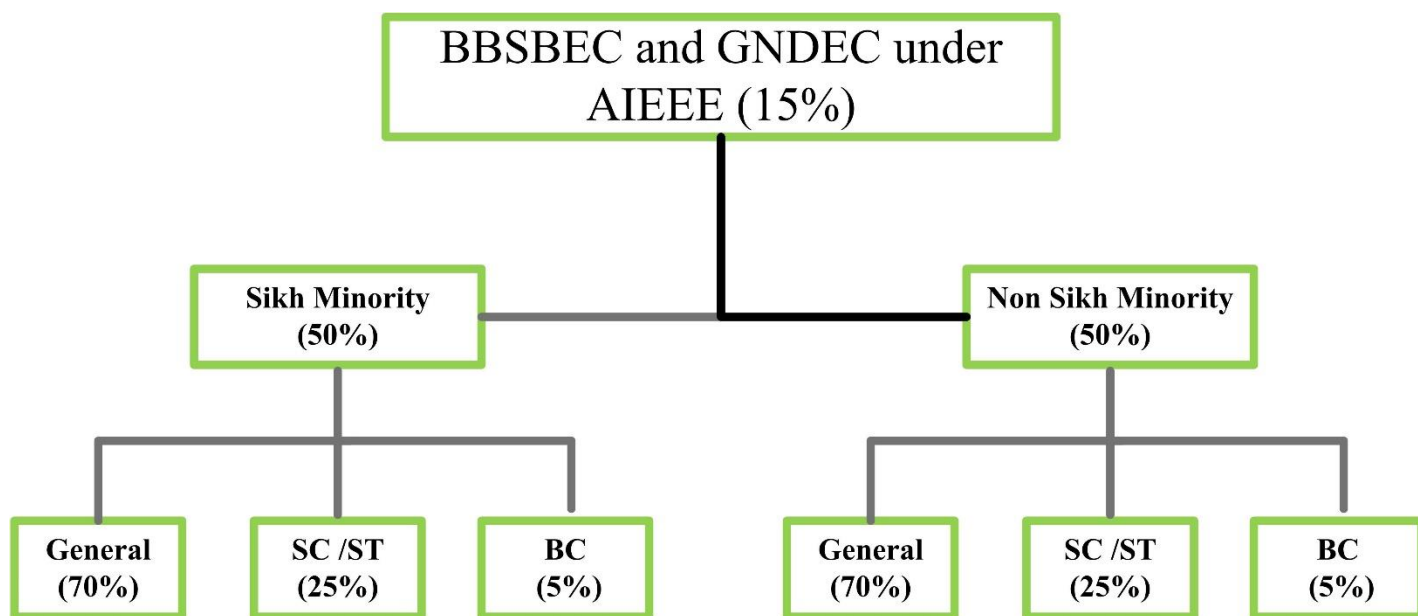

**As per Notification**

## Sikh Minority in Punjab(85%)

## Reservation Policies for Colleges/Institutions under IKGPTU/MRSPTU (2)

**Reservation Chart for 15 % Other State Quota based on JEEMAIN Ranking/ 10+2 Inter Se Merit  
(Bifurcated into Sikh Minority & Non Sikh Minority)**

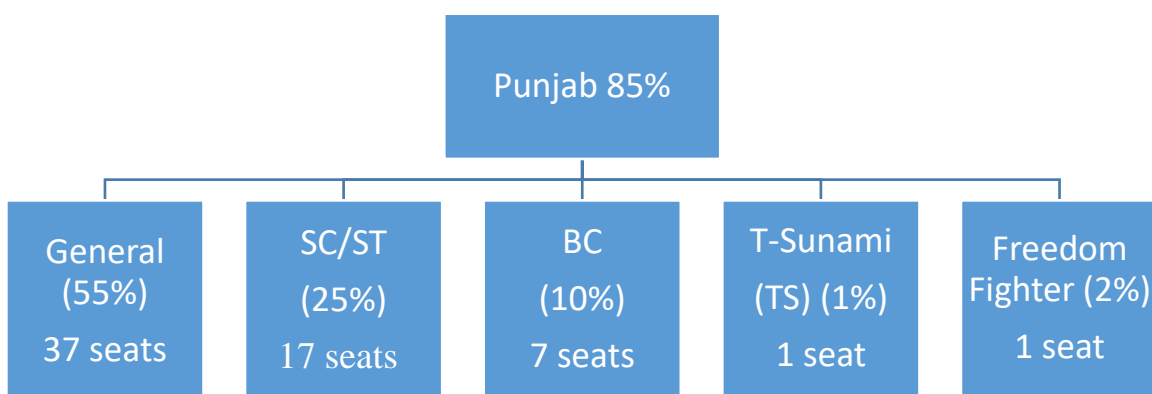

**Reservation Chart for 15 % Other State Quota in IKGPTU/MRSPTU**

## 6.0 Counselling Process & Methodology

### 6.1 Functionalities of Candidate Module

The candidates declared eligible for counselling have to visit the website <http://ptuadmissions.nic.in>. This website will give them static information about the Participating Universities including affiliated Institutes, various courses offered by them, Government notifications, Counselling schedule, Process Flow, FAQs and User Manual, Notice Board apart from New Registration and Login section.

#### 6.1.1 Registration Module & Choice Filling in 1st round (for B.Tech courses based on JEEMAIN)

- a. Candidate is required to click on the [New Registration](#) link on the Home Page.
- b. He/ She has to fill five authentication parameters for gaining access.
  - Roll No.
  - Rank
  - Candidate Name
  - Date of Birth as printed in Admit Card
  - Security Pin as shown on the screen

System will insist students to read eligibility criteria of all participating universities before proceeding further. On pressing OK button, the above data submitted by candidate will be verified with the JEEMAIN 2017 database. It will also check for Counselling fee submitted by the candidates. If system finds entry of Counselling fee and information provided by candidate matches with the JEEMAIN 2017 database, then the candidate will be permitted to register.

**Online Form Filling** – Candidate can choose/fill his state of eligibility, Main category, sub category, Sikh minority status, Rural Area, Qualifying marks, etc. He will also choose Password as per Password policy for getting the valid userid and password for login to e-Counselling. Candidate can change this information as per his wish till he does not confirm it. Once this personal data is Verified and Confirmed by the candidate, candidate cannot change the personal data. At the end of the process, a registration receipt will be generated on the screen. Candidate can take a print out the registration receipt. For subsequent access to the website, Registered users will use Sign In /Login section.

**Password Change facility:-** System will facilitate registered Candidates for changing the password. After successful login, the candidate can change his/her password by entering the Old Password, followed by New Password and Confirm New Password. Password policy will be enforced at every level.

In case, the candidate has forgotten the password, he/she is required to enter the Roll Number, Rank, Name and Date of Birth as per their JEEMAIN-2017 Rank card and secret answer to the question selected during registration process. The above data submitted by candidate will be verified with the registered candidate Database. If it matches, then only the candidate will be permitted to change his/her password and proceed further.

#### Registration Module in 1st round (for B.Tech courses based on 10+2 Inter se Merit)

- a) Candidate is required to click on the [New Registration](#) link on the Home Page.
- b) He/ She has to fill five authentication parameters for gaining access.
  - Fee Slip Roll No.

- Candidate Name
- Father Name
- Date of Birth
- Security Pin as shown on the screen

System will insist students to read eligibility criteria of all participating universities before proceeding further. On pressing OK button, the above data submitted by candidate will be verified with the 10+2 Fee data. If system finds entry of Counselling fee and information provided by candidate, then the candidate will be permitted to register.

### **Category-wise Seat selection criteria for Engineering Stream Under 85% Punjab quota and 15% Outside State quota**

**A. If candidate has Punjab domicile and under 85% quota with any of the following Category(B.Tech Candidates)**

Input Parameters - Roll No., Rank, Category, State Code, Sex

If Candidate is Male then seats under General category and Category specific (if applicable) in Coeducation colleges will be selected by system. No seats of Girls colleges will be selected for a Male candidate

If Candidate is Female, then seats under General category and Category specific (if applicable) in Coeducation colleges + Girls Colleges will be selected by system.

#### **Available Choices:**

After successful login and on clicking the link “Available Choices”, the systems internally retrieve the credentials of the candidate like gender, category, subcategory, state of eligibility and eligibility remarks from the candidate’s database and the available choices specific to the candidate based on his/her credentials.

All the choices of B.Tech Courses (includes both Fee waiver B.Tech Courses and non Fee waiver B.Tech Courses) will be displayed in choice filling section for these candidates and they can select choices as per their priority. The candidates may opt same course for fee wavering scheme and as well as for Non fee wavering Scheme.

#### **Choice Submission:**

On clicking the “Choice Submission” button, the available choices to the candidate will be displayed in the left side frame and on clicking the add button, it will be removed from the left frame and will be added into right frame. User can sort their choices University-wise also.

#### **Choice Edit** – Swap / Move Choice / Delete Choice:

System will provide the students with option of swapping already selected choice, setting their order(moving the choices or deleting the choices).

#### **Save Choices**

During choice selection, Candidate can click on “Save Choices” button to save his choices. System will save the choices and keep the screen open for Candidate to select more choices.

#### **Save and Exit**

Clicking on Save and Exit button will save the choices filled by candidate during the session and close the screen. It will take Candidate to **Displaying Filled Choices** section, where Candidate can take a printout of saved choices, which includes Choice saving date time and IP address.

After saving the choices, if a candidate logs in again, then the saved choices given by the candidate will be displayed and can be modified or altered by the Candidate.

### **Seat Allotment & Publishing of Result**

Seat Allotment will be done by IKGPTU Technical Team by downloading the choices filled by registered candidates and processing as per approved algorithm. After verification and approval by the technical team, the result will be uploaded into the website.

### **SMS Alert to Candidates**

Successful candidates, who get a seat in the Counselling round will get a SMS indicating the seat allotted and College details.

### **Printing of Allotment Letter**

Candidate who gets a seat, can login to his portal and take printout of the Provisional Allotment Letter, which he will produce at the allotted College during admission period.

### **Seat Withdrawal**

Admitted candidate, if wishes to surrender his seat during reporting time in both round and upto 7 days after completion of counselling, can do so by giving his consent absolving concerned University.

### **Subsequent 2<sup>nd</sup> round student access methodology**

In the subsequent rounds, new students, who wish to join Counselling for the first time will go through the same process as given above for the 1st round. Students who are already registered and exercised their choices can access the system in following fashion.

Candidate will fill five authentication parameters for gaining access.

- Roll No.
- Rank (JEEMAIN or IKGPTU generated)
- Candidate Name
- Date of Birth as printed in Admit Card
- Security Pin as shown on the screen

If all the five parameters are valid and match the Candidate database, then a new Re-registration/Confirmation screen will appear. In which candidate will give an undertaking that

“Before participating in the second counselling, I have understood that if I am allotted a seat in the second counselling, my previous seat in 1<sup>st</sup> counselling shall automatically be cancelled and replaced by the seat allotted in second counselling. My claim for previously allotted seat stand forfeited. I shall have claim only on the seat allotted in second counselling. I have further understood that I should fill only those choices which are preferred over the already confirmed seat in first counselling. “ On accepting the Declaration, candidate will be registered in the system. System will give following information.

“In the second round, Candidate can also fill College/Branch even if Available seats section shows Zero(0) seats. In case any candidate, who has been allotted the seat in 1<sup>st</sup> round vacates the seat during 2<sup>nd</sup> round, the same will be made available to other candidates in the 2<sup>nd</sup> Round itself.”

### **Procedure for B.Tech students based on 10+2 Inter se Merit**

During 1<sup>st</sup> round of B.Tech Counselling, students registered under B.Tech 10+2 Inter se merit course will be permitted to register themselves. After completion of 1<sup>st</sup> round of B.Tech, Rank will be prepared of registered candidates as per following procedure and PTU verification team will check and approve the Rank. On approval, the rank will be uploaded into the course.

### **Tie Breaking**

In case of tie the same shall be decided as follows

- i. The candidate scoring higher marks in Compulsory subjects shall be higher in merit
- ii. In case of tie in (i) above, candidates scoring higher marks in Physics shall be higher in merit.
- iii. In case of tie in (ii) above, candidates scoring higher marks in Mathematics shall be higher in merit.
- iv. In case of tie in (iii) above, candidates senior in age shall rank higher in order of merit.
- v. In case of tie in (iv) above, candidates scoring higher marks in 10<sup>th</sup> examination shall be higher in merit.

2<sup>nd</sup> round for B.Tech course and B.Tech 10 + 2 Inter se merit Course will run simultaneously. After closure of Choice filling period of both courses, first choices of students in B.Tech course will be processed and allotted seats. Once all students under B.Tech and B.Tech Fee Waiver course are allotted seats depending upon their Choices, leftover seats will be processed for students under 10+2 Inter Se Merit course based on their choices, eligibility criteria and Universities Rules.

Both the results will be declared simultaneously and students can take admission during reporting period.

### **6.2 Seat Allotment procedure for First Counselling for candidates of Punjab 85% and Other State 15% JEEMAIN Rank-wise Seat Allotment procedure for First and subsequent counselling.**

#### Assumption:

- a. Candidate has to register himself and fill choices. If candidate does not fill any choices, he will not be eligible for counselling.
- b. Seat Matrix is to be uploaded fresh before the start of counselling.
- c. Based on JEEMAIN test Rank will be unique i.e. no two candidates will have same rank in general merit list. The general merit list will include candidates of all categories.
- d. Candidates from Punjab residents will be considered under Punjab 85%.
- e. Candidates from Chandigarh UT are only eligible to participate in online counselling through 15% JEEMAIN quota. However only in case of PAU, PUNJAB and Chandigarh are considered as One State. For rest of the Universities i.e. IKGPTU, GNDU and PU Punjab and Chandigarh are different states.

#### Algorithm:

1. Sort the candidate's data stored in Registration table rank wise with condition where choices have been locked.
2. Process the data of first candidate.
3. Store the value of sex, category code, sub-category code, in the temporary variables.
4. Identify eligible categories, subcategories on the basis of category, subcategory and Priority as applicable of candidate and store it in arrays.
5. Process the choices of candidate for each category in the same sequence as described elsewhere in the document.
6. If seat is available then allocate the seat to candidate
7. Update the seat master and reduce the value of seats available in the seat matrix by 1 against the particular institute
8. Repeat above steps for all candidate.

#### **6.2.1. Algorithm for Seat Allocation Procedure for 85% Punjab Candidates**

### **6.3 Seat Allotment procedure for Second Counselling for candidates of 85% / 15% (2<sup>nd</sup> Round)**

#### **Pre-requisites/Assumptions:**

- a. Candidates falling under 85% / 15% quota will be eligible for 2<sup>nd</sup> Round of Counselling. Candidate has to reconfirm his registration for the 2<sup>nd</sup> counselling and fill fresh choices. Candidates, who have participated in 1<sup>st</sup> counselling, need not pay counselling fee again, whereas new candidates appearing in counselling for the first time will have to deposit counselling fee and register themselves in the website. If candidate does not fill any choice for 2<sup>nd</sup> counselling, then he will not be eligible for 2<sup>nd</sup> counselling.
- b. Candidate can also include the same choice in 2<sup>nd</sup> counselling against which he is allotted seat in the first counselling. In such case choices which are listed before this choice will be processed. For example a candidate has filled 5 choices in 2<sup>nd</sup> counselling and choice no 3 is same for which candidate is allotted seat in first counselling. In this case first two choices will be processed.
- c. Seat Matrix will be uploaded afresh before the start of second counselling.
- d. Seat Allocation will be done exactly as per rules adopted in 1st round of Counselling, i.e. no seats will be merged.
- e. If a candidate has been admitted against his allotted seat in his category(reserve) in previous counselling, the seat will not be changed in the subsequent round of counselling for the Same branch and Institute with regards to category.

Note: Candidates once opted a category can not change his category without the permission of Chief Co Ordinator(admission).

#### **Algorithm:**

- a. Sort the candidate's data rank wise once the choices are locked
- b. Process the data of first candidate.
- c. Store the value of sex, sub-category, and category temporarily.
- d. Identify eligible categories, subcategories on the basis of category and subcategory of candidate, priority(as applicable) and store it in arrays.
- e. Process the choice's of candidate for each category in the same sequence as described in first counselling.
- f. If seat is available then temporarily allocate the seat to candidate
- g. Update the Seat matrix and reduce the value of seats available for the particular branch by 1 against the particular institute
- h. Transfer the seat allotted to the candidate in the first counselling to vacant pool.
- i. Repeat above steps for all candidate. (first iteration is complete)
- j. Next iteration will start and will repeat all the above steps till vacant pool seats become 0.

### **6.4 Participating Institute and Administrator Module**

#### **6.4.1 On-Line Admission Reporting by the Participating Institutions:**

##### **General Assumptions**

- Individual candidate shall print a "Provisional allotment letter" and shall report to the PIs for admission. In case of any type of problem candidate has to contact Central Control Room of

IKGPTU. In case candidate fails to take admission during the slotted time period, his seat shall remain vacant and shall be declared as vacant for next counselling.

- Credential and documents shall be verified with online data by the designated PI officials.
- If candidate is found eligible, PI will issue provisional admission letter to the candidate.
- In case of up gradation by the candidate he/she will have to participate in subsequent counselling for re-scheduling and saving of choices.
- If a candidate has been allotted a seat or fail to report within specified time limit at PIs shall be allowed to participate in the subsequent phase of counselling, if candidate opts for up gradation against the available vacant seats, declared vacant by various institutions on the counselling website and compiled by the system (as per counselling schedule). If a candidate has not been allotted any seat from his/her choices, such candidate shall be allowed to participate in subsequent round of counselling.
- The candidates, who would like to upgrade their earlier allotted seats, will also be permitted to participate in the subsequent counselling, provided they give a declaration, while they are getting themselves registered for the subsequent counselling, to the effect that they would be vacating the seat allotted to them in the previous counselling. For the subsequent round of counselling, candidate will have to give his/her consent and fill fresh choices. If the candidate shall not get the admission seat from new choice of the subsequent round in such a case, his/her previous admission shall be continued.

Reporting process will start after the allotment of seats as in the previous step and this process will comprise of following steps:

- a. After allotment of the seat, the candidate is required to report to the allotted institute for admission within the date specified in the allotment letter. The administrator website will have PI module secured by separate user id and password for each PIs.
- b. The credentials and certificates of the candidates are to be verified by PIs as part of the admission process at the reported Institute. If the credentials and certificates are found wrong the allotment will be canceled and the admission is denied otherwise the admission is granted.
- c. Candidates are required to pay the fees in the prescribed form at the designated bank.
- d. The authorized institutes can access candidates' details who have been allotted to a specific institution. All the PIs are required to update the successful candidates' data on web to complete the process of admission. It will facilitate to compile filled and vacant seats.
- e. On successful verification of the documents, Institute designated officials will generate an admission slip. One part of the slip will be handed over to the candidate and second part will be retained by the Institute.
- f. PIs can also generate reports on admitted candidate course wise round wise or roll no wise, list of vacant seats etc.

**6.4.2. Administrator Module :-** IKGPTU Administrator will be responsible for technical conduct of the counselling including initial seat matrix creation, schedule preparation, uploading of static contents, message management and interaction with NIC Hqrs Counselling helpline etc. He/she will login to the website <http://intraptu.nic.in> using two level userid and password.

## 1. Introduction

The Inder Kumar Gujral Punjab Technical University(IKGPTU) was established in the year 1997 under The Punjab Technical University Act, 1996 (Punjab Act No. 1 of 1997) to provide for the establishment and incorporation of a University for the advancement of technical education and development thereof in the State of Punjab and for matters connected therewith. In pursuance of this Act, the University started its journey with 09 engineering colleges and few management colleges affiliated to it. Since then the University has come in a long way and during the Academic Session 2017-18, the University has affiliated 65 Engg. Colleges, 109 management and Computer Application courses, 33 institutions imparting Pharmacy education, 08 colleges imparting hotel management education, 06 colleges providing Architecture Education, 11 Regional Centres for M.Tech and Ph.D. in different branches of Engineering and Management and 01 Regional Centre for M. Pharmacy. The IKGPTU is responsible for producing quality technical manpower in the field of Engineering and Technology through AICTE approved Govt. / Govt. Aided / Self-financed Institutions and University Departments. The norms and standards prescribed by AICTE are being followed.

For admission to various technical courses namely B.Tech / Degree Pharmacy, the state government used to conduct entrance tests viz. CET. As result of entrance tests, manual computerized counselling were conducted by different institutions/nominated agencies for completion of the admission process for various courses, which was very cumbersome & tiresome process.

Keeping in view the generic problems faced by the candidates, their parents and by the state administration, it was decided to give up the manual counselling system and adoption of modern web based online off campus counselling system to bring in transparency & efficiency for making merit based admissions.

The National Informatics Centre (NIC), the premier Science & Technology organization of Government of India under Union Ministry of Information Communication & Technology is entrusted to accomplish the task of Software development, testing & implementation of Web based e-Counselling for admissions to B.Tech, B.Arch and B.Pharmacy Degree courses being run in all type of institutions in the State.

### 1.1 Purpose

This document outlines the Software requirements Specification (SRS) for the project of web based e-Counselling and requirement for finalization and approval of:

- The functional areas of counselling
- The online seat allotment procedure
- The Seat matrices as per the reservation policy /distribution of seats
- Conversion/merging of reserved seats
- INPUT/OUTPUT layouts & Data Requirements
- Required Hardware software interfaces
- Infrastructure and resource requirement at PI & CCR.

- Process and Procedure for counselling

For development of software package for **e-Counselling** of IKGPTU, Punjab, SRS has been prepared to facilitate the team of software developer and to apprise the user regarding all aspects of Web based counselling.

*Once approved, the SRS document will be referred as a base document for design and software development by IKGPTU and NIC software development team. SRS is the outcome of the feasibility and analytical study of the counselling system.*

## 1.2 Scope

The main scope of the SRS is to identify the processes and procedures that will meet the specified requirements and also available from the technical, economical, logistical and operational point of view. It is also required to establish whether the project will be implemented successfully not only to meet meaningful rationale but also in aspects to withstand legal, economical and technical viability as well. This SRS will enhance the likelihood of success, reduces project risks and minimizes shortcomings due to shortsightedness caused by the lack of research, in-depth study and analysis of various aspects of the project.

The scope of the proposed web based counselling shall be applicable to all the courses offered by following institutions as listed below.

- Inder Kumar Gujral Punjab Technical University's affiliated Engineering / Institutions for Engineering & Technology.
- Maharaja Ranjit Singh Punjab Technical University affiliated Engineering / Institutions for Engineering & Technology
- Punjab Agricultural University, College of Agricultural Engineering, Ludhiana for Engineering Courses

**Note:** NIC shall provide the complete database of all the candidates, applied and registered on line to IKGPTU. IKGPTU will process the data as per admission rules and criteria and prepare the merit list of all eligible candidates along with reserved category candidates. IKGPTU will provide the same database to NIC after inserting merit rank of eligible candidates.

### 1.3 Objectives

This year, 10<sup>th</sup> time in a row, IKGPTU is conducting Web based counselling for admissions to all B.Tech, B. Arch AND B.Pharm courses in all technical institutes under participating universities with following main objectives;

- To bring in 100% transparency in seats allotment and admissions.
- To build strong public interface to minimize travel burdens on counselees & their parents for counselling.
- Providing enough time to counselees for submission, change, delete, re-ordering of multiple choices from anywhere any time.
- Availability of required information, queries, reports at different levels.
- Centralized database and centralized monitoring.
- Less Paper counselling and Increase in number of registrations and allotments
- Secured and controlled data access at every level.

- Provide fair chance of allotment to eligible candidates following the merit list in case seat are vacated by other candidates on the top of merit. Otherwise, in physical counselling it is allotted in the subsequent allotments, the meritorious candidate will be denied of his choice and the seat will be allotted to a candidate, who is lower in the merit.

## 2. Functional Areas / System Requirements

### 2.1 functional activities

- a) The SRS has been prepared for development, testing, implementation and certification of counselling software.
- b) **Core Committee has been constituted by IKGPTU** for helping in finalization of Process and Procedures of Counselling and for the approval of regulatory requirements and software specifications (SRS) etc.-placed on **appendix-I (appendix-I contains name of the Core Committee and Technical Committee members)**
- c) Roles and responsibilities for NIC & IKGPTU are described in **Appendix-II**
- d) Counselling **process and methodology to be** approved by the [IKGPTU](#)
- e) Circulation of counselling Procedure, Process & Instructions to PIs along with requirement of hardware, software, connectivity, infrastructure and manpower for conducting of training, submission of choices by candidates and making their admissions as per the allotments of seats.
- f) Infrastructure in terms of hardware, software & connectivity for PI /Help Centers and [IKGPTU](#).
- g) Finalization of information brochures for placing on websites and due publicity
- h) Finalization of counselling schedule-placed at **appendix-IV**
- i) Finalization of **seat matrices**, institution & branch wise as per the state reservation policy.
- j) IKGPTU will provide payment gateway in advance for facilitating students to deposit fees online. NO FEE will be accepted through Challan or in cash. Filling up of the fee related data in the prescribed format should be the responsibility of the candidate. The designated bank details need to be listed in all documents to be read by Candidates, PIs, [IKGPTU](#) and NIC.
- k) **Development & testing of counselling** software package by NIC and approval by IKGPTU. Seat allotment algorithm also will be certified by IKGPTU and complete user acceptance test will be done by IKGPTU.

- l)** Awareness training for core committee PIs & Help Centers members on counselling software.
- m)** Training to the identified officials of selected PIs/Help Centers on identified locations in the presence of core-committee members to operate the counselling software for successful counselling and further to train the remaining officials of Help Centers and candidates for choice making and saving.
- n)** Candidates shall be given time as per the counselling schedule decided by IKGPTU to exercise their choices during counselling's as per the counselling schedule decided by IKGPTU
- o)** Allotment of seats shall be done as per the seat allotment procedure and seat matrices provided by the IKGPTU. The results shall be published on the counselling website after choice saving period of each round of counselling.
- p)** *Concerning PIs shall provisionally admit the candidates after verification of credentials and documents. If any candidate does not report to PI for provisional admission within stipulated period as per the counselling schedule, her/his seat allotment will be treated as cancelled.*
- q)** Concerning PI will update admission status on the website and IKGPTU shall declare unfilled/leftover seats-instructions.
- r)** Withdrawal of Seats will be taken care of by IKGPTU Administrator through Admin module.

## 2.2 Context Diagram

## 2.3 User Interface

### 2.3.1 Candidates Interface

While operating the counselling website by the candidates for [online form](#) registration, choice filling & saving etc, On-line help is provided which explains about every function of the software i.e. How candidates should make online payment, exercise their choices. Designated Trained officials identified by [IKGPTU](#) shall be available at Participating Institutes to help the candidates during counselling.

Candidates can also exercise their choices from cyber cafes and other nearby Internet gateways.

Following software interface shall be available for candidates during "web based e-counselling"

- **Online Fee Payment :-** Candidates will be able to pay Fees through Online mode as provided by IKGPTU.
- **New Candidate Registration:** – New candidates will register through the registration form and get the userid and password. All the candidates will have to register on the website provided they have deposited requisite counselling Fee in the designated bank. The system will ask for details like roll no, rank, date of birth etc for cross-verification. It will ask for other details like category, sub-category, Priority etc. It will then ask the candidate to create the password. Candidates will be directed to read the reservation policies of participating universities and Government notifications and give their acceptance. The successful completion of above will complete the registration process.
- If there is any change from the already available information, candidate has to report to the IKGPTU with necessary documentary proofs and IKGPTU Administrator will modify/ update the data.
- Registered candidate can view his data from view profile. If the necessary change does not reflect in view profile, he/she has to contact CCR.
- **Registered Candidate Sign In / Login**
- Change Password
- Registration details
- Choices Available
- Standard Template for Choice with User Defined Scroll up/down on Template without change Original Template after Copied into Choice Fill
  - Branch wise
  - College wise
- Choices Edit – Interchange(Swap)
- Choices Edit – Rearrange(Move)
- Choices Delete
- Save choices
- Choices Print (report format)
- Result
- Withdrawal of Seat
- **Generation and printing of Allotment letter**
- Log out

### 2.3.2 PI Interface

- Candidates Reported at PIs
- Online candidate information Display (for verification)
- Online Fee verification
- Provisional Admission
- Document verification with generation of document verification checklist and signed by candidate and PI.
- Printing of Admission Letter.
- Updation of admission status on the counselling website.

### 2.3.3 Administrator Interface

- List of Institutes, Institute Profile & Institute Course Summary
- Seat Matrix Entry , Seat Matrix Summary and different views
- Candidate Details (Registered Candidate) and Edit Registration
- Message Entry, Counselling Schedule
- Candidate Original Information (Unregistered Candidate)
- Admission Status (Course Wise Details, Name Wise Allotment, Admitted Candidate List, Candidate Who Got Refund, Admission Withdrawal and Vacancy Position)

## 2.4 System External interface

### 2.4.1 Data requirement from IKGPTU and Bank

- System will have seamless interface with candidate's data obtained by [IKGPTU](#) and Bank as under.
  - a. Candidate Record (detailed data)
  - b. Valid Merit Number (Rank) Database
  - c. Payment Details from the Bank.

**Note:** Databases obtained by [IKGPTU](#) will be hosted on counselling website for registration and counselling process

### 2.4.2 Data requirement from IKGPTU

[a] **Information Brochure** for all courses and **Institutes Profiles** will be supplied by IKGPTU to NIC for uploading it to the above-mentioned counselling websites along with the counselling procedure & seat matrices.

[b] **IKGPTU** will provide following information as well as database to NIC:

- **Participating Institutes** Information, categorization with Govt. / University/ self-finance/Pvt. Institutes, Engineering /Pharmacy wise.
- **Course/Branches wise list** containing branches/disciplines finance/self finance wise.
- **Unique Merit Number (Rank) and detailed data** of candidates appeared in All India Engineering Entrance Examination.
- **Seat Matrix** – for every technical institute having category wise breakup of seats as applicable (SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others)
- **Eligibility criteria's & Reserve Categories master**

## 2.5 Overview of the proposed project

The proposed system of counselling is web based and shall be applicable for admissions to all AICTE approved technical professional courses run by different technical institutes in the state (Govt./Aided/University Departments/self-financed/Private Institutes) to overcome the problems faced by the candidates during manual system.

To meet the requirements of web based counselling, the website <http://ptuadmissions.nic.in> shall be launched. The website shall keep following required links for different activities of counselling.

1. Counselling Website (procedural) with URL: <http://ptuadmissions.nic.in> shall contain procedures and information for counselling w.r.t institutes, availability of seats in different disciplines and categories, profile of institutes, eligibility criteria and counselling procedure.
2. Counselling website with URL: <http://ptuadmissions.nic.in> for registration, exercising of choices and saving/saving the choices during actual counselling and for publishing of results of counselling etc (The link shall be activated during actual counselling days).
3. Actual Admission intranet website, URL: <http://intraptu.nic.in>, which shall be accessible through a prescribed User-ID and Password.

All above websites links shall perform following functions:

- Provision for online Counselling fee payment.
- After paying the counselling fees, students can register themselves on the website
- Information relating to Institutes, disciplines (Engineering), branches (e.g. Civil Engineering or Computer Science etc.) and categories (General, SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others) should be displayed through relevant menus.
- Secure user/password based Login and the system will provide the facility to add, change, re-order, delete the choices in respect of institutions and branches.
- Candidate can save their choices, when ever required using <Save Choices> button.

- Candidate can get print of their choices after Final saving, but list of choices and indicative seat matrix can be printed, whenever required.
- The system shall process the submitted choices and generate the indicative seat Matrix (latest positions of seat availability)
- Processing for Seat allotment & final seat allotment shall be published on Website.
- Candidates shall print their allotment letter and will report to the PIs for admission with in prescribed time period.
- Document Verification, generation of document verification checklist and updation of final admissions by Institutes will be done by PIs on the Website.
- The system shall provide required online query/Reports.
- After completion of admission period for counselling, the leftover/unfilled seats shall be transferred for consequent counselling.
- Online Withdrawal facility will be managed by IKGPTU Administration. Candidates, who are willing to withdraw from Counselling after taking admission in allotted college, will give the request to IKGPTU administration.
- Subsequent counselling's based on the vacant seats/leftover /unfilled / merged seats

## 2.6 Assumptions and dependencies

- All Counselling's based on IKGPTU merit list(JEEMAIN for B.Tech\*\*, IKGPTU Rank for B.Arch and B.Pharma).
- Merit Numbers (Rank) for each candidate should be UNIQUE (i.e. no two candidates can have same Merit Number (Rank) in a stream).
- IKGPTU will finalize/provide and upload all required master data including seat matrices(of all the colleges/streams/branches, comprising of the distribution of the seats in absolute terms as per the state reservation policy), Institute profile etc well in advance before the start of the counselling.
- Eligible Candidates, who have paid counselling fees, will register online and obtain unique-ID based on roll number and password (as given by the candidate at the time of registering on the web) prior to exercising of choices.
- Seat allotment as per the seat matrices given by IKGPTU according to reservation policy of the state.
- IKGPTU shall reserve all right pertaining to any changes in any master data including candidate master. Changes in **Candidates' Master Database**, like **DOB, Gender**, etc. Permitted through web interface by authorized IKGPTU officials.
- A candidate shall be able to fill unlimited choices as decided by IKGPTU
- Saving of Choices by Candidates is a must for the seat allotment. Unsaved choices will be considered as deemed choice.
- Saving of Choices by Candidates is to be taken as the last choices submitted by the candidate. In case the candidate does not explicitly lock the choices, the choices submitted till last moment of the last cut-off time shall be taken as the final choices by that candidate.
- All the PIs should have the prescribed computer infrastructure, trained manpower and Internet connectivity through an Internet Service Provider (ISP) with specific IP addresses (obtained from

the ISP by the PIs) for accessing secured databases for making admissions and updating of admission data on website.

- Updation from PIs will not be allowed.
- IKGPTU will provide all functional, regulatory and non-functional requirements for the project.
- Students data base shall be the property of IKGPTU

**\*\* After allotting seats in B.Tech on the basis of JEEMAIN in 2<sup>nd</sup> Round, remaining seats will be processed for B.Tech students on the basis of 10+2 Inter se Merit.**

## **2.7 Non functional requirements**

### **2.7.1 Performance**

During entire period of e-counselling the web server & database server shall remain accessible to the candidates, the PIs and to IKGPTU on 24x7 hours operational basis through the counselling website. To access the counselling website, performance shall also depend on the mode & capacity of Internet connectivity used by candidates, PIs and IKGPTU. For satisfactory performance the Internet connectivity should be as mentioned in the section 4 of this document.

### **2.7.2 Security**

1. **Client Side security:** The PIs will be given role based unique user IDs and passwords for authorization and controlled access to the website of counselling. The PIs will be required to use Digital Signature Certificates for accessing the website.
2. **Database level security:** NICs web server and database server are well secured on SAN (Storage area networks).
3. **Network based security**
  - a. **Auditing and Testing:** Before final launching of the site, it will be audited and tested for Vulnerabilities by the experts.
  - b. **Finally, provision has been kept for certification of the website from 3<sup>rd</sup> agency.**

### 3. Software product functions.

Following are the functional areas with regards to the "e-counselling" for all technical courses in the state.

- [a] Web based Counselling fee payment, counselling & entry/saving of final choices
- [b] Online Seat allotment and declaration of result on the net
- [c] Administration of Pls & Admissions
- [d] Seat Availability, vacant, filled status.
- [e] Data Administration and overall control module for **IKGPTU**

[a] Web based counselling shall comprises of following functions.

**FN001: New Candidate Counselling Fee payment and Registration Screen**

**FN002: Candidate basic credential entry Screen**

**FN003: Eligibility criteria of all participating Universities Screen**

**FN004: Online Form Filling – Registration Screen**

**FN005: Registration Confirmation Screen**

**FN006: Registered candidate Sign In /Login**

**FN007: Password Change Screen**

**FN008: Forgot Password screen**

**FN009: Available Choices screen**

**FN010: Choice Submission screen**

**FN011: Choice Edit – Swap screen**

**FN012: Choice Edit – Rearrange / reordered (Move) screen**

**FN013: Choice Delete screen**

**FN014: Choice Save & Continue screen**

**FN015: Choice Saving & Exiting Screen**

**FN016: Logout Screen**

**FN017: Seat Allotment & Publishing of Result screen**

**FN018: SMS Alert to Candidates**

**FN019: Printing of Allotment Letter**

**FN020: Withdrawal of Seat and Printing of Refund Letter**

**FN021: Subsequent Round Undertaking Screen**

## **FN022: Subsequent Round Choice Filling direction screen**

### **[b] Administration of CCR & Provisional Admissions**

**FN001:** Candidates Reported at PIs - Admin user can see details of reported candidate of the PIs.

**FN002:** Online candidate information Display (for verification)

**FN003:** Provisional Admission Screen

### **[c] Seat availability, leftover & filled status and reports**

**FN001:** Institute Wise Total Seat Availability/filled/leftover

**FN002:** Category Wise & Branch wise Seat Availability/filled/leftover in all institutions

**FN003:** Institution/branch/Category wise Seat Availability/filled/ leftover

### **[d] Administration of PIs**

**FN001:** Viewing of Branch Wise Seat Availability/filled/leftover

**FN002:** Document verification Screen

**FN003:** Printing of provisional Admission Letter

**FN004:** Category wise breakup of Seat Matrix

**Available Choices:**

After successful login and on clicking the link “Available Choices”, the systems internally retrieve the credentials of the candidate like gender, category, subcategory, state of eligibility and eligibility remarks from the candidate’s database and the available choices specific to the candidate based on his/her credentials.

All the choices of B.Tech Courses (includes both Fee waiver B.Tech Courses and non Fee waiver B.Tech Courses) will be displayed in choice filling section for these candidates and they can select choices as per their priority. The candidates may opt same course for fee wavering scheme and as well as for Non fee wavering Scheme.

**Choice Submission:**

On clicking the “Choice Submission” button, the available choices to the candidate will be displayed in the left side frame and on clicking the add button, it will be removed from the left frame and will be added into right frame. User can sort their choices University-wise also.

**Choice Edit** – Swap / Move Choice / Delete Choice:

System will provide the students with option of swapping already selected choice, setting their order(moving the choices or deleting the choices).

**Save Choices**

During choice selection, Candidate can click on “Save Choices” button to save his choices. System will save the choices and keep the screen open for Candidate to select more choices.

**Save and Exit**

Clicking on Save and Exit button will save the choices filled by candidate during the session and close the screen. It will take Candidate to **Displaying Filled Choices** section, where Candidate can take a printout of saved choices, which includes Choice saving date time and IP address.

After saving the choices, if a candidate logs in again, then the saved choices given by the candidate will be displayed and can be modified or altered by the Candidate.

### **Seat Allotment & Publishing of Result**

Seat Allotment will be done by IKGPTU Technical Team by downloading the choices filled by registered candidates and processing as per approved algorithm. After verification and approval by the technical team, the result will be uploaded into the website.

### **SMS Alert to Candidates**

Successful candidates, who get a seat in the Counselling round will get a SMS indicating the seat allotted and College details.

### **Printing of Allotment Letter**

Candidate who gets a seat, can login to his portal and take printout of the Provisional Allotment Letter, which he will produce at the allotted College during admission period.

### **Seat Withdrawal**

Admitted candidate, if wishes to surrender his seat during reporting time in both round and upto 7 days after completion of counselling, can do so by giving his consent absolving concerned University.

### **Subsequent 2<sup>nd</sup> round student access methodology**

In the subsequent rounds, new students, who wish to join Counselling for the first time will go through the same process as given above for the 1<sup>st</sup> round. Students who are already registered and exercised their choices can access the system in following fashion.

Candidate will fill five authentication parameters for gaining access.

- Roll No.
- Rank (JEEMAIN or IKGPTU generated)
- Candidate Name
- Date of Birth as printed in Admit Card
- Security Pin as shown on the screen

If all the five parameters are valid and match the Candidate database, then a new Re-registration/Confirmation screen will appear. In which candidate will give an undertaking that

“Before participating in the second counselling, I have understood that if I am allotted a seat in the second counselling, my previous seat in 1<sup>st</sup> counselling shall automatically be cancelled and replaced by the seat allotted in second counselling. My claim for previously allotted seat stand forfeited. I shall have claim only on the seat allotted in second counselling. I have further understood that I should fill only those choices which are preferred over the already confirmed seat in first counselling. “ On accepting the Declaration, candidate will be registered in the system. System will give following information.

“In the second round, Candidate can also fill College/Branch even if Available seats section shows Zero(0) seats. In case any candidate, who has been allotted the seat in 1<sup>st</sup> round vacates the seat during 2<sup>nd</sup> round, the same will be made available to other candidates in the 2<sup>nd</sup> Round itself.”

## **6.2 Seat Allotment procedure for First Counselling for candidates of Punjab 85% and Other State 15% JEEMAIN Rank-wise Seat Allotment procedure for First and subsequent counselling.**

### **Seat Allotment Module**

Since the allotment of seats is to be done by the software using the seat matrices and seat allotment procedure, therefore every bit of required procedure is needed to be coded. As per the study and detailed discussions with the user/core committee, following procedure has been designed.

For allotment of a seat, Merit Number (Rank) is not only the criteria but also the eligibility and reservation criteria of candidates are checked. The admissions shall be subjected to the verification of credential and documents in the allotted institution.

For any course, before the allotment starts, Candidate must complete following steps

Step-1: The candidate should deposit the counselling fees of Rs. 2000/- non-refundable.

Step-2: The candidate has to fill up the choices and save it successfully. The candidate is advised to give as many choices as desirable. There is no maximum limit for the choices.

The offline processing module gives the feature of round wise processing and generation of MIS (Institute wise, Rank wise Candidates) Reports

#### Assumption:

- a. Candidate has to register himself and fill choices. If candidate does not fill any choices, he will not be eligible for counselling.
- b. Seat Matrix is to be uploaded fresh before the start of counselling.
- c. Based on JEEMAIN test Rank will be unique i.e. no two candidates will have same rank in general merit list. The general merit list will include candidates of all categories.
- d. Candidates from Punjab residents will be considered under Punjab 85%.
- e. Candidates from Chandigarh UT are only eligible to participate in online counselling through 15% JEEMAIN quota. However only in case of PAU, PUNJAB and Chandigarh are considered as One State. For rest of the Universities i.e. IKGPTU, GNDU and PU Punjab and Chandigarh are different states.

#### Algorithm:

1. Sort the candidate's data stored in Registration table rank wise with condition where choices have been locked.
2. Process the data of first candidate.
3. Store the value of sex, category code, sub-category code, in the temporary variables.
4. Identify eligible categories, subcategories on the basis of category, subcategory and Priority as applicable of candidate and store it in arrays.

5. Process the choices of candidate for each category in the same sequence as described elsewhere in the document.
6. If seat is available then allocate the seat to candidate
7. Update the seat master and reduce the value of seats available in the seat matrix by 1 against the particular institute
8. Repeat above steps for all candidate.

#### **6.2.1. Algorithm for Seat Allocation Procedure for 85% Punjab Candidates**

For 85% Punjab Candidates: Following categories/sub-categories exist;

- General
- SC/ST
- Backward Class (BC)
- T-Sunami(TS)
- Border Area(BR)
- Backward Area (BA)
- Sports Person (SP)
- Widows of Defense Personnel (DF)
- Widow / Divorced Women
- Terrorists/Riots victims (RT)
- Children/Widows of Para military forces (PM)
- Freedom Fighter (FF)
- Disabled Person-Blind (DPB)
- Disabled Person -Deaf (DPD)
- Disabled Person-Others (DPO)

#### **Seat Allocation sequence for 85% Punjab Quota**

Following rules shall be applicable for seat allotment for counselling for 85% Punjab category for all the institutions under IKGPTU/GNDU/PU/PAU participating in counselling located in Punjab.

In case of IKGPTU, seats under Fee Waiver Category will be processed as a separate category depending upon choices filled by the Candidate.

Counselling for seats for the Children /Widows of Defense Personal category, Sports Person, under Para Military Forces Personal and under Terrorist/Riot affected category is done in the order of sub-category, priority, rank (as applicable) and eligibility condition.

***The following cases are checked and searched for a Candidate until seat is allotted or options are exhausted for JEEMAIN merit Rank.***

#### **FOR General Merit List :**

The seats based on rank wise list, will be allotted in the following sequence:

**Case 1: If candidate has opted for Fee Waiver and filled Fee waiver seat choices (Applicable for B.Tech only)**

Candidate can fillup Fee waiver seat choices in addition to his category based choices. Check the seat for **Fee Waiver**, if it is available then seat is allotted else go to candidate's next choice. Repeat till a seat is allotted or all the choices are processed.

**Case 2: If candidate is General, no subcategory**

Check the seat for **General (Open quota)**, if it is available then seat is allotted else go to candidate's next choice. Repeat till a seat is allotted or all the choices are processed.

**Case 3: If candidate is having any one of the reserved category, following is the seat allotment criteria**

All the reserve category candidates will first be considered in General Category. In this case JEEMAIN Rank is the allotment criteria. Check the seat for **General (Open quota)**, if it is available then seat is allotted else check the seat in respective Reserve Category(SC/ST,BC, T-Sunami(TS)/BA/ BR/ FF). If seat is available then allot the seat else go to candidate's next choice. Repeat this process till a seat is allotted or all the choices are processed.

- ✓ If candidate is DF then allocation is done on the basis of sub-category and priority.
- ✓ If candidate is PM then allocation is done on the basis of sub-category.
- ✓ If candidate is RT then allocation is done on the basis of sub-category.
- ✓ If the candidate is SP then allocation is done on the basis of subcategory and eligibility criteria of the participating universities.
- ✓ If candidate is DPB/DPD/DPO, then allocation is done on the basis of respective category(i.e. DPB/DPD/DPO) and checking for leftout seats in any of (DPB/DPD/DPO) categories.

Fee Waiver	General	<b>Category</b> (SC/ST,BC, T-Sunami(TS) / DF/ BA/ BR/ FF /RT/ PM/ DPB/ DPD/ DPO)	Sequence of Allotment

If seat is available than it will be allotted to the candidate else his/her next choice is searched for.

#### 6.3 Seat Allotment procedure for Second Counselling for candidates of 85% / 15% (2<sup>nd</sup> Round)

##### Pre-requisites/Assumptions:

- a. Candidates falling under 85% / 15% quota will be eligible for 2<sup>nd</sup> Round of Counselling. Candidate has to reconfirm his registration for the 2<sup>nd</sup> counselling and fill fresh choices. Candidates, who have participated in 1<sup>st</sup> counselling, need not pay counselling fee again, whereas new candidates

appearing in counselling for the first time will have to deposit counselling fee and register themselves in the website. If candidate does not fill any choice for 2<sup>nd</sup> counselling, then he will not be eligible for 2<sup>nd</sup> counselling.

- b. Candidate can also include the same choice in 2<sup>nd</sup> counselling against which he is allotted seat in the first counselling. In such case choices which are listed before this choice will be processed. For example a candidate has filled 5 choices in 2<sup>nd</sup> counselling and choice no 3 is same for which candidate is allotted seat in first counselling. In this case first two choices will be processed.
- c. Seat Matrix will be uploaded afresh before the start of second counselling.
- d. Seat Allocation will be done exactly as per rules adopted in 1<sup>st</sup> round of Counselling, i.e. no seats will be merged.
- e. If a candidate has been admitted against his allotted seat in his category(reserve) in previous counselling, the seat will not be changed in the subsequent round of counselling for the Same branch and Institute with regards to category.

Note: Candidates once opted a category can not change his category without the permission of Chief Co Ordinator(admission).

**Algorithm:**

- a. Sort the candidate's data rank wise once the choices are locked
- b. Process the data of first candidate.
- c. Store the value of sex, sub-category, and category temporarily.
- d. Identify eligible categories, subcategories on the basis of category and subcategory of candidate, priority(as applicable) and store it in arrays.
- e. Process the choice's of candidate for each category in the same sequence as described in first counselling.
- f. If seat is available then temporarily allocate the seat to candidate
- g. Update the Seat matrix and reduce the value of seats available for the particular branch by 1 against the particular institute
- h. Transfer the seat allotted to the candidate in the first counselling to vacant pool.
- i. Repeat above steps for all candidate. (first iteration is complete)
- j. Next iteration will start and will repeat all the above steps till vacant pool seats become 0.

**6.4 Seat Allotment Procedure for B.Tech students based on 10+2 Inter se Merit**

During 1<sup>st</sup> round of B.Tech Counselling, students registered under B.Tech 10+2 Inter se merit course will be permitted to register themselves. After completion of 1<sup>st</sup> round of B.Tech, Rank will be prepared of registered candidates as per following procedure and PTU verification team will check and approve the Rank. On approval, the rank will be uploaded into the course.

**Tie Breaking**

In case of tie the same shall be decided as follows

- i. The candidate scoring higher marks in Compulsory subjects shall be higher in merit
- ii. In case of tie in (i) above, candidates scoring higher marks in Physics shall be higher in merit.
- iii. In case of tie in (ii) above, candidates scoring higher marks in Mathematics shall be higher in merit.
- iv. In case of tie in (iii) above, candidates senior in age shall rank higher in order of merit.

- v. In case of tie in (iv) above, candidates scoring higher marks in 10<sup>th</sup> examination shall be higher in merit.

2<sup>nd</sup> round for B.Tech course and B.Tech 10 + 2 Inter se merit Course will run simultaneously. After closure of Choice filling period of both courses, first choices of students in B.Tech course will be processed and allotted seats. Once all students under B.Tech and B.Tech Fee Waiver course are allotted seats depending upon their Choices, leftover seats will be processed for students under 10+2 Inter Se Merit course based on their choices, eligibility criteria and Universities Rules.

Both the results will be declared simultaneously and students can take admission during reporting period.

## **6.5 Participating Institute and Administrator Module**

### **6.5.1 On-Line Admission Reporting by the Participating Institutions:**

#### **General Assumptions**

- Individual candidate shall print a "Provisional allotment letter" and shall report to the PIs for admission. In case of any type of problem candidate has to contact Central Control Room of IKGPTU. In case candidate fails to take admission during the slotted time period, his seat shall remain vacant and shall be declared as vacant for next counselling.
- Credential and documents shall be verified with online data by the designated PI officials.
- If candidate is found eligible, PI will issue provisional admission letter to the candidate.
- In case of up gradation by the candidate he/she will have to participate in subsequent counselling for re-scheduling and saving of choices.
- If a candidate has been allotted a seat or fail to report within specified time limit at PIs shall be allowed to participate in the subsequent phase of counselling, if candidate opts for up gradation against the available vacant seats, declared vacant by various institutions on the counselling website and compiled by the system (as per counselling schedule). If a candidate has not been allotted any seat from his/her choices, such candidate shall be allowed to participate in subsequent round of counselling.
- The candidates, who would like to upgrade their earlier allotted seats, will also be permitted to participate in the subsequent counselling, provided they give a declaration, while they are getting themselves registered for the subsequent counselling, to the effect that they would be vacating the seat allotted to them in the previous counselling. For the subsequent round of counselling, candidate will have to give his/her consent and fill fresh choices. If the candidate shall not get the admission seat from new choice of the subsequent round in such a case, his/her previous admission shall be continued.

Reporting process will start after the allotment of seats as in the previous step and this process will comprise of following steps:

- a. After allotment of the seat, the candidate is required to report to the allotted institute for admission within the date specified in the allotment letter. The administrator website will have PI module secured by separate user id and password for each PIs.
- b. The credentials and certificates of the candidates are to be verified by PIs as part of the admission process at the reported Institute. If the credentials and certificates are found wrong the allotment will be canceled and the admission is denied otherwise the admission is granted.
- c. Candidates are required to pay the fees in the prescribed form at the designated bank.
- d. The authorized institutes can access candidates' details who have been allotted to a specific institution. All the PIs are required to update the successful candidates' data on web to complete the process of admission. It will facilitate to compile filled and vacant seats.
- e. On successful verification of the documents, Institute designated officials will generate an admission slip. One part of the slip will be handed over to the candidate and second part will be retained by the Institute.
- f. PIs can also generate reports on admitted candidate course wise round wise or roll no wise, list of vacant seats etc.

## 1 Introduction

A Stakeholder Requirements Specification (StRS) defines the requirements for a system that can provide the services needed by users and other stakeholders in a defined environment. It identifies stakeholders, or stakeholder classes, involved with the system throughout its life cycle, and their needs, expectations, and desires. It analyses and transforms these into a common set of stakeholder requirements that express the intended interaction the system will have with its operational environment and that are the reference against which each resulting operational service is validated.

The e-Counselling system is an one stop solution for all the counselling needs right from application form, on-line fee payment, selection of courses/institutes, document verification, seat allocation, PI reporting, reports/dashboards. The solution cater to all the stakeholders namely Aspirants, Counselling Board, and Participating Institutions with end-to-end support towards a hassle-free transparent admission processes in the Technical and Academic Institutions in Punjab State.

NIC counselling solutions has been widely accepted by a number of professional institutes and universities in the last 15 years. The system has evolved with the change of technology over the period of time to stay relevant.

This document defines the requirements for e-counselling system that can provide the services needed by users and other stakeholders in a defined environment. It transforms the requirements to the intended interaction in the system and it acts as a reference against which each resulting operational service is validated.

### 1.1 Business Purpose

This sub section describes at the organization level the reason and background for which the organization is pursuing new business or changing the current business in order to fit a new management environment. In this context, it should describe how the proposed system would contribute to meeting business objectives.

The Centralized Counselling is a convenient platform for the students to apply for B. Pharmacy, B. Architecture, MBA, MCA, M. Tech(Full Time), M. Pharmacy(Full Time), M. Arch, B. Tech (LEET), B. Pharm (LEET) & MCA(LEET) programmes based on their IKGPTU generated rank, in all institutions of participating Universities. This centralized system has replaced the older system, wherein students had to apply individually to various institutes and visit every institute for appearing in interview/counselling. The current system facilitates students to fill single online application form and apply to all programmes in all the participating institutions to which they are eligible. The overall convenience of students has increased enormously due to this centralized counselling.

The centralised counselling has been successfully organised for IKGPTU since 2009 for centralized admission in B. Pharmacy, B. Architecture, MBA, MCA, M. Tech(Full Time), M. Pharmacy(Full Time), M. Arch, B. Tech (LEET), B. Pharm (LEET) & MCA(LEET) programmes offered by institutions of participating Universities.

The proposed system will be configured/customised to provide counselling services to organising university i.e. Inder Kumar Guzral Punjab Technical University based on previous experiences to improve it further.

## 1.2 Business Scope

This sub-section defines the business domain under consideration by

- a) Identifying the business domain by name.
- b) Defining the range of business activities included in the business domain concerned. The scope can be defined in terms of divisions in the organization and external entities that relate directly to the business activities, or functions to be performed by the business activities. It is helpful to show environmental entities which are outside of the scope.
- c) Describing the scope of the system being developed or changed. The description includes assumptions on which business activities are supported by the system.

The proposed system (IKGPTU-2019) cover e-counselling services to organising University i.e. IKGPTU by performing following activities.

1. Customise/Configure IKGPTU website <https://ptuadmissions.nic.in> for IKGPTU-2019.
2. Customise/configure online eCounselling system as per the **Business Rules** finalized by Technical Committee of IKGPTU-2019.
3. Conduct training and handholding sessions to officials of organizing University and participating institutes at a central location.
4. Hand-over entire database to organizing university after closing of admission process for further reports, query and usages.
5. Integrate SMS/Email services for sending alert to applicants.
6. Integration of HDFC payment gateway Services.
7. Storage of candidate's mobile number and email id in encrypted format and would be utilized only for sending alerts to the candidates during registration & result publication process.

### 1.2.1 Out-of-scope

The following are considered excluded from current scope of work

- Reconciliation of Fee with HDFC for adjustment/refund would be done by IKGPTU and is not in the scope of work of NIC.
- IKGPTU would reconcile with the bank the double/multiple payment made by a candidate.
- Any other activities that is not mentioned under the above Scope of Work.

### 1.2.2 Assumptions and Dependencies

#### 1.2.2.1 Pre-requisite

The proposed system of counselling is web based and shall be applicable for admissions to all AICTE approved technical professional courses run by different technical institutes in the state (Govt./Aided/University Departments/self-financed/Private Institutes) to overcome the problems faced by the candidates during manual system.

To meet the requirements of web based counselling, the website <http://ptuadmissions.nic.in> shall be launched. The website shall keep following required links for different activities of counselling.

1. Counselling Website (procedural) with URL: <http://ptuadmissions.nic.in> shall contain procedures and information for counselling w.r.t institutes, availability of seats in different disciplines and categories, profile of institutes, eligibility criteria and counselling procedure.

2. Counselling website with URL: <http://ptuadmissions.nic.in> for registration, exercising of choices and saving/saving the choices during actual counselling and for publishing of results of counselling etc (The link shall be activated during actual counselling days).
3. Actual Admission intranet website, URL: <http://intraptu.nic.in>, which shall be accessible through a prescribed User-ID and Password.

All above websites links shall perform following functions:

- Provision for online Counselling fee payment.
  - After paying the counselling fees, students can register themselves on the website
  - Information relating to Institutes, disciplines (Engineering), branches (e.g. Civil Engineering or Computer Science etc.) and categories (General, SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others) should be displayed through relevant menus.
  - Secure user/password based Login and the system will provide the facility to add, change, re-order, delete the choices in respect of institutions and branches.
  - Candidate can save their choices, when ever required using <Save Choices> button.
  - Candidate can get print of their choices after Final saving, but list of choices and indicative seat matrix can be printed, whenever required.
  - The system shall process the submitted choices and generate the indicative seat Matrix (latest positions of seat availability)
  - Processing for Seat allotment & final seat allotment shall be published on Website.
  - Candidates shall print their allotment letter and will report to the PIs for admission with in prescribed time period.
  - Document Verification, generation of document verification checklist and updation of final admissions by Institutes will be done by PIs on the Website.
  - The system shall provide required online query/Reports.
  - After completion of admission period for counselling, the leftover/unfilled seats shall be transferred for consequent counselling.
  - Online Withdrawal facility will be managed by IKGPTU Administration. Candidates, who are willing to withdraw from Counselling after taking admission in allotted college, will give the request to IKGPTU administration.
  - Subsequent rounds are on based on the vacant seats/leftover /unfilled / merged
- IKGPTU (Organising university) need to finalize
    - Information Brochure for all courses and Institutes Profiles will be supplied by IKGPTU to NIC for uploading it to the above-mentioned counselling websites along with the counselling procedure & seat matrices.
    - **IKGPTU** will provide following information as well as database to NIC:
      - Participating Institutes Information, categorization with Govt. / University/ self-finance/Pvt. Institutes, Engineering /Pharmacy wise.
      - Course/Branches wise list containing branches/disciplines.
      - Unique Merit Number (Rank) and detailed data of candidates appeared in All India Engineering Entrance Examination.
      - Seat Matrix – for every technical institute having category wise breakup of seats as applicable (GEN,SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others)
      - Eligibility criteria's & Reservation Categories master

- All input and output format/reports like Registration Form, Choices Page, Provisional Seat Allotment letter, Provisional Admission Letter, Cancellation Letter, Withdrawal Letter etc.
- All SMS/Email message formats and content.
- Payment related formalities with bank before starts of Counselling.

#### 1.2.2.2 Assumptions

- All Counselling's would be based on IKGPTU merit list.
- Merit Numbers (Rank) for each candidate should be UNIQUE (i.e. no two candidates can have same Merit Number (Rank) in a stream).
- IKGPTU will finalize/provide and upload all required master data including seat matrices (of all the colleges/streams/branches, comprising of the distribution of the seats in absolute terms as per the state reservation policy), Institute profile etc. well in advance before the start of the counselling.
- Eligible Candidates, who have paid counselling fees, will register online and obtain unique-ID based on roll number and password (as given by the candidate at the time of registering on the web) prior to exercising of choices.
- Seat allotment would be as per the seat matrices given by IKGPTU according to reservation policy of the state.
- IKGPTU shall reserve all right pertaining to any changes in any master data including candidate master. Changes in **Candidates' Master Database**, like **DOB, Gender**, etc. Permitted through web interface by authorized IKGPTU officials.
- A candidate shall be able to fill unlimited choices as decided by IKGPTU
- Saving of Choices by Candidates is must for the seat allotment. Unsaved choices will be considered as deemed choice.
- Saving of Choices by Candidates would be taken as the last choices submitted by the candidate. In case the candidate does not explicitly lock the choices, the choices submitted till last moment of the last cut-off time shall be taken as the final choices by that candidate.
- All the PIs should have the prescribed computer infrastructure, trained manpower and Internet connectivity through an Internet Service Provider (ISP) with specific IP addresses (obtained from the ISP by the PIs) for accessing secured databases for making admissions and updating of admission data on website.
- Data updation from PIs will not be allowed.
- IKGPTU will provide all functional, regulatory and non-functional requirements for the project.
- Students data base shall be the property of IKGPTU
- IKGPTU will test the application software and sign User Acceptance Test (UAT) before launching of the application.
- Payment Gateway
  - Organising University makes an agreement with bank for payment gateway integration.
  - Organising University and Bank will handle all the financial matters relating to payments, receipts, refund and reconciliation of fee payment etc.
- Seat Matrix
  - All Participating Institutions (PIs) will follow the same Seat Matrix structure.
  - All PIs will update their Seat Matrix through online Portal. After updates, PI should freeze the Seat Matrix and send signed, stamped printout to IKGPTU.
  - The seat matrix data will be prepared as per prevailing reservation policy of State / participating institutes.
- Registration Form

- New candidates will register through the registration form and get the Login Id and password. All the candidates will have to register on the website provided they have deposited requisite counselling Fee in the designated bank. The system will ask for details like roll no, rank, date of birth etc for cross-verification. It will ask for other details like category, sub-category, Priority etc. It will then ask the candidate to create the password. Candidates will be directed to read the reservation policies of participating universities and Government notifications and give their acceptance. The successful completion of above will complete the registration process.
- If there is any change from the already available information, candidate has to report to the IKGPTU with necessary documentary proofs and IKGPTU Administrator will modify/update the data.
- Registered candidate can view his data from view profile. If the necessary change does not reflect in view profile, he/she has to contact CCR.
- Registered Candidate Sign In / Login
  - Change Password
  - Registration details
  - Choices Available
  - Standard Template for Choice with User Defined Scroll up/down on Template without change Original Template after Copied into Choice Fill
  - Branch wise
  - College wise
  - Choices Edit – Interchange(Swap)
  - Choices Edit – Rearrange(Move)
  - Choices Delete
  - Save choices
  - Choices Print (report format)
  - Result
  - Withdrawal of Seat
  - Generation and printing of Allotment letter
  - Log out

## 1.3 Business Overview

This sub-section describes major internal divisions and external entities of the business domain concerned and how they are interrelated.

### 1.3.1 Major Internal Divisions

#### 1.3.1.1 Organising Board/Institute

Government of Punjab has authorised IKGPTU to conduct e-counselling for 2019-20 session for IKGPTU and participating universities.

#### 1.3.1.2 Participating Universities

- Inder Kumar Gujral Punjab Technical University's affiliated Engineering / Institutions for Engineering & Technology.
- Maharaja Ranjit Singh Punjab Technical University affiliated Engineering / Institutions for Engineering & Technology

#### **1.3.1.3 Reporting Centres**

All participating institutes would act as Reporting Centre for physical verification of documents and admitting the students in their institute.

### **1.3.2 External Entities**

#### **1.3.2.1 National Informatics Centre (NIC)**

NIC provides e-counselling services by

- configuring its e-counselling solution
- customising the solution to meet specific requirements
- hosting the e-counselling solution
- SMS/Email integration
- On-line payment gateway integration

#### **1.3.2.2 National Informatics Centre Services Inc. (NICS)**

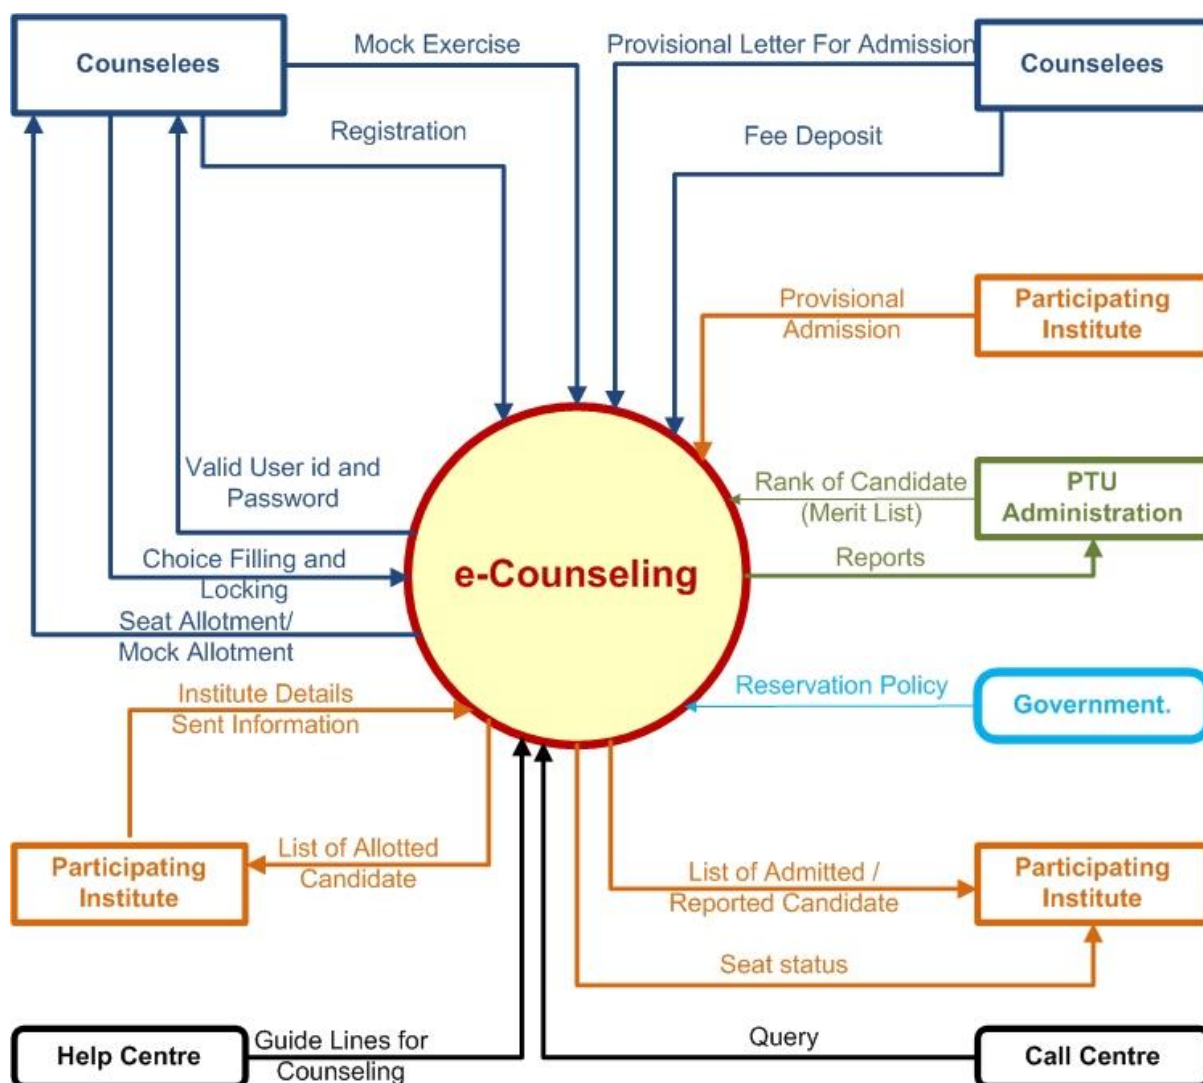

NICS will take care of all the financial matters.

#### **1.3.2.3 Payment Gateway Integrator (PGI)**

The PGI will provide the electronic payment gateway (EPG) services for all the applications for payment of fees/charges towards various services provided by organising institute.

### **1.3.3 Interrelationships**

The following diagram describes how all the entities are interrelated. IKGPTU would be the organising university for conducting Counselling and like previous years, NIC is providing the ecounselling services. HDFC Bank would provide the EPG services.

## 1.4 Definitions

### 1.4.1 User Characteristics

The following users will have a role in the proposed Centralized Counselling for Seat Allocation

S. No.	User category	Description
1	Eligible Candidates	Eligible candidates based on rank, IKGPTU generated ranks
2	Organising University Administrator (IKGPTU Board Admin)	Privilege users who have special permissions to manage the counselling process.
3	Participating Institution Users (PI Admin)	Institutes who offer seats will update institute profile, academic program and seat matrix and mapping tables.
4	Reporting Centre(PI) Users	IKGPTU would designate all participating Institutes for document verification and confirmation of provisional admission.

### 1.4.2 User Hierarchy

#### IKGPTU Administrator Interface

- List of Institutes, Institute Profile & Institute Course Summary
- Seat Matrix Entry , Seat Matrix Summary and different views
- Candidate Details (Registered Candidate) and Edit Registration
- Message Entry, Counselling Schedule
- Candidate Original Information (Unregistered Candidate)
- Admission Status (Course Wise Details, Name Wise Allotment, Admitted Candidate List, Candidate Who Got Refund, Admission Withdrawal and Vacancy Position)

#### PI Interface

- Candidates Reported at PIs
- Online candidate information Display (for verification)
- Online Fee verification
- Provisional Admission
- Document verification with generation of document verification checklist and signed by candidate and PI.
- Printing of Admission Letter.
- Updation of admission status on the counselling website.

### 1.4.3 Category Class

For the purpose of seat allocation, qualified candidates are partitioned into different categories as per their preferred category/sub category/ESM priority. Based on such a partition, each candidate is assigned a category tag as given below.

#### State Codes

State code	State Name
01	Punjab

## 1.5 Stakeholders

This sub-section lists the stakeholders or the classes of stakeholders and describes how they will influence the organization and business, or will be related to the development and operation of the system.

- Organizing University (IKGPTU)
- Participating Institutes
- National Informatics Centre
- National Informatics Centre Services Inc.
- Payment Gateway Integrator
- Applicants

## 3 Business Management Requirements

### 3.1 Business environment

This sub-section defines external and internal environmental factors that should be taken into consideration in understanding the new or existing business and eliciting the stakeholder requirements

for the system to be developed or changed. The environmental factors should include possible influences to the business and consequently the system from external conditions like market trends, laws and regulations, social responsibilities, and technology base.

The Inder Kumar Gujral Punjab Technical University (IKGPTU) was established in the year 1997 under The Punjab Technical University Act, 1996 (Punjab Act No. 1 of 1997) to provide for the establishment and incorporation of a University for the advancement of technical education and development thereof in the State of Punjab and for matters connected therewith. In pursuance of this Act, the University started its journey with 09 engineering colleges and few management colleges affiliated to it. Since then the University has come in a long way and during the Academic Session 2017-18, the University has affiliated 65 Engineering Colleges, 109 management and Computer Application courses, 33 institutions imparting Pharmacy education, 08 colleges imparting hotel management education, 06 colleges providing Architecture Education, 11 Regional Centres for M.Tech and Ph.D. in different branches of Engineering and Management and 01 Regional Centre for M. Pharmacy. The IKGPTU is responsible for producing quality technical manpower in the field of Engineering and Technology through AICTE approved Govt. / Govt. Aided / Self-financed Institutions and University Departments. The norms and standards prescribed by AICTE are being followed.

For admission to various technical courses namely B.Tech / Degree Pharmacy, the state government used to conduct entrance tests viz. CET. As result of entrance tests, manual computerized counselling were conducted by different institutions/nominated agencies for completion of the admission process for various courses, which was very cumbersome & tiresome process.

Keeping in view the generic problems faced by the candidates, their parents and by the state administration, it was decided to give up the manual counselling system and adoption of modern web based online off campus counselling system to bring in transparency & efficiency for making merit based admissions.

## 3.2 Goal and Objective

This sub-section describes the business results to be obtained through or by the proposed system.

### 3.2.1 Goals

- Improve equity and quality thru IT delivery.
- A hassle-free and transparent service for applicants.
- Simple and user-friendly process of admission.
- 100% seat utilization.

### 3.2.2 Objectives

- Integrated solution for registration for counselling, seat allocation and admission.
- Integration with external systems (payment gateway, messaging services).
- Key Performance Indicators based on candidates, seat availability, allotment and feedback.
- A simple solution, easy to adopt for candidates.

## 3.3 Business Model

This sub-section describes methods by which the business goal is expected to be achieved. The description should be concentrated on the methods supported by the system to be developed or changed with the items such as product and services, geographies and locales, distribution channels, business alliance and partnership, and finance and revenue model.

### 3.3.1 **MOU**

A tri-partite MOU will be signed between IKGPTU, NIC and NICSI for successful implementation of the project.

### 3.3.2 **E-Counselling Services**

NIC provides these services for

- Maintenance of master code directories by organising institute
- Preparation of seat matrix by organising/participating institutes
- Institute Profile Preparation by each participating institutes
- Customisation, configuration of seat allocation software as per business rules
- Website hosting and its content management services
- Messaging (SMS/Email)
- Integration for on-line payment gateway
- Registration by candidates to participate in counselling
- Seat allocation
- Document verification by reporting centres
- Admissions (Seat Confirmation, upgradation, cancellation, withdrawal, willingness change etc.)
- Reports/dashboards to stakeholders

### 3.3.3 **Finance/Payment Model**

Estimates are prepared towards cloud hosting services, e-counselling, messaging and technical support during the session. Based on estimates, Organising Institute makes advance payment to NICSI against consolidated Performa Invoice to initiate the project. The NICSI submits the utilization certificate to organizing institute after completion of the project through NIC project coordinator.

### 3.3.4 **Information Environment**

This sub-section describes the overall strategy for the organization level decisions on common bases for multiple information systems. It should include the following items:

- a) Project portfolio – when multiple system projects are running or planned to pursue the same business goal, the priority, relative positioning, and possible constraints come from the portfolio management strategy.
- b) Long term system plan – when common system infrastructure or architecture has been decided or planned, it should be described as constraints on possible design decisions.
- c) Database configuration – an organization level database configuration plan and possible constraints on availability and accessibility of organization global data should be specified.

#### 3.3.4.1 **Project Portfolio**

There are multiple systems running to support examination, counselling and admissions every year with time bound activities with limited budgetary provisions. These multiple systems are also to be maintained with respect to technical advances and address security vulnerabilities.

#### 3.3.4.2 **Long Term System Plan**

The current systems is based on common architecture with dedicated infrastructure. Plan is to identify the common requirements, a holistic architecture with minimum duplicity in terms of software

application. The common requirement will work as base for multiple systems with integration for specific project requirements in terms of business rules.

### 3.3.4.3 Database Configuration

Due to multiple systems working with dedicated infrastructure, the master directories are being duplicated bringing in difficulties in data integration with other systems. It is planned to have a common set of database accessible to all the projects at first instance. This may be followed by other databases like applicants, metadata for applications, business rules etc.

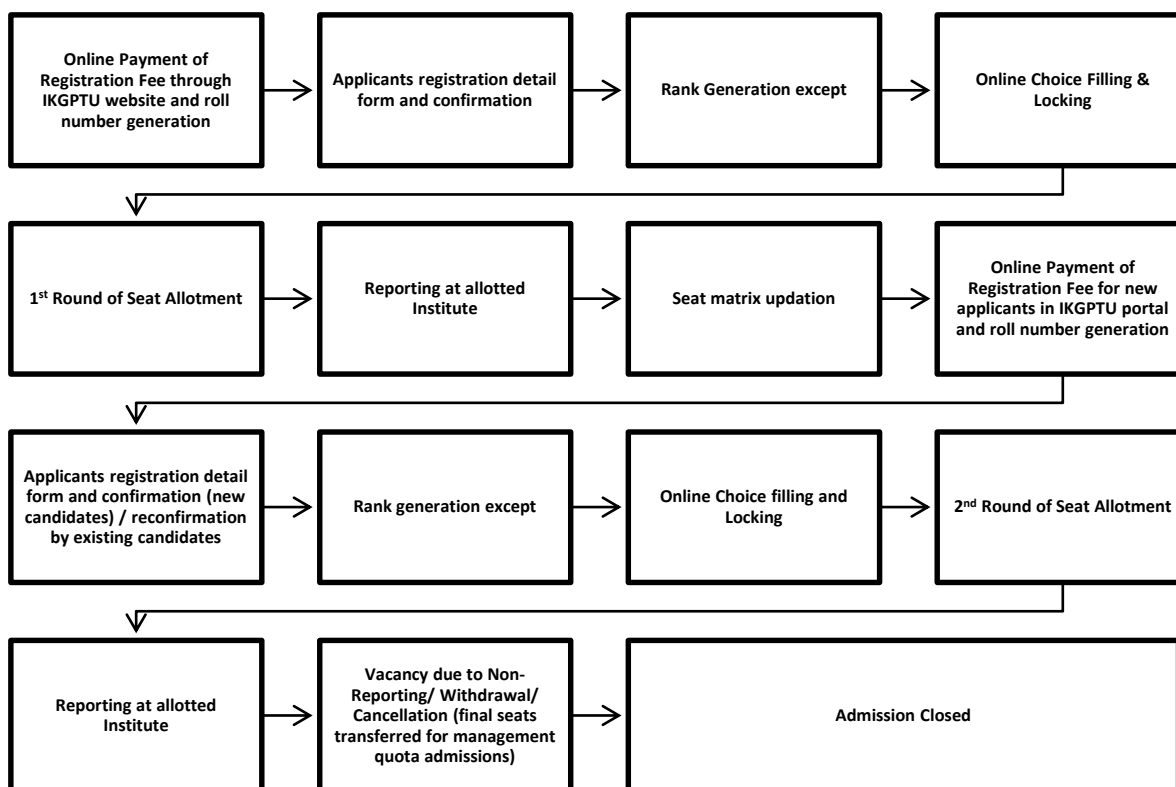

## 4 Business Operational Requirements

### 4.1 Business Processes

This sub-section provides description of the procedures of business activities and possible system interfaces within the processes. The purpose of this information item is to represent how and in which context the system supports the business activities. In general, business processes make a hierarchical structure with decomposition and classification. Each business process should be uniquely named and numbered in the hierarchy. The description of the individual business process should be represented as a diagram representing a sequence of activities.

#### 4.1.1 Process Overview

The following online support services are required to be accomplished in different phases:

## 4.1.2 Registration and Choice Filling

### 4.1.2.1 Payment of Registration Fee

Candidate will pay the registration fee online using HDFC Bank EPG services after successful registration through IKGPTU website.

The candidates will be prompted to fill the following basic details for paying Counselling fee:-

- Name of the Course Applied for
- Candidate Name
- Father's Name
- Date of Birth
- Email Address
- Mobile Number
- Green Number(Captcha)

An OTP will be generated by the system, which will be sent to the Mobile number given by the candidate. Once Candidate fills correct OTP, system will route Candidate to Bank Portal, where in candidate can submit the counselling fee of Rs. 2,000/- (non-refundable) through Net banking/Credit Card/Debit Card. Once fees is submitted successfully, a computerized receipt will be generated by the system, which will also include roll number assigned to the Candidate. For all future actions, candidate will have to use this roll number for registering himself and fill up all details.

The candidate will only be able to proceed further (as per schedule) only if the confirmation regarding successful payment of counselling fee is done, which may take 24 hrs. This status can be checked by login to the respective account at website [www.ptuadmissions.nic.in](http://www.ptuadmissions.nic.in) using “Registered User” button.

#### 4.1.2.2 Online Registration

The candidates declared eligible for counselling have to visit the website <http://ptuadmissions.nic.in>. This website will give them static information about the Participating Universities including affiliated Institutes, various courses offered by them, Government notifications, Counselling schedule, Process Flow, FAQs and User Manual, Notice Board apart from New Registration and Login section.

#### **Registration Module & Choice Filling in 1st round**

Candidate is required to click on the [New Registration](#) link on the Home Page. He/ She has to fill five authentication parameters for gaining access.

- Name of the Course Applied for
- Candidate Name
- Father's Name
- Date of Birth
- Email Address
- Mobile Number

System will insist students to read eligibility criteria of all participating universities before proceeding further. On pressing OK button, the above data submitted by candidate will be verified with the database. It will also check for Counselling fee submitted by the candidates. If system finds entry of Counselling fee and information provided by candidate matches with the database, then the candidate will be permitted to register.

**Online Form Filling** – Candidate can choose/fill his state of eligibility, Main category, sub category, Qualifying marks, etc. He will also choose Password as per Password policy for getting the valid Login Id and password for login to e-Counselling. Candidate can change this information as per his wish till he does not confirm it. Once this personal data is Verified and Confirmed by the candidate, candidate cannot change the personal data. At the end of the process, a registration receipt will be generated on the screen. Candidate can take a print out the registration receipt. For subsequent access to the website, registered users will use Sign In /Login section.

**Password Change facility:** - System will facilitate registered Candidates for changing the password. After successful login, the candidate can change his/her password by entering the Old Password, followed by New Password and Confirm New Password. Password policy will be enforced at every level.

In case, the candidate has forgotten the password, he/she is required to enter the Roll Number, Rank, Name and Date of Birth as per their /IKGPTU Rank card and secret answer to the question selected during registration process. The above data submitted by candidate will be verified with the registered candidate Database. If it matches, then only the candidate will be permitted to change his/her password and proceed further.

#### 4.1.2.3 Sign-in

Candidate will use the Fee Roll number (Login Id) and chosen password during registration for subsequent logins. After successful login, candidate will be redirected to the home page to perform the remaining activities like choice filling, detail viewing etc.

**4.1.2.4 Choice Filling****Category-wise Seat selection criteria for Engineering Stream Under 85% Punjab quota and 15% Outside State quota****A. If candidate has Punjab domicile and under 85% quota with any of the following Category**

Input Parameters - Roll No., Rank, Category, State Code, Sex

If Candidate is Male then seats under General category and Category specific (if applicable) in Coeducation colleges will be selected by system. No seats of Girls colleges will be selected for a Male candidate

After successful login and on clicking the link “Available Choices”, the systems internally retrieve the credentials of the candidate like gender, category, subcategory, state of eligibility and eligibility remarks from the candidate’s database and the available choices specific to the candidate based on his/her credentials.

All the appropriate choices will be displayed in choice filling section for these candidates and they can select as many choices in the order of preference from the list of available choices. The candidates may opt same course for fee waiving scheme and as well as for Non-fee waiving Scheme. Various interfaces will be available to candidates to swap/re-arrange/ delete earlier filled choices. On clicking the “Choice Submission” button, the available choices to the candidate will be displayed in the left side frame and on clicking the add button, it will be removed from the left frame and will be added into right frame. User can sort their choices University-wise also. Choices submitted in the 1st round of counselling will be processed after expiry of choice filling period. Fresh choices submission will be permitted in 2<sup>nd</sup> round of counselling.

During choice selection, Candidate can click on “Save Choices” button to save his choices. System will save the choices and keep the screen open for Candidate to select more choices.

### **Save and Exit**

Clicking on Save and Exit button will save the choices filled by candidate during the session and close the screen. It will take Candidate to **Displaying Filled Choices** section, where Candidate can take a printout of saved choices, which includes Choice saving date time and IP address.

After saving the choices, if a candidate logs in again, then the saved choices given by the candidate will be displayed and can be modified or altered by the Candidate.

#### **4.1.2.5 Choice Saving and Printing of Locked Choices**

Clicking on Save and Exit button will save the choices filled by candidate during the session and close the screen. It will take Candidate to **Displaying Filled Choices** section, where Candidate can take a printout of saved choices, which includes Choice saving date time and IP address. After saving the choices, if a candidate logs in again, then the saved choices given by the candidate will be displayed and can be modified or altered by the Candidate. Candidate may take printout of the saved choices.

#### **4.1.3 Rank Generation**

The Rank Generation process will follow a specific and predefined set of rules. Ranks will be unique and generated before each round of seat allotment. Only those candidates who have registered and also paid registration fee will be considered for Unique Rank generation.

#### **4.1.4 Seat Allotment**

Seat Allotment will be done by IKGPTU Technical Team by downloading the choices filled by registered candidates and processing as per approved algorithm. During this step, the choices submitted by the candidate will be processed and seat will be allotted in the order of merit (as per rules of allotment) on the basis of the saved choices. Seat allotment will be done in each Round i.e. 1<sup>st</sup> and 2<sup>nd</sup> round. In the first round, all the seats will be available for seat allotment. In the second round, seats will be allotted against the available vacancies in the respective round. After verification and approval by the technical team, the result will be uploaded into the website.

#### **4.1.5 Seat Allotment Result Publishing**

In each rounds, seat allotment result will be published on the website. Candidate can login with / Fee Roll number and Password and see the result. If seat is allotted, then seat allotment result will be displayed which includes candidate’s basic details, allotment details and important instructions. Candidate take printout of the Provisional Allotment Letter, which he will produce at the allotted College during admission period.

#### 4.1.6 Reporting at Participating Institutes

Candidates, who are allotted seats in 1<sup>st</sup> / 2<sup>nd</sup> round must report to the respective Institute, where he/she is allotted seat, within the scheduled dates of that specific round for document verification and fee submission, failing which their allotment will be cancelled. The candidate has to report at the PI along with the provisional seat allotment letter downloaded from the website and relevant documents. Based on the document verification, candidate will be asked to deposit the admission fees in the Institute and candidate data will be updated as per the business rules and the allotted seat will be confirmed. Accordingly, Provisional Admission receipt will be generated and provided to the candidate.

#### 4.1.7 Seat Withdrawal

A candidate, whose documents has been verified at any Reporting Center and want to cancel his/her allotted seat and seek the refund of fee, will have to login in the system and get the withdrawal during the specified period. Withdrawal process involves a few steps after the “Withdrawal” button is clicked. This includes Agreement and re-entering of the password, confirming the withdrawal, etc.

#### 4.1.8 Vacancy due to Non-Reporting/ Withdrawal/ Cancellation

After each round, a vacancy position will be published in public domain. These vacancy will be due to seat vacant of previous round, non-reporting candidates, withdrawal candidates and seat cancelled during reporting.

#### 4.1.9 Subsequent 2<sup>nd</sup> round student access methodology

In the subsequent rounds, new students, who wish to join Counselling for the first time will go through the same process as given above for the 1<sup>st</sup> round. Students who are already registered and exercised their choices can access the system in following fashion.

Candidate will fill five authentication parameters for gaining access.

- i. Roll No.
- ii. Rank ( or IKGPTU generated)
- iii. Candidate Name
- iv. Date of Birth as printed in Admit Card
- v. Security Pin as shown on the screen

If all the five parameters are valid and match the Candidate database, then a new Re-registration/Confirmation screen will appear. In which candidate will give an undertaking that

“Before participating in the second counselling, I have understood that if I am allotted a seat in the second counselling, my previous seat in 1<sup>st</sup> counselling shall automatically be cancelled and replaced by the seat allotted in second counselling. My claim for previously allotted seat stand forfeited. I shall have claim only on the seat allotted in second counselling. I have further understood that I should fill only those choices which are preferred over the already confirmed seat in first counselling. “On accepting the Declaration, candidate will be registered in the system. System will give following information.

“In the second round, Candidate can also fill College/Branch even if Available seats section shows Zero (0) seats. In case any candidate, who has been allotted the seat in 1<sup>st</sup> round vacates the seat during 2<sup>nd</sup> round, the same will be made available to other candidates in the 2<sup>nd</sup> Round itself.”

#### 4.1.10 Participation Institute Process

##### 4.1.10.1 On-Line Admission Reporting by the Participating Institutions

###### General Assumptions

- Individual candidate shall print a "Provisional allotment letter" and shall report to the PIs for admission. In case of any type of problem candidate has to contact Central Control Room of IKGPTU. In case candidate fails to take admission during the slotted time period, his seat shall remain vacant and shall be declared as vacant for next counselling.
- Credential and documents shall be verified with online data by the designated PI officials.
- If candidate is found eligible, PI will issue provisional admission letter to the candidate.
- In case of up gradation by the candidate he/she will have to participate in subsequent counselling for re-scheduling and saving of choices.
- If a candidate has been allotted a seat or fail to report within specified time limit at PIs shall be allowed to participate in the subsequent phase of counselling, if candidate opts for up gradation against the available vacant seats, declared vacant by various institutions on the counselling website and compiled by the system (as per counselling schedule). If a candidate has not been allotted any seat from his/her choices, such candidate shall be allowed to participate in subsequent round of counselling.
- The candidates, who would like to upgrade their earlier allotted seats, will also be permitted to participate in the subsequent counselling, provided they give a declaration, while they are getting themselves registered for the subsequent counselling, to the effect that they would be vacating the seat allotted to them in the previous counselling. For the subsequent round of counselling, candidate will have to give his/her consent and fill fresh choices. If the candidate shall not get the admission seat from new choice of the subsequent round in such a case, his/her previous admission shall be continued.

Reporting process will start after the allotment of seats as in the previous step and this process will comprise of following steps:

- a. After allotment of the seat, the candidate is required to report to the allotted institute for admission within the date specified in the allotment letter. The administrator website will have PI module secured by separate user id and password for each PIs.
- b. The credentials and certificates of the candidates are to be verified by PIs as part of the admission process at the reported Institute. If the credentials and certificates are found wrong the allotment will be cancelled and the admission is denied otherwise the admission is granted.
- c. Candidates are required to pay the fees in the prescribed form at the designated bank.
- d. The authorized institutes can access candidates' details who have been allotted to a specific institution. All the PIs are required to update the successful candidates' data on web to complete the process of admission. It will facilitate to compile filled and vacant seats.
- e. On successful verification of the documents, Institute designated officials will generate an admission slip. One part of the slip will be handed over to the candidate and second part will be retained by the Institute.

PIs can also generate reports on admitted candidate course wise round wise or roll no wise, list of vacant seats etc.

##### 4.1.10.2 Administrator Module

**IKGPTU Administrator** will be responsible for technical conduct of the counselling including initial seat matrix creation, schedule preparation, uploading of static contents, message management and interaction with NIC Headquarter Counselling helpline etc. He/she will login to the website <http://intraptu.nic.in> using two level Login Id and password.

IKGPTU Administrator will have following facility in his account.

1. Creation of Participating Login Id and details thereof
2. Seat availability, leftover & filled status and reports
3. Category Wise & Branch wise Seat Availability/filled/leftover in all institutions
4. Category wise breakup of Seat Matrix
5. Candidate Information Updation
6. Candidate Seat Allotment Details
7. Secured interface for uploading/updating of seat matrices.
8. Online Withdrawal/Cancellation of Candidates' Admission
9. List of Candidates who withdrew their seats

#### **4.1.10.3 Seat Matrix Entry**

IKGPTU Admin will enter or update the seat matrix of all institutes. For this IKGPTU admin will choose the institute, course and category. Courses will be listed as per the mapping created by the IKGPTU Admin. After choosing all these parameter, IKGPTU admin will be able to enter the category wise seat intakes. After submission, the entered seat matrix will be shown in the bottom of page and can be edited or deleted from there.

#### **4.1.10.4 View Seat Matrix**

Various formats are available to view the seat matrix like institute wise seat matrix, program wise seat matrix and seat matrix at a glance. All the PIs as well as public can view the seat matrix.

#### **4.1.10.5 View Various MIS Reports**

Various MIS reports related to the registration, choice filling, locking, allotments, document verifications, Pi reporting etc. are available in authorized users logins. Every user can view the reports as per their responsibilities.

#### **4.1.11 Admission Closed**

All the candidates, who have reported physically at allotted institutes, will complete the other formalities of admission and will attend the classes. By this, admission in all the participating institutes affiliated with participating Universities will be closed.

## **4.2 Business operational policies and rules**

This sub-section describes logical propositions applied in conducting the business processes. The propositions will be conditions to start, branch and terminate the sequence of the business activities in the business processes; criteria for judgment in the business processes; or formula to evaluate a quantity, which will likely be addressed in functional requirements in the SyRS and SRS. The policies and rules shall be uniquely named and numbered, and shall be referenced in the description of the business processes.

### **4.2.1 Eligibility Rules**

#### **4.2.1.1 Eligibility Requirements and rank Preparation based on Qualifying Degree**

For taking admission in 1st year of B.Tech (LEET), B.Pharmacy, B.Pharmacy(LEET), B.Architecture, M.Tech, M.Arch, M.Pharma(FT),MBA,MCA & MCA(LEET)

NIC will prepare the rank of registered candidates as per following procedure and IKGPTU verification team will check and approve the Rank so generated.

### B.Tech (LEET)

The Governor of Punjab is also pleased to further issue the following criteria for making admissions:  
Eligibility Criteria for Diploma Holders

1. All those candidates who have passed Diploma examination from an AICTE approved institution and have obtained at least 45% marks (40% in case of Candidates belonging to reserved category) in appropriate branch of Engineering / Technology shall be eligible to apply.
2. All those candidates who have passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% in case of Candidates belonging to reserved category) and passed XII standard with mathematics as a subject shall be eligible to apply.
  - i) Students, who have passed B. Sc. Degree from a recognized University as defined by UGC, shall clear the subject of Engineering Graphics / Engineering Drawing and Engineering Mechanics of the first year engineering program along with second year subjects.
  - ii) Students Belonging to B. Sc. Stream may further note that they shall be consider only after filling the supernumerary seats in this category with students belonging to the Diploma stream.
3. It is further provided that students, who have passed Diploma in Engineering & Technology from an AICTE approved institution for B. Sc. Degree from a recognized University as defined by UGC, shall also be eligible for admission to the first year Engineering Degree courses provided there are vacancies in the first year of Engineering Degree. This shall be considered only after the vacancies at lateral entry are exhausted.

#### **List of Diploma holders eligible for admission**

- 3 years/ 4 years diploma in Civil Engineering
- 3 years / 4 years diploma in Electrical Engineering.
- 3 years / 4 years diploma in Electronics & T.V. Technology.
- 3 years /4 years diploma in Electronics & Microprocessor
- 3 years /4 years diploma in Electronics & Comm. Engineering.
- 2 and 1/2 years diploma after 10+2 in Electronics & Communication Engineering from SLIET, Longowal

- 2 and 1/2 years diploma after 10+2 in instrumentation and Process Control from SLIET, Longowal .
- 3 years / 4 years diploma in Mechanical Engineering.
- 3 years / 4 years diploma in Production and industrial Engineering
- 3 years / 4 years diploma in Refrigeration & Air Conditioning
- 2 and 1/2 years diploma after 10+2 from SLIET, Longowal in any one of the following :
  - Foundry Technology
  - Industrial / Production Engineering
  - Maintenance of Plant Engineering
  - Welding Technology
- 3 years / 4 years diploma in Mech. Engineering. (Refrigeration & Air conditioner)
- 3 years / 4 years diploma in Chemical Engineering
- 3 years / 4 years diploma in Plastic Technology
- 3 years / 4 years diploma in Textile Technology (Weaving)
- 3 years / 4 years diploma in Garment Technology
- 3 years / 4 years diploma in Textile Processing
- 3 years / 4 years diploma in Textile Technology
- 3 years / 4 years diploma in Mechanical Engineering (Tool & Die)
- 3 years / 4 years diploma in Computer Engineering.

- 4 years diploma in Tool & Die Technology from Central Tool Room, Ludhiana.
  - 2 and ½ years diploma after 10+2 from SLIET, Longowal in any one of the following:
    - Computer Programming & Application
    - Computer Servicing & Maintenance
  - 3 years / 4 years diploma in Microprocessor Applications
  - 3 years / 4 years diploma in information Technology
  - 3 years / 4 years diploma in Leather Technology
  - 3 years / 4 years diploma in Leather Technology(Footwear)
  - 3 years / 4 years diploma in Textile Chemistry
  - 3 years/ 4 years diploma in Knitting Technology
  - 2½ years diploma after 10+2 from in Chemical Technology from SLIET, Longowal
  - 3 years / 4 years diploma in Computer Science & Engineering.
  - 3 years / 4 years diploma in Architectural Assistantship
  - 3 years / 4 years diploma in Garment Technology
  - 3 years / 4 years diploma in Fashion Technology
  - 3 years / 4 years diploma in Automobile Engineering
  - 3 years diploma from Lovely Professional University, Phagwara.
- Any other diploma of the duration 2½ or more years recognized by State Board of Technical Education

### **B.Pharmacy**

As per Punjab Government notification, the eligibility for B. Pharmacy course is as under:

All those candidates who have passed the 10+2 examination from a Board recognized or established by Central / State Government through a legislation with Physics and Chemistry as compulsory subjects along with one of the Mathematics / Chemistry / Bio-technology / Biology shall eligible to apply. #### 4.2.1.3 Special Eligibility conditions for Sports/Defence/ Terrorist Victim etc. categories

If the candidate opts for categories/sub categories in Sports /Defence etc., then he/she has to submit relevant documents at the time of admission in respective institution, if a seat is allotted to him/her. Failing which, his/her claim on the seat will be forfeited and the seat will be cancelled.

### 4.2.2 Registration Process

#### 4.2.2.1 Registration Rules

- Online Registration by all eligible candidates will be allowed in both 1<sup>st</sup> round and 2<sup>nd</sup> round.
- Registration Process Business Rules: candidates can update in the following ways:
  - Candidate can select Category, Sub category and ESM priority as applicable, state of eligibility, fee waiver/non fee waiver, rural status as well sikh minority status. Till the candidate confirms his/her registration, he/she can update these details. Once confirmed all selected values will be stored in database and same will be used for all future purposes i.e. for choice filling and seat allocation etc.
  - Candidates are required to furnish **Personal and contact details** (Father name, Mother name, DOB, Gender, Nationality, Mobile No, Email Id, mailing address with Pin code).
  - Candidates are also required to furnish **Qualifying Degree details** (Qualifying degree passing status (passed or appearing), year of passing/appearing, degree type, qualifying discipline name, result preparation mode (CGPA or %age) in the following ways :
    - If passing status is 'Passed' then
      - Select 'Year of passing' from Dropdown.
      - Select Qualifying Degree and Qualifying discipline Name from Dropdown
      - If result preparation Mode is '%age' then enter '%age value'
      - If result preparation Mode is 'CGPA' then select from Dropdown 'CGPA maximum point scale' and also enter 'Obtained CGPA' then 'CGPA out of 10' will be auto calculated and displayed in read only mode. 'CGPA out of 10' will be used to check the candidate eligibility for choice filling and seat allocation.
        - $CGPA \text{ out of } 10 = (\text{Obtained CGPA} / \text{CGPA maximum point scale}) * 10$
    - If passing status is 'Appearing' then
      - Value of 'Year of passing' will be '2019' only.
      - Select Qualifying Degree and Qualifying discipline Name from Dropdown
      - Result preparation mode and value of CGPA/%age will be hidden
- Candidate is also required to choose his own password. Next time, the candidate can login directly with his /her Login Id and the chosen password as Password.

- Candidate is also required to choose security Question and their Answer, that is required, if candidate Forgot the password.

#### 4.2.2.2 Registration Fee

After successful registration at IKGPTU website as 1<sup>st</sup> step for attending counselling, each candidate has to pay Rs. 2500/- as the Counselling Registration Fee using HDFC bank online services.

#### 4.2.2.3 Choice Filling & Saving

- Choices submitted in the 1<sup>st</sup> round of counselling will be processed in 1<sup>st</sup> round only. Fresh choices submission will be permitted in 2<sup>nd</sup> round of counselling.
- ‘Save Choice’ button will be enabled as per counselling schedule.
- If candidates fail to explicitly lock their choices by **last date & time**, their last saved choices will be automatically locked by system after this deadline.

### 4.2.3 Seat Allotment

#### 4.2.3.1 Seat Allotment – General Rules

- During this step, the choices submitted by the candidates will be processed centrally and seats will be allotted in the order of Rank for various streams and in the order of submitted choices. The allotment result will be available on the website <https://ptuadmissions.nic.in>. Individual allotment letters will not be sent to the candidates by post. However, candidates MUST get a printout of the allotment details from the website.
- Candidates who are fresh allotted or upgraded a seat in any round will have to personally report to the allotted institute for document verification and seat confirmation during specified Reporting Period. Failing to report and/or produce required documents at the reporting institute will lead to cancellation of the offered seat. The seats thus falling vacant due to non-reporting will be considered for allotment in the subsequent round of Normal Counselling.
- For fee waiver seats candidate whose family gross annual income is less than Rs. 6.0 Lakhs shall be eligible.

#### 4.2.3.2 Seat Allotment procedure for First Counselling for candidates of Punjab 85% and Other State 15% Rank-wise Seat Allotment procedure for First and subsequent counselling

Since the allotment of seats is to be done by the software using the seat matrices and seat allotment procedure, therefore every bit of required procedure is needed to be coded. As per the study and detailed discussions with the user/core committee, following procedure has been designed.

For allotment of a seat, Merit Number (Rank) is not only the criteria but also the eligibility and reservation criteria of candidates are checked. The admissions shall be subjected to the verification of credential and documents in the allotted institution.

For any course, before the allotment starts, Candidate must complete following steps

Step-1: The candidate should deposit the counselling fees of Rs. 2000/- non-refundable.

Step-2: The candidate has to fill up the choices and save it successfully. The candidate is advised to give as many choices as desirable. There is no maximum limit for the choices.

The offline processing module gives the feature of round wise processing and generation of MIS (Institute wise, Rank wise Candidates) Reports

Assumption:

- a. Candidate has to register himself and fill choices. If candidate does not fill any choices, he will not be eligible for counselling.
- b. Seat Matrix is to be uploaded fresh before the start of counselling.
- c. Based on test Rank will be unique i.e. no two candidates will have same rank in general merit list. The general merit list will include candidates of all categories.
- d. Candidates from Punjab residents will be considered under Punjab 85%.
- e. Candidates from Chandigarh UT are only eligible to participate in online counselling through 15% quota. However only in case of PAU, PUNJAB and Chandigarh are considered as One State. For rest of the Universities i.e. IKGPTU and MRSPTU Punjab and Chandigarh are different states.

Algorithm:

1. Sort the candidate's data stored in Registration table rank wise with condition where choices have been locked.
2. Process the data of first candidate.
3. Store the value of sex, category code, sub-category code, in the temporary variables.
4. Identify eligible categories, subcategories on the basis of category, subcategory and Priority as applicable of candidate and store it in arrays.
5. Process the choices of candidate for each category in the same sequence as described elsewhere in the document.
6. If seat is available then allocate the seat to candidate
7. Update the seat master and reduce the value of seats available in the seat matrix by 1 against the particular institute
8. Repeat above steps for all candidate.

**4.2.3.3 Internal Algorithm for Seat Allocation Procedure for 85% Punjab Candidates**

For 85% Punjab Candidates: Following categories/sub-categories exist;

- General
- SC/ST
- Backward Class (BC)
- T-Sunami(TS)
- Border Area(BR)
- Backward Area (BA)
- Sports Person (SP)
- Widows of Defence Personnel (DF)
- Widow / Divorced Women
- Terrorists/Riots victims (RT)
- Children/Widows of Para military forces (PM)
- Freedom Fighter (FF)
- Disabled Person-Blind (DPB)

- Disabled Person-Others (DPO)

**Seat Allocation sequence for 85% Punjab Quota**

Following rules shall be applicable for seat allotment for counselling for 85% Punjab category for all the institutions under IKGPTU participating in counselling located in Punjab.

Counselling for seats for the Children /Widows of Defence Personal category, Sports Person, under Para Military Forces Personal and under Terrorist/Riot affected category

- Counselling for these categories is done in the order of sub-category, priority, rank (as applicable) and eligibility condition.

***The following cases are checked and searched for a Candidate until seat is allotted or options are exhausted for merit Rank.***

**FOR General Merit List:**

The seats based on rank wise list, will be allotted in the following sequence:

**Case 1: If candidate is General, no subcategory**

Check the seat for **General (Open quota)**, if it is available then seat is allotted else go to candidate's next choice. Repeat till a seat is allotted or all the choices are processed.

**Case 2: If candidate is having any one of the reserved category, following is the seat allotment criteria**

All the reserve category candidates will first be considered in General Category. In this case IKGPTU generated Rank is the allotment criteria. Check the seat for **General (Open quota)**, if it is available then seat is allotted else check the seat in respective Reserve Category (SC/ST,BC, T-Sunami (TS)/BA/BR/FF). If seat is available then allot the seat else go to candidate's next choice. Repeat this process till a seat is allotted or all the choices are processed.

- ✓ If candidate is DF then allocation is done on the basis of sub-category and priority.
- ✓ If candidate is PM then allocation is done on the basis of sub-category.
- ✓ If candidate is RT then allocation is done on the basis of sub-category.
- ✓ If the candidate is SP then allocation is done on the basis of subcategory and eligibility criteria of the participating universities.
- ✓ If candidate is DPB/DPD/DPO, then allocation is done on the basis of respective category(i.e. DPB/DPD/DPO) and checking for leftout seats in any of (DPB/DPD/DPO) categories.

#### 4.2.3.4 Algorithm for Seat Allocation Procedure for 15% General for candidates outside Punjab

Following rules shall be applicable for seat allotment for counselling for 15% JEEMAIN All India category for all the institutions under IKGPTU/MRSPTU participating in counselling located in Punjab

- ❖ For 15 % seats (Other State): Following categories/sub-categories exist;  
General, SC/ST, BC
- ❖ Under the 15% All India category further reservation is provided for 70% General, 25% SC/ST category and 5% for BC category.
- ❖ All the cases, irrespective of the category, will be dealt one by one as per rules and regulations applicable and as per the case/category.

##### Case 1: If candidate is General and under Non Sikh Minority

Check the seat for **Non Sikh Minority General (Open i.e. from 70% quota)**, if it is available then the seat is allotted else his/her next choice is searched for.

##### Case 2: If candidate is from any one of the Non Sikh Minority reserved category, following is the seat allotment criteria

Check the seat from Non Sikh Minority general quota if seat is not available then check the seat from respective Non Sikh Minority reserved category.

##### Case 3: If Candidate is under Sikh Minority and General

Check the seat for **Sikh Minority General (i.e. from 70% quota)**, if it is available then seat is allotted else check the seat from Non Sikh Minority General else his/her next choice is searched for.

##### Case 4: If candidate is from any one of the Sikh Minority reserved category, following is the seat allotment criteria

Check the seat from Sikh Minority general quota if seat is not available then check from Non Sikh Minority general quota if seat is not available there then check the seat from respective Sikh Minority reserved category else check from Non Sikh Minority reserved category . If seat is available than it will be allotted to the candidate else his/her next choice is searched for.

#### 4.2.3.5 Seat Allotment procedure for Second Counselling for candidates of 85% / 15% (2<sup>nd</sup> Round)

##### Pre-requisites/Assumptions:

- a. Candidates falling under 85% / 15% quota will be eligible for 2<sup>nd</sup> Round of Counseling. Candidate has to reconfirm his registration for the 2<sup>nd</sup> counselling and fill fresh choices. Candidates, who have participated in 1<sup>st</sup> counselling, need not pay counselling fee again,

whereas new candidates appearing in counselling for the first time will have to deposit counselling fee and register themselves in the website. If candidate does not fill any choice for 2<sup>nd</sup> counselling, then he will not be eligible for 2<sup>nd</sup> counselling.

- b. Candidate can also include the same choice in 2<sup>nd</sup> counselling against which he is allotted seat in the first counselling. In such case choices which are listed before this choice will be processed. For example a candidate has filled 5 choices in 2<sup>nd</sup> counselling and choice no 3 is same for which candidate is allotted seat in first counselling. In this case first two choices will be processed.
- c. Seat Matrix will be uploaded afresh before the start of second counselling.
- d. Seat Allocation will be done exactly as per rules adopted in 1<sup>st</sup> round of Counselling, i.e. no seats will be merged.
- e. If a candidate has been admitted against his allotted seat in his category (reserve) in previous counselling, the seat will not be changed in the subsequent round of counselling for the same branch and Institute with regards to category.

Note: Candidates once opted a category cannot change his category without the permission of Chief Coordinator (admission).

#### Algorithm:

- a. Sort the candidate's data rank wise once the choices are locked
- b. Process the data of first candidate.
- c. Store the value of sex, sub-category, and category temporarily.
- d. Identify eligible categories, subcategories on the basis of category and subcategory of candidate, priority (as applicable) and store it in arrays.
- e. Process the choices of candidate for each category in the same sequence as described in first counselling.
- f. If seat is available then temporarily allocate the seat to candidate
- g. Update the Seat matrix and reduce the value of seats available for the particular branch by 1 against the particular institute
- h. Transfer the seat allotted to the candidate in the first counselling to vacant pool.
- i. Repeat above steps for all candidate. (first iteration is complete)
- j. Next iteration will start and will repeat all the above steps till vacant pool seats become 0.

#### 4.2.4 **Withdrawal Rules**

- A candidate, who takes provisional admission by reporting at allotted institute and want to cancel his/her allotted seat and seek the refund of fee, will have to login into the system and get the withdrawal as per given schedule.
- The fee shall be refunded by IKGPTU later on.

#### 4.2.5 **Physical Reporting at Allotted Institute after 2<sup>nd</sup> round**

- All candidates who wish to take admission in upgraded seat in 2<sup>nd</sup> round, will have to report physically at the Allotted Institution as per the schedule, failing which their final allotted seat will be cancelled.
- All Participating Institutions must update online physical reporting status at IKGPTU website through their login Id.

#### 4.2.6 **Other Policies/Rules**

##### **4.2.6.1 Password Policy**

- Password must be 8 to 13 characters long.

- Password must have at least one Upper case, one lower case alphabet and one numeric value and at least one special characters!@#%&\*~
- New Password cannot be identical to any of the previous three passwords.

#### 4.2.6.2 Mobile Number and Email Id

- Mobile number and Email Id should be unique and will be verified through OTP.

### 4.3 Business operational constraints

This sub-section describes conditions to be imposed in conducting the business process. The conditions may be on a performance constraint (e.g., the process shall be finished within a day after the triggering event occurs), or may be from a management requisite such as 'every occurrence of the process shall be monitored and recorded.

#### 4.3.1 General Constraints

eCounselling System will be an internet based application which will be designed, developed and centrally hosted in .Net Framework in NIC's Data Centre. The users will be accessing the software application using popular latest browsers (Internet Explorer 8.0 and above, Mozilla Firefox, Google Chrome).

Only designated user can login and performed the operations as per their predefined role and responsibilities.

The application software will not take care of the virus problems. Manual interfaces cannot be fully avoided. Although, the software will take care of all feasible criteria like uploading of scanned documents etc. On-line validation checks as far as possible will be provided in the application software to ensure clean data entry at source. The system will display error messages in case of wrong data.

#### 4.3.2 Network, Hardware/Software Constraints

- The server resources may be a constraint in case of peak load, however, dashboard for server monitoring has been made available for regular monitoring and at time of such situation.

#### 4.3.3 Data and Content Constraints

- The quality of data in terms of correct email address/mobile numbers and other such information may be constraints for notifications/alerts. Contact details may be captured in encrypted format.

#### 4.3.4 General Exceptional Handling

The Following are the common exceptions that are to be handled in the various user interfaces:

- Any error – The database errors and application errors should not be displayed to the user but a customized user friendly error should be displayed.
- When the session time out – If the session is lapsed and the user is attempting to access any part of the application that requires authentication, the system should respond with the message "Session timed out. Please login again to continue".
- For all mandatory fields mentioned – If the mandatory field is left blank and the user attempts to save - the system should respond with the message "Please enter the {field name}".
- For all Mobile no fields - Mobile no. is entered with characters other than [0-9] and the actor attempts to save. - The system responds with the message "Please enter only numbers [0-9] in mobile no. "

#### 4.4 Business operation modes

This sub-section describes methods to conduct the business operation in an unsteady state, for example, a state when business operations might be extremely busy due to some intensive occurrence of events. An unsteady state of business operation includes a manual operation mode when the proposed system is not available due to some unexpected situation like an accident or natural disaster.

During peak load, necessary resources will be augmented. However, in case of unavoidable circumstances, appropriate action may be taken by competent authority.

#### 4.5 Business operational quality

This sub-section defines the level of quality required for the business operation. For example, a business process may address required urgency with higher priority than the reliability of the business process.

The capability of the software product will provide functions which meet stated and implied needs when the software is used under specified conditions.

#### 4.6 Business structure

This sub-section identifies and describes the structures in the business relevant to the system, such as organizational structure (divisions and departments), role and responsibility structures, geographic structures, and resource sharing structures. There may be a need to align the system functions to these structures, and to support future structural changes.

##### 4.6.1 Organising University Team

3. Technical Director

4. Scientist “B”
5. PMU Incharge

#### 4.6.3 Payment Gateway Integrator Team

1. Designated Bank Officials
2. EPG Integration Team

## 5 User requirements

User requirements (within the context of the StRS) include required inputs/selections/information observations which users/operators/maintainers need to perform through the use of the system; any outputs they require from the system in order to perform these tasks; and any applicable conditions or constraints governing their interaction with (i.e., usability of) the system. These requirements are then used to describe the operational scenarios which specify how to meet these requirements when interacting with the system.

The context of use specified for a design (i.e., the context in which the system will be used) should be specified as part of the user requirements specification to clearly identify the conditions under which the requirements apply. Usability requirements and objectives for the system include measurable effectiveness, efficiency, and satisfaction criteria in specific contexts of use.

### 5.1 Public

Anyone may be able to view website/portal of IKGPTU-2019 e-Counselling. The website will have the information about IKGPTU, news & events, important links etc. Candidates can visit the home page, registered themselves by filling Registration Form and sign-in for registered candidates.

### **5.3 Organising Institute Administrator (Board Admin)**

#### **5.3.1 User Management**

##### **5.3.1.1 Create Participating Institute User (PI User)**

The Board Admin will create the PI User by filling the user creation form. The form will ask salutation, name, designation, email address, mobile number and password details. The user id will be auto generated. System will force the PI user to change the password on first time login.

##### **5.3.1.2 View PI User List**

The system displays the drill-down summary of PI users. The system displays list of users for a given role from User Summary. The list contains user-id, user name, email, designation, address, mobile number, verified, active status. The Board Admin can change the active status of the users and also can edit the information like address and other details.

#### **5.3.2 Manage Master Directories**

##### **5.3.2.1 View Master Directories**

Board Admin can only view the master directories data like Gender, Categories, Nationality, Institutes, State, Institute Type, Qualifying Discipline, Course details, Institute Special Eligibilities. The interface will display the code and descriptions.

#### **5.3.3 Seat Matrix**

##### **5.3.3.1 View seat Matrix**

Board Admin can view the seat matrix. He/she will select the institute type, institute name, department, program name and group name. After selection of parameters, the seat matrix will be shown and may contain the category and subcategory wise total intakes.

##### **5.3.3.2 View Seat Matrix at a glance**

Board Admin can view the seat matrix at a glance. He/she will select the institute type only and the report will show the institute wise and category wise total intakes along with the freezing status.

##### **5.3.3.3 View Mapping of Institute, & Courses**

Board Admin can view the mapping of Courses, Qualifying Degree and Institute. For this, board admin will select the institute name, department, Course, Qualifying Degree will shown as per the selected parameters.

### 5.3.4 Manage Registration & Choice Filling

#### 5.3.4.1 View Site Monitoring

The system will show the statistics related to the registration and choice filling & locking. It shows total registered candidates, total fee paid candidates, total candidates who filled choices, total filled choices, category wise details, gender wise details and last registration time.

#### 5.3.4.2 View Date wise Registration and Fee Payment

The system will show the date wise no. of registered candidates and no of candidates who have paid the registration fee.

#### 5.3.4.3 Registration Initialization

Board Admin will have the rights of registration initialization. If a candidate submits any wrong details during registration and wants to correct then he/she will approach to the board admin and board admin will perform registration initialization. For this, admin will enter the Login id, name and date of birth and submit. After validation of data, board admin will be allowed to initialize the registration and will ensure that the same candidate should get re-registered.

#### 5.3.4.4 View List of Initialized Candidates

The system will show the list of those candidates whose registration have been initialized. It may be filter date wise and contain Login Id, Name, Initialization Date along with the registration status whether the candidate has re-registered or not.

#### 5.3.4.5 Bank Summary (HDFC)

The system will show the date wise and for particular candidate report. It may have Login id, customer id, candidate name, transaction id, transaction date, fee type and amount. Board Admin can also download this report in excel format.

#### 5.3.4.6 View Range of Submitted Choices

The system will display a report, which will show number of candidates who have not submitted no choices (zero choice), total candidates who have submitted 1 to 10 choices, 11 to 50 choices, 51 to 100 choices, 101 to 200 choices, 201 and above choices.

#### 5.3.4.7 Edit Candidate Mobile No/Email Id

Board Admin can edit candidate's mobile number or email address. For this, board admin will enter Login id and will submit the form. After submission, mobile number and email address will be shown in editable mode and can be edited.

#### 5.3.4.8 View Candidate Choice Preferences: Institute Wise

The system will show the report which has the list of institutes along with the total number of candidates who have submitted as a choice of that respective institute.

#### 5.3.4.9 View Candidate Choice Preferences: Course Wise

The system will show the report which has the list of Courses along with the total number of candidates who have submitted as a choice of that respective institute.

#### 5.3.4.10 View Candidate Choice Preferences: Institute & Course Wise

The system will show the report which has the list of Institutes and Courses along with the total number of candidates who have submitted as a choice of that respective institute and program.

#### **5.3.4.11 View Candidate Profile**

Board Admin can view the history of a candidate. Board admin will enter the Login id and press the submit button. After submission, the report having the entire details of the candidate as per their stage. It may contain candidate's basic details, registration details, submitted choices, allotment details, fee details, document verification details, PI reporting details etc.

#### **5.3.4.12 Audit Reports**

The system will display the audit reports of all the users as well as for the candidates.

##### **5.3.4.12.1 View Admin Login Session Summary**

Board Admin will choose the official name from the list of all users. The system will display the login session summary of that user in ascending order of date and time. The report may contain user name, user id, ip address, activity and activity date and time.

##### **5.3.4.12.2 View Candidate Login Session Summary**

Board Admin will enter the Login id of the candidate. As admin will submit, the system will display the login session summary of that candidate in ascending order of date and time. The report may contain application number, activity, ip address and activity date and time.

### **5.3.5 Manage Online Reporting**

#### **5.3.5.1 View Allotment Dashboard**

This is a dashboard related to the seat allotment for each round. It may contain registration details (total registered candidates, total registered and fee paid candidates, fee paid and submitted choices, total ineligible candidates, total candidates who have not filled any choice), seat allotment details (category wise total offered seats, allotted seats and balance seats), cancelled candidate status and reporting status.

#### **5.3.5.2 View Institute Wise Allotment Status**

Board Admin can view allotment & reporting status. This report contains the Institute Name, Total Allotments, Total Seat Confirmed and Total Seat cancelled. Total allotments, total seat confirmed and total seat cancelled will be clickable. After clicking on link Board Admin can view the details of candidates containing Login id, course, allotted seat type, candidate category, reporting date and reporting status whether the candidate is reported or not.

#### **5.3.5.3 Date Wise Cancelled Seats**

The system will generate a report contains the list of candidates whose seat has been cancelled during document verification. This report may have Login id, course, allotted seat type, candidate category, reporting date, changes occurred during the document verification.

## **5.4 Participating Institution Module (PI User)**

### **5.4.1 Sign-in**

For sign-in, PI User will enter the user id and password provided by the Board Admin. As PI User will login first time, the system will force him/her to change the password. After changing the password, system will show a customized home page specific to PI user.

### **5.4.2 Visit Home Page**

After successful login, the system will automatically redirect to the home page. Home page will show the logged in user details, last login history and the available services for PI User.

#### 5.4.3 View Master Directories

PI can only view the master directories data like Gender, Categories, Nationality, Institutes, State, Institute Type, Qualifying Discipline, course, Institute Special Eligibilities. The interface will display the code and descriptions.

##### 5.4.3.1 View Dashboard

This is a dashboard related to the seat allotment for each round. It may contain seat allotment details like category wise total offered seats, allotted seats and balance seats. It may also have total fresh allotment, total candidates who have retained their last allotted seats and total upgraded candidates.

##### 5.4.3.2 View Institute wise Seat Allotment Result for each round

PI User can see the list of allotted candidates of his/her institute in each round. This report will have the candidate's basic details (like Login id, candidate name, candidate's category, sub category, ESM priority, gender, DOB), allotment details (allotted course, allotted seat type, allotted choice number, round number).

##### 5.4.3.3 Physical Reporting

###### 5.4.3.3.1 List of Eligible Candidates for PI Reporting

The system will show a list of eligible candidate for PI Reporting in PI Admin role. Every PI admin can have only his/her institutes list. This list may have basic details (like Login id, candidate name, candidate's category, sub category, ESM priority, gender, dob), allotment details (allotted course, allotted seat type, allotted choice number, round number). The registration id will be clickable and after click on this, system will prompt an authentication form.

###### 5.4.3.3.2 Authentication form for PI reporting

As PI admin click on the Login id, the authentication form will be shown. Login id will be pre-printed and text box for entering date of birth will be prompted. PI admin will enter the date and submit the form. After verify the inputs, system will show the candidate details page and will asked for confirming the PI reporting.

###### 5.4.3.3.3 Confirm PI Reporting

The page will have the candidate's basic details, qualifying degree details, allotment details and all types of fee payment details. After confirmation, physical reporting participation slip will be generated.

###### 5.4.3.3.4 Physical Reporting Participation Slip

Physical reporting participation slip will have the candidate's basic details, qualifying degree details, allotment details and all types of fee payment details. This slip will be signed by the PI admin and candidate.

###### 5.4.3.3.5 Reprint PI Reporting Slip

For re-printing the PI Reporting Slip, PI admin will enter Login id and date of birth of the candidate. After successful verification, Physical Reporting Participation Slip will be generated.

### 5.5 Website Content Manager

**Content Management System (CMS)** is a software application that is used to manage digital information on the website through creating and maintaining content without prior knowledge of web programming.

It is very easy to maintain the website through CMS. There will be separate user for website management. Website has the three sections to maintain the information available to public. Website Content Manager can perform the following tasks.

- Manage links of top menu bar.
- Manage the links of current event.
- Manage the links/link buttons in centre section.
- Create/update the news.
- Manage the important links.
- Publishing of any information.

## 6 Concept of Proposed System

### 6.1 Operational concepts

This sub-section describes the proposed system in a high-level manner, indicating the operational features that are to be provided without specifying design details. The following information should be included:

- a) Operational policies and constraints
- b) Description of the proposed system
- c) Modes of system operation
- d) User classes and other involved personnel
- e) Support environment

#### 6.1.1 Operational policies and constraints

#### 6.1.2 Description of the proposed system

#### 6.1.3 Modes of system operation

#### 6.1.4 User classes and other involved personnel

#### 6.1.5 Support environment

The proposed system will be web based solution and it will be accessible using any popular browser. Only designated user can login and performed the operation as per their predefined role.

### 6.2 Operational scenarios

This sub-section describes examples of how users/operators/maintainers will interact with the system (context of use). The scenarios are described for an activity or a series of activities of business processes supported by the system. The scenario should be uniquely named and numbered, and should be referenced in the description of the business processes.

1. Candidate Login Process
  - Fill Login Form entering Login id, password, security verification code (captcha).
  - On successful login, the system displays candidate's home.
2. Registration Process
  - The candidate will fill the personal details; contact details and chooses password, security question and its answer.
3. Choice Filling and Locking

- After successful registration, candidate can fill the choices and rearrange them as per their preferences.
4. Result Publication
    - After seat allotment, candidate will view the seat allotment result by logging into the system.
  5. Physical Reporting
 

For finalizing the admission, candidates are required to physically reported at allotted institute

## 7 Project constraints

This sub-section describes constraints to performing the project within cost and schedule.

The system is to be customised within limited time.

### 7.1 General and Design Constraints

- The Proposed Application system will be an internet based (except Offline Module) which will be designed, developed and centrally hosted in .Net Framework in NIC's Data Centre located at Delhi. The users will be accessing the software application using popular latest browsers (IE, Mozilla Firefox, and Google Chrome).
- Rank Generation and Seat Allocation module will be offline system and will be running at local system

## 1 Introduction

The e-Counselling system is an one stop solution for all the counselling needs right from application form, on-line fee payment, selection of courses/institutes, document verification, seat allocation, PI reporting, reports/dashboards. The solution cater to all the stakeholders namely Aspirants, Counselling Board, and Participating Institutions with end-to-end support towards a hassle-free transparent admission processes in the Technical and Academic Institutions in Punjab State.

NIC counselling solutions has been widely accepted by a number of professional institutes and universities in the last 15 years. The system has evolved with the change of technology over the period of time to stay relevant.

This document defines the requirements for e-counselling system that can provide the services needed by users and other stakeholders in a defined environment. It transforms the requirements to the intended interaction in the system and it acts as a reference against which each resulting operational service is validated.

### 1.1 Business Purpose

Inder Kumar Gujral Punjab Technical University(IKGPTU) was established in the year 1997 under The Punjab Technical University Act, 1996 (Punjab Act No. 1 of 1997) to provide for the establishment and incorporation of a University for the advancement of technical education and development thereof in the State of Punjab and for matters connected therewith. In pursuance of this Act, the University started its journey with 09 engineering colleges and few management colleges affiliated to it. Since then the University has come in a long way and during the Academic Session 2017-18, the University has affiliated 65 Engg. Colleges, 109 management and Computer Application courses, 33 institutions imparting Pharmacy education, 08 colleges imparting hotel management education, 06 colleges providing Architecture Education, 11 Regional Centres for M.Tech and Ph.D. in different branches of Engineering and Management and 01 Regional Centre for M. Pharmacy. The IKGPTU is responsible for producing quality technical manpower in the field of Engineering and Technology through AICTE approved Govt. / Govt. Aided / Self-financed Institutions and University Departments. The norms and standards prescribed by AICTE are being followed.

The Centralized Counselling is a convenient platform for the students to apply for B. Tech and B. Tech 10+2 Inter se Merit programmes, based on their JEEMAIN/ IKGPTU generated rank, in all institutions of participating Universities. This centralized system has replaced the older system, wherein students had to apply individually to various institutes and visit every institute for appearing in interview/counselling. The current system facilitates students to fill single online application form and apply to all programmes in all the participating institutions to which they are eligible. The overall convenience of students has increased enormously due to this centralized counselling.

The centralised counselling has been successfully organised for IKGPTU since 2009 for centralized admission in B. Tech and B. Tech 10+2 Inter se Merit programmes offered by institutions of participating Universities.

The proposed system will be configured/customised to provide counselling services to organising university i.e. Inder Kumar Gujral Punjab Technical University based on previous experiences to improve it further.

### 1.2 Business Scope

This sub-section defines the business domain under consideration by

The proposed system (IKGPTU-2020) cover e-counselling services to organising University i.e. IKGPTU by performing following activities.

1. Customise/Configure IKGPTU website <https://ptuadmissions.nic.in> for IKGPTU-2020.
2. Customise/configure online eCounselling system as per the **Business Rules** finalized by Technical Committee of IKGPTU-2020.
3. Conduct training and handholding sessions to officials of organizing University and participating institutes at a central location.
4. Hand-over entire database to organizing university after closing of admission process for further reports, query and usages.
5. Integrate SMS/Email services for sending alert to applicants.
6. Integration of ICICI Bank payment gateway Services.
7. Storage of candidate's mobile number and email id in encrypted format and would be utilized only for sending alerts to the candidates during registration & result publication process.

#### 1.2.1 Out-of-scope

The following are considered excluded from current scope of work

- Reconciliation of Fee with ICICI Bank for adjustment/refund would be done by IKGPTU and is not in the scope of work of NIC.
- IKGPTU would reconcile with the bank the double/multiple payment made by a candidate.
- Any other activities that is not mentioned under the above Scope of Work.

#### 1.2.2 Assumptions and Dependencies

##### 1.2.2.1 Pre-requisite

The proposed system of counselling is web based and shall be applicable for admissions to all AICTE approved technical professional courses run by different technical institutes in the state (Govt./Aided/University Departments/self-financed/Private Institutes) to overcome the problems faced by the candidates during manual system.

To meet the requirements of web based counselling, the website <https://ptuadmissions.nic.in> shall be launched. The website shall keep following required links for different activities of counselling.

1. Counselling Website (procedural) with URL: <https://ptuadmissions.nic.in> shall contain procedures and information for counselling w.r.t institutes, availability of seats in different disciplines and categories, profile of institutes, eligibility criteria and counselling procedure.
2. Counselling website with URL: <https://ptuadmissions.nic.in> for registration, exercising of choices and saving/saving the choices during actual counselling and for publishing of results of counselling etc (The link shall be activated during actual counselling days).

All above websites links shall perform following functions:

- Provision for online Counselling fee payment.
- After paying the counselling fees, students can register themselves on the website

- Information relating to Institutes, disciplines (Engineering), branches (e.g. Civil Engineering or Computer Science etc.) and categories (General, SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others) should be displayed through relevant menus.
  - Secure user/password based Login and the system will provide the facility to add, change, re-order, delete the choices in respect of institutions and branches.
  - Candidate can save their choices, when ever required using <Save Choices> button.
  - Candidate can get print of their choices after Final saving, but list of choices and indicative seat matrix can be printed, whenever required.
  - The system shall process the submitted choices and generate the indicative seat Matrix (latest positions of seat availability)
  - Processing for Seat allotment & final seat allotment shall be published on Website.
  - Candidates shall print their allotment letter and will report to the PIs for admission with in prescribed time period.
  - Document Verification, generation of document verification checklist and updation of final admissions by Institutes will be done by PIs on the Website.
  - The system shall provide required online query/Reports.
  - After completion of admission period for counselling, the leftover/unfilled seats shall be transferred for consequent counselling.
  - Online Withdrawal facility will be managed by IKGPTU Administration. Candidates, who are willing to withdraw from Counselling after taking admission in allotted college, will give the request to IKGPTU administration.
  - Subsequent rounds are on based on the vacant seats/leftover /unfilled / merged
- Organising university need to finalize
    - IKGPTU will provide Information Brochure for all courses and Institutes Profiles to NIC for uploading it to the above-mentioned counselling websites along with the counselling procedure & seat matrices.
    - IKGPTU will provide following information to NIC:
      - Participating Institutes Information, categorization with Govt. / University/ self-finance/Pvt. Institutes, Engineering /Pharmacy wise.
      - Course/Branches wise list containing branches/disciplines.
      - Unique Merit Number (Rank) and detailed data of candidates appeared in All India Engineering Entrance Examination(B.Arch).
      - Seat Matrix – for every technical institute having category wise breakup of seats as applicable (GEN,SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others)

- A candidate shall be able to fill unlimited choices as decided by IKGPTU
- Saving of Choices by Candidates is must for the seat allotment. Unsaved choices will be considered as deemed choice.
- Saving of Choices by Candidates would be taken as the last choices submitted by the candidate. In case the candidate does not explicitly lock the choices, the choices submitted till last moment of the last cut-off time shall be taken as the final choices by that candidate.
- All the PIs should have the prescribed computer infrastructure, trained manpower and Internet connectivity through an Internet Service Provider (ISP) with specific IP addresses (obtained from the ISP by the PIs) for accessing secured databases for making admissions and updating of admission data on website.
- Data updation from PIs will not be allowed.
- IKGPTU will provide all functional, regulatory and non-functional requirements for the project.
- Students data base shall be the property of IKGPTU
- IKGPTU will test the application software and sign User Acceptance Test (UAT) before launching of the application.
- Payment Gateway
  - Organising University makes an agreement with bank for payment gateway integration.
  - Organising University and Bank will handle all the financial matters relating to payments, receipts, refund and reconciliation of fee payment etc.
- Seat Matrix
  - All Participating Institutions (PIs) will follow the same Seat Matrix structure.
  - All PIs will update their Seat Matrix through online Portal. After updates, PI should freeze the Seat Matrix and send signed, stamped printout to IKGPTU.
  - The seat matrix data will be prepared as per prevailing reservation policy of State / participating institutes.
- Registration Form
  - New candidates will register through the registration form and get the userid and password. All the candidates will have to register on the website provided they have deposited requisite counselling Fee in the designated bank. The system will ask for details like roll no, rank, date of birth etc for cross-verification. It will ask for other details like category, sub-category, Priority etc. It will then ask the candidate to create the password. Candidates will be directed to read the reservation policies of participating universities and Government notifications and give their acceptance. The successful completion of above will complete the registration process.

- If there is any change from the already available information, candidate has to report to the IKGPTU with necessary documentary proofs and IKGPTU Administrator will modify/ update the data.
- Registered candidate can view his data from view profile. If the necessary change does not reflect in view profile, he/she has to contact CCR.
- Registered Candidate Sign In / Login
  - Change Password
  - Registration details
  - Choices Available
  - Standard Template for Choice with User Defined Scroll up/down on Template without change Original Template after Copied into Choice Fill
  - Branch wise
  - College wise
  - Choices Edit – Interchange(Swap)
  - Choices Edit – Rearrange(Move)
  - Choices Delete
  - Save choices
  - Choices Print (report format)
  - Result
  - Withdrawal of Seat
  - Generation and printing of Allotment letter
  - Log out

## 1.3 Business Overview

### 1.3.1 Major Internal Divisions

#### 1.3.1.1 Organising Board/Institute

Government of Punjab has authorised IKGPTU to conduct e-counselling for 2020-21 session for IKGPTU and participating universities.

#### 1.3.1.2 Participating Universities

- Inder Kumar Gujral Punjab Technical University's affiliated Engineering / Institutions for Engineering & Technology.
- Maharaja Ranjit Singh Punjab Technical University affiliated Engineering / Institutions for Engineering & Technology

#### 1.3.1.3 Reporting Centres

All participating institutes would act as Reporting Centre for physical verification of documents and admitting the students in their institute.

### 1.3.2 External Entities

#### 1.3.2.1 National Informatics Centre (NIC)

NIC provides e-counselling services by

- configuring its e-counselling solution
- customising the solution to meet specific requirements
- hosting the e-counselling solution

Fresh choices submission will be permitted in 2<sup>nd</sup> round of counselling.

During choice selection, Candidate can click on “Save Choices” button to save his choices. System will save the choices and keep the screen open for Candidate to select more choices.

#### **4.1.6 Choice Locking and Printing of Locked Choices**

Locking of choice will be enabled as per schedule. Candidates MUST lock their choices only after they have finalized them.

#### **4.1.7 Rank Generation Process**

The Rank Generation process will follow a specific and predefined set of rules. Ranks will be unique and generated before 1st round of seat allotment. Ranks will be unique and generated before each round of seat allotment. Only those candidates who have registered and also paid registration fee will be considered for Unique Rank generation.

#### **4.1.8 Seat Allotment**

IKGPTU team with help of NIC will run Seat Allotment by downloading the choices filled by registered candidates and processing as per approved algorithm. During this step, the choices submitted by the candidate will be processed and seat will be allotted in the order of merit (as per rules of allotment) on the basis of the saved choices. Seat allotment will be done in each Round i.e. 1<sup>st</sup> and 2<sup>nd</sup> round. In the first round, all the seats will be available for seat allotment. In the second round, seats will be allotted against the available vacancies in the respective round.

#### **4.1.9 Seat Allotment Result Publishing**

In each round, seat allotment result will be published on the website. Candidate will login and see the result. Candidate need to download “Provisional Admission Letter” before proceeding for PI reporting at the allotted institute.

#### **4.1.10 Reporting at Participating Institutes**

Candidates, who are allotted seats in 1<sup>st</sup> / 2<sup>nd</sup> round must report to the respective Institute, where he/she is allotted seat, within the scheduled dates of that specific round for document verification and fee submission, failing which their allotment will be cancelled. The candidate has to report at the PI along with the provisional seat allotment letter downloaded from the website and relevant documents. Based on the document verification, candidate will be asked to deposit the admission fees in the Institute and candidate data will be updated as per the business rules and the allotted seat will be confirmed. Accordingly, Provisional Admission receipt will be generated and provided to the candidate.

#### **4.1.11 Online Payment of Seat Acceptance Fee (Optional)**

All those candidates who got the seat first time in any round, Seat Acceptance fee will be paid online before PI reporting.

#### **4.1.12 Online Willingness (Optional)**

Candidate can submit his/her willingness for subsequent round of counselling. There are two types of willingness FLOAT (YES-Upgradation) and FREEZE (No-Upgradation).

#### **4.1.13 Withdrawal from the Counselling**

A candidate, whose documents have been verified at any Reporting Center and want to cancel his/her allotted seat and seek the refund of fee, will have to login in the system and get the withdrawal during

the specified period. Withdrawal process involves a few steps after the “Withdrawal” button is clicked. This includes Agreement and re-entering of the password, confirming the withdrawal, etc.

#### 4.1.14 Vacancy due to Non-Reporting/ Cancellation

After each round, a vacancy position will be published in public domain. These vacancies will be due to seat vacant of previous round, non-reporting candidates and seat cancelled during reporting.

#### 4.1.15 Subsequent 2<sup>nd</sup> round student access methodology

In the subsequent rounds, new students, who wish to join Counselling for the first time will go through the same process as given above for the 1<sup>st</sup> round. Already registered Students who have exercised their choices in first round can access the system using their application no and password.

In Re-registration/Confirmation screen candidate will give an undertaking that

“Before participating in the second counselling, I have understood that if I am allotted a seat in the second counselling, my previous seat in 1<sup>st</sup> counselling shall automatically be cancelled and replaced by the seat allotted in second counselling. My claim for previously allotted seat stand forfeited. I shall have claim only on the seat allotted in second counselling. I have further understood that I should fill only those choices, which are preferred over the already confirmed seat in first counselling. “On accepting the Declaration, candidate will be registered in the system. System will give following information.

“In the second round, Candidate can also fill College/Branch even if Available seats section shows Zero (0) seats. In case any candidate, who has been allotted the seat in 1<sup>st</sup> round vacates the seat during 2<sup>nd</sup> round, the same will be made available to other candidates in the 2<sup>nd</sup> Round itself.”

#### 4.1.16 Physical Reporting at PI

##### General Assumptions

- Individual candidate shall print a "Provisional allotment letter" and shall report to the PIs for admission. In case of any type of problem candidate has to contact Central Control Room of IKGPTU. In case candidate fails to take admission during the slotted time period, his seat shall remain vacant and shall be declared as vacant for next counselling.
- Credential and documents shall be verified with online data by the designated PI officials.
- If candidate is found eligible, PI will issue provisional admission letter to the candidate.
- In case of up gradation by the candidate he/she will have to participate in subsequent counselling for re-scheduling and saving of choices.
- If a candidate has been allotted a seat or fail to report within specified time limit at PIs shall be allowed to participate in the subsequent phase of counselling, if candidate opts for up gradation against the available vacant seats, declared vacant by various institutions on the counselling website and compiled by the system (as per counselling schedule). If a candidate has not been allotted any seat from his/her choices, such candidate shall be allowed to participate in subsequent round of counselling.
- The candidates, who would like to upgrade their earlier allotted seats, will also be permitted to participate in the subsequent counselling, provided they give a declaration, while they are getting themselves registered for the subsequent counselling, to the effect that they would be vacating the seat allotted to them in the previous counselling. For the subsequent round of counselling, candidate will have to give his/her consent and fill fresh choices. If the candidate shall not get the admission seat from new choice of the subsequent round in such a case, his/her previous admission shall be continued.

Reporting process will start after the allotment of seats as in the previous step and this process will comprise of following steps:

- a. After allotment of the seat, the candidate is required to report to the allotted institute for admission within the date specified in the allotment letter. The administrator website will have PI module secured by separate user id and password for each PIs.
- b. The credentials and certificates of the candidates are to be verified by PIs as part of the admission process at the reported Institute. If the credentials and certificates are found wrong the allotment will be cancelled and the admission is denied otherwise the admission is granted.
- c. Candidates are required to pay the fees in the prescribed form at the designated bank.
- d. The authorized institutes can access candidates' details who have been allotted to a specific institution. All the PIs are required to update the successful candidates' data on web to complete the process of admission. It will facilitate to compile filled and vacant seats.
- e. On successful verification of the documents, Institute designated officials will generate an admission slip. One part of the slip will be handed over to the candidate and second part will be retained by the Institute.

PIs can also generate reports on admitted candidate course wise round wise or roll no wise, list of vacant seats etc.

#### 4.1.1 Board Admin Process

#### 4.2.1.3 Special Eligibility conditions for Sports/Defence/ Terrorist Victim etc. categories

If the candidate opts for categories/sub categories in Sports /Defence etc., then he/she has to submit relevant documents at the time of admission in respective institution, if a seat is allotted to him/her. Failing which, his/her claim on the seat will be forfeited and the seat will be cancelled.

### 4.2.2 Registration Process

#### 4.2.2.1 Registration Rules

- Online Registration by all eligible candidates will be allowed in both 1<sup>st</sup> round and 2<sup>nd</sup> round.
- Registration Process Business Rules: candidates can update in the following ways:
  - Candidate can select Category, Sub category and ESM priority as applicable, state of eligibility, fee waiver/non fee waiver, rural status as well sikh minority status. Till the candidate confirms his/her registration, he/she can update these details. Once confirmed all selected values will be stored in database and same will be used for all future purposes i.e. for choice filling and seat allocation etc.
  - Candidates are required to furnish **Personal and contact details** (Father name, Mother name, DOB, Gender, Nationality, Mobile No, Email Id, mailing address with Pin code).
  - Candidates are also required to furnish **Qualifying Degree details** (Qualifying degree passing status (passed or appearing), year of passing/appearing, degree type, qualifying discipline name, result preparation mode (CGPA or %age) in the following ways :
    - If passing status is 'Passed' then
      - Select 'Year of passing' from Dropdown.
      - Select Qualifying Degree and Qualifying discipline Name from Dropdown
      - If result preparation Mode is '%age' then enter '%age value'
      - If result preparation Mode is 'CGPA' then select from Dropdown 'CGPA maximum point scale' and also enter 'Obtained CGPA' then 'CGPA out of 10" will be auto calculated and displayed in read only mode. 'CGPA out of

10' will be used to check the candidate eligibility for choice filling and seat allocation.

- CGPA out of 10 = (Obtained CGPA/CGPA maximum point scale)\*10
- If passing status is 'Appearing' then
  - Value of 'Year of passing' will be '2020' only.
  - Select Qualifying Degree and Qualifying discipline Name from Dropdown
  - Result preparation mode and value of CGPA/%age will be hidden
- Candidate is also required to choose his own password. Next time, the candidate can login directly with his /her Login Id and the chosen password as Password.
- Candidate is also required to choose security Question and their Answer, that is required, if candidate Forgot the password.

#### 4.2.2.2 Registration Fee

After successful registration at IKGPTU website as 1<sup>st</sup> step for attending counselling, each candidate has to pay Rs. 2000/- as the Counselling Registration Fee using ICICI BANK online services.

#### 4.2.2.3 Choice Filling & Saving

- Choices submitted in the 1<sup>st</sup> round of counselling will be processed in 1<sup>st</sup> round only. Fresh choices submission will be permitted in 2<sup>nd</sup> round of counselling.
- **'Save Choice'** button will be enabled as per counselling schedule.
- If candidates fail to explicitly lock their choices by **last date & time**, their last saved choices will be automatically locked by system after this deadline.

#### 4.2.3 Rank Generation

During 1<sup>st</sup> round of Counselling, students registered under courses mentioned above will be permitted to register themselves. Rank will be prepared of registered candidates in each round as per criteria mentioned in 4.2.1.1 and PTU verification team will check and approve the Rank. On approval, the rank will be uploaded into the respective course.

#### 4.2.4 Seat Allotment

##### 4.2.4.1 Seat Allotment – General Rules

- During this step, the choices submitted by the candidates will be processed centrally and seats will be allotted in the order of Rank for various streams and in the order of submitted choices. The allotment result will be available on the website <https://ptuadmissions.nic.in>. Individual allotment letters will not be sent to the candidates by post. However, candidates MUST get a printout of the allotment details from the website.
- Candidates who are fresh allotted or upgraded a seat in any round will have to personally report to the allotted institute for document verification and seat confirmation during specified Reporting Period. Failing to report and/or produce required documents at the reporting institute will lead to cancellation of the offered seat. The seats thus falling vacant due to non-reporting will be considered for allotment in the subsequent round of Normal Counselling.
- For fee waiver seats candidate whose family gross annual income is less than Rs. 6.0 Lakhs shall be eligible.

#### **4.2.4.2 Seat Allotment procedure for First Counselling for candidates of Punjab 85% and Other State 15% Rank-wise Seat Allotment procedure for First and subsequent counselling**

Since the allotment of seats is to be done by the software using the seat matrices and seat allotment procedure, therefore every bit of required procedure is needed to be coded. As per the study and detailed discussions with the user/core committee, following procedure has been designed.

For allotment of a seat, Merit Number (Rank) is not only the criteria but also the eligibility and reservation criteria of candidates are checked. The admissions shall be subjected to the verification of credential and documents in the allotted institution.

For any course, before the allotment starts, Candidate must complete following steps

Step-1: The candidate should deposit the counselling fees of Rs. 2000/- non-refundable.

Step-2: The candidate has to fill up the choices and save it successfully. The candidate is advised to give as many choices as desirable. There is no maximum limit for the choices.

The offline processing module gives the feature of round wise processing and generation of MIS (Institute wise, Rank wise Candidates) Reports

##### Assumption:

- a. Candidate has to register himself and fill choices. If candidate does not fill any choices, he will not be eligible for counselling.
- b. Seat Matrix is to be uploaded fresh before the start of counselling.
- c. Based on test Rank will be unique i.e. no two candidates will have same rank in general merit list. The general merit list will include candidates of all categories.
- d. Candidates from Punjab residents will be considered under Punjab 85%.
- e. Candidates from Chandigarh UT are only eligible to participate in online counselling through 15% quota. However only in case of PAU, PUNJAB and Chandigarh are considered as One State. For rest of the Universities i.e. IKGPTU and MRSPTU Punjab and Chandigarh are different states.

##### Algorithm:

1. Sort the candidate's data stored in Registration table rank wise with condition where choices have been locked.
2. Process the data of first candidate.
3. Store the value of sex, category code, sub-category code, in the temporary variables.
4. Identify eligible categories, subcategories on the basis of category, subcategory and Priority as applicable of candidate and store it in arrays.
5. Process the choices of candidate for each category in the same sequence as described elsewhere in the document.
6. If seat is available then allocate the seat to candidate
7. Update the seat master and reduce the value of seats available in the seat matrix by 1 against the particular institute
8. Repeat above steps for all candidate.

#### **4.2.4.3 Internal Algorithm for Seat Allocation Procedure for 85% Punjab Candidates**

For 85% Punjab Candidates: Following categories/sub-categories exist;

- General
- SC/ST

- Backward Class (BC)
- T-Sunami(TS)
- Border Area(BR)
- Backward Area (BA)
- Sports Person (SP)
- Widows of Defense Personnel (DF)
- Widow / Divorced Women
- Terrorists/Riots victims (RT)
- Children/Widows of Para military forces (PM)
- Freedom Fighter (FF)
- Disabled Person-Blind (DPB)
- Disabled Person -Deaf (DPD)
- Disabled Person-Others (DPO)

### **Seat Allocation sequence for 85% Punjab Quota**

Following rules shall be applicable for seat allotment for counselling for 85% Punjab category for all the institutions under IKGPTU/MRSPTU participating in counselling located in Punjab.

In case of IKGPTU, seats under Fee Waiver Category will be processed as a separate category depending upon choices filled by the Candidate.

Counselling for seats for the Children /Widows of Defence Personal category, Sports Person, under Para Military Forces Personal and under Terrorist/Riot affected category is done in the order of sub-category, priority, rank (as applicable) and eligibility condition.

***The following cases are checked and searched for a Candidate until seat is allotted or options are exhausted for Course merit Rank.***

#### **FOR General Merit List:**

The seats based on rank wise list, will be allotted in the following sequence:

#### **Case 1: If candidate has opted for Fee Waiver and filled Fee waiver seat choices (Applicable for B.Pharm only)**

Candidate can fillup Fee waiver seat choices in addition to his category based choices. Check the seat for **Fee Waiver**, if it is available then seat is allotted else go to candidate's next choice. Repeat till a seat is allotted or all the choices are processed.

#### **Case 2: If candidate is General, no subcategory**

Check the seat for **General (Open quota)**, if it is available then seat is allotted else go to candidate's next choice. Repeat till a seat is allotted or all the choices are processed.

#### 4.2.4.4 Algorithm for Seat Allocation Procedure for 15% JEEMAIN General for candidates outside Punjab

Following rules shall be applicable for seat allotment for counselling for 15% All India category for all the institutions under IKGPTU/MRSPTU participating in counselling located in Punjab

- ❖ For 15 % seats (Other State): Following categories/sub-categories exist;  
General, SC/ST, BC
- ❖ Under the 15% All India category further reservation is provided for 70% General, 25% SC/ST category and 5% for BC category.
- ❖ All the cases, irrespective of the category, will be dealt one by one as per rules and regulations applicable and as per the case/category.

#### 4.2.4.5 *Seat Allotment procedure for Second Counselling for candidates of 85% / 15% (2<sup>nd</sup> Round)*

##### **Pre-requisites/Assumptions:**

- a. Candidates falling under 85% / 15% quota will be eligible for 2<sup>nd</sup> Round of Counselling. Candidate has to reconfirm his registration for the 2<sup>nd</sup> counselling and fill fresh choices. Candidates, who have participated in 1<sup>st</sup> counselling, need not pay counselling fee again, whereas new candidates appearing in counselling for the first time will have to deposit counselling fee and register themselves in the website. If candidate does not fill any choice for 2<sup>nd</sup> counselling, then he will not be eligible for 2<sup>nd</sup> counselling.
- b. Candidate can also include the same choice in 2<sup>nd</sup> counselling against which he is allotted seat in the first counselling. In such case choices which are listed before this choice will be processed. For example a candidate has filled 5 choices in 2<sup>nd</sup> counselling and choice no 3 is same for which candidate is allotted seat in first counselling. In this case first two choices will be processed.
- c. Seat Matrix will be uploaded afresh before the start of second counselling.
- d. Seat Allocation will be done exactly as per rules adopted in 1<sup>st</sup> round of Counselling, i.e. no seats will be merged.
- e. If a candidate has been admitted against his allotted seat in his category(reserve) in previous counselling, the seat will not be changed in the subsequent round of counselling for the Same branch and Institute with regards to category.

Note: Candidates once opted a category can not change his category without the permission of Chief Co Ordinator(admission).

##### **Algorithm:**

1. Sort the candidate's data rank wise once the choices are locked
2. Process the data of first candidate.
3. Store the value of sex, sub-category, and category temporarily.
4. Identify eligible categories, subcategories on the basis of category and subcategory of candidate, priority (as applicable) and store it in arrays.
5. Process the choices of candidate for each category in the same sequence as described in first counselling.
6. If seat is available then temporarily allocate the seat to candidate
7. Update the Seat matrix and reduce the value of seats available for the particular branch by 1 against the particular institute
8. Transfer the seat allotted to the candidate in the first counselling to vacant pool.
9. Repeat above steps for all candidate. (first iteration is complete)
10. Next iteration will start and will repeat all the above steps till vacant pool seats become 0.

#### 4.2.5 **Withdrawal Rules**

- A candidate, who takes provisional admission by reporting at allotted institute and want to cancel his/her allotted seat and seek the refund of fee, will have to login into the system and get the withdrawal as per given schedule.
- The fee shall be refunded by IKGPTU later on.

#### 4.2.6 **Physical Reporting at Allotted Institute after 2<sup>nd</sup> round**

- All candidates who wish to take admission in upgraded seat in 2<sup>nd</sup> round, will have to report physically at the Allotted Institution as per the schedule, failing which their final allotted seat will be cancelled.

- All Participating Institutions must update online physical reporting status at IKGPTU website through their login Id.

#### 4.2.7 Other Policies/Rules

## 5.5 Website Content Manager

**Content Management System (CMS)** is a software application that is used to manage digital information on the website through creating and maintaining content without prior knowledge of web programming. It is very easy to maintain the website through CMS. There will be separate user for website management. Website has the three sections to maintain the information available to public. Website Content Manager can perform the following tasks.

- Manage links of top menu bar.
- Manage the links of current event.
- Manage the links/link buttons in centre section.
- Create/update the news.
- Manage the important links.
- Publishing of any information.

## 6 Concept of Proposed System

### 6.1 Operational concepts

#### 6.1.1 Operational policies and constraints

#### 6.1.2 Description of the proposed system

#### 6.1.3 Modes of system operation

#### 6.1.4 User classes and other involved personnel

#### 6.1.5 Support environment

The proposed system will be web based solution and it will be accessible using any popular browser. Only designated user can login and performed the operation as per their predefined role.

### 6.2 Operational scenarios

1. Candidate Login Process
  - Fill Login Form entering Login id, password, security verification code (captcha).
  - On successful login, the system displays candidate's home.
2. Registration Process
  - The candidate will fill the personal details; contact details and chooses password, security question and its answer.
3. Choice Filling and Locking
  - After successful registration, candidate can fill the choices and rearrange them as per their preferences.
4. Result Publication
  - After seat allotment, candidate will view the seat allotment result by logging into the system.
5. Physical Reporting

For finalizing the admission, candidates are required to physically reported at allotted institute

## 7 Project constraints

The system is to be customised within limited time.

### 7.1 General and Design Constraints

- The Proposed Application system will be an internet based (except Offline Module) which will be designed, developed and centrally hosted in .Net Framework in NIC's Data Centre located at Delhi. The users will be accessing the software application using popular latest browsers (IE, Mozilla Firefox, and Google Chrome).
- Rank Generation and Seat Allocation module will be offline system and will be running at local system

Web based e-Counselling	Online Form Filling & Submission of Choices from any Internet point
Provisional Admissions at PI.	Verification of documents, fees and acknowledging provisional admission
Participating Institute (PI)	An Institute participating in counselling.
Help Center	An Institute providing help to the candidate for training, registration, choice selection, saving etc.
Course/stream	Stream like Engineering
Branch	Discipline under which candidate would be offered a seat
Counselees	Candidates Qualified for Counselling
Seat Allotment	Seat allotted on the basis of merit Number (Rank) provided by the IKGPTU
Bank	A bank designated by IKGPTU for collection of counselling fee
Registration fee	As per Appendix V
Open Category	Seat available for all
Reserved categories	SC/ST,BC,T-Sunami(TS), SP,FF, BA, BR, DF, RT, PM, DP-Blind, DP-Deaf, DP-Others
Seat matrix	A table showing the available seats and their bifurcation among different categories as per the reservation policy of the state. The seat matrices are institute, course/ branch and categories wise
MERIT NUMBER(RANK)	Unique Position of the counselees as defined and provided by IKGPTU
Intake	Sanctioned Intake as per AICTE (seats in a discipline)
StRS	Stakeholder Requirement Specification

### 8.2 Master Directories

#### 8.2.1 Engineering Four Years Degree programmes

Course Code	Course Name	Short Name
1	APPLIED ELECTRONICS AND INSTRUMENTATION ENGINEERING	AEIE
2	AUTOMOBILE ENGINEERING	AE
3	BIO MEDICAL ENGINEERING	BME
4	BIO TECHNOLOGY	BT
5	CHEMICAL ENGINEERING	CHE
6	CIVIL ENGINEERING	CIVIL
7	COMPUTER ENGINEERING	CE

8	COMPUTER SCIENCE & ENGINEERING	CSE
9	ELECTRICAL ENGINEERING	EE
10	ELECTRICAL AND ELECTRONICS ENGINEERING	EEE
11	ELECTRONICS & COMMUNICATION ENGINEERING	ECE
12	ELECTRONICS AND ELECTRICAL COMMUNICATION ENGINEERING	EECE
13	ELECTRONICS AND INSTRUMENTATION ENGINEERING	EIE
14	FOOD TECHNOLOGY	FT
15	INDUSTRIAL ENGINEERING	IE
16	INFORMATION TECHNOLOGY	IT
17	INSTRUMENTATION AND CONTROL ENGINEERING	ICE
18	MECHANICAL ENGINEERING	ME
19	PRODUCTION ENGINEERING	PE
20	TEXTILE CHEMISTRY	TXC
21	TEXTILE ENGINEERING	TXE
22	AGRICULTURAL ENGINEERING	AGR

#### **B. Pharmacy 4 year Degree Course & Fee Waiver Course**

B. Architecture 4 years Degree Course

#### **Engineering Master Degree Courses (M.Tech):**

Course Code	Course Name	Short Name
1.	Bio Technology	
2.	Chemical Engineering	
3.	Civil Engineering (Construction Technology & Management)	
4.	Geo Technical Engineering	
5.	Soil Mechanics & Foundation Engineering	
6.	Structural Engineering	
7.	Computer Science & Engineering	
8.	Information Technology	
9.	CAD / CAM	
10.	Mechanical Engineering (Machine Design)	
11.	Mechanical Engineering (Production Engineering)	
12.	Mechanical Engineering (Thermal Engineering)	
13.	Electronics Product Design	
14.	Electronics & Communication Engineering	
15.	Micro Electronics	
16.	Electrical Engineering	
17.	Power Engineering	
18.	Energy Engineering	
19.	Environmental Science & Engineering	

20.	Industrial Engineering	
21.	Textile Engineering	
22.	VLSI Design	
23.	E Security	
24.	Robotics and Mechatronics	
25.	Instrumentation & Control Engineering	
26.	Nano Technology / Nano Science Technology	
27.	Embedded System	

**Pharmacy Master Degree Courses:**

1	M. Pharmacy Pharmaceutics	
2	M. Pharmacy Pharmacognosy	
3	M. Pharmacy Pharmacology	
4	M. Pharmacy Pharmaceutical Analysis	
5	M. Pharmacy Pharmaceutical Chemistry	

**Note:** NIC shall provide the complete database of all the candidates, applied and registered on line to IKGPTU. IKGPTU will process the data as per admission rules and criteria and prepare the merit list of all eligible candidates along with reserved category candidates. IKGPTU will provide the same database to NIC after inserting merit rank of eligible candidates.

**8.2.2 M.Tech – Course wise Eligibility**

Sr No	Courses	Eligibility
1.	Bio Technology	B. Tech. Bio Technology/ B. Pharmacy/ M.Sc. Life Sciences
2.	Chemical Engineering	B.E. / B. Tech. in Chemical Engineering
3.	Civil Engineering (Construction Technology & Management)	B.E. / B. Tech. in Civil Engineering
4.	Geo Technical Engineering	
5.	Soil Mechanics & Foundation Engineering	
6.	Structural Engineering	
7.	Computer Science & Engineering	B.E. / B. Tech. in Computer Science Engineering / IT
8.	Information Technology	
9.	CAD / CAM	B.E. / B. Tech. in Mechanical / Industrial / Production / Manufacturing / Welding / Material Science / Metallurgy Engineering
10.	Mechanical Engineering (Machine Design)	
11.	Mechanical Engineering (Production Engineering)	
12.	Mechanical Engineering (Thermal Engineering)	
13.	Electronics Product Design	B.E. / B. Tech. in Electronics & Communication / Electronics & Instrumentation / Applied Electronics / Instrumentation & Control / Electrical & Electronics Engineering M Sc in Physics (with specialization in Electronics)
14.	Electronics & Communication Engineering	
15.	Micro Electronics	

16.	Electrical Engineering	B.E. / B. Tech. in Electrical / Electronics & Instrumentation / Applied Electronics / Instrumentations & Control / Electrical & Electronics Engineering
17.	Power Engineering	
18.	Energy Engineering	B.E. / B. Tech. in any Branch of Engineering
19.	Environmental Science & Engineering	
20.	Industrial Engineering	
21.	Textile Engineering	B.E. / B. Tech. in Textile Engineering
22.	VLSI Design	B.E. / B. Tech. in Electronics & Communication / Electrical Engineering / Electronics & Instrumentation / Electrical & Electronics / CSE / IT / Control / Micro Electronics Engineering
23.	E Security	B. Tech. CSE/IT/ECE/EIE
24.	Robotics and Mechatronics	B.E. / B. Tech. in Electronics & Communication / Electrical Engineering / Mechanical Engg. & Industrial Engg..
25.	Instrumentation & Control Engineering	B. E./ B. Tech. in Electronics and Communication / Electronics and Instrumentation/ Applied Electronics / Instrumentation & Control / Electrical and Electronics Engineering / Electrical Engg. / M Sc in Physics (with specialization in Electronics)
26.	Nano Technology / Nano Science Technology	B.E. / B. Tech. (All branches), M.Sc. Zoology / Life Sciences / Physics/ Chemistry / Bio-technology
27.	Embedded System	B.E. / B. Tech. in Electronics & Communication / Electronics & Instrumentation / Applied Electronics / Instrumentation & Control / Electrical & Electronics Engineering / M. Sc. in Physics (with specialization in Electronics)

### 8.2.3 Statistics summary

No. of Participating Institutes	44
No. of Departments	75
No. of ME Programs	274
No. of Qualifying Discipline	394
Total No. of Seats	9911

### 8.2.4 Institutes

Institute Name	Institute Type	Controlling University
Giani Zail Singh Campus College of Engg. & Tech., MRSPTU, Bathinda, PIN-151001	G	MRSPTU
Shaheed Bhagat Singh State Technical Campus, Moga Road, NH-95, Ferozepur-152004 (Govt Promoted and UGC Autonomous college)	G	IKGPTU
