The main branches of Examination department are Conduct, Secrecy and Result Branch. The policy that prevails during functionality of each department using e-governance is as below:

Conduct Branch: Conduct of Examination

- The first step is generation of Roll number to the eligible candidates online. Then Semester upgradation of already studying students is done by the respective HOD of the department for already studying students after confirming their upgradation from previous semester to next semester. This option is provided at www.ptudocs.com in the login IDs of concerned HODs. Those students who fulfilled the attendance norms (minimum 75% and clear the previous semester) are upgraded and only upgraded students can fill their examination forms online.
- If a student is drop out or detained and is not upgraded by the HOD as per norms, then he/she is not eligible for filling the examination form. Examination forms of regular semester and reappear subjects as per declared result records of university are available in Login IDs of students. The students filled the subjects and deposited the notified fee by the University via online mode. The exam forms are confirmed by the concerned HODs after verifying No Dues. The students those are finally confirmed by the HODs are issued the admit cards as per notified schedule. Date sheet is also notified via the login Ids of stakeholders.
