Sub.: Policy of Appointment on Compassionate Grounds as per State Government.

The Board of Government in its 52nd meeting held on 20.03.2014 on the recommendations of HR Committee has approved the policy regarding grant of employment in the State Services Class-III and IV on compassionate ground as per State Govt. Norms. The salient features of the policy are as under:

The policy regarding grant of employment in the State Services Class-III and IV on compassionate grounds (is mainly contained in circular letter No. 11/27/94-2PPI/2364, dated 5.2.1996). This policy was framed on the basis of the judgement of the Hon'ble Supreme Court of India delivered in the case of 'Umesh Kumar Nagpal' State of Haryana and others (1994)4 S.C. cases (138). The Apex Court held that the object of compassionate appointments is to enable the penurious family of the deceased employee to tide over the sudden financial crisis and not to provide employment. It was further held that mere death of an employee does not entitle his family to compassionate appointment. The authority concerned must consider as to whether the family of the deceased employee is unable to meet the financial crisis resulting from the employee's death. The offering compassionate appointments as a matter of course irrespective of the financial condition of the family of the deceased and making compassionate appointments in posts above Class-III and IV is legally impermissible. The compassionate appointments cannot be granted after a lapse of reasonable period which must be specified in the rules. The consideration for such employment is not a vested right which can be exercised at any time in future. The object being to enable the family to get over the financial crisis which it faces at the time of death of the sole bread winner the compassionate employment cannot be claimed and offered whatever the lapse of time and after the crisis is over.

Auch in se

It has been considered appropriate that there is need to review the whole policy on compassionate appointments by taking a cue from the policy of Government of India and to impose strict conditions so that compassionate appointments are available only to very deserving cases. Most of the vacancies that are available or accrue in direct quota posts in various departments are consumed by these compassionate appointments considerably reducing vacancies for carrying out recruitments from the open market. This has a direct reflection on the efficiency and working of the departments as it restricts the Government for making selections from a wider choice of candidates. Imposition of a cap on compassionate appointments will also protect a feetile in various departments of the Government for wears.

- 2. The State Government has decided to review the policy, on compassionate grounds strictly on the decision of the Hon'ble Supreme Court of India in the case of 'Umesh Kumar Nagpal' Versus State of Haryana referred as above. The Government has reconsidered all the earlier instructions issued from time to time on compassionate appointments and has decided to review the policy to provide the benefit only to deserving candidates as per directions of the Apex Court referred in Para-1 above:
- Hence forth the objective of the Scheme is limited to grant of appointment on compassionate grounds to persons who fall in the categories mentioned below;-
- (1) A dependent member of the family of a person (bread-winner) killed or 100% physically disabled in terrorist action or by security forces acting in-aid of civil power in the State.
- (2) A dependent member of the family of the deceased Govt employee who dies in
