Tools and Techniques for Effective Research

(14-18 Dec, 2020)

An online faculty development programme was organized from 14-18 Dec, 2020 on "Tools and Techniques for Effective Research" at I K Gujral Punjab Technical University, Amritsar Campus. Inauguration of the FDP was done by the Director, Dr. Neelkanth Grover and vote of thanks was given by Dr. Amit Sarin, Incharge Amritsar Campus. There were several interactive expert talks in the morning and evening sessions by experts from Trinity college, (Dublin Ireland), IIM Amritsar, NIT's, SLIET and IKGPTU Amritsar campus. After successful completion of the course the valedictory session was organized and the coordinators Dr. Prabhkiran Kaur and Dr. Vipul Sharma thanked the participants for their cooperation and patiently listening to the experts and further asking pertinent questions. There was an overwhelming response from the participants and further insistence to the coordinators for the conduction of more such courses in future. Participants shared their valuable feedback and said that they had a good and interactive learning experience at IKGPTU, Amritsar campus.

ABOUT COURSE

An extraordinary research work is important for any academicians and professionals as it defines the growth and understanding of the researcher in a specific area. This Faculty Development Program on Tools and Techniques for Effective Research, at I.K. Gujral Punjab Technical University is designed to inculcate a systemic research approach equipped with recent tools, techniques, technologies and software in the academic fraternity. These sessions will be followed by software-enabled practical training with demonstration. Thus, both theoretical and practical sessions will be arranged so that the participants can understand, appreciate, and meaningfully interpret the output. This FDP is diligently planned around learning some tools and techniques that are useful in accomplishing research outcomes. The primary tools covered are those that would aid a researcher in a systematic research.

TOPICS TO BE COVERED

- Writing Research Paper using LaTeX
- Referencing Tools
- Visualization Tools
- Advanced Searching Tools
- Scientific Journal Finder
- Introduction to plotting in MATLAB
- Basics of AUTOCAD

I.K. GUJRAL PUNJAB TECHNICAL
UNIVERSITY
AMRITSAR CAMPUS

ABOUT IKGPTU AMRITSAR CAMPUS

IKGPTU Amritsar Campus has been established in 2014 to provide Quality Technical Education especially to students from rural belt belonging to weaker sections of society and to people of all sections in general. The main focus is to produce Quality Engineers according to the needs of Industry at State, National and International levels. IKGPTU Amritsar Campus has prime location on G.T Road, Amritsar near Guru Nanak Dev University. It has vast campus having smart classrooms, well equipped labs, updated library with latest collection of books, and a well-equipped conference hall with audio-video facilities.

RESOURCE PERSONS

These topics will be delivered by the eminent speakers of National and International repute.

ELIGIBILITY

The FDP is interdisciplinary and is open to all the faculty members of any institute, research scholars, PG Scholars, and practitioners working in any functional area interested in research.

NOTE

- No Registration Fee
- Prior registration is compulsory to attend the FDP
- E-Certificate will be issued to the participants on successful participation to the FDP
- The link will be shared with the registered participants.

Note No. #1

Subject: Regarding permission to organise "One Week Faculty Development Programme on Tools and Techniques for Effective Research" from 14th December, 2020 to 18th December, 2020.

In the era of modern technology an extraordinary research work is important for any academicians and professionals as it defines the growth and understanding of the researcher in a specific area. It is therefore important for researchers to have a deep understanding of latest tools and techniques used in research to enhance the existing knowledge. Keeping this as a motivation, we at IKGPTU Amritsar Campus want to organise a "One-week Faculty Development Programme on Tools and Techniques for Effective Research" via Online Mode from 14th December, 2020 to 18th December, 2020. This Faculty Development Program (FDP) on Tools and Techniques for Effective Research has been designed to inculcate a systemic research approach equipped with recent tools, techniques, technologies and software's in the academic fraternity. The sessions will be followed by software-enabled practical training with demonstration, thus, both theoretical and practical sessions will be arranged so that the participants can understand, appreciate, and meaningfully interpret the research output.

The overall objective of the FDP is to disseminate knowledge of some of the important tools used for research purpose; finding relevant and good quality journals, and amalgamation of the much-needed digital skills which can play a significant role throughout the research process. The topics will be delivered by the eminent speakers of National and International repute.

The FDP is interdisciplinary and is open to all the faculty members of the any institute, research scholars, PG scholars and practitioners working in any functional area interested in research. There is no registration fee for attending this programme.

Further, there is no financial liability on the University for the conduct of the said event. As all the proposed experts have kindly consented to disseminate the knowledge among the participants without honorarium.

Therefore, we request you to kindly give us permission for the conduct of the said course. The Proposed FDP Brochure and list of resource persons (proposed) is attached as correspondence to this file.

Submitted for your kind approval, please.
