Inspired and guided by the life of Guru Sahib Ji.

In this webinar the Chancellor of Central University Punjab Dr. Jagbir Singh said that the martyrdom of the Ninth Guru paved the way for a new and meaningful interpretation of religion. Similarly, he said that in the Bani of Guru Sahib the discourse of perdition and death is not in a negative sense but it is a reality which needs to be gladly accepted. He also said that it was not enough to just pay homage to Gurmat Gyaan but to put it into practice. He said that the Bani and martyrdom of Guru Sahib can be properly considered and understood only in this perspective.

The Chancellor of Central University Himachal Pradesh, Dr. Harmohinder Singh Bedi was the second expert speaker in this webinar. Referring to Guru Sahib's visits to 176 places to save the world, he said that these visits are still relevant today. He said that the martyrdom of the Ninth Patshah has changed the cultural landscape not only in India but in the whole of Asia. Singh shared factual details related to Sri Guru Tegh Bahadur Ji's sacrifice for the defense of India to be considered in the context of the Gurmat tradition as whole. In his presidential address, Dr. S.P. Singh said that the balance of Gurmat tradition was in the context of Sri Guru Nanak Dev Ji's refusal to accept Janju only from outside and the need to wear it internally and then in the context of Guru Tegh Bahadur's martyrdom for the protection of Janju. He also congratulated the Vice Chancellor IKGPTU for establishing the Sri Guru Nanak Dev Ji Chair at University.
