

Celebration of Commemorative days, events and festivals

Celebrating events and festivals in campus is an integral part of lives of students and faculties which results a strong cultural belief for their roots. Therefore, our campus celebrates & organizes the birth anniversaries of national heroes and important days like Teacher's Day, Science Day, Youth festivals, Environment Day, Engineers Day, etc. These events and festivals are often celebrated with great happiness and high spirits. India being a multi-cultural country and by celebrating such events will bring people of various religion closer and united. Moreover for students of State University, campus will make all stake holders to bloom, blossom, giving them the right platform where they will work towards becoming a responsible citizen for upliftment of society.

An year starts with the celebration of Republic day on 26th January, students participate actively in the function, below image show the glimpse of our students performing on Republic day.

Engineer's day is also celebrated in our department to commemorate the birth anniversary of Sir M Visvesvaraya. Various events are organised by the department like Quiz competition, Presentations, Autocad drawing competitions. In the Following image, Head Of Civil Engineering Department pays tribute to Sir M Visvesvaraya alongwith staff members and faculty on the eve of Engineer's day.

The youth have passion to target any task. Everyone is well aware of this. So now, the need is to motivate youth so that they can take a decision to remove the problems of society and bring changes towards developed country. For this, the education sector has the highest responsibility. This message was delivered by Prof. (Dr.) Ajay Kumar Sharma, Vice Chancellor I.K. Gujral Punjab Technical University. VC Prof. Sharma was addressing a blood donation camp and seminar organized in context of National Youth Day at university main campus. NSS Department of IKGPTU celebrated this day as post date event.

A Blood donation camp was organized after seminar in which students; non teaching staff and teaching staff of the university participated and donated about 60 units of Blood.

Seminar on “Advancements in concrete Technology” was organised on 18th September,2017 by the department to celebrate **Concrete Day**.

Freshers Party is also organised every year to welcome new students. Glimpses of the Freshers 2018 are shared in following images.

On the eve of Birth anniversary of Dr. S. Radhakrishnan, Teacher's Day was celebrated at IKGPTU with full enthusiasm. University Campus students celebrated it with staff and faculty by performed various cultural activities. Vice Chancellor Prof. (Dr.) Ajay Kumar Sharma congratulated campus faculty, students for organizing a great event on Teacher's Day.
