INDUCTION PREPARES STUDENTS FOR NEW ROLE: DR AJAY SHARMA

Prof. (Dr) Ajay Kumar Sharma, Vice Chancellor of IKGPTU, welcoming all new students in campus said that he is quite happy to see strength in induction program. He said that this 3 weeks long induction program was started in 2016 by IIT (BHU) and now it is mandatory for all AICTE approved institutions. He shared with newly joined students that there are many pressures when you leave home for new goals. Some time environment is demotivating and conservative. Start of hostel life without close parental supervision at the same time further worsens it with a so a poor daily routine. To come out of such situations induction is needed. After induction problems are less in

coming time when students are fully joined in campus to making them feel that campus always offers a lot of opportunities to start learning a lot of activities and experiences. He said that this long work for students and promotes bonding with them. Builds relations between teachers and students gives a broader view of life and builds strong character. Again welcoming students Dr. Ajay Sharma urged faculty members and other staff to help new students with diverse thoughts, backgrounds and preparations. It is important to help them adjust to the new environment and to update them the efforts of the institution with a sense of larger purpose.

6 DAYS WORKSHOP ON UNIVERSAL HUMAN VALUES

Monitoring and connecting the students with faculty members was the most important part of student induction. Mr. Talleed Narela says a great help in this. Monitoring took place in the context and setting of Universal Human Values. It gave a chance to students to explore *themselves* and experience the joy of learning, prepared them to stand up to peer pressure and take decisions with courage, be aware of relationships and be sensitive to others' understanding. The school motto in life and experience the feeling of prosperity.

Mr. Mohit Jain told students through a documentary that one should not depend on others to get a assignment done. He said, take first step and this will take you to the goal.

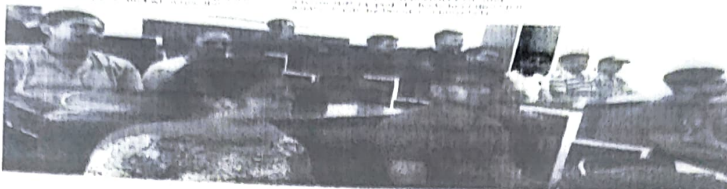

To inculcate the basic behaviour expected from a graduating student, 6 days workshops on human values are organized every year in the premises of the university by department of UHV cell of the university for the newly admitted students. Students are counselled for showing good behaviour and human values in this workshop. In addition to this they are also taught how to live in the society, what society expects from you and what to learn from society. A visit to knowledge resource centre, library, of the university, concerned departments is arranged for the newly students so that they can interact with their teachers and visit the lab to witness the facilities / infrastructure available in the departments.
