## NOTIFICATION

Sub: **Establishment of E –Cells in the University.**

All India Council for Technical Education has come up with the National Student Startup Policy. The policy strongly recommends that each University/Institute must consider entrepreneurship promotion as their prime responsibility. The policy aims to create 100,000 technology based student start-ups and a million employment opportunities within the next 10 years. The policy plans on achieving this by developing an ideal entrepreneurial ecosystem and promoting strong inter-institutional partnerships among technical institutions.

To further strengthen the entrepreneurial activities of the University and to instill the spirit of entrepreneurship among the university students, it has been decided that Entrepreneurship Cell (E-Cell) will be established in all academic departments of the University. Each E-Cell will consist of 1 faculty member and 5 students. It will work to promote startups, Innovation, participation in entrepreneurship activities like business Plan Competitions and promoting entrepreneurship education etc. All the faculty incharges of E-Cells of the academic departments will coordinate with the Deputy Director (CR&A) and his office for the above mentioned and related activities.

## IKGPTU B - Plan Competition – 2021

IKGPTU Business Plan Competition – 2021 provides an opportunity for entrepreneurial- minded student community to come together for the purpose of fostering new business development. The competition has three phases.

Phase I: Submission of the Business Plan through registration form.

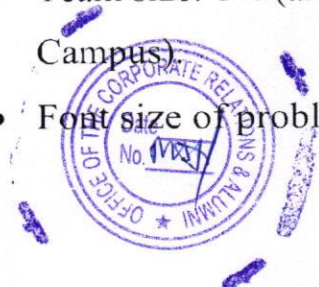

(A Short Description of an idea)

Phase II: Evaluation of submitted Business Plan idea by panel of judges and declaration of shortlisted students.

Phase III: Pitching of B-Plan.

### Guidelines for Submitting B-Plan during registration

- Business Plan must not be over 2 slides
- Document text should be 1.5 spaced.
- Margins must not be smaller than an inch on any side.
- Font size of body text should be between 11 and 12 points.
- It should be a brief document only including the problem and the solution in 500 words.
- Team size: 1-4 (all must be regular bonafide students of IKGPTU Main Campus)
- Font size of problem statement should be 15 points.

## **Evaluation & Presentation of B - Plan**

- All the submissions will be evaluated by a team of judges and shortlisted plan will be declared for final presentation.
- The shortlisted teams will be required to make a PPT of their B- Plan for which each team will be given 8-10 minutes for their presentation in front of faculty members.

## **Judging Guidelines**

The judges will be proposed the appended criteria for evaluating the IKGPTU Business Plan Competition:-

- ✓ 40% - Quality of business plan
- ✓ 40% - Impact of Presentation
- ✓ 20% - Judges assessment of the potential of the idea

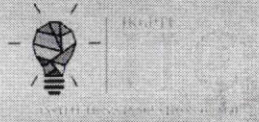

The decision of the jury will be final.

**IKGPTU & TiE Chandigarh organized The Grand Finale and Award Ceremony of Tap Business Plan Competition 2021-22.**

To share start-up ideas with professional education students and encourage them for start-ups is the need of the hour. The I.K. Gujral Punjab Technical University (IKGPTU) considers this a top priority. The University provides start-up ideas to its students from time to time by meeting & organizing events jointly with The Indus Entrepreneurs (TIE). In addition, the university also provides start-up funds to its students. This information message was shared by Jaspreet Singh, Registrar IKGPTU, an IAS officer, with various professionals and students involved in the grand finale ceremony of the tap business plan competition of the university organized in Chandigarh. He also informed the students about the start-up funds of more than one crore sponsored by the university and encouraged them to take advantage of it.

Registrar Jaspreet Singh, IAS, was addressing the Grand Finale and Awards Ceremony of TAP Business Plan Competition 2021-22 jointly organized by IKGPTU and The Indus Entrepreneurs (TIE) Chandigarh as the Chief Guest. The event was organized to recognize and reward the students of IKGPTU and its affiliated colleges for their beginnings. The venue of the function was PHD Chamber of Commerce, Chandigarh.

The Award Ceremony was attended by more than 60 participants including students, TPOs, IED coordinators from various IKG-PTU campuses and affiliated colleges and TiE Chandigarh members.

Mr. Jaspreet Singh endorsed the wonderful collaboration between the two organizations and handed over the prizes to the winners.

Mr. Navdeepak Sandhu, Deputy Director, Corporate Relations & Alumni, IKG PTU, in his address elaborated on how IKG-PTU and TiE Chandigarh have been creating synergy over the years on organising TAP B-Plan Competition and providing global exposure to the students. He briefly shared the journey of the 64+ teams that began on 22nd October 2021.

Mr. Jitin Talwar, President, TiE Chandigarh in his Keynote Address inspired the students with his words that this is a small start of their journey, and that every success/ failure is learning for us in this journey. He shared the mantras of an equitable team, riding the wave, relying on data and goal market segmentation for sustainable and scalable solutions in the business.

Result of top eight teams is as under :

1. One-The Ultimate Education Management System – CGC, Jhanjeri

(Cash reward of ₹ 40,000)

2. Medweb – SSCP, Badhani Pathankot

(Cash reward of ₹ 30,000)

3. The Himalayan Pine Chem – DAVIET, Jalandhar

(Cash reward of ₹ 20,000)

4. The One Gym – IKGPTU main campus, Jalandhar

(Cash reward of ₹ 5000)

5. Magazo – DAVIET, Jalandhar

(Cash reward of ₹ 5000)

6. BectPay – APJIMTC, Jalandhar

(Cash reward of ₹ 5000)

7. Natter App – GJIMT, Mohali

(Cash reward of ₹ 5000)

8. Watch Dog – IKG PTU Campus Mohali

(Cash reward of ₹ 5000)

The Vote of Thanks was graciously done by Mr. Hitesh Gulati, Chair TiE University, TiE Chandigarh Chapter applauded the efforts of all participating students and their colleges for their consistent efforts.

## **About – CIIIT Sultanpur Lodhi**

I.K. Gujral Punjab Technical University (IKGPTU) and Tata Technologies have set up a Center for Innovation, Invention & Incubation (CIIT) at Sultanpur Lodhi, Punjab to promote technical education. The objective of establishing this CIIT is to facilitate innovation and work towards bringing about qualitative improvements in technical education. This will be done by strengthening industry-academia partnerships and training of the students with industrial experiential learning. The long-term goal is to create a skilled manpower pool and enhance employability prospects of students in the manufacturing sector.

This center consists of high-end industrial workstations, which are loaded with advanced tools used for Product Design and Development, Durability Analysis, Crash Analysis, NVH Analysis, Digital Manufacturing, Product Lifecycle Management etc. The Product Design and Development lab is an industry simulated environment with the latest technology tools used by major industries for product design & development.

CIIT, Sultanpur Lodhi is offering advanced courses such as Design & Engineering, CAD Engineering, Product Lifecycle Management, Virtual Verification & Analysis, Industrial Robotics, Manufacturing Processes, Additive Manufacturing & Reverse Engineering, and Manufacturing Execution System for the students having qualification from ITI to Masters in Engineering.
