7.1.1 Measures initiated by the Institution for the promotion of gender equity duringthe Last fiveyears.

Gender sensitivity is shown by staff and faculty during their interaction with the female students. Gender sensitization is done during special lectures on gender equity under mentoring and professional development course, induction programme and on occasion like Women's day.

- **Safety andsecurity**
  Security cameras:
  Surveillance for safety, security and protection for women is done with high resolution cameras through day and night and the facility of recording is also available in the campus.Entry of every individual is monitored through these cameras and unwanted elements are questioned. By this wayall Female staff, students can move freely in the campus and feel assured that they are secure at all the timesduring their movement in thecampus.

- **Female Security personnel**
  The campus has strong security personnel including two female security guards deployed all around the campus to create secure enrolment
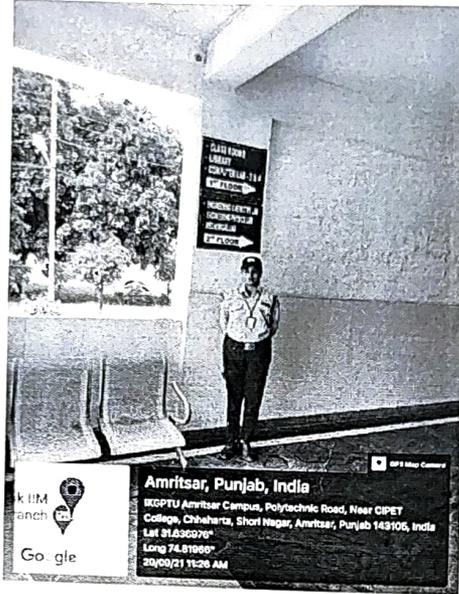

- **Counseling:**
  Students are motivated and mentored in all the departments to induce social, moral and ethical values. Women grievances cell also create gender awareness through different program. Every faculty and staff member is available for the all the male and female students to listen to their problems and sort out issues.
