

Celebrating events and festivals in capmps is an integral part of lives of students and facilities which results a strong cultural belief for their roots. Therefore, our campus celebrates and organizes the birth anniversaries of nation heroes and important days like Teacher's Day, Science Day, Youth festivals, Environemnt Day, Engineers Day, Freshers party, Cricket matches etc. These events and festivals are often celebrated with reat happiness and high spirits. India being a multi-cultural country and by celebrating such events will bring people of various religion closer and united. Morevoer for students of state university, campus will make all the stake holders to bloom, blossom, giving them the right platform where they will work towards becoming responsible citie for upliftment of society.

For celebrating the arrival of new students and making an environment where they communicate and get introduced with their senior students Freshers day event was organied by department . In the

Following image, Head Of Civil Engineering can be seen along with new students welcoming them in Civil Engineering department. In this event students were given different titles based on their performance and in that way department acknowledge their potential .

A friendly cricket match was organized by Civil Engineering department. Here student from 6<sup>th</sup> sem. Played against student of 4<sup>th</sup> sem. Main aim of these type of matches was to create a sense of belongingness among students and unite them as a department. The head of Department along with other faculties also attended the event and motivate students.
