(Mr. Munish Devgan)

(Dr. Ranbir Singh)

(Dr. Sarabjit Singh)

(Dr. Ekta Mahajan)

(Geeta Verma)

PROGRAM OBJECTIVES

MA Journalism and Mass Communication (MAJMC)

The Master's Course is designed for student desirous of taking up careers in the field of communication. A thorough grounding will be provided in communication and journalism theories and mass media research. The syllabus is designed in such a way that the latest developments in the ever-changing media sector can be easily incorporated in classroom teaching.

The objectives of the course are:

- 1) To hone the Journalistic and research skills through practical work, assignments project reports, seminars, and workshops and to acquaint student with advanced journalism and media practices.
- 2) To fully acquaint students with the need to maintain an even balance between practical, theoretical and conceptual aspects of media professions and lend them a critical understanding of the communication package as a whole.
- 3) To offer appropriate grounding in the issues, ideas and challenges of 21st century thereby broadening the world view of the future Communication practitioners.
- 4) To develop multi-tasking skills required in the dynamic multi-media and convergent environment.

PROGRAM OUTCOMES

- ✦ The students learn competencies and skills required by the media world.
- ✦ They will be well-integrated in the industry, being industry-ready at the outset.
- ✦ The students would have acquired great confidence by the end of the course, having had hands-on experience with media softwares, intensive training in media writing, and media exposure in journalistic writing, through informal internships.

Master of Arts in Journalism & Mass Communication (MAJMC)

It is a Post Graduate (PG) Program of 2 years duration (4 Semesters)

Eligibility for Admission: Graduation with 50% Percent in any stream from UGC recognized Universities.

Note: Students enrolling for this course may write their assignments and final examination in English or Hindi or Punjabi only. The Question papers will be set in English language only

Courses & Examination Scheme:

- Lewis, Bruce. *Technique of Television Announcing*. Focal Press.
- Watching TV news channels (regional, national and international) □ Reading newspaper and magazine articles on current trends in TV.

Course-IV

Communication Theory and Practice

(UC/MAJMC-204-2018)

Objective

Make students conversant with concepts of Mass Communication by making effective use of theories of press and reprinting on structure of media organization.

Unit 1- The Rise of Mass Communication: Media as an important social institution, Concept of 'Mediation Development of media technologies, The concepts of 'Mass' and 'Mass Society', the process and characteristics of 'Mass Communication', Development of communication models and thoughts, Modernity and mass communication. Political communication in India: Post independence movements. International and Political

Head
Department of Journalism & Mass Communication
IK Gujral Punjab Technical University

Paresh Namrata Joshi

116

IK Gujral Punjab Technical University
MA Journalism & Mass Communication

Communication: Issues of NWICO, Multinational ownership of media, media imperialism

Unit 2- Media: Role and Functions: The functionalist and normative issues, Theories of the Press, Media Norms: Range and levels of expressions of norms, The political-economic perspectives, Marxist view and the concept of cultural hegemony, persuasion and propaganda, Media as a democratic institution.

Unit 3- Media Structure and Organizations: Features of media economy, Media ownership and control, competition and concentration, Policy issues: Freedom, Regulation, Protection, Diversity, Public interest, economic pressures and cultural issues, Media Organization: Forms and goals, Pressure groups and dynamic interests, Relations with society, clients and audiences.

Unit 4- Media Content: Freedom and gate-keeping, Content production- cultural production, Standardization and Genres, Issues: Bias, Representation, and commercialization, Audiences and Media Effects: Centrality of audiences in communication discourse, Audience behavior, Uses and gratification, three traditions of audience studies, Media Effects, Agenda setting, Framing, Cultivation Diffusion, Spiral of silence. Media Convergence: Convergence: Conceptual framework, Technological dimension, Economic dimension, Socio-cultural dimensions,.

Internal Assessment (40): Essay-type assignments, monitoring of the media, interviews with sociologists and communication scientists, etc.

Outcome:

1. Students will identify various theories of communications
2. Students will have knowledge of different media organizations.
3. Assess the media effect and convergence
4. Students will be able to make effective use of media for communication.
5. Students will have a critical understanding of the mass communication

Suggested reading:

McQuail, Denis: *Mass Communication Theory* (2000). London: Sage.

Course-V

Environment Journalism

(UC/MAJMC-205-2018)

Objective:

To conveyer understand of evolution of development journalism, communication social change and analyses of development news in the media.

Unit 1- Environment and development: What is environment? Basic concepts and perspectives, globa local issues. Environment and society, relation with development, economy and health, sustainable develop Need of environment journalism, future prospective, National Geographic to New media.

Namanta Joshi
[Signature]

[Signature]

[Signature]

[Signature]

Department of Journalism & Mass Communication
IKG Punjab Technical University
Kapurthala-141003 (Pb)

Unit 2- National perspective: India's national environment policy, background, principles, instrument institutions involved. Center versus states, national and local issues, conflict resolution and cooperation, sit in Maharashtra. Role of NGOs, advocacy for environment protection, people's rights and environment, traditional practices and modern ways to protect environment, public awareness

Unit 3- Climate change: Why and how of global warming, basic terminology. Impact of climate and response of the communities and governments, need for international cooperation, the IPCC, Kyoto and protocols, politics of development, developed vs. developing nations. Reporting climate change, developing sources and insight, assessing impact global warming on local level.

Unit 4- Biodiversity: What is biodiversity? Importance and impact. Wild life, endangered species, nee conservation, natural habitats and communities Reporting nature and bio-diversity, diversity of issues, Water Pollution and Waste management: Water as a vital resource, pollution of water, sanitation and sewage treatment plants, industrial waste. World water situation and conflict potentials, degradation and desertification. Waste management in cities and semi-urban setup, problems and solutions. Renewable energy sources: solar, wind, sea tides, etc. Nuclear Energy: history, hopes and Dreams, health and safety problem of radioactive waste, nuclear technology, industry and economy, world scenario and India.

Internal Assessment: (40) Analysis of environment news in the media, quizzes on environment-related issues.

Outcome:

1. Students will be familiar with development coverage of news in media
2. Student will learn the analysis of development news in media
3. Understand the dimensions of communication
4. Asses the Indian development model
5. Students will have knowledge of development journalism in pre-Independence India

Suggested reading:

- Specialized publications about environment like Down To Earth Watching program
- Discovery, National Geographic Watching documentaries about environment etc

Course-VI

Business Journalism

(UC/MAJMC-206-2018)

Objectives:

Make students conversant with an understanding of fundamentals of India economy to help them improve their knowledge of world economy, contemporary issues related to business and commerce.

Unit 1- Understanding Economy: Basic principles of economy, important economic terms. Growth and development, environment concerns, employment generation, Price rise

Namarta Joshi

JK Gujral Punjab Technical University
MA Journalism & Mass Communication

and inflation. Economics of agriculture and rural economy, urban economy, manufacturing and service sector, small scale industry and micro-enterprises

Unit 2- Fundamentals of Indian Economy: Growth and progress of Indian economy. Finance system in India, role of finance and planning commissions, role of RBI, Federal economic structure and revenue sharing. Changes in economic policy: From mixed economy to liberalization and Privatization. Information Technology, Ecommerce, Issues related to SEZ, Central and state budgets, How budgets are prepared, understanding budget. Problem of black money and corruption, anti- corruption mechanism. Contemporary issues related to Indian economy

Unit 3- World Economy: Capitalism, communism, socialism and other perspectives. Process of globalization and liberalization. New International Economic order (NIEO). World economic bodies and forums, regional economic forums, economy and international politics. India's place in world economy, contemporary issues related to world economy. Editing- Overview of special economic pages, supplements, newspapers and journals, business news channels. Designing special economic pages and budget issues. Ethical issues of business journalism, Media and business relations.

Unit 4- Corporate World and Cooperative Movement: Structure of corporate and private companies. How to find information about private and public companies. Analyzing a company's financial performance. Interaction with corporate sources, Tracking CSR. Public-private partnership (PPP). History and development of cooperative movement and its relevance. Contemporary issues related to business, industry and commerce. Business Journalism: Reporting- Business and industry as a beat, Sources of news on business. Using and analyzing financial data, developing business story ideas; writing stories from press releases. Investigative reporting in business sector

Internal assessment (40 marks): Visit to a news organization's business section, Stock exchange, Attending AGMs covering press conferences or events, reading a company balance sheet, study of business newspapers and channels, etc.

[Handwritten signatures and marks]

COUSE-VII

Practical Work

(UC/MAJMC-207-2018)

Objective

To teach the writing of a press release, to impart practical skills to the students for preparing print journal

	Internal assessment	100 marks
1	Experimental Journal Students have to work in the production of at least one print journal or one news board audio/video production	60 marks

1	External Assessment either	
	Semester-end evaluation (Viva-voce)	40marks
	<p>Internal faculty will assess each student as Per the details given below.</p> <p>Internship and other activities: This internship has to be done before the end of Sem. II. It is mandatory to do it in a newspaper office. The minimum requirement is 60 hours of work for 15 days @ four hours a day.</p> <p>A file containing a detailed report about the internship (containing details of schedule and nature of work, copies of published and unpublished material, and assessments by concerned authority); and all the written assignment for other subjects has to be submitted to the external examiner.</p> <p>Using the file as reference, the External Examiner will interview the student about internship as well as other activities during the semester</p>	

Outcome:

1. Come out with a print journal
2. Come out with a news based production from either radio or TV or Internet.
3. Learn about basic skills of news writing
4. Exposure to media houses will hone practical knowledge of the field of journalism 5. Learn the design and layout of a newspaper.

Semester-III

Course-I

Radio & TV Journalism (2)

(MAJMC301-

19)

Objectives:

- To train the students in recognizing various audio aesthetics.
- To understand basic audio recording techniques.
- To familiarize the fundamentals of audio and post-production techniques with more emphasis on advanced optional techniques.
- The course aims to equip the students with the relevant practical knowledge required in the field of radio and TV.
- In-depth experience how to communicate with the masses through radio and TV.

Unit-I

Radio

- Characteristics, history, development, organization structure of Radio station.
- Making of a radio station
- Acoustics
- Microphones
- Use and mixing of sound, audio, effects, music
- Importance of Voice modulation in Radio

Unit-II

- Key elements of radio writing
- Announcement, talks, features-documentaries, plays, dialogue
- Writing, newsreel, discussion, interviews, news writing,
- Commercial/jingles
- Importance of silence, AM, FM, music scheduling

Unit-III

Television

- Characteristics, history, development, organization structure of TV station
- Making of a television studio, crew
- Key elements of television writing
- Television news, documentary/features, discussions, interviews, dramas
- Commercial Programme

Unit-IV

- Kinds of cameras, camera mountings, angles, movements, shots
- Picture composition
- Logging, editing, dubbing graphics, special effects
- Lighting

Head
Department of Journalism & Mass Communication
IKG Punjab Technical University

IK Gujral Punjab Technical University
MA Journalism & Mass Communication

- Art direction
- Costumes, make up

Internal Assessment (40): Basic functions of camera, documentary and interview exercises, analysis and discussion of news bulletins etc.

Outcome:

1. Students will become aware about the structures of radio and TV.
2. Students will be exposed to different equipment's of radio and TV.
3. To familiarize the students with different radio programming formats.
4. To make students understand the principles of production management.
5. To get students introduced to the innovative developments in radio communication.

Course-II

Media Research Methods

(MAJMC302-

19)

OBJECTIVES:

- To provide insights about communication research.
- To try out quantitative and qualitative research approaches.
- To provide students with tools to conduct situation assessments that are informed by Participatory, human-rights principles.
- To make the students able to analyze data to guide strategic decisions.
- To understand how to monitor and evaluate communication for development programmes.

Unit-I

- Research: Concept, Definition, Nature and scope
- Type of Research and importance of research
- Elements of research
- Areas of media research
- Development and growth of communication research

Unit-II

- Research Designs: Experimental design and semi experimental design, exploratory, descriptive design
- Longitudinal research: Trend analysis, cohort analysis, panel studies
- Research Methods: Qualitative and quantitative
- Observation, case study, interview
- Content Analysis, Survey method

Unit-III

- Feed forward and feedback, NRS, TRP, opinion polls
- Sampling methods: probability and non-probability
- Hypotheses: Meaning, Characteristics
- Data Collection tools
- Sources of data: Data coding, tabulation

Unit-IV

- Introduction to Statistics
- Introduction to Statistical software
- Research Ethics
- Research synopsis
- Research report writing

Internal Assessment (40)

Outcome:

- The students will familiarize themselves with the basics of research.

Head
Department of Journalism & Mass Communication
IKG Punjab Technical University

IK Gujral Punjab Technical University
MA Journalism & Mass Communication

- The students will develop practical knowledge on quantitative and qualitative methods of research.
- Become aware of the ethical issues in Communication research.
- Learn to design and execute independent research projects using the methods learnt in the class.
- Understanding the various research methods and tool, including their benefits and shortcomings

Course-III

NEW MEDIA (2)

(MAJMC 303-

19)

Objective:

- To impact digital media literacy among the students.
- Basic concept of new media as well as role of digital media in the society.
- Become a critical consumer of information.
- Become a better writer and more analytical thinker.
- Acquire an understanding of the historical context, current trends and future projections of digital Communication method.

Unit-I

- Introduction to new media technology
- Internet, its historical perspective
- Information and communication technology
- Basic understanding of Internet from the viewpoint of Mass Communication

Unit-II

- Understanding of basic terminology like news group, Web servers, Web Browsers, URL, Home Page, Search engine, Internet Protocols. - Basic knowledge of Multimedia. - Internet Protocols
- Web page, social media
- Search resources

Unit-III

- Web page development, inserting, linking; editing and publishing
- Cyber Journalism: on-line editions of newspapers- management and economics: cyber newspapers-creation, feed, marketing, revenue and expenditure, online editing and publishing. -Merits and demerits of cyber journalism over traditional newspapers, socio-economic aspects of cyber journalism

Unit-IV

- Use of social media in politics
- Revenue model of social media
- Cyber security
- New media ethics

Internal Assessment (40)

Head
Department of Journalism & Mass Communication
IKG Punjab Technical University
Kapurthala-146001

Outcomes:

1. Students will learn to use the new media technology.
2. Use the Search engine.
3. Learn to create a blog and how to use blogging to show personal thought.
4. Learn web page development
5. Learn online editing and publishing

Course-IV

INTERNATIONAL&INTERCULTURAL COMMUNICATION (MAJMC 304-19)

Objective:

- Introduce to the students the concept of International Communication.
- Make them familiar with various media giants of International Media.
- Introduce students with the concept of globalization and its impact on media.
- Make them familiar with flow of media, imbalance in digital age.

Unit-I

- Definition, concept and scope
- Relationship between culture and communication
- Basic understanding of culture as a social institution - value systems
- Inter-Cultural communication
- Modern mass media as vehicles of inter- cultural communication

Unit-II

- Barriers in inter-cultural communication
(Reference to religious, political and economic pressures, inter-cultural conflicts and Communication)
- Impact of new technology on culture
- Globalization effects on culture and communication
- Mass media as a culture manufacturing industry
- Culture, communication and folk media

Unit-III

- Definitions and issues in International Communication
- Political, economic and cultural dimensions of international communication
- Communication and information as a tool of equality and exploitation
- International news flow-imbalance

Head
Department of Journalism & Mass Communication
IKG Punjab Technical University

IK Gujral Punjab Technical University
MA Journalism & Mass Communication

- International, regional and internal disparities in media growth
- Communication as a human right

Unit-IV

- International news agencies and syndicates, their organizational structure and functions
- Critique of western news values, Information- prompted Cultural imperialism
- Impact of new communication technology on news flow - satellite communication- its historical background-status-progress-effects-information super highways-international telecommunication and regulatory organizations
- Effects of globalization on media systems and their functions
- NWICO, major players in international communication

Internal Assessment (40)

Outcomes:

- The course will provide the better understanding of intercultural Communication
- Have knowledge about various media giants of International media
- Become increasingly more culturally aware, sensitive and intelligent
- Explore issues related to intercultural communication.
- Students will be introduced to historical and contemporary concepts, ideas and framework.

Course-V

Environment Journalism

(MAJMC-305-19)

OBJECTIVES:

- To know the implications of the Environmental (Protection) Act, 1986.
- To know about various natural resources and their associated problems.
- To find ways to tackle the issue of environment versus development in the media.
- To sensitize students about the intricacies concerning environmental coverage in the media.
- To discuss the challenges connected with environment.

UNIT I

NATURE OF ENVIRONMENTAL STUDIES:

Definition – Ecology, environment – Scope and importance – Different eco-systems – Interdisciplinary nature of environmental studies – Need for public awareness – The Environmental (Protection) Act, 1986 – Coastal Regulation Zone, 2011.

UNIT II

ENVIRONMENTAL POLLUTION

Definition – Causes, effects and control measures of air pollution, water pollution, soil pollution, Marine pollution, noise pollution, thermal pollution, nuclear hazards – solid waste management: causes, effects and control measures of urban and industrial wastes – Zero waste technologies – Role of an individual in prevention of pollution – Pollution case studies.

UNIT III

SOCIAL ISSUES AND ENVIRONMENT

From unsustainable to sustainable development – urban problems related to energy – water conservation, rainwater harvesting, watershed management – Resettlement and rehabilitation of People – Environmental ethics – climate change, global warming, acid rain, ozone layer depletion,

Head
Department of Journalism & Mass Communication

Sea level rise – Nuclear accidents and holocaust – Wasteland reclamation.

UNIT IV

ROLE OF MEDIA

Science, technology and environment

Designing environmental media programmes

– Use of media for environmental, messages – Moving from peripheral environmental coverage to

Holistic coverage –Media in environmental management.

Internal Assessment (40)

OUTCOMES:

- The students will get familiarized with the interdisciplinary nature of environmental studies.
- The students will gain knowledge on various social issues and environment.
- To make students understand the role of media in communicating environmental messages.
- Learn how to write environmental at features.
- Will become more aware that how the environment can be saved.

Course-VI

INTRODUCTION TO MARKETING

(MAJMC 306-19)

OBJECTIVES:

- This course is designed to provide students with an understanding of the Principles of marketing.
- Focus on the management of the marketing activities and how it relates to overall organizational function.
- To know about marketing environment and product life cycle.
- To find ways to tackle Marketing Research & Marketing Information System versus development in the media.
- How to identify and analyze concise marketing opportunities and develop strategic marketing plans

UNIT I

Marketing: Meaning – Scope – Importance – Approaches to the study of Marketing – Marketing Concept – Market Segmentation: Meaning – Bases for segmentation – Uses. Marketing Mix: Four P's in marketing – Marketing Planning – Importance – Types of planning.

UNIT II

Marketing Environment – External factors – Internal factors – Consumer Behaviour – Meaning and importance – Consumer buying process – Determinants of consumer behaviour — Product Mix Management: Product planning and development – New Product development – Product Life Cycle – Meaning – Stages – Managing PLC – Product positioning – Branding – Packaging

UNIT III

Price Mix Management: Factors affecting pricing – Pricing and pricing policies – Objectives – Procedures – Methods of price fixation – Administered and regulated prices. Promotional Mix: Personal selling Vs Impersonal selling – Personal selling process – Steps in selling – Compensation plans – Evaluation of salesmen performance

IK Gujral Punjab Technical University
MA Journalism & Mass Communication

UNIT IV

Advertising: Importance – Objectives – Media planning campaign and selection – Factors influencing selection – Advertising copy – Layout – Evaluation of advertising – Advertising budget – Sales Promotion methods – Publicity – Sales promotion tools.

Internal Assessment (40)

OUTCOMES:

- Have a working knowledge of the four stages of marketing planning cycles.
- Know how to plan and implement a media campaign.
- Understanding the importance of advertising techniques
Learn the importance of media situation.
- To have knowledge of preparing advertising copy.

Course-IV

RESEARCH DISSERTATION

(MAJM- 405-19)

OBJECTIVES

1. This course offers students the opportunity to develop media expertise by working with the professionals in the field.
2. Encourage the students to choose the research topic relevant to today's times.
3. Develop student's critical reading and writing skills.
4. Train students to collect, analyze, interpret and present data.
5. Explore the role of data in formation of research report.

Since Masters of Arts in Journalism, Advertising and Mass Communication is an integrated course, the students are required to register themselves for a dissertation topic and start initial work on the dissertation latest by second semester. The topic must be finalized by the end of the first month of the second semester in consultation with the faculty member guide assigned to the student while the synopsis must be submitted by the end of the second semester. By the end of the fourth and last semester, each student is expected to submit four copies of the dissertation and a soft copy of their thesis. Each student with his/her dissertation will be subjected to a viva voce by an external examiner approved by the Punjab Technical University upon completion.

OUTCOMES

1. This course will develop the confidence and communication skills among the students.
2. The students will learn how to prepare the synopsis and writing a research report.
3. The importance of library and internet in the research will become clear through this course.

IK Gujral Punjab Technical University
MA Journalism & Mass Communication

4. The students will develop the skills of giving presentation.
5. Level of patience will be increased.

UC/BAJMC 205-18: Media Lab

Objectives: The aim of this paper isto provide a better position to write creative piece of writing.

Unit-I

PR Report Writing

[Handwritten signatures and notes]

Naimarta Joshi

158

Public Speaking/ Develop spoken language skills

Unit-II

Making of Print & Electronic Advertisements

Unit-III

Conducting Surveys and other media research assignments

Unit-IV

News Writing, Feature Writing and Creative writing Exercises.

Reporting Skills and Assignments

Outcomes:

1. It will become easy to work as PRO with any organization.
2. The basics of ad making will become more clear after practically making them in lab.
3. The students will have an option to work as researcher with any media organization.
4. The art of reporting will prepare them for actual field work assignments.
5. They will be in a better position to write creative piece of writings.

Ability Enhancement Compulsory Course

UC/ EVS102-18 Environmental Studies

<u>Course Code</u>	<u>Course Type</u>	<u>Course Title</u>	<u>Load Allocations</u>			<u>Marks Distribution</u>		<u>Total Marks</u>	<u>Credits</u>
						<u>Internal</u>	<u>External</u>		
UC/EVS 102-18	Ability Enhancement Compulsory Course (AECC)-III	Environmental Studies	2	0	0	40	60	100	2

Course Outcomes:

1. Students will enable to understand environmental problems at local and national level through literature and general awareness.
2. The students will gain practical knowledge by visiting wildlife areas, environmental institutes and various personalities who have done practical work on various environmental Issues.
3. The students will apply interdisciplinary approach to understand key Environmental issues and critically analyze them to explore the possibilities to Mitigate these problems.

4. Reflect critically about their roles and identities as citizens, consumers and environmental actors in a complex, interconnected world

UNIT-1: Introduction to Environmental Studies

Multidisciplinary nature of Environmental Studies: Scope & Importance Need

for Public Awareness

UNIT-2: Ecosystems

Concept of an Ecosystem: Structure & functions of an ecosystem (Producers, Consumers & Decomposers)

Energy Flow in an ecosystem: Food Chain, Food web and Ecological Pyramids Characteristic features, structure & functions of following Ecosystems:

- Forest Ecosystem
- Aquatic Ecosystem (Ponds, Lakes, River & Ocean)

UNIT-3: Natural Resources

Renewable & Non-renewable resources

Forest Resources: Their uses, functions & values (Biodiversity conservation, role in climate change, medicines) & threats (Overexploitation, Deforestation, Timber extraction, Agriculture Pressure), Forest Conservation Act

Water Resources: Their uses (Agriculture, Domestic & Industrial), functions & values, Overexploitation and Pollution of Ground & Surface water resources (Case study of Punjab), Water Conservation, Rainwater Harvesting,

Land Resources: Land as a resource; Land degradation, soil erosion and desertification

Energy Resources: Renewable & non-renewable energy resources, use of alternate energy resources (Solar, Wind, Biomass, Thermal), Urban problems related to Energy

UNIT-4: Biodiversity & its conservation

Types of Biodiversity: Species, Genetic & Ecosystem

India as a mega biodiversity nation, Biodiversity hot spots and biogeographic regions of India

Examples of Endangered & Endemic species of India, Red data book

UNIT-5: Environmental Pollution & Social Issues

Types, Causes, Effects & Control of Air, Water, Soil & Noise Pollution

Nuclear hazards and accidents & Health risks

Global Climate Change: Global warming, Ozone depletion, Acid rain, Melting of Glaciers & Ice caps, rising sea levels

Environmental disasters: Earthquakes, Floods, Cyclones, Landslides

UNIT-6: Field Work

Visit to a National Park, Biosphere Reserve, Wildlife Sanctuary

Namrata Joshi

Documentation & preparation of a Biodiversity (flora & fauna) register of campus/river/forest
Visit to a local polluted site: Urban/Rural/Industrial/Agricultural

Identification & Photography of resident or migratory birds, insects (butterflies)

UC/ BMPD202-18 (2nd -SEMESTER) Guidelines regarding Mentoring and Professional Development

The objective of mentoring will be development of:

- Overall Personality
- Aptitude (Technical and General)
- General Awareness (Current Affairs and GK)
- Communication Skills
- Presentation Skills

The course shall be split in two sections i.e. outdoor activities and class activities. For achieving the above, suggestive list of activities to be conducted are:

Part - A (Class Activities)

1. Expert and video lectures
2. Aptitude Test
3. Group Discussion
4. Quiz (General/Technical)
5. Presentations by the students
6. Team building Exercises

[Handwritten signature]

[Handwritten signature]

[Handwritten signature]

[Handwritten signature]

Namrata Joshi

Part – B
(Outdoor Activities)

3. Sports/NSS/NCC
4. Society Activities of various students chapter i.e. ISTE, SCIE, SAE, CSI, Cultural Club, etc.

Evaluation shall be based on rubrics for Part – A & B
Mentors/Faculty incharges shall maintain proper record student wise of each activity conducted and the same shall be submitted to the department.

AECC (For UGC courses) UC/BTHU103/19

English:

Course Outcomes:

- The objective of this course is to introduce students to the theory, fundamentals and tools of communication.
- To help the students become the independent users of English language.
- To develop in them vital communication skills which are integral to their personal, social and professional interactions.
- The syllabus shall address the issues relating to the Language of communication.
- Students will become proficient in professional communication such as interviews, group discussions, office environments, important reading skills as well as writing skills such as report writing, note taking etc.

The recommended readings given at the end are only suggestive; the students and teachers have the freedom to consult other materials on various units/topics given below. Similarly, the questions in the examination will be aimed towards assessing the skills learnt by the students rather than the textual content of the recommended books. **Detailed Contents:**

Unit - 1 (Introduction)

- Theory of Communication
- Types and modes of Communication

Unit- 2 (Language of Communication)

- Verbal and Non-verbal
- (Spoken and Written)
- Personal, Social and Business
- Barriers and Strategies
- Intra-personal, Inter-personal and Group communication

Unit-3 (Reading and Understanding)

- Close Reading
- Comprehension
- Summary Paraphrasing
- Analysis and Interpretation
- Translation (from Hindi/Punjabi to English and vice-versa)

OR

Precis writing / Paraphrasing (for International Students)

- Literary/Knowledge Texts

Unit-4 (Writing Skills)

- Documenting
- Report Writing
- Making notes
- Letter writing

Recommended Readings:

1. *Fluency in English - Part II*, Oxford University Press, 2006.
2. *Business English*, Pearson, 2008.
3. *Language, Literature and Creativity*, Orient Blackswan, 2013.

UC/HVPE101/19	Ability Enhancement Compulsory Course (AECC)	Human Values, De-addiction and Traffic Rules
---------------	--	--

Total no. of Lectures: 28, [L-T-P: 3-0-0]

Content for Lectures:

Module 1: Course Introduction - Need, Basic Guidelines, Content and Process for Value Education

[6]

1. Understanding the need, basic guidelines, content and process for Value Education
2. Self-Exploration—what is it? - its content and process; 'Natural Acceptance' and Experiential Validation- as the mechanism for self-exploration
3. Continuous Happiness and Prosperity- A look at basic Human Aspirations
4. Right understanding, Relationship and Physical Facilities- the basic requirements for fulfilment of aspirations of every human being with their correct priority
5. Understanding Happiness and Prosperity correctly- A critical appraisal of the current scenario
6. Method to fulfil the above human aspirations: understanding and living in harmony at various levels

Module 2: Understanding Harmony in the Human Being - Harmony in Myself! [6]

7. Understanding human being as a co-existence of the sentient 'I' and the material 'Body'
8. Understanding the needs of Self ('I') and 'Body' - *Sukh* and *Suvidha*
9. Understanding the Body as an instrument of 'I' (I being the doer, seer and enjoyer)
10. Understanding the characteristics and activities of 'I' and harmony in 'I'
11. Understanding the harmony of I with the Body: *Sanyam* and *Swasthya*; correct appraisal of Physical needs, meaning of Prosperity in detail
12. Programs to ensure *Sanyam* and *Swasthya*
- Practice Exercises and Case Studies will be taken up in Practice Sessions.

Module 3: Understanding Harmony in the Family and Society- Harmony in Human-Human Relationship [6]

13. Understanding harmony in the Family- the basic unit of human interaction
14. Understanding values in human-human relationship; meaning of *Nyaya* and program for its fulfilment to ensure *Ubhay-tripti*; Trust (*Vishwas*) and Respect (*Samman*) as the foundational values of relationship
15. Understanding the meaning of *Vishwas*; Difference between intention and competence
16. Understanding the meaning of *Samman*, Difference between respect and differentiation; the other salient values in relationship
17. Understanding the harmony in the society (society being an extension of family); *Samadhan*, *Samridhi*, *Abhay*, *Sah-astitva* as comprehensive Human Goals
18. Visualizing a universal harmonious order in society- Undivided Society (*Akhand Samaj*), Universal Order (*Sarvabhaum Vyavastha*)- from family to world family!

BMPD302-18 (4th-SEMESTER)

Guidelines regarding Mentoring and Professional Development

The objective of mentoring will be development of:

- Overall Personality
- Aptitude (Technical and General)
- General Awareness (Current Affairs and GK)
- Communication Skills
- Presentation Skills

The course shall be split in two sections i.e. outdoor activities and class activities.

For achieving the above, suggestive list of activities to be conducted are:

Part – A (Class Activities)

1. Expert and video lectures
2. Aptitude Test
3. Group Discussion
4. Quiz (General/Technical)
5. Presentations by the students
6. Team building Exercise

Part – B

(Outdoor Activities)

5. Sports/NSS/NCC
6. Society Activities of various students chapter i.e. ISTE, SCIE, SAE, CSI, Cultural Club, etc.

Evaluation shall be based on rubrics for Part – A & B

Mentors/Faculty incharges shall maintain proper record student wise of each activity conducted and the same shall be submitted to the department.

BMPD402-18 (4th-SEMESTER)

Guidelines regarding Mentoring and Professional Development

The objective of mentoring will be development of:

- Overall Personality
- Aptitude (Technical and General)
- General Awareness (Current Affairs and GK)
- Communication Skills
- Presentation Skills

The course shall be split in two sections i.e. outdoor activities and class activities. For achieving the above, suggestive list of activities to be conducted are:

Part – A (Class Activities)

1. Expert and video lectures
2. Aptitude Test
3. Group Discussion
4. Quiz (General/Technical)
5. Presentations by the students
6. Team building Exercise

Part – B

(Outdoor Activities)

7. Sports/NSS/NCC
8. Society Activities of various students chapter i.e. ISTE, SCIE, SAE, CSI, Cultural Club, etc.

Evaluation shall be based on rubrics for Part – A & B

JK Gujral Punjab Technical University

Mentors/Faculty incharges shall maintain proper record student wise of each activity conducted

and the same shall be submitted to the department
