List of New Courses Introduced in 2022-23

Programme	Subject Code	Subject / Course
PhD Environmental Science	PHAS - 901	Research Methodology
PhD Environmental Science	RPE	Research and Publication Ethics
PhD Environmental Science		Recent Advances in Environmental Science
PhD Environmental Science		Soil and Environment
PhD Environmental Science		Disaster Management
PhD Environmental Science	ESL964	LABORATORY PRACTICES AND SAFETY
MSc Environment Science	MEVS101	Fundamentals of Environment Science
MSc Environment Science	MEVS102	Ecology and Ecosystem Dynamics
MSc Environment Science	MEVS103	Earth Processes and Natural Hazards
MSc Environment Science	MEVS104	Energy and Environment
MSc Environment Science	MEVS105	Biodiversity Conservation and Natural resource Management
MSc Environment Science	MEVS106	Agriculture and Sustainability
MSc Environment Science	MEVS107	Lab Course -I (Ecology and Ecosystem Dynamics)
MSc Environment Science	MEVS108	Lab Course-II (Biodiversity Conservation and Natural resource Management)
MSc Environment Science	MEVS201	Environment Monitoring and Pollution control
MSc Environment Science	MEVS202	Solid and Hazardous Waste Management
MSc Environment Science	MEVS 203	Environment Chemistry and Toxicology
MSc Environment Science	MEVS204	Analytical Techniques and Instrumentation
MSc Environment Science	MEVS501	Aquatic Environment
MSc Environment Science	MEVS502	Laboratory Safety

 Head.
 Department of Chemistry
 IKG Punjab Technical University
 Kapurthala-144603 Punjab (India)

MSc Environment Science	MEVS P 205	Lab Course-I (Environment Chemistry & Toxicology and Environment Monitoring and Pollution control)
MSc Environment Science	MEVS 206	Lab Course-II (Analytical Techniques & Instrumentation)
MSc Environment Science	MEVS 207	*Industrial Visit/ Field Trip
MSc Environment Science	MEVS301	Climatology and Meteorology
MSc Environment Science	MEVS 302	Environment Management Plan: EIA and Auditing
MSc Environment Science	MEVS 303	Remote Sensing and GIS
MSc Environment Science	MEVS 304	Hydrology and Water Resources
MSc Environment Science	MEVS503	Environment Toxicology and Bioremediation
MSc Environment Science	MEVS504	Natural Disaster Management
MSc Environment Science	MEVS305	Lab Course-I (EIA and Auditing)
MSc Environment Science	MEVS306	Dissertation and Seminar
MSc Environment Science	MEVS 401	Environment Laws, Ethics and policies
MSc Environment Science	MEVS505	Environment Biotechnology
MSc Environment Science	MEVS506	Watershed management
MSc Environment Science	MEVS402	Dissertation
