The Board took the agenda and following decisions were taken:

- The members deliberated on the scheme and detailed syllabus of **B.Tech-CSE, university campuses batch 2018** and finalized the same. The board proposed the revoke of semester courses, against 7th /8th semester training and suggested that the semester training can be offered at the institute level also for projects under learned faculty of university campuses, as per possibilities, along with the already prescribed forms, from time to time, of Industrial semester training.

Further, the list of OPEN ELECTIVES can also be covered through MOOCs of Swayam/ NPTEL courses of 12 weeks along with certification. The list of these MOOCs will be provided by MOOCs coordinator of the institute, duly approved by the Chairperson of the BoS, as applicable from time to time. It is pertinent to mention that students can also opt for open electives offered by other departments of the institute.

The scheme and syllabus, B.TECH – CSE 2018, university campuses, is enclosed with the MoM.

For the batch 2019, B.Tech- CSE 5th semester, University campuses, the syllabus will remain same as to what is proposed and finalized for all other campuses.

The scheme and syllabus, B.TECH – CSE 2019, university campuses, is enclosed with the MoM.

- The board discussed on the scheme of **B.Tech(Computer Engg.) 2019 onwards** and finalized the same.

The detailed syllabus of 5th semester was approved.

The scheme and syllabus is enclosed with the MoM

- The board discussed on the scheme of **B.Tech(Software Engg.) 2019 onwards** and finalized the same.

The detailed syllabus of 5th semester was approved.

The scheme and syllabus is enclosed with the MoM

- The members also reached on the consent that for all the New B.Tech – CSE specialized programs, started w.e.f. July 2020, as mentioned in agenda item no. 4, the scheme and syllabus will remain same as that of B.Tech – CSE, 2018 onwards scheme and syllabus till 4th semester. Further, from the 5th semester onwards the scheme will remain the same along with the list of all core courses mentioned, only the list of electives will be varied and provided specific to the specialized program.

Based on the above decision the scheme and syllabus till 4th semester for B.tech- CSE (AI & ML), B.tech-CSE(Data Science), B.tech- CSE (IoT& Cyber security including BlockChain Technology) 2020 batch onwards, is enclosed with the MoM

- The board revisited on the **eligibility** of M.Tech- CSE(Cyber Security) and M.tech (Artificial Intelligence) and it was agreed that it will be:
B.E. / B. Tech. (CSE/ IT/ Software Engg./ Computer Engg./ Software Systems/ Information Security/ Cyber Security/ Computational Engg./ Machine learning/ IoT/ Data Science) with atleast 50% (45% in case of candidate belonging to reserved category).

The board was of the opinion that though CDAC, where these programs are being run, is requesting to include Electronics and other relevant branches as eligibility, but same can not be considered keeping in line with the GATE entrance exam eligibility for M.Tech- CSE. It is reinforced here that GATE, is national level M.Tech entrance exam.

Also it was focused that the core courses required for M.Tech(CSE), particularly specialized programs as Artificial Intelligence and Cyber Security, as a prerequisite are not included in B.Tech programs other than included above.

Further, eligibility of M.Tech(CSE) of IKGPTU is similar to above and does not include B. Tech(Electronics and related fields) as eligibility.

- The members appreciated the draft of PhD new scheme from Jan 2021, as proposed by the RIC department, based on the guidelines of UGC and urged its implementation.
- The mapping report of B.Sc.(CS) from Wilfrid Laurier University, Canada with B.Tech (CSE), IKGPTU was prepared and observations were recorded. **The report is enclosed along with the MoM.**
- The summer training for 4th Semester students, batch 2019 only, has been proposed during the 5th semester vide letter no. IKG-PTU/DA/2470 dated 12-3-21, due to the pandemic situation. The board decided that the same can be covered through:
Online Industrial Internships
OR
MOOCs of Swayam/ NPTEL courses of 12 weeks along with certification. The list of these MOOCs will be provided by MOOCs coordinator of the institute, duly approved by the Chairperson of the BoS, as applicable from time to time
OR
Institute level with 60 hrs. training module.

I.K. GUJRAL PUNJAB TECHNICAL UNIVERSITY
Board of Studies in
Electronics and Communication Engineering

(Minutes of Meeting)

A meeting of the Board of Studies (Electronics and Communication Engineering) constituted vide Notification No. IKGPTU/Reg/NF/26 dated 01/03/17 was held on July 05th, 2017 at 10:00 am in Conference Hall, 2ndFloor, Department of Academics, G+3 Building, Main campus, IK Gujral Punjab Technical University Jalandhar, Jalandhar-Kapurthala highway, Punjab.

The agenda of the meeting was to review and revise the scheme of B.Tech. (Electronics and Communication Engineering) being run in main campus & affiliated colleges and to discuss any other matter with the permission of Chair.

Following members of the BOS were present and actively participated:

- | | |
|----------------------------|--------------------------------|
| 1. Dr. Avtar Singh Buttar | Chairman(Professor) |
| 2. Dr. Sandeep Singh Gill | Member (Professor) |
| 3. Dr. Harbhajan Singh | Member (Professor) |

| 6. Dr. Jaswinder Singh | Member (Assoc. Professor) |
| 7. Dr. Rakesh Goyal | Member (Asstt. Professor) |
| 8. Dr. Amit Gupta | Coordinator (Asstt. Professor) |
| 9. S. Navdeepak Sandhu | Member (T&P) |

Special invitee

- | | |
|------------------------------|---|
| 1. Dr. Kamaljit Singh Bhatia | Asstt. Professor, IKG PTU, Batala Campus |
| 2. Dr. Rakesh Kumar | Asstt. Professor, IKG PTU, Bhikiwind Campus |

Following members of BOS could not attend the meeting:

- | | |
|-------------------------|---------------------------|
| 1. Dr. Nina Gupta | Member (Outside Expert) |
| 2. Dr. Dharminder Singh | Member (Outside Expert) |
| 3. Dr. Charanjit Singh | Member (Professor) |
| 4. Er. Reetipal Singh | Member (Assoc. Professor) |

5. Dr. A K Chaterjee

Member (Outside Expert)

6. Dr. Dalveer Kaur

Member (Asstt. Professor)

The Board has taken the following decisions:

1. All the members of BOS are agreed to adopt credit based system and it has been recommended to keep up total credit 180 approximately as per AICTE/ UGC guidelines.
2. It has been strongly recommended that the study scheme and syllabus of UG programs to be offered at IKGPTU Main Campus and its affiliated colleges/ institutions (except autonomous colleges/institutions as per UGC) should cover complete GATE/UPSC syllabus.
3. It had been observed that most of the Engineering streams have their individual subjects in first year of B. Tech. But Electrical, Electronics and Instrumentation Engineering have been given combined single subject. So, it is recommended that individual subject of Basics of Electronics Engineering should be introduced in place of Basics of Electrical and Electronics Engineering.
4. In 3rd Semester syllabus, Mathematics-III subject has to be re-designed according to applications of Electronics & Communication Engineering.
5. It has been decided that one project has also to be submitted by the student in each lab.
6. Further, it has been unanimously suggested by all the members of BOS that from the point of view of more employability of students, it is recommended to introduce non credit subject employability enhancement classes for students under the supervision of respective Mentors from 3rd Semester onwards.
7. It has been strongly recommended to introduce a Mathematical computation/ simulation like MATLAB/ Sci LAB/OCTAVE or any other equivalently designed software based practical subject in first year of B.Tech. which will be helpful for all engineering streams.
8. It had been recommended that Industrial training should be done in vacations after 4th and 6th semester instead of whole semester of final year and the skill development programs or enhancing skill in core area may be introduced in the scheme.
9. It is also decided that General Fitness subject should be non credit subject in the scheme.
10. Department of Electronics & Communication Engineering, IKGPTU Main Campus shall propose a study scheme and detailed syllabus/ contents of various subjects for

B.Tech. (Electronics & Communication Engineering) based on the suggestions of this meeting and it will be discussed and finalised in the next meetings of BOS.

11. More number of elective subjects should be introduced in the scheme of B.Tech. ECE.

Most important recommendation based on current observation:

Henceforth, whenever any new program is to be started by university or its affiliated colleges/institutions, it should be brought forward to BOS of the university well in advance so that appropriate recommendations can be given by BOS before any kind of approvals to new program/s. Treat this as most important to avoid any kind of problems at later stages.

The meeting ended with a vote of thanks.

Minutes of Meeting

Subject: 4th Meeting of Board of Studies Electronics and Communication Engineering

On 19.07.2018 at 10:00am, a meeting of Board of Studies (Electronics and Communication Engineering) was conducted under the chairmanship of Dr A. S. Buttar to finalize the scheme and syllabus of B.Voc/ D.Voc in Electronics Manufacturing Services and requirements of Labs of Department of Electronics & Communication Engineering as per new AICTE Model Curriculum and any other matter with the permission of the Board.

The agenda of the meeting was to finalize the scheme and syllabus of B.Voc. in (Electronics Manufacturing Services) as required by Department of Academics IKGPTU Main Campus Kapurthala vide letter no. IKG-PTU/DA/1321 as per the requirement of AICTE to prepare the syllabus for 2018-2019 admission to various B.Voc. courses. Accordingly, the study scheme and Syllabus contents for B.Voc./ D.Voc. course of Electronics Manufacturing Services is presented in this meeting.

Following members of the BOS & Special Invitees were requested to attend said meeting for expert inputs:

Minutes of Meeting

Subject: 2nd Meeting of Board of Studies Electronics and Communication Engineering

On 24.04.2018 at 10:00am, 2nd meeting of Board of Studies (Electronics and Communication Engineering) was conducted under chairmanship of Dr A. S. Buttar to deliberate and update UG & PG schemes of following degree/diploma courses:

1. B.Tech. in Electronics & Communication Engineering
2. B.Tech. in Electronics & Instrumentation Engineering
3. B.Tech. in Electronics & Telecomm. Engineering
4. M.Tech. in Electronics & Communication Engineering
5. M.Tech. in ECE (Wireless Communication)
6. M.Tech. in Electronic Product Design & Technology
7. M.Tech. in Embedded Systems
8. M.Tech. in VLSI
9. B.Tech. in Electronics & Computer Engineering
10. Post Graduate Diploma in Electronic Product Design & Technology

In the meeting of BOS Chairpersons, held on April 13, 2018 at 4:30pm it is decided to update curriculums of all degree courses running in all department. Students of coming first year (Batch 2018) in Main Campus and all affiliated colleges (except UGC autonomous colleges) will undertake revised curricula. Accordingly, the study schemes for degree courses listed above at Sr. No. 1-8 and syllabus contents for first year were deliberated at length for finalization. Degree/Diploma courses from Sr. No. 9-10 are not running in any institute under IKGPTU Kapurthala and, therefore, not considered in this meeting.

Following members of the BOS & special invitees were requested to attend said meeting for expert inputs:

19.	Dr Jagroop Singh	Associate Professor	DAVIET Jalandhar
20.	Dr Jaswinder Singh	Associate Professor	BCET Gurdaspur

Members of BOS from Sr. No. 14-20 could not attend the meeting. Board members deliberated on many issues and finally following decisions were taken unanimously:

1. The board accepted the credit-based system in line with AICTE Model Curriculum January 2018 for all UG & PG degree courses under consideration.
2. Students of batch 2018 onwards at IKGPTU main campus, constituent campuses, affiliated colleges (except UGC autonomous college) will undertake new curriculum.
3. Study scheme and course contents for first year will be same for all B.Tech. degree courses as decided by the office of Dean Academics. Board has observed that course contents of Basic Electrical Engineering are heavy for first year students, therefore, board recommended to remove Module 5 & 6 and replace with basic topics from electronics engineering.
4. Students will undertake three trainings of total 12 weeks: (a) 4-week Institutional Training, (b) 4-week Industrial Training after 4th sem and (c) 4-week Industrial Training after 6th sem. Six months industrial training will be eliminated from the curriculum.
5. To enhance soft skills among students three practical courses (of 1 credit each) on Professional Skills have been introduced in 4th, 5th and 6th semesters.
6. Under the supervision of course teacher, each student will design and submit a relevant (hardware/software) project in each practical course. Distribution of practical course assessment will be as follows:

S. No.	Description	Percentage	Marks
1.	Practical File	10%	3
2.	Attendance	10%	3
3.	Mid-Sem-Test	20%	6
4.	Viva	20%	6
5.	Lab Project	40%	12
Total		100%	30

6. Board recommends that course contents and credits, if any, of all mandatory courses should be same for all B.Tech. disciplines
7. Board also discussed and approved the departmental Vision & Mission statements, Programme Education Objectives (PEOs), Programme Outcomes (POs) and Programme Specific Outcomes (PSOs) for the Department of ECE at IKGPTU Main Campus (attached at Annexure-I).
Other constituent campuses and affiliated institutes are free to adopt/modify PEOs and PSOs statements as per respective vision and mission statements. Board of studies recommends all institutes to adopt Outcome Based Education system and get accredited by National Board of Accreditation.
8. Further, in the meeting member directed to the departmental faculty to update propose Study Scheme for B.Tech. degree course and Course Outcomes (4 to 6 in number) for each theory and practical course of 3rd semester onwards. Board will deliberate and finalize the same in up coming BOS Meetings.

Minutes of Meeting

Subject: Minutes of BOS ECE Meeting held on 25.05.2018.

On 25.05.2018 at 10:00am, a meeting of Board of Studies (Electronics and Communication Engineering) was held under the chairmanship of Dr A S Buttar to deliberate and update UG & PG schemes of following degree courses:

1. B.Tech. in Electronics & Communication Engineering
2. B.Tech. in Electronics & Instrumentation Engineering
3. B.Tech. in Electronics & Telecommunication Engineering
4. M.Tech. in Electronics & Communication Engineering
5. M.Tech. in ECE (Wireless Communication)
6. M.Tech. in Electronic Product Design & Technology
7. M.Tech. in Embedded Systems
8. M.Tech. in VLSI

Following members of the BOS & Special Invitees were present in the meeting to give their inputs:

- | | | |
|------------------------------|------------------------|------------------------------------|
| 1. Dr Avtar Singh Buttar | Chairman BOS ECE | Head ECE, IKGPTU Main Campus |
| 2. Dr J S Sahambi | Professor | IIT Ropar, Special Invitee |

7. Er. Navdeepak Singh, IKGPTU, Kapurthala
8. Dr. Jaswinder Singh, BCET, Gurdaspur
9. Dr. Monika Sachdev, IKGPTU, Kapurthala

Board members deliberated and agreed on the following recommendations:

- 10.1 Board observed and finalized the Study schemes and syllabus contents for second year of B.Tech. in (1) Electronics & Communication Engineering (2) Electronics & Instrumentation Engineering and (3) Electronics & Telecommunication Engineering along with the course objectives and course outcomes.
- 11.2 Lab syllabii of B.Tech. ECE (3rd to 8th semesters) along with their Course Objectives & Outcomes were also discussed in the meeting and approved.
- 12.3 The Board deliberated on the subjects Engineering Mathematics III/Biology/Engineering Mechanics and decided that these subjects are not required in B.Tech. (1) Electronics & Communication Engineering (2) Electronics & Instrumentation Engineering and (3) Electronics & Telecommunication Engineering (as per AICTE Model/Curriculum 2018).
- 13.4 The Board also reviewed & approved syllabii of (1) M.Tech. in Electronics & Communication engineering (2) M.Tech. in ECE (Wireless Communication) New/Old schemes, (3) M.Tech. in VLSI Design, (4) M.Tech. in Electronics Product Design and Technology, (5) M.Tech. in Embedded Systems along with course objectives and course outcomes.
- 14.5 Non-credit Mandatory & audit courses will be treated as non-credited courses.

Minutes of Meeting

Subject: Minutes of the 5th meeting of Board of Studies Electronics and Communication Engineering on 18/02/2019.

A meeting of the Board of Studies Electronics and Communication Engineering (ECE) held on 18.02.2019 at 10:30am, at Department of ECE, College Building-I, 2nd Floor, IKGPTU Main Campus, Kapurthala under the chairmanship of Dr Satvir Singh (officiating) for the under graduate programs listed below:

1. B.Tech. in Electronics & Communication Engineering
2. B.Tech. in Electronics & Instrumentation Engineering
3. B.Tech. in Electronics & Telecommunication Engineering

The Agenda of the meeting is to deliberate and finalize:

1. Study Scheme of above B.Tech. ECE and related programs from 3rd to 8th semesters.
2. Syllabus of above B.Tech. ECE and related programs for 2nd year along with Vision, Mission, Program Outcomes (POs), Course Objectives and Course Outcomes (COs).
3. To discuss any other matter with permission of the Chair.

Based on the deliberations, the Board recommended the following:

1. The Study schemes for B.Tech. Electronics and Communication Engineering (ECE), B.Tech. Electronics and Telecommunication Engineering (ETE) and B.Tech. Electronics and Instrumentation Engineering (EIE) from 3rd semester to 8th semester was discussed and finalised (attached herewith as Annexure-I).
2. Statements for Vision and Mission, Program Educational Objectives, Program Outcomes, Program Specific Outcomes, Course Objectives and Course Outcomes has been discussed and finalised specifically for the B.Tech. ECE IKGPTU Main campus (attached herewith as Annexure-II).
3. The Board observed and finalized the syllabus contents for second year of B.Tech. Electronics & Communication Engineering (ECE), B.Tech. Electronics & Instrumentation Engineering (EIE), B.Tech. Electronics & Telecommunication Engineering (ETE) (attached herewith as Annexure-III).
4. In the meeting of BOS ECE, it is decided that following chapters should be covered in Mathematics III to meet the requirements of other core subjects, irrespective of the suggestions given by AICTE.
 - a. Fourier Transform
 - b. Laplace Transform
 - c. z-Transform
 - d. Probability & Statistic

It is decided by the Board that the contents of the (a) Data Structures and Algorithms and (b) Environmental Sciences (a non credit Mandatory course).

Handwritten signatures and initials are present at the bottom of the page, including a large signature on the left and several initials on the right.

in 4th semester and (c) HUSS courses - Foundational course in Humanities (Development of Societies/Philosophy) and (d) Universal Human Values-2: Understanding Harmony (in semesters 3rd and 4th, respectively) will be provided by the concerned Department.

6. The board finalised the syllabus of the subject: (a) BTEC-305-18 Basic Electronics (for B.Tech. Civil Engineering and B.Tech. Mechanical Engineering), (b) BTEC-315-18 Basic Electronics Lab (for B.Tech. Civil Engineering), (c) Instrumentation & Sensor Technology (for B.Tech Civil Engineering) as requested by the respective BOS.
7. Further important suggestions (if any) will be incorporated with the approval of Chairman BOS ECE to be put for rectification in next BOS ECE meeting.

Meeting ended with vote of thanks.

Minutes of Meeting

As per the University BOS notification no. IKGPTU/Reg/Notification/203 dated 13/05/2019, the 1st meeting of the notified Board of Studies of Electronics & Communication Engineering (BOS ECE) (Affiliated Colleges), I.K.Gujral Punjab Technical University, Kapurthala was held under the Chairmanship of Dr. Manoj Kumar, Principal DAVIET, Jalandhar and Vice-Chairmanship of Dr. Avtar Singh Buttar, Associate Professor, Department of Electronics and Communication Engineering IKGPTU at Department of Academics, Conference room, 2nd Floor, IKGPTU, Kapurthala on 16.07.2019 at 10:30am.

The meeting started with the welcome address to the members of BOS (ECE) by the Dr Manoj Kumar.

The following member were present :

Dr. Manoj Kumar, Principal DAVIET, Jalandhar (Chairman)
Dr. Avtar Singh Buttar, Head, Department of ECE, IKGPTU, Kapurthala (Vice-Chairman)
Dr. Suyeb Ahmed Khan, BKSJEC, Amritsar (Member)
Dr. Vinay Bhatia, CGC, Landran (Member)
Dr. Narinder Sharma, ACET, Amritsar (Member)
Dr. Baljeet Kaur, GNDEC Ludhiana (Member)
Dr. Tripatjot Singh Panag, BBSBEC, Fatehgarh Sahib (Member)
Dr. Balwinder Singh Dhaliwal, GNDEC, Ludhiana (Member)
Dr. Ravindra Kumar Sharma, Professor ECE, Ambedkar Instt. of Advance Communication Technologies & Research Geeta Colony, Delhi (Member)
Dr. N.S. Raghava, Professor Deptt. ECE, Delhi Technological University, Delhi (Member)
Dr. B.S. Saini, NIT, Jalandhar (Member)
Er. Gurpreet Singh, EdGate Technologies Pvt. Ltd. #68, 15th Cross, 1st Block R.T. Nagar, Bangalore-560032 (Member)
Dy. Director / Assistant Director CR&A, Department of CR&A, IKGPTU (Member)
Mr. Danny Lin, Industry Expert (Special Invitee)
Mr. Himanshu Mahajan, Industry Expert (Special Invitee)
Er. Meenakshi Sansoy, Student
Dr. Dalveer Kaur, Assistant Professor, Department of ECE Main Campus IKGPTU (Coordinator)

The following were not present :

Dr. Rajni, SBS STC, Ferozepur (Member)
Dr. Amarpal Singh, BCET, Gurdaspur (Member)
Dr. Jagjit Singh, DAVIET, Jalandhar (Member)

The Agenda of the meeting was to deliberate and finalize:

- 1) To accept and approve the study schemes of 3rd to 8th Semester B.Tech. Electronics and Communication Engineering (ECE) and B.Tech. Electronics and Instrumentation Engineering (EIE) that is already uploaded on University website for batch 2018 and onwards at par with AICTE Model Curriculum 2018.
- 2) To discuss and finalize the syllabus of the courses of 5th Semester of B.Tech ECE and B.Tech EIE.

(Handwritten signatures and initials)

- 3) To distribute the courses of 6th Semester of B.Tech ECE and B.Tech EIE to design the syllabus for next BOS ECE.
- 3) To adopt the policy regarding MOOCs courses.
- 4) To finalise the on-line SWAYAM/MOOCs courses for the session July-November 2019 that a student may take to get Honors degree or Minor degree in Electronics and Communication Engineering and Electronics and Instrumentation Engineering.
- 4) To select 2 BOS Members to map the syllabus for migration cases.
- 5) Any other agenda with permission of the Chair.

The Proceedings of the meeting were recoded as under:

1. The Study schemes for B.Tech. Electronics and Communication Engineering (ECE) and B.Tech. Electronics and Instrumentation Engineering (EIE) from 3rd semester to 8th semester was considered for the batch 2018-2022, and following changes were made:
 - a) The subject of Computer Networks (Course code: BTCS-ZZZ-18) is swapped with the subject Digital Signal Processing (Course code: BTEC-502-18) and concurrently the course code is changed to BTEC-602-18.
 - b) The Professional Elective Courses are classified into five groups viz. Electronic Hardware, Communication, Software Development, ICT and Signal Processing.
 - c) The revised study scheme along with the list of Professional Elective Courses is attached at Annexure I.
 - d) The revised list of the Open Electives is attached at Annexure II.
2. The Board deliberated on the course contents of the subjects of 5th semester of B.Tech. Electronics & Communication Engineering (ECE) and B.Tech. Electronics & Instrumentation Engineering (EIE) along with the Course Objectives and Course Outcomes will be discussed and finalized in the next BOS meeting on 13/09/2019.
3. In view of the University notification no. IKGPTU/Reg/NF/2096 dated 24/05/2019 and MHRD guidelines in respect of SWAYAM/MOOCs for Honors/Minor Degree in ECE/EIE, it was decided that courses having duration of minimum 12 weeks with 4 credits be permitted. Also, one faculty coordinator up to 30 students is to be nominated by the HOD for registration, certification and coordination on rotation basis. The registration fee for the faculty coordinator(s) shall be borne by the Institute, if faculty is interested. The faculty coordinator will monitor the students' progress from time to time and maintain the record of the same.

Minutes of Meeting

Due to Covid-19 epidemic, it was directed by Hon'ble Vice Chancellor & Dean Academics, to convene the meetings of Board of Studies (BOS) of various Engineering disciplines of IKGPTU Kapurthala, regarding preparation of syllabus for upcoming batches through online mode. It is to bring to your kind notice that BOS Electronics and Communication Engineering (ECE) (Affiliated colleges) had already conducted its Board of Studies ECE on 13/09/2019 at Department of Academics, 2nd Floor, Conference Room, Front building, IKGPTU Kapurthala and had finalized the scheme and syllabi of 3rd to 5th Semesters of B.Tech Electronics and Communication Engineering (ECE), B.Tech Electronics and Telecommunication Engineering (ETE) and B.tech Electronics and Instrumentation Engineering (EIE). Now, this time only one subject from 7th Semester is adjusted to 5th Semester by taking the consent of BOS ECE members online, under the Chairmanship of Dr. Manoj Kumar, Principal DAVIET, Jalandhar.

On behalf of BOS ECE (Affiliated colleges) members, Board took the following decisions online:

1. The Study schemes for B.Tech. Electronics and Communication Engineering (ECE), B.Tech. Electronics and Telecommunication Engineering (ETE) and B.Tech. Electronics and Instrumentation Engineering (EIE) from 3rd semester to 5th semester was accepted and approved for the batch 2018-2022 as finalized by the BOS ECE on 13/09/2019.
2. The Board finalized the syllabus contents of 5th semester of B.Tech. Electronics & Communication Engineering (ECE) and B.Tech. Electronics & Instrumentation Engineering (EIE).
3. Moreover, it is also discussed that the syllabi of all M.Tech courses of Electronics and Communication Engineering are completed in full.

Submitted for the record of Department of Academics, IKGPTU Kapurthala.

Dr. Manoj Kumar
Chairman BOS ECE (Affiliated colleges)
(Principal DAVIET Jalandhar)
