Mentoring objectives and process for mentors

1. The general objectives of mentoring students is to equipment them in performing better in achieving better grade points/percentage scores in their study.
2. The specific objective is to understand the mentee with number of counseling on one-to-one basis and identify the short fall of the mentees, with the consent of mentees.
3. The short falls identified may be in core-curricula, extra-curricular activities, personal shortfall of a mentee, if any, and any other difficulties faced by the mentee during his/her period of study at IKGPTU.
4. From the identified shortfall remedial measures shall be taken in preparing the mentees to score better grade points/percentages of their study. Remedial measures taken shall be detailed in the table below:
5. Continuous follow-up (once in a week) and a healthy mentor-mentee relationship shall be proved that results in good output of mentor-mentee work.
6. A separate attendance report shall be maintained for every counseling hours given on weekly basis.

Details of Remedial Measures Suggested / Taken

S.No.	Shortfall	Remedial measures/Suggestions	Remarks
1	she asked if there is shortfall in her attendance	copy of academic regulation was provided to her.	
2	what will be consequences		
3	she was confused in choosing minor & major	copy of syllabus was provided to her.	
4	subject of specialisation

Mentoring objectives and process for mentors

1. The general objectives of mentoring students is to equip them in performing better in achieving better grade points/percentage scores in their study.
2. The specific objective is to understand the mentee with number of counseling on one-to-one basis and identify the short fall of the mentees, with the consent of mentees.
3. The short falls identified may be in core-curricula, extra-curricular activities, personal shortfall of a mentee, if any, and any other difficulties faced by the mentee during his/her period of study at IKGPTU.
4. From the identified shortfall remedial measures shall be taken in preparing the mentees to score better grade points/percentages of their study. Remedial measures taken shall be detailed in the table below:
5. Continuous follow-up (once in a week) and a healthy mentor-mentee relationship shall be proved that results in good output of mentor-mentee work.
6. A separate attendance report shall be maintained for every counseling hours given on weekly basis.

Details of Remedial Measures Suggested / Taken

S.No.	Shortfall	Remedial measures/Suggestions	Remarks
1	He asked if he participates in sporting activities, will his attendance be condoned	Copy of academic regulations was given and explained to him	
2	He had issues while filling Exam form	His issue was resolved by exam department.

Mentoring objectives and process for mentors

1. The general objectives of mentoring students is to equip them in performing better in achieving better grade points/percentage scores in their study.
2. The specific objective is to understand the mentee with number of counseling on one-to-one basis and identify the short fall of the mentees, with the consent of mentees.
3. The short falls identified may be in core-curricula, extra-curricular activities, personal shortfall of a mentee, if any, and any other difficulties faced by the mentee during his/her period of study at IKGPTU.
4. From the identified shortfall remedial measures shall be taken in preparing the mentees to score better grade points/percentages of their study. Remedial measures taken shall be detailed in the table below:
5. Continuous follow-up (once in a week) and a healthy mentor-mentee relationship shall be proved that results in good output of mentor-mentee work.
6. A separate attendance report shall be maintained for every counseling hours given on weekly basis.

Details of Remedial Measures Suggested / Taken

S.No.	Shortfall	Remedial measures/Suggestions	Remarks
1	He enquired about possible dates of MSTIA.	Copy of academic calendar was provided	
2	He enquired about procedure of participating in sports activities	He was introduced to the Head of the department of sports activities.

Mentoring objectives and process for mentors

1. The general objectives of mentoring students is to equipment them in performing better in achieving better grade points/percentage scores in their study.
2. The specific objective is to understand the mentee with number of counseling on one-to-one basis and identify the short fall of the mentees, with the consent of mentees.
3. The short falls identified may be in core-curricula, extra-curricular activities, personal shortfall of a mentee, if any, and any other difficulties faced by the mentee during his/her period of study at IKGPTU.
4. From the identified shortfall remedial measures shall be taken in preparing the mentees to score better grade points/percentages of their study. Remedial measures taken shall be detailed in the table below:
5. Continuous follow-up (once in a week) and a healthy mentor-mentee relationship shall be proved that results in good output of mentor-mentee work.
6. A separate attendance report shall be maintained for every counseling hours given on weekly basis.
