

YEARLY STATUS REPORT - 2022-2023

Part A	
Data of the Institution	
1.Name of the Institution	INDER KUMAR GUJRAL PUNJAB TECHNICAL UNIVERSITY
• Name of the Head of the institution	Prof. Dr. Susheel Kumar Mittal
• Designation	Vice-Chancellor
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	01822282500
• Mobile no	9478098001
• Registered e-mail	vc@ptu.ac.in
• Alternate e-mail address	vcoffice@ptu.ac.in
• City/Town	Kapurthala
• State/UT	Punjab
• Pin Code	144603
2.Institutional status	
• University	State
• Type of Institution	Co-education

• Location	Rural
• Name of the IQAC Co-ordinator/Director	Dr. Hitesh Sharma
• Phone no./Alternate phone no	01822282572
• Mobile	9478098060
• IQAC e-mail address	iqac@ptu.ac.in
• Alternate Email address	hitesh@ptu.ac.in
3.Website address (Web link of the AQAR (Previous Academic Year)	https://ptu.ac.in/naac/aqar-2022-23/
4.Whether Academic Calendar prepared during the year?	Yes
• if yes, whether it is uploaded in the Institutional website Web link:	https://ptu.ac.in/academic-calendar-regular/

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B	2.46	2022	05/07/2022	04/07/2027

6.Date of Establishment of IQAC 13/03/2012

7.Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount
Nil	Nil	Nil	Nil	Nil

8.Whether composition of IQAC as per latest NAAC guidelines

Yes

- Upload latest notification of formation of IQAC

[View File](#)

9.No. of IQAC meetings held during the year

0

- The minutes of IQAC meeting and compliance to the decisions have been uploaded on the institutional website. (Please upload, minutes of

No

meetings and action taken report)	
10. Whether IQAC received funding from any of the funding agency to support its activities during the year?	No
• If yes, mention the amount	
11. Significant contributions made by IQAC during the current year (maximum five bullets)	
<p>The Internal Quality Assurance Cell has taken various initiatives to be followed by respective departments of the University for improving the teaching-learning process, structures & methodologies of operations, and learning outcomes. The initiatives are as follows: The Choice Based Credit System has been inculcated in the present system following the model curriculum of AICTE for engineering courses. The university has implemented a policy of minor degrees and acquiring credits through MOOC courses.</p>	
<p>Corporate Relations & Alumni (CR&A) department has started to reach out to the corporate world to facilitate the best placements for IKGPTU students in reputed government, multinationals, NGOs and private organizations, etc.</p>	
<p>For promoting Entrepreneurship programmes and Innovation, the following activities were planned by the University i.e. TiE-IKGPTU Industry-Academia Collaboration, Short term Training Programme in collaboration with NITTTR, Chandigarh CIIIT (Center for Invention, Innovation, Incubation, and Training) a joint initiative by IKGPTU and Tata Technologies.</p>	
<p>To promote the objective of effective National e-Governance, the university has successfully implemented e-Office in its Inter and Intra-department processes. The vision of implementing e-Office is to achieve a simplified, responsive, effective, and transparent working of all Departments/Offices.</p>	
<p>The Knowledge Resource Centre has been updated with the latest technological facilities in the form of e-resources. At present, the library has access to several e-resources/ databases. The facility is being provided through in-house Library Access and simultaneously through a Remote Access facility. The following e-resources are available: Sciences Direct (Elsevier), IEEE (IEL Growth Plan), Emerald Management, Royal Society of Chemistry, Institute of Physics (IoP), Springer Taylor & Francis, DELNET, Open Athens (EBSCO), and Indiastat.</p>	
12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year	

Plan of Action	Achievements/Outcomes
To Start Minor Degree in the University and acquiring Credits through MOOC Courses	Implemented

13. Whether the AQAR was placed before statutory body? **Yes**

- Name of the statutory body

Name	Date of meeting(s)
IQAC	22/01/2024

14. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to Assess the functioning? **Yes**

15. Whether institutional data submitted to AISHE

Year	Date of Submission
2021-22	14/02/2023

16. Multidisciplinary / interdisciplinary

- I.K. Gujral Punjab Technical University (IKGPTU), as per its Act, has a mandate to promote technical, applied sciences, management, and pharmaceutical education in the state at the degree level and above.
- The university offers more than 150 academic programs in 10 faculties of studies.
- The framework and structure provided by AICTE / UGC/CoA / PCI etc. for Undergraduate/Postgraduate programmes postgraduate programs have been followed, which incorporates the choices in elective courses offered to students.
- Students also have the freedom to choose open elective courses of their choice, passion and specialization in any other branch for a minor degree, along with a variety of multi-disciplinary vocational and skill-based courses

17. Academic bank of credits (ABC):

- The university has registered with the Academic Bank of Credits ABC.
- The university is in the process of shifting the student's result record from NAD to ABC.
- The process of linking the student's Adhaar card with their ABC accounts is in progress.

18. Skill development:

- In order to acquaint the students with current and emerging developments in their respective fields, the university has mandatory institutional training and industrial training followed by semester training, wherein they receive hands-on experience of skills crucial for the enhancement of their knowledge and placements.
- The university offers 60 hours of certificate courses in foreign languages (German, French, etc.).
- At present, the university offers 4-year vocational courses in its affiliated colleges as per UGC norms.
- The university has developed CIIIT in collaboration with TATA Technologies for imparting skill-based training to the students on campus.
- Skill courses as a mandatory component of FYUG courses will be offered as per NEP-2020, and the university plans to offer vocational courses with different skills and specializations to be offered in 4-year UG programs on the university campus.
- The university is in the process of starting certificate courses embedded in the new UG program, which is being planned by the university as per NEP-2020.

19.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

- The university has established an Indian Knowledge System (IKS) cell to promote Indian knowledge.
- Subjects related to IKS will be offered as part of the curriculum in the 4-year UG program as per NEP 2020.
- The 4-year UG program, as per NEP-2020, will be embedded with the Indian Knowledge System (IKS) component in the curriculum.
- IKS will conduct various activities, such as FDP and seminars, to create awareness among faculty and students.

20.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

- CBCS has been implemented at the university.
- CO/PO have been defined for all UG/PG programs
- The university will offer new courses as per NEP 2020 within the National Credit Framework (NCrF).
- The higher education in the university shall be made holistic by integrating vocational education and training on all dimensions, i.e., academics, vocational skills, and experiential learning, including relevant experience and proficiency/professional levels acquired.

21.Distance education/online education:

- The university did not offer distance education programs from 2021-22 due to a B grade in the NAAC assessment in the first cycle.
- The university will start distance education after fulfilling the eligibility criteria for NAAC accreditation in the second cycle.
- The university encourages its faculty to develop and use online educational content to improve the quality of teaching.
- The University encourages its students to enroll in courses available at different online portals like NPTEL, Swayam, etc

Part B**CURRICULAR ASPECTS****1.1 - Curriculum Design and Development**

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which is reflected in Programme outcomes (POs), Programme Specific Outcomes(PSOs) and Course Outcomes(COs) of the Programmes offered by the University

The curricula at IKGPTU are consciously designed to cater to the local, regional, national, and global development needs to inculcate deep knowledge about academic disciplines and applied functional areas in the students, which is desired by the industry these days. The learning objectives of every programme are well integrated and comprehensively reflected in programme outcomes. In addition to this, specific outcomes for each program have been formulated to ensure the attainment of domain-specific knowledge and skills about course outcomes.

IKGPTU has a vision to transform its status into a world-class teaching and research campus with the view of adopting best global practices and encouraging academic and research collaboration with prestigious national and international institutions. The curricula include courses with a sharp emphasis on the ability enhancement of students, knowledge about national and international business practices, as well as developing entrepreneurial skills. To provide better industrial and research exposure to the students and faculty, the teaching departments of the university conduct workshops and seminars on recent developments in their domains. To stay abreast internationally, the curriculum is continuously reviewed and upgraded to meet the requirements of regulatory bodies like AICTE / UGC and the demands of industry.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

IKGPTU understands the importance of providing holistic education and has integrated courses on moral values, human values, professional ethics, ethical values, gender equality, environmental awareness, etc. into the curriculum. Mandatory courses like 'Mentoring & Professional Development', 'Human Values, De-addiction, and Traffic Rules', 'Environmental Sciences', etc. have been designed and incorporated into the curriculum of all programmes run by the university. All these subjects ensure the holistic development of the students so that they can have a positive perception of life, career, and society. Under the EVS course, the students are acquainted with the concepts of sustainability, the growing need to conserve natural resources, and preventing environmental degradation.

IKGPTU creates a healthy ambience for the all-round growth and development of the students as responsible citizens of society.

The university celebrates days of national and international importance, such as Women's Day, World Wetlands Day, International Yoga Day, etc., to nurture moral, ethical, and social values in the students. Students are also encouraged to participate in social activities like plantation drives, blood donation camps, and education awareness camps in nearby villages to promote national integrity, human values, and communal harmony. These programmes ensure that students, being the future drivers of this society, live their lives happily and make a positive contribution to society.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners

IKGPTU organises special programmes to assesses the learning levels of the students before the commencement of formal classes, an Induction Programme is organized for all students of the university wherein an introduction to university life, from academics to social activities is given. The university continuously organizes industrial visits of its students for enhancing learning experiences through interaction with experts.

Faculty makes endeavours to identify slow and advanced learners amongst the students through question-and-answer sessions and classroom discussions. Extra classes are held in a routine manner by the teachers for slow learners. Academic and carrier counselling is provided to each student by the concerned subject

teacher to identify and nurture their skills. University library is available for all students throughout the week to provide conducive environment for learning. Students are encouraged to participate actively in curricular and extra-curricular activities by all academic departments of university to hone their professional skills. Students are also encouraged to undertake research projects. During the sessions on Mentoring and Professional development, soft skills are imparted to them and students are encouraged to prepare and appear in various competitive exams.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences

The University has a mandate to offer higher education mainly in professional courses. The course scheme of these courses has mandatory components to impart experiential and participative learning experiences. The experiential learning has helped students to transform from being relegated to the role of passive recipients to the active learners. The curriculum of all courses has tutorial and practical components in courses to help students with their problems and to enhance their problem-solving capacities. The summer internship and research projects/dissertations are also included in the curriculum to help them attain hands-on experience and learn the skill of technical writing and presentation.

The student is involved in various teamwork for organizing various student events and competitions in the University to learn efficient team-oriented tasks and leadership skills. University faculty made use of various online teaching tools by using online platforms viz; Zoom, Google Classroom, G-suite, Google Duo, Microsoft Teams, and Cisco WebEx in addition to classroom teaching. The university library provides access to print and e-library resources for enhancing the learning experiences. University students are encouraged to earn credits from various MOOCs courses. Expert talks by eminent personalities from industry and academia is a regular feature in the University.

2.3.2 - Teachers use ICT enabled tools including online resources for effective teaching and learning processes during the year

The teaching-learning process at IKGPTU has been realigned with the active usage of ICT enabled tools. University faculty is encouraged to adopt a broad range of educational technology and delivery approaches that support and promote innovative teaching and learning. University faculty are trained to upgrade their ICT skills required to teach effectively, developing e-content and its effective dissemination to students. The LCD projectors have been installed in all classrooms.

University has provided individual Laptop to every teacher to have continuous access ICT enabled services and familiarization of using platforms viz; Zoom, Google Classroom, G-suite, Google Duo, Microsoft Teams, Cisco WebEx. Students are encouraged to prepare their presentations, assignments, project and field reports using MS-Word, MS-Powerpoint, MS-Excel and other ICT tools. Online modes like Email and Google Class room are also used to collect assignments, conduct tests and practical examinations as well as for sharing notes, practice questions and other e-resources. Students and faculty members are encouraged to utilize the online courses of MOOCS, NPTEL, etc., and e-reference books, e-journals available in the Knowledge Resource Centre of the University, for preparation of assignments and conduct of research.

2.6 - Student Performance and Learning Outcomes

2.6.1 - The institution has stated learning outcomes (generic and programme specific)/graduate attributes which are integrated into the assessment process and widely publicized through the website and other documents

The University's educational programmes have been designed to integrate graduate and postgraduate level traits, ensuring that students graduate with the core knowledge of discipline, critical thinking, problem-solving abilities, communication skills, and digital capacity. The Programme Outcomes (POs), Programme Specific Outcomes (PSOs), and Course Outcomes (COs) of all the courses have been prepared as per the principle of Outcome Based Education (OBE).

The course scheme, syllabus, and minutes of meetings of various academic bodies are made available on the university website after approval from the Academic Council and BOG for wider dissemination and publicity. The feedback on the various aspect of curriculum is collected from all stake holder i.e students, Alumni, Faculty members and employers in each semester. The program / course curriculum is updated taking into account the feedback from all stakeholders, including students, research scholars, faculty and alumni.

File Description	Documents
Upload relevant supporting document	View File

2.6.2 - Attainment of Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution during the year

For the attainment of Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs), the teaching departments of University take following steps :

1. Student assignments in each course are planned in a such a way to cover all POs and COs
2. Question papers in the Mid semester examination are aligned with all topics of each CO of course

At present, the evaluation of the attainment of POs, COs and PSOs is not monitored in a structured manner and is evaluated indirectly through the student feedback and feedback from other stake holders. The regular feedback of students, alumni, industry experts and other stakeholders provides information pertaining to the relevance of the course, availability of the course material and significance of course in terms of skill enhancement and employability.

University monitors the attainment of course outcomes using indirect methods such as student performance in Internal assessment, end-semester examinations, assignments, seminars, workshops, laboratory assignments / practical, projects, role plays, management games, case discussion, class participation, viva-voce, attendance etc. are used to evaluate students'

knowledge and abilities.

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution Research facilities are frequently updated and there is well defined policy for promotion of research which is uploaded on the institutional website and implemented

To foster an ecosystem of innovative research within the faculty and scholars, the university has framed a research policy. The purpose of the research policy is to develop a research culture among faculty and scholars for the advancement of their knowledge. The university has a dedicated research and development cell, which, under the leadership of the Dean of R&D, manages all the research activities of the university. The university has well-equipped research laboratories in various departments for interdisciplinary and multidisciplinary research. The research work undertaken by the scholars is presented before the Research Advisory Committee (RAC) from time to time for approval and continuous monitoring of the research work. The university encourages researchers to comply with research ethics, and the university has a well-defined safety protocol for the use of chemicals. Research work involving human subjects is carried out after the due approval of the ethics committee. All the research outcomes, like project reports, dissertations, publications, etc., are subjected to a plagiarism check. The rubric of postgraduate dissertation evaluation includes a plagiarism check and the publication and presentation of research work at conferences. The research activities at IKGPTU include research work of direct relevance to IKGPTU and

society.

3.5 - Consultancy

3.5.1 - Institution has a policy on consultancy including revenue sharing between the institution and the individual and encourages its faculty to undertake consultancy

Research & Industrial Consultancy Policy, which is part of its Regulations. The scope of the policy includes research projects, consultancy projects and sharing of income and utilization of the Departmental Development Fund. The Research & Industrial Consultancy Policy has been framed to encourage faculty to undertake sponsored research projects for extending the benefit of their research towards institutional growth to the corporates/institutions/agencies working in the domain of their specialization towards the economic growth of the State as well as the Country. The policy clearly defines the revenue sharing between the university and individuals undertaking consultancy. The ratio of revenue sharing between IKGPTU and faculty investigator is 25:75.

3.6 - Extension Activities

3.6.1 - Extension activities in the neighbourhood community in terms of impact and sensitising students to social issues and holistic development during the year

The vision of the university is to bring techno-economic, social, cultural and environmental prosperity in the society. For achieving this goal sensitization of students, faculty and neighboring community on social issues is made a priority. The University Department of International Resource Centre for Universal Human Values & Ethics conducts regular workshops and seminars on universal human values. The university has set up a bus stop outside the university's main campus for the convenience of the people in the surrounding rural area and students. A blood donation camp was organized in the memory of Lala Jagat Narayan Ji. IKGPTU, Punjab Skill Development Mission and ICICI Foundation for Inclusive Growth signed a MoU to train

the youth of Punjab to become skilled manpower for the industry and their ventures. To improve the quality of technical education in the state the university has created a fund for conducting faculty development programs in affiliated colleges wherein the college is provided with a grant of Rs 3.5 lakhs. To sensitize the students towards societal issues several programs like drug de-addiction, traffic rules, Right to Information Act were organized. Several programs like Tiranga Rally were organized under the government scheme Amrit Maha Utsav. Regular industry visits of the students are organized.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The institution has adequate facilities for teaching - learning. viz., classrooms, laboratories, computing equipment, etc.

The university is successfully performing its role in enhancing technical, managerial, and pharmaceutical education in the field of academics. The university has set up centers of excellence in emerging technologies and for promoting training, research, and development in these areas. All the teaching departments have well-equipped laboratories and classrooms and are supported by the central library of the university, which has many books and journals.

Broadly, the teaching and learning resources of the university include the Knowledge Resource Centre, computer & research labs, well-equipped air conditioned classrooms, with sufficient seating capacity, LCD projectors, seminar halls, board/meeting rooms, etc. Fire extinguishers have been installed on all the floors of campus buildings.

To promote cutting-edge research in challenging emerging research areas, IKGPTU has established a Research Centre with state-of-the-art computing and research facilities for various departments. The Centre for Invention, Innovation, Incubation, and Training (CIIIT), a joint initiative by IKGPTU and Tata Technologies, has also been established to strengthen industry-

academia partnerships and train students with industrial experiential learning. The university's mission prioritizes the holistic development of students. The curriculum is designed with a student-centric approach by emphasizing integrative and experiential learning and a commitment to high standards of teaching performance.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, games (indoor, outdoor) and sports. (gymnasium, yoga centre, auditorium, etc.)

I.K. Gujral Punjab Technical University has State- of- the- Art infrastructure for the successful conduct of activities like

1. Sri Guru Nanak Dev Ji Auditorium
2. Seminar Halls for Academic and Cultural activities
3. Open Air Stages/Theatre

1. Sri Guru Nanak Dev Ji Auditorium

The Auditorium namely Sri Guru Nanak Dev Ji is Centre of attraction for the visitors. This auditorium is having capacity of 800 seats.

Seminar Halls for Academic and Cultural activities

The University has also two seminar halls for effective organization of academic and cultural activities

1. Open Air Stages/Theatre

The university has also the facility of two open air theatres/ stages for cultural and other student related activities.

Outdoor Sports Facilities Available in Main Campus of IKGPTU

- Basketball Ground
- Badminton Court
- Volleyball Court etc.

Indoor Sports Facilities like Table-Tennis Hall available

Sports Infrastructure that is available:

- Latest equipment of Gym
- IAAF Certified 90 Adjustable Hurdle (Nelco)
- IAAF Certified athletic sports equipment (Javelin, Hammer Throw, Discus Throw, Shot Put, Starting Block, Cross Bar for High Jump, Shotput Circle, Stop Board, Relay etc.).
- Latest sports equipment of Cricket, Basketball, Volleyball, Football, Lawn Tennis, Table Tennis, Badminton, Carrom

Board, Chess etc.

4.1.3 - Availability of general campus facilities and overall ambience

I.K. Gujral Punjab Technical University (IKGPTU) main campus is at Jalandhar-Kapurthala Road. The campus has been developed as a green campus, and a large number of trees have been planted all-around the campus. The campus has the following infrastructure facilities:

Administrative Block

The main administrative block of the University has G+7 floors with covered area of about 2.60 lacs Sq. ft.

Academic Area

The campus has three academic blocks which are air-conditioned with covered area of 3.54 lacs Sq. ft.

Knowledge Resource Centre

The campus has a state-of-the-art Knowledge Resource Centre (Library), centrally air-conditioned with covered area of about 0.64 lacs Sq. ft.

Auditorium/Seminar Hall

The campus also has one auditorium with state-of-the-art infrastructure and a seating capacity of 800 seats.

Hostels

For residence of the students, three Boys' hostel with 400 rooms and two Girls' hostels with 146 rooms are available at the campus.

Sports Facilities

The campus has following sports facilities:

- Playing Fields with 400 m track
- Basketball, Tennis &volleyball courts
- Indoor and Outdoor Gymnasiums

Future Development

Construction of Central Workshop, Guest House and Residences for Vice- Chancellor & Registrar, Indoor Stadium and Outdoor Stadium etc. are in progress at the campus.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS) and has digitisation facility

The Knowledge Resource Centre has purchased LIBSYS software for library automation with server and 21 workstations in 2012. The latest version of the most advanced software (Web Centric Software LSEase EJB version) is being used. All the books are assigned a number as per the library coding system and stored in the database. Students and staff can independently access the books and required information very easily.

- Name of the ILMS software: LIBSYS (Web Centric LSEase EJB Software)
- Nature of automation (fully or partially): Fully
- Version: Windows
- Year of Automation: 2012
- The bibliographic information about the collection is made available through library OPAC/ WEB OPAC system to the user's community.
- OPAC/ Web OPAC offers variety of search facility to the user's to know about library collection and its availability.
- The Knowledge Resource Centre has enhanced the security features and is using the Radio-Frequency Identification System LSMART (RFID).
- Knowledge Resource Centre uses fully automated biometric issue/ return system. This also provides sms/ email alert facility on each issue/ return of books.
- Knowledge Resource Centre also has the CCTV surveillance mechanisms.
- Knowledge Resource Centre also has Kindle devices for eBooks reading.

4.3.2 - Institution has an IT policy, makes appropriate budgetary provision and updates its IT facilities including Wi-Fi facility

The IT policy includes the following aspects:

- Services to be provided by the Computer Centre
- Procurement of IT Infrastructure
- Maintenance of IT Infrastructure
- Networking facilities
- Development, maintenance, and upgradation of the software.
- Green Computing Practices

Budgetary Provision:

The university has made budget provision for the networking,

internet, and Wi-Fi facilities of Rs. 6.40 Cr. for the university and its constituent campuses.

IT facilities including Wi-Fi facility:

Every user of the university has been provided with the following facilities:

- Every user has provided desktop, Printer, Scanner, and laptop (as requires)
- All administrative works is carried out
- The user has provided a LAN connection and provided WI-FI facilities to all academics as well as the administration building.
- All teaching departments have well established computer labs with all the required software's as per their syllabus requirements.
- There are a total of 700 (approx.) computers available in computer labs in various departments.

The university also has a well-equipped computer Centre 130 computers (being expanded up to 300 computers) and Internet facilities.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The campus of the university has an excellent academic environment with buildings constructed with construction technologies that are energy efficient, water conserving, and sustainable.

The Department of Planning and External Program is functioning to manage the International, Outreach, and other collaborative programs.

Knowledge Resource Centre

The procurement of all learning resources that are conducive to academics and research is coordinated by the Knowledge Resource Centre.

Laboratory & Computer Centre

Each laboratory has one teacher as lab in charge, a lab assistant, and an attendant. The lab in charge is responsible for maintaining and upgrading the laboratory with the necessary equipment from time to time to cope with changes in the syllabus.

Maintenance of laboratories

The calibration, repair, and maintenance of all sophisticated lab equipment are done by the technicians of related owner enterprises.

Sports

The sports wing of IKGPTU looks after the sports facilities and the allied activities.

Classrooms and Conference Halls

The stock registers are maintained for all the items (consumable or non-consumable) purchased by staff. Stock verification and inspection is done at the end of each financial year.

The maintenance department works under the guidance of Executive Engineer (Xen). It maintains the physical infrastructure of the University.

5.3.2 - Presence of Student Council and its activities for institutional development and student welfare

The students at IKGPTU campuses participate actively in different decision-making and academic and administrative committees. This helps them have a better academic environment. Students' opinions and suggestions are given due impetus in taking quality measures at both the level of the university and departments. IKGPTU makes consistent efforts for the holistic growth of students. Students are represented in the following university and department-level committees:

Internal Quality Assurance Cell (IQAC): Students are nominated

or participate in the decisions regarding the quality initiatives of the institute. They actively participate in developing and maintaining a congenial environment so that there are no incidents of ragging at the campuses or hostels.

Anti-Sexual Harassment Committee: This committee actively participates in providing a congenial environment so that there are no instances of harassment against any gender.

The National Cadet Corps (NCC): It encourages and aims for the development of leadership, character, comradeship, a spirit of sportsmanship, and the ideal of service among the youth.

National Service Scheme (NSS): Efforts are made to promote students' participation in NSS activities, including conducting blood donation camps, rural health and sanitation, education awareness campaigns, and environmental awareness camps in nearby areas.

5.4 - Alumni Engagement

5.4.1 - The Alumni Association/Chapters (registered and functional) contributes significantly to the development of the institution through financial and other support services during the year

IKGPTU has been serving as a gateway for developing our State and Nation into an innovative society by producing world class technocrats as it has been doing in the last 25 years. We at IKG PTU believe that alumni are the brand ambassador of the university. The present position that IKG PTU enjoys is the replication of our alumni's success. The university has always believed in all-time sustainable bonds and our alumni are still a significant component of what we are today.

Today, our alumni have transcended all geographies and we are present across the globe. Our alumni are working in the MNCs like Wipro Technologies, Tata Consultancy Services (TCS), IBM India Pvt. Ltd., Infosys, Accenture, Jaro Education, Decathlon Sports Pvt. Ltd., HCL Technologies etc.

To develop a strong alumni network of the University, Corporate

Relations & AlumniCell organized Offline as well as Online Alumni Meet & Alumni Talks for which the supporting documents are also attached. A few experts that delivered very informative lectures were Shivani Chandrana - Associate Product Support Engineer Zscaler, Mr. Anurag Mr. Loveinder - Technical Account Manager & Quality Assurance, Zscaler, Kanwar Veer Pratap Singh - DSP Prison Headquarters, Punjab for the students of the University campus.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The institution has a clearly stated vision and mission which are reflected in its academic and administrative governance

Vision To be an institution of excellence in the domain of higher technical education that serves as the fountain head for nurturing the future leaders of technology and techno-innovation responsible for the techno-economic, social, cultural and environmental prosperity of the people of the State of Punjab, the Nation and the World.

Mission To provide seamless education through the pioneering use of technology, in partnership with industry and society with a view to promote research, discovery and entrepreneurship and to prepare its students to be responsible citizens of the world and the leaders of technology and techno-innovation of the 21st Century by developing in them the desirable knowledge, skill and attitudes base for the world of work and by instilling in them a culture for seamless in all facets of life.

IKGPTU provides technical education programs in the fields of engineering and technology, science, management, humanities, pharmacy, social science, and architecture through its affiliated institutes, 04 constitute campuses, and 13 teaching departments and one centre of excellence at main campus. University manages the teaching and professional courses in more than 200 affiliated campuses. Center for Invention, Innovation, Incubation & Training and International Resource Center for Universal Human Values are also operational.

File Description	Documents
Upload relevant supporting document	View File

6.1.2 - The effective leadership is reflected in various institutional practices such as decentralization and participative management

University performs its functions through various authorities formed in accordance with University Act such as

1. Board of Governors (BOG)
2. Academic Council
3. Faculty
4. Board of Studies (BOS)
5. Finance Committee
6. College Development Council (CDC)
7. IQAC
8. Human Resource committee (HRC)
9. Building works committee
10. Cultural Executive committee (CEC)
11. Sports Executive Committee

All authorities / bodies mentioned above are constituted in accordance with their approved structure and have both internal / external members to help university in taking various academic and administrative decisions.

As per the University Act, the Board of Governors (BOG) is the highest authority within the institution and has the responsibility to make decisions about both academic and administrative matters. The Academic Council is responsible of establishing Board of Studies, academic regulations, new course introductions and assessment criteria.

The University's financial matters and employee's related issues are handled by the Finance and HR committees. The university's IQAC unit strives to ensure that quality standards are included into university operations.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic plan is effectively deployed

The University is taking various steps in development of academia, infrastructure, human resource to upgrade itself from an affiliating University to a teaching-cum-affiliating University. The duly approved strategic plan for its establishment as a teaching-cum-affiliating university is being followed. In order to start offering a range of undergraduate and graduate programs on campus, the university has made significant infrastructure upgrades to increase built-in spaces for faculty offices and classrooms. Modern laboratories and smart lecture halls were built. Highly qualified faculty with PhD qualification were recruited to impart quality education and to perform research in various disciplines.

The curriculum of all UG/PG courses is being continuously updated as per framework provided by AICTE/UGC. Choice Based Credit System has been inculcated in the present system following the model curriculum of AICTE for engineering courses. Provision has also been made for students to get undergraduate degree with Honours or additional Minor Engineering by completing additional 20 credits. University has framed the policy of minor degree and MOOCs policy accordingly. The provision is also provided to the students to opt through MOOC in different branch.

File Description	Documents

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The University is governed by institutional authorities established in accordance with the University Act, UGC regulations, and BOG guidelines. For effective and efficient operation, the institutional development plan, rules and regulations, and procedure have been developed.

An efficient organizational structure is created by the several governing bodies to oversee and enhance university operations. The following are the governing bodies and the areas in which they operate:

Board of Governors

1. Strategic plan for academic strengthening
2. Recruitment norms for teaching staff
3. Recruitment norms for technical staff
4. Promotion norms for teaching staff

Academic Council

1. Course regulations
2. Affiliation norms
3. Migration rules
4. Continuation of affiliation
5. Ph.D. regulations

Board of Studies

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has a performance appraisal system, promotional avenues and effective welfare measures for teaching and non-teaching staff

University has the policy to promote its employees (teaching and non-teaching) as per the promotional criteria approved by Board of Governors of IKG PTU from time to time. the University also undertake various welfare measures for teaching and non-teaching staff. All the employees fill up their Annual Performance Appraisal Report (APAR) through online mode at iHRMS Punjab Portal. The university ensures that the teaching and non-teaching staff gets the best of the working environment on the campus. All Officers/Faculty of the University have been provided with laptop, internet and phone facility to enhance the work efficiency.

University follow UGC norms notified from time to time for recruitment and promotions of faculty. University provides reimbursement of medical bills of its employees and their dependants as per policy of Govt. of Punjab. University provides conveyance allowance of Rs. 1000/- per month to specially abled employees of University. University has adopted a policy of appointment on compassionate grounds as per Govt. of Punjab. The University provides the payment of ex-gratia grant as per Punjab Government Rules. The University extends the facility of interest free loan upto Rs. 50,000 to its group IV employees for marriage of their daughters.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

University has a well-defined and planned mechanism for mobilization and utilization of funds and resources for the development of the academic programs and infrastructure development. University has laid down rules and procedure for the mobilization and utilization of resources.

The main internal resource generation are academic receipts such as student fee, college affiliation fee, admission processing fee, application & inspection fee, tuition fee, and examination related fee. Various project grants are received from government agencies through faculty and research scholars. For enhancing fund generation, the University promotes research and consultancy activities by involving the faculty at various

levels.

For the optimal utilization of the funds, a Finance Committee is constituted to monitor for various recurring and non-recurring expenses through budget. Budget is prepared every year taking into consideration both recurring and non-recurring expenditures. Accordingly, all the University departments are allotted budget as per their requirements for each financial year. Budget is approved by Finance Committee and subsequently by BOG. Finance and Accounts department to monitor and manage the financial budget of University.

6.4.4 - Institution conducts internal and external financial audits regularly

The conduct of financial audits (internal and external) is a regular feature of the university's administrative work. It has had a full-time Finance and Accounts Department since its inception to ensure the maintenance of annual accounts and audits. The university accounts are audited regularly by both inside and statutory auditors. The qualified internal auditors are appointed with a dedicated team of the university's officials to carry out a scrutiny of all transactions and related vouchers for each financial year. The statutory audit is conducted through the CAG empanelled Chartered Accountants duly appointed by the BOG of the university.

The work of the internal audit of the university is entrusted to the internal auditor of the university, and all vouchers are audited on a quarterly basis. The expenses incurred under

different heads are thoroughly checked by verifying the bills and vouchers of receipts and payments.

The accounts of the university are statistically audited annually as per university rule by a chartered accountant duly appointed by BOG. The auditor ensures that all payments made are duly authorized. Any queries in the process of auditing are addressed with immediate effect, along with the supporting documents. The audited statement is duly signed by the competent authority and chartered accountant.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes by constantly reviewing the teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals

Internal Quality Assurance Cell has taken various initiatives to be followed by respective departments of the University for improving teaching-learning process, structures & methodologies of operations and learning outcomes. The initiatives are as follows:

- Corporate Relations & Alumni (CR&A) department has started working to reach out to the corporate world for facilitating the best placements for IKGPTU students in reputed government, multinationals, NGOs and private organisations etc.
- To promote the objective of effective National e-Governance, the university has successfully implemented e-Office in its Inter and Intra-department processes. The vision of implementing e-Office is to achieve a simplified, responsive, effective, and transparent working of all Departments/Offices.
- Regular updation of the syllabus in all UG/PG course.
- Improve the transparency in working of all teaching and non-teaching departments.
- Enhance e-governance in the working of University.
- Improvement in academic initiatives as per UGC / AICTE norms.

6.5.3 - Incremental improvements made for the preceding during the year with regard to quality (in case of first cycle) Post accreditation quality initiatives(second and subsequent cycles)

The University successfully implemented the initiatives suggested by IQAC for the enhancement of quality in the academics and administration. Some of the improvements are listed:

- The University elevated itself to a teaching-cum-affiliating University by uplifting its infrastructure for academic activities and by recruiting qualified faculty.
- The Board of Studies meetings were scheduled regularly for continuous refinement of curriculum. The curriculum has been continuously updated. Choice Based Credit System has been inculcated.
- To help the economically weaker section, student welfare department has been assigned the work to look after Post-Matric Scholarship schemes.
- For promotion of academic programmes (Under Graduate and Post Graduate), University has opted for different modes of advertisement and publicity.
- A query system is inbuilt in login of students and a call centre has in Examination department to resolve the grievances is working successfully.
- University has signed different MOUs for the promotion of student internships, placements, start-ups and pre-placement preparation.

- University has signed different MOUs with various International / National Organisations / Institutes for joint student/faculty exchange programmes, and joint research programmes.
- Scholarship scheme for international students coming from SAARC countries has been notified by the University
- Faculty members have been promoted to next scale Under CAS of UGC.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

IKGPTU has a strong ethical work culture and equal opportunities are provided to all individuals irrespective of gender, race, color, language, religion, etc. The curriculum of all programmes lays impetus on the concerns related to the promotion of gender equity. The courses on Gender equity, Culture, Religion, Technology, Human Values & professional Ethics are being taught to the students.

IKGPTU focuses on the core values of gender equality and women's empowerment to uplift the social, economic, and educational status of women.

The university has developed a Women Grievances Cell for female staff, employees, and students. Some of the specific measures initiated by the institution to encourage female students to participate in all academic, co-curricular, and extra-curricular activities are:

- Adequate and safe hostel space for female students.
- Special security and transportation, during the night hours, for female students to engage in various activities like studying in the library, attending group activities, and extracurricular & co-curricular activities.
- Common room for female students in all academic blocks.
- A daycare center to cater to the needs of young kids of faculty and staff members.
- The entire campus is covered with CCTV cameras to provide a sense of security to inhabitants particularly women.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

- Solid waste management
- Liquid waste management
- Biomedical waste management
- E-waste management
- Waste recycling system
- Hazardous chemicals and radioactive waste management

Solid Waste Management

The university has provided dust bins to collect solid waste materials across the campus. For the disposal of waste food products, dead plants, & dry leaves, a decomposition machine with a capacity of 500 kg per day has been installed on campus.

Liquid Waste Management

To ensure effective and efficient liquid waste management, IKGPTU has installed three Sewage Treatment Plants (STPs). Out of the three STPs, two are of 30 KLD capacity and one is of 50 KLD capacity.

The construction of one more STP with a capacity of 90 KLD is in progress. All these STPs are being operated as per Punjab

Pollution Control Board norms. The treated water disposed of from these STPs is being used for irrigation purposes, for which separate water lines have been laid.

Chemical Waste Management

The use of chemicals and their disposal need to be proper with due consideration to health and environmental concerns. Hence, the university has adopted a well framed chemical waste management policy.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words)

The University has a well-established department 'International Resource Centre for Universal Human Values & Ethics (IRC-UHVE)' that has been running a course on Universal Human Values for all of its undergraduate students. This course has been run in the University/ its affiliated colleges since 2011. Presently, course is a part of Model Curriculum recommended by AICTE.

Consistent efforts are going on for preparation of resource persons. Currently, five resource persons are there who can share Universal Human Values through FDPs and about ten resource persons are in the making.

IKGPTU has been jointly organizing ICHVHE, an International Conference on Universal Human Values in Higher Education, since 2011. This directly resulted in universities from SAARC nations becoming familiar with this topic.

The text-book, teacher's manual, and other material were translated into Punjabi in 2012. The idea is to make this course so simple and comprehensible that students from the region may be able to grasp it effectively.

Subjects like Essence of Indian Knowledge Tradition, Mentoring

and Professional Development, Constitution of India, and Environmental Sciences are made mandatory in all engineering undergraduate courses. The course Research Publication, and Ethics is also added to the Ph.D. course work.

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

The various activities carried out by the university to make its students responsible citizens include the following:

To promote a sense of fraternity among the students, the university has been conducting a 3-week Student Induction Program (SIP) since 2018. The objectives of SIP are as mentioned below:

To provide exposure to a holistic vision of life.

- To become familiar with the ethos and culture of the new environment & surroundings
- To develop bond with peers, seniors, faculty and staff
- To develop a healthy lifestyle and ethical professional discipline
- To connect with and appreciate the diversity of cultures.

FDP on Universal Human Values is organized from time to time by IKGPTU in collaboration with AICTE to cover the following aspects:

- Universal

The content needs to be universal - applicable to all human beings, and true to all at all places.

Rational

The content must be compatible with logical reasoning. It should not be based on blind beliefs.

Verifiable

The participant should be able to verify the values based on his/her own rights.

- Leading to Harmony

Values that enable us to live in peace and harmony.

- Covers all levels of living

Individual, Family, Society, Nature

7.1.10 - The Institution has a prescribed code of conduct for students, teachers, administrators and other staff and conducts periodic programmes in this regard. The Code of Conduct is displayed on the website There is a committee to monitor adherence to the Code of Conduct Institution organizes professional ethics programmes for students, teachers, administrators and other staff Annual awareness programmes on Code of Conduct are organized

Any 3 of the above

File Description	Documents

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The university is continuously organizing many activities for the overall development of the students. With its vision of holistic development of its students, it has established the Department of Youth Affairs. The department of Youth Affairs is working day and night with an objective of nurturing young minds and ensuring their

balanced growth & development. The activities of the department help to unravel the hidden talents of students and channelize their energy in chiseling their skills. The university believes in making its students responsible citizens of society by making them engaged in the activities/celebrations listed below:

1. Republic Day celebrations
2. Independence Day celebrations
3. Teacher's Day celebrations
4. Engineer's Day Celebrations
5. International Yoga Day celebrations
6. Zonal and Inter-Zonal Youth Festivals

Teachers' Day & Engineers' Day are the annual integral activities of the university being celebrated every year by the Youth Affairs Department. International Yoga Day are also celebrated in the university on 21st June. The objective of this event is to make assure the students get synchronize in mind & body.

7.2 - Best Practices

7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

Title of the Practice

- a) Digitalization of the Approval Processes
- b) e-Counselling system

Objectives of the Practice

Digitalization of all types of approval processes and the e-Counselling system to facilitate all the stakeholders.

The context:

The university has developed an online web portal to handle all the activities smoothly and in a transparent manner.

The Practice:

University developed an online portal to facilitate the stakeholders / colleges by bringing all the facilities at single window.

Also, the current system of e-counselling facilitates students to fill out a single online application form and apply to all programmes in all the participating institutions.

Evidence of success

The University is utilizing a web portal successfully, ensuring transparency. This practice is very much in-line with the approval process of AICTE.

All the students and colleges participating in universities have benefited from the e-Counselling and admission services in recent years.

Problems Encountered and Resources Required

A few problems were encountered while opting for digitalization and in developing the web portal to take it to the level of user friendliness.

Notes (Optional)

The university is running online portals very successfully. It ensures ease of work for the university as well as the affiliated college.

Website:<https://ptuadmissions.nic.in>

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

Title of the Practice:

Improving the quality of research work.

Objectives of the Practice:

The objective of the best practice is to improve the quality of the research papers.

The Context:

A series of steps were taken by the university to create awareness regarding the quality of research papers.

The Practice

IKGPTU is one of the first universities to use a digital solution for the management of its research program. The entire admission process for the PhD program, research advisory meetings, submission of the PhD abstract, submission of the thesis, thesis evaluation, and payment of fees have been automated.

Evidence of Success

Despite the limited research infrastructure on the university campus and its affiliated colleges, IKGPTU has improved its research contribution and the quality of its research papers. In 2021, IKGPTU will have achieved a Scopus h-index of 76, which is 6th in the state of Punjab.

Problems Encountered and Resources Required

To overcome the challenges of improving the quality of research and facilitate the students/supervisors from affiliated colleges, IKGPTU provided free access to journals and digital books to all PG/PhD students and supervisors. The facility of checking plagiarism in the PhD thesis work through anti-plagiarism software, free accounts were created for all supervisors.

7.3.2 - Plan of action for the next academic year

Future Plan for the next Academic Year

1. More Efforts shall be made for academic strengthening of teaching departments.
2. Efforts shall be made to recruit faculty on regular basis.

3. Efforts shall be made to complete the ongoing infrastructure buildings.

4. University shall make efforts to start academic session according to NEP-2020.

5. University shall make efforts for the placement of students.

6. University shall make efforts to start skill based courses/value added courses in the existing curriculum.
