#in@bator TECHNOLOGIES LLP

ACIC RISE Association, Mohali, Punjab, 140308 CERTIFICATE OF TRAINING

Ref: INQ/33/45/9-90 Dear Aryan Roy,

TO WHOM IT MAY CONCERN

This is to certify that Aryan Roy, attended a training program as a Full Stack Developer Intern at inQbator Technologies LLP from 10 July to 22nd August 2024. Aryan actively participated in the program, displaying exceptional dedication and aptitude for the role. Aryan joined our training program and demonstrated an unwavering commitment to mastering the skills and knowledge required to excel as a Full Stack Developer. The training program encompassed various aspects of fullstack development, including front-end and back-end technologies, web development, and database management. Aryan was a standout participant, consistently displaying punctuality, hard work, and a strong sense of ownership throughout the training period. Their passion for technology and their willingness to dive deep into complex problemsolving were evident in their work. Aryan Roy exhibited an impressive ability to grasp new concepts and effectively apply them to real-world scenarios. Aryan Roy successfully completed the Full Stack Developer training, showcasing a solid understanding of both front-end and back-end technologies. Their proficiency in programming languages, web development frameworks, and database systems was notable. Aryan's contributions during training sessions and projects highlighted their exceptional technical skills and dedication to achieving their training goals. We have every confidence that Aryan is well-prepared to excel in the role of a Full Stack Developer. Their exemplary performance and commitment during the training program indicate a bright future in the field. We wholeheartedly endorse Aryan Roy and wish them continued success in their professional journey.

Simrat kaur

College/University: I.K. Gujral Punjab Technical university.

Dear Simrat Kaur,

We are pleased to inform you that you have qualified for the position of -Intern (Software Trainee). We are extremely delighted to have you on board & we hope you will bring your zeal to learn and enthusiasm to the company. You shall be stationed at **eNest Technologies Private Limited**, *D-199*, *IT Tower*, *2nd Floor*. *Phase 8-B Mohali - 160071 (Punjab) India*. If you join eNest, you assuredly will become a part of a dedicated and fast-paced team that works to provide the highest possible level of service.

Once you accept this offer, you will begin your internship with the Company for a period of **6 Months**. This shall be a **stipend-based internship** INR **10,000** per month during your course of internship. where you will receive utmost exposure and a chance to learn and enhance your technical skills. Furthermore, the internship period will be contractual. As per the company norms, you shall mandatory consider the following:

- 1. Carry your own laptops.
- A letter of approval or NOC from your respective college/university that shall clearly permit you to work as a intern at eNest Technologies Private Limited for 6 months.

Your internship is scheduled to start effective from 08th January 2024. As a member of eNest's team, we would ask for your commitment to deliver outstanding quality, and results. In addition, we expect your personal accountability in all the products, actions, advice, and results that you take as a representative of eNest.

During your internship, you may have access to secrets and confidential business information belonging to the Company. By accepting this offer, you acknowledge that you must keep all of this information strictly confidential and refrain from using it for your own purposes or from disclosing it to anyone outside the company.

eNest is committed to providing you with every opportunity to learn, grow and stretch to the highest level of your ability and potential. We are confident that you will find this opportunity both rewarding and challenging. After the completion of your internship, you shall be provided the internship experience letter as well.
