Report on Structured Feedback for Design and Review of Syllabus

The structured feedback regarding curriculum was obtained from students & teachers. In order to obtain the feedback a structured questionnaire was designed to elicit the response regarding relevant issues concerning design, review and delivery of syllabus. The analysis of the feedback obtained is presented in three sections. Section 01 includes analysis of feedback obtained from students. Section 02 covers the analysis of feedback obtained from teachers.

1. Students Feedback on Curriculum:

Feedback on curriculum was collected from students of M.Sc. Food Technology and B.Sc. (Hons) Food Technology programme of the department. Analysis of the feedback is presented in table 1 and 2 respectively.
