	Gender Equity	
7.1.1	<p><i>Measures initiated by the Institution for the promotion of gender equity during the last academic year.</i></p> <p>Describe gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus etc., within 500 words</p> <p>IKGPTU focuses on the core values of gender equality and women empowerment to uplift the social, economic and educational status of women which is reflected in various activities of the University. In union with university values, Department of Electronics and Communication Engineering too aims at creating an atmosphere and values where there is no gender-based discrimination and women have equal rights in the education system. Equity in education is strongly reflected in the Departmental conduct and teaching wherein emphasis is on equality of access, equality in the learning process, equality of educational outcomes, and equality of external results.</p> <p>Equality of access in education is evident from equitable opportunities in admission to both males and females in the Department. Admission processes are unbiased and transparent, offering equal opportunities to everyone irrespective of gender. Equality in the learning process is reflected in equitable treatment and attention being given by departmental faculty to all students and usage of teaching methods and materials that are free of stereotypes and gender bias. The equality of educational outcomes is demonstrated in the evaluation and assessment mechanisms which are free of gender bias, wherein all students in the Department are evaluated via a fair and transparent Examination system. Further, Equality of external results is evident in the equity in career opportunities and placement opportunities being offered to students irrespective of their gender.</p>	5

Apart from this with a view to integrate issues pertaining to Gender equity and sensitization in Curricular and co-curricular activities, the curriculum incorporates numerous courses focusing on women centric issues and their empowerment. Subjects like Human values HVPE and Environmental Sciences which are embedded in the curriculum of B Tech familiarize the students with core values, ethics in context of gender equality and awareness to environment.

Women participation is encouraged extensively in all curricular, cocurricular, extracurricular activities across the Department. Female Students are encouraged to participate in various Academic, Sports and Cultural activities like Youth festivals, Independence Day activities, Republic Day activities, Entrepreneurship Week, Alumni Meet etc. Further Women's Day is celebrated every year on March 8 which involves participation by female faculty, officers, and students to showcase and exhibit their talents and abilities.

Facilities of University namely transport, recreational(canteen), sports facilities, Library etc. is available to all students without any gender bias. Female students, faculty and Staff have equal access to all such facilities. Further dedicated Female hostel facility in the University and separate Female rest rooms, Girls Common Rooms in the Department are there to promote women comfort and safety.
