7.2.1 QIM	<p>Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.</p> <p>Department of Food Science & Technology</p> <p>Title of practice: Student Friendly Ambience</p> <p>Objectives of the practice</p> <p>Environment in the institute is priority source for providing knowledge. To get outcome based knowledge, environment is the pre-requisite. Knowledge with confidence automatically build the strong base for bright career of the students. Be it placements higher studies, research or entrepreneurship, environment ultimately leads to better career and better human being with contribution to society.</p> <p>For creating better environment student friendly ambience is one of the dominant factors. Various factors have been put in place to showcase student friendly ambience with the following objectives:</p> <ol style="list-style-type: none"> 1. To offer opportunity to students by writing their viewpoint freely on any of the platforms like what's up, mail id, social media etc. 2. To ensure free access to Department Head for problems and solutions by mutual discussion. 3. To motivate faculty and staff for student centric procedures. 4. To evolve teaching-learning methodology with participation of students. 5. To involve students in decision making bodies. <p>The context</p> <p>IKGPTU is a student centric university enabling student in decision making and participation organizational activities.</p> <p>The practice</p> <ol style="list-style-type: none"> 1. In the teaching department curriculum design with PO,CO and mapping is implemented in letter and spirit. Board of studies comprises of academicians, industry people, students representative and alumini nominee of Corporate and Alumini cell of IKGPTU. 	30
