Mentoring objectives and process for mentors

1. The general objectives of mentoring students is to equipment them in performing better in achieving better grade points/percentage scores in their study.
2. The specific objective is to understand the mentee with number of counseling on one-to- one basis and identify the short fall of the mentees, with the consent of mentees.
3. The short falls identified may be in core-curricula, extra-curricular activities, personal shortfall of a mentee, if any, and any other difficulties faced by the mentee during his/her period of study at IKGPTU.
4. From the identified shortfall remedial measures shall be taken in preparing the mentees to score better grade points/percentages of their study. Remedial measures taken shall be detailed in the table below:
5. Continuous follow-up (once in a week) and a healthy mentor-mentee relationship shall be proved that results in good output of mentor-mentee work.
6. A separate attendance report shall be maintained for every counseling hours given on weekly basis.

Details of Remedial Measures Suggested / Taken

S. No.	Name of Student	Short fall	Remedial measures/Suggestions	Remarks
1	Aanvi Tyagi	Lazy, procrastination, Not Consistent and Overthinking	Suggested time management techniques, asked to create a study schedule, set clear goals, break tasks into smaller steps, practice self-discipline, and focus on building positive habits.	GOOD

Mentoring objectives and process for mentors

1. The general objectives of mentoring students is to equipment them in performing better in achieving better grade points/percentage scores in their study.
2. The specific objective is to understand the mentee with number of counseling on one-to- one basis and identify the short fall of the mentees, with the consent of mentees.
3. The short falls identified may be in core-curricula, extra-curricular activities, personal shortfall of a mentee, if any, and any other difficulties faced by the mentee during his/her period of study at IKGPTU.
4. From the identified shortfall remedial measures shall be taken in preparing the mentees to score better grade points/percentages of their study. Remedial measures taken shall be detailed in the table below:
5. Continuous follow-up (once in a week) and a healthy mentor-mentee relationship shall be proved that results in good output of mentor-mentee work.
6. A separate attendance report shall be maintained for every counseling hours given on weekly basis.

Details of Remedial Measures Suggested / Taken

S. No.	Name of Student	Short fall	Remedial measures/Suggestions	Remarks
1	Avya Saini	Procrastination	Break tasks into smaller steps, Set clear goals and deadlines, Work in short, focused intervals (e.g., 25 minutes) followed by short breaks, create a routine, follow self-compassion and reward yourself for achieving smaller milestones.	GOOD
2	AYUSH JOSHI	Time Management	Encouraged using tools like to-do lists, prioritizing tasks, setting specific goals, and allocating time blocks for focused work to improve time management.	GOOD
