Appeal Background

The information included in this appeal document was available for the assessment period but inadvertently the information was not provided by HEI in the SSR. This appeal is being filed with the intent that HEI will be graded for this metric on compassionate grounds by considering the data being submitted in this appeal documents.

Reasons for Appeal:

1. Due to change in the Vice Chancellor of the HEI during data compilation for SSR, some of the information of the ex- Vice Chancellor, Dr Ajay Sharma was missed out by HEI. Considering the volume of data included in the SSR this information was missed out by mistake.
2. Likewise, some other awards received by HEI were also missed out by mistake due to the large volume of data included in SSR.
3. In total 20 awards were received by the HEI during assessment period. The details of the awards are included in the appeal document. Further it is stated that the awards included under this metric are not included under 2.4.4 and 3.1.3.
4. To substantiate the claim the proofs as per SOP are attached with this appeal document.

Appeal:

In view of the above points, HEI appeals that revised data of sub metric 3.6.2.1 be considered and HEI feels that it deserves to be graded up for this metric to **4**.
