Stage 3: Appeal

Reasons for Appeal:

University has all the above facilities along with required software and proofs of which are uploaded, HEI earlier assumed these facilities are to be treated as single entity therefore the response contained only 2 out of 4 option. However after going through SSR of other universities it was found that all of these can be claimed even if they are installed within single centre.

Appeal:

In view of above points and the documents attached, IKGPTU feels that it deserves to be **upgraded to grade 4 for this metric.**
