

Admissions to College of Agricultural Engineering & Technology Punjab Agricultural University, Ludhiana

The College of Agricultural Engineering & Technology is known, throughout the country, and abroad for outstanding contribution in the fields of education, research and extension. The College offers 4-year B.Tech. (Agricultural Engineering) Programme. At present College admits 82 students every year to this graduating programme. Twelve seats are reserved for Indian Council of Agricultural Research(ICAR) nominees. The M.Tech. programme is offered in the disciplines of Farm Machinery & Power Engineering; Processing and Food Engineering; Soil and Water Engineering; Computer Science and Engineering and Civil Engineering. The three major disciplines of Agricultural Engineering and Department of Renewable Energy Engineering also offer Ph.D. programme. The Department of Electrical Engineering & Information Technology, which was established in the year 2009, offers self-supporting MCA programme. Self-supporting M.Tech. programme is also offered in the discipline of Remote Sensing and GIS.

The College has endeavored to incorporate appropriate improvements in B.Tech. (Agricultural Engineering) curriculum keeping in view of the ever-changing industry scenario and employment needs of the students. Consequently, the curricula of B.Tech. (Agril. Engg) and M.Tech./Ph.D. programmes of the College have been revised as per guidelines of ICAR in 2016 and 2010, respectively. The UG programmes and PG programmes have been duly approved by Indian Council of Agricultural Research and All India Council for Technical Education (AICTE). The curriculum offers a fine mix of academics and extra-curricular activities. The College Training & Placement Committee looks after the placement activities and provides career guidance to students regarding their suitable employment after graduation.
