MESSAGE

As I. K. Gujral Punjab Technical University Steps into another Academic Year 2018-19, with renewed anticipations and aspirations of quality technical education from its stake holders, I congratulate the University for moving persistently towards achievement of its mission. IKGPTU is playing a vital role in development of India in general and in State of Punjab in particular through its remarkable role in the field of technical education and skill development.

IKGPTU deems it necessary to foster the innate capability of every student by turning it into actuality. So, keeping the interest of students at the forefront, initiatives like development of industry relevant curricula for various programmes, expansion of modernised research infrastructure, Grievance redressal system, catering to technical and professional needs of the industry, industrial exposure during training and placement of students are praiseworthy.

I hope and wish that the students, faculty and staff of I.K. Gujral Punjab Technical University will be able to meet the challenges of human resource development of our country and will work hard to achieve landmarks in the field of technical education.

I am sure that new students will have learning experience. Wishing you all a successful year ahead.

Message

It is hearting to note that I.K. Gujral Punjab Technical University (IKGPTU) is bringing out its 'Admission Brochure' for the academic session 2018-19 to keep students abreast with relevant information about academic curriculum, extra-curricular activities, achievements and future plans in pursuit of excellence.

I am apprised that the University has played a frontal role in imparting quality technical education to the students so as to enable them to be gainfully employed not only in the country but across the globe also.

I hope that the IKGPTU along with constituent campuses would continue its endeavour to cater the needs of industry by providing highly trained and skilled manpower as it had been producing technocrats for past several years to put the industry in the orbit of high growth trajectory.

I wish all success for the new academic session.

MESSAGE

At the outset, I would like to congratulate all the students, faculty and I. K. Gujral Punjab Technical University for a successful completion of the previous academic year and stepping into the next one. From a modest beginning in the year 1997, the growth of the IKGPTU over the last few years is praiseworthy.

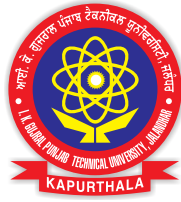

With the Right to Education turning into a reality, the major challenge that confronts us is of higher education in general and quality technical education in particular. Our focus should continue to ensure be "accessible good quality higher technical education for every student". This is where IKGPTU is playing a key role; it has become a professional doorway where learning is not just a series of instructions but a passion, which goes beyond books and learning horizons.

The University has taken a great leap forward in past few years in the direction of refining the necessary skills of students, their attitudes and aptitude towards corporate placement through development of industry-oriented curricula, collaborations with national and international institutes/universities for training and placements. I appreciate the dedication and hard work of team IKGPTU.

My best wishes to all the students of the University for their bright future ahead.
