MESSAGE FROM VICE CHANCELLOR

I.K.Gujral Punjab Technical University is recognised as one of India's most revered quality intensive universities, committed to tackling the grand challenges of current times and with dedicated staff who are acclaimed leaders in their field. Our undergraduate and postgraduate degrees are world-class, driven by cutting edge research and technology that encourages critical thinking, problem solving, teamwork and communication. The University is focused on preparing students for their careers through employability development activities and internships, while our

Engagement Priorities ensures close alignment with the needs of industry. Studying at the IKGPTU offers a high quality experience within a rich campus culture and outstanding facilities. Students are assisted in making a successful transition to university life through an international orientation program that provides an insight into local Indian culture. The academic environment of the University pursues excellence, values creativity, and gives graduates the opportunity to make a major contribution to the world.

Prof.(Dr.)Ajay Kumar Sharma
Vice-Chancellor

MESSAGE FROM DEAN

A GLOBAL CAMPUS FOR CITIZENS OF THE WORLD

Living and studying in another country will be one of the most unforgettable experiences in your life. You'll meet new people, build a global professional network, embrace a different culture and maybe learn a new language. But it is a big decision to make – which is why I.K.Gujral Punjab Technical University is uniquely designed to support our international students through every stage of the overseas study experience.

On joining the University you'll immediately see the benefits of our personalised learning environment, where lecturers know their students by name and understand their individual needs. We look forward to sharing 'our' Indian culture with you as we help you bring your ambition to life.

Dr.NP Singh
Dean (Planning & External Programmes)

WHY CHOOSE INDIA?

A DESTINATION LIKE NO OTHER!

If you are looking for a safe and friendly destination offering a dynamic, multicultural experience while you study, look no further than India. India has something for everyone – from the iconic monuments and more than 100 beaches, to picturesque mountains and art and cultural festivals.

“A LAND OF INCREDIBLE VALUES”

- ◆ World's first ever Universities Takshila and Nalanda were established in India.
- ◆ Ayurveda earliest School of Medicine- a contribution of India to the World.
- ◆ The professionals trained in India are globally recognised.
- ◆ Cultural & Religious diversity in Indian Institutes contributes towards versatile development of students.

Moderate cost of Education and Living.

Strong & quite large Education Network with 907 Universities.

Quality Education ensured by National Bodies such as a National Board of Accreditation (NBA) for Technical Education & National Assessment & Accreditation Council (NAAC) for Higher Education.

THE CULTURE

There is nothing more appropriate than to quote first Noble Laureate of India Rabindra Nath Tagore, "Similar to Germany in Europe, Tigris-Euphrates valley in Western Asia and Chinese plain in Eastern Asia, our Punjab is one of those tracts on the surface of the earth, where the streams of the history flowed with full vigour."

Important festivals of Punjab are Dushehra, Diwali, Lohri, Holi and Baisakhi. Folk Dances are Bhangra and Gidha.

LIVING IN PUNJAB

Punjab in Persian Language means 'five' (Punj) and 'water' (ab). So the name of the region signifies 'The land of five rivers'. The pious land of Gurus (Teachers) Punjab is located in the North-West of India. With its fertile farming land, is one of India's most prosperous states. Home to bhangra music and the brotherhood of the Punjabis, it has a distinctive and lively Culture. Step off Campus and find yourself immersed in Punjab's Vibrant culture and rich history.

THE CLIMATE

Punjab's Climate is determined by the hot and cold conditions. The region lying near the foot hills of Himalayas receive heavy rainfall whereas the region lying at a distant from the hills, the rainfall is scanty and the temperature is high.

GLOBAL EDUCATION HUB

PUNJAB has earned the reputation for providing educational excellence through our robust University system, IIT, IIM, IISER etc. **IKGPTU is among the earliest Technical Universities of India.**

PLACES NEARBY

Historical monuments in Kapurthala, Jung-e-Azadi Memorial, Kartarpur; Historical Gurdwara's Sultanpur Lodhi, Devi Talab Temple, Jalandhar, world renowned Punjabi Food joints and Places displaying folk & art of Punjab.

THE UNIVERSITY

I.K. Gujral Punjab Technical University formerly known as Punjab Technical University was established in the year 1997 under The Punjab Technical University Act, 1996 (Punjab Act No.1 of 1997) for the advancement of technical education. At present University has 9 own campuses and 233 affiliated colleges.

University has achieved a major milestone by starting teaching and research programs at its campus and becoming a multi-faculty University offering courses in Engineering, Applied Sciences, Journalism, Mass communication, Management, Food Technology, **Human Values & Professional Ethics**.

University has taken new initiatives in technical education by imparting training in latest trends of technology. University also forms the bridge between the students and the industry in order to assist students in placements.

Salient Features of University

- Highly experienced faculty with national/international exposure.
- State of the art campus spreaded in 78.16 acres of land.
- Fully equipped laboratories and air conditioned classrooms.
- Case Study Based Teaching Pedagogy.
- Curriculum as per Industry needs.
- Diverse students base with student enrolled from various states.
- Regular personality development sessions.
- Student – Centric Enthusiastic Environment.
- Research Projects for students are designed as per the pragmatic economic and industry issues.
- Wi-Fi campus.
- Newly furnished hostel accommodation.
- Knowledge Resource Centre (Central Library) equipped with Vast E-resources.
- Transportation facilities.
- International students from 60 plus countries in affiliated colleges.
- Short term courses in foreign languages for enhancing employability of students.
- Human Values & Professional Ethics course for all students.

“

PCTE has improved rapidly over the last 4 years. The management has done its best to provide a conducive learning environment for all kind of students especially being able to meet the international student's requirements. Lectures are always delivered in English, which is advantageous for international students. It's not easy finding what PCTE has provided for us elsewhere it has been a home away from home.

Seriaris Rwechungura, MBA-IB

“

India and PCTE College Affiliated to IKGPTU has been a nice place to me. It has made me learnt lot of things and everything I would have not learnt anywhere but I got it in PCTE. The experience I got there in this place, I 'will never forget it Even I would recommend my friends and family to come and study at this place. Thanks all for the support.

Diana Mahuzza, BBA

CAMPUS LIFE

University life mean a lot more than just studying. It is a vibrant community, allowing you to connect with like-minded people and discover about alternative perspectives.

At IKGPTU, students have every opportunity to live their passion. Sports, arts, games, fitness, dance, or whatever else student wish to pursue, everything is available in University campus.

Social Programs:

The University offers a variety of social programs to help international students to get acclimatize in new environment and make new friends.

Study @ IKGPTU:

University provides information and support to students both before they arrive in IKGPTU and after they settle into life in their new home.

We conduct a busy schedule of events and activities every year. This includes everything right from a welcome ceremony by VC, Cultural programs, teacher-student meets, career advancement workshops, regional trips and social events, such as sports day, NSS camps, etc. Various training camps are organised by University for Music, Dance, Theatre, Fine Arts & Literary. Selected students from these camps represent the University in North Zone,

Inter-University and National Youth Festivals. To honour & motivate the winners of Inter-University Youth Festival, University reimburse the tuition fee of all the participants.

One World:

Our International students in colleges representing 60+ countries show the vibrancy of their cultures in the form of celebration through dance, cultural stalls and more than a mile long colourful procession of thematic pageants of their national cultures.

Sports & Athletics:

IKGPTU nurtures various teams for participation in Association of Indian Universities (AIU) championships and All India

Inter-University competitions and other national and international competitions.

Human Values & Professional Ethics:

We not only believe in imparting professional education, we believe in imbibing values among students through our specially carved programme on Human Value & Professional Ethics, our this course is mandatory for all students. The course is designed with an objective to acclimatize students with real world problems and to develop analytical and decision-making skills keeping the society above individuals or organisations.

ACCOMODATION @ IKGPTU

IKGPTU provides the best in class residence facility to its students. With upcoming capacity of more than 2000 students University campus is equipped with hostels with all the comforts and conveniences. Lush green gardens, lobbies, open areas provide an unmatched environment to grow, learn, relax, socialise and study.

Students can choose from shared rooms to individual apartments.

- ◆ Separate residential facility for boys and girls within the campus.
- ◆ All rooms have attached washroom, bed, table, chair and wardrobes.
- ◆ Air-cooling/Air-conditioning facility in each room (Optional).
- ◆ Dedicated hotline for 24-hours power supply for the campus.
- ◆ Provision of hot and cold water.
- ◆ 24x7 Internet connectivity (Wired & Wi-Fi) with leased line.
- ◆ Laundry facility available in hostels for the residents.
- ◆ Accommodation for married couples shall be available soon.

Homely Secure Campus

University is quite vibrant with many curricular and extra-curricular activities. With never tiring efforts of hostel staff members students get all required facilities in blink of eye. University campus has 24x7 robust security system with a force of hundreds of security personnel present around us. University campus is equipped with CCTV cameras also for continuous monitoring.

Sr. No.	Charges	Amount (per annum) in INR
1	Hostel Fee	15000/-
2	Mess Security (Refundable if no dues are pending)	3000/-
	Total Fee	18000/-

Further details about hostel may be seen on <http://maincampus.ptu.ac.in/hostel-accommodation/>

Likewise, different affiliated colleges of University have different facilities and fee. Students may check with concerned college while taking admission.

Master of Science - Computer Science	US \$5000
Master of Science – Physics	US \$5000
Master of Science – Chemistry	US \$5000
Master of Science – Mathematics	US \$5000
Master of Science Food Technology	US \$5000
Master of Science - Clinical Research	US \$5000
Master of Science - Environmental Science	US \$5000
Other Courses: (M. Tech. / M.E.)	
CAD / CAM	US \$5000
Electronics Product Design & Technology	US \$5000
Embedded System	US \$5000
E-Security	US \$5000
Power System	US \$5000
Structural Design	US \$5000
VLSI Design	US \$5000
Journalism & Mass Communication:	
Master In Arts (M.A.)	US \$5000

DIPLOMA PROGRAMMES AFTER GRADUATION (1-YEAR)

COURSE	FEES per annum
Post-Graduate Diplomas:	
Post Graduate Diploma in Computer Application	US \$5000
Post Graduate Diploma in Hotel Management & Catering Technology	US \$5000
Post Graduate Diploma in Medical Lab Technology	US \$5000

COURSE	FEES per annum
Post Graduate Diploma in Pharmaceutical Analysis and Quality Control	US \$5000
Post Graduate Diploma in Pharmaceutical Marketing and Entrepreneurship	US \$5000
Post Graduate Diploma in Pharmacovigilance & Clinical Trials	US \$5000

ADMISSION PROCESS IN AFFILIATED COLLEGES

Steps to be followed by Foreign Nationals/International students for Admission to courses in affiliated colleges of IKGPTU.

- ◆ Admission Schedule is made available at www.ptu.ac.in at the starting of each admission session generally in the month of April or May.
- ◆ Detailed admission guidelines are available at www.ptu.ac.in/international

Students must read and understand the guidelines before starting the process.

Steps & General Rules for Admission:

1. Course wise details of affiliated colleges and eligibility conditions for each course are available at <https://www.ptu.ac.in>
2. Foreign Nationals/International students have to first get an offer letter from the concerned college wherein he/she desires to study.
3. Student in order to get an offer letter need to forward their educational transcripts to the concerned College, if the name of the course already qualified by student is mentioned in AIU handbook of equivalency, then the concerned College shall check eligibility of candidates from AIU handbook and issue the offer letter to student.
4. If the name of that course qualified by candidate is not mentioned in AIU Handbook then the student is required to get equivalency letter from their respective embassy in India.
5. If Embassy of the country is not available in India then student is required to get equivalency letter from their respected board / Authority/ MOE in their country.
6. Then the College will send him/her an admission letter to obtain a visa for specific period (2 years, 3 years, and 4 years) as per the course duration.
7. At the time of reporting (joining) at College it is mandatory for International students to get their eligibility/qualifying Certificates verified with their originals.
8. The admission will be confirmed only on completion of verification process by IKG PTU.
9. Copy of Passport and Visa should be submitted by the student.
10. As per Government of India guidelines, an international student has to apply for FRRO with in first 14 days of his/her arrival in India. Student should ensure to submit a copy of FRRO certificate to the college within stipulated time.
