

## “Recent Trends in Drug Product Development and Regulatory affairs”

On 17<sup>th</sup> October 2016

### About Seminar:

The seminar aims to understand the current needs of Pharmaceutical Sector so that the participants can adapt and tune to the latest technologies and findings in the research, and amendments made by the regulatory agencies. Moreover, they can determine the requirements and solutions to meet those needs. This seminar is a joint initiative by the industry and the academia.

The seminar will incorporate hands-on experience on drug regulatory aspects/issues such as filing of ANDA, DMFs, generation of eCTD and regulatory dossiers. This program will also highlight the Fundamentals of DRA, which covers the principles and practice of designing, building, and maintaining networks capable of supporting national and global organizations. It will definitely help in bridging the skills gap between *Industry* and the *Academia*. The said program will train the individuals for the jobs in future and allow them to visualize, and enrich the participants now and for the future.

### Unique Features

- The career guidance especially in DRA. to the graduates and post graduates.
- Keynote sessions by the Nation's most eminent researchers and networking with experts in the area of DRA.

### About Sachdeva College of Pharmacy

Sachdeva College of Pharmacy is established by the Sachdeva Educational Society (regd.) backed by the Management of GGS College of Modern Technology, Kharar. The Institute is located on the mid way Kharar-Morinda (Chandigarh-Ludhiana Highway). It has been specially designed for the purpose of imparting value based education to students in the arena of pharmaceutical Sciences. The Institute began its journey by offering the course Diploma in Pharmacy (D. Pharm.) and then gradually shifted to degree course i.e. B. Pharm. in the year 2007. The zeal for research persuaded the Institute to start M. Pharm. (Pharmaceutics) course in the year 2014. The Institute showed steady growth in a short span of 12 years.

All of the pharmacy programs are approved by the Government, Pharmacy Council of India (PCI), New Delhi and All India Council for Technical Education (AICTE), New Delhi. The Institute is affiliated to IKG PTU, Jalandhar.
