Dear Vice-Chancellor/Director,

You may agree that institutions of higher learning play pivotal role in the development of youth and nation building. Apart from teaching and learning, the institutions of higher learning administer many developmental programmes which not only help the students in their overall development but also sensitize them on various societal issues.

As you are aware, Nehru Yuva Kendra Sangathan (NYKS), is an autonomous organization under the Ministry of Youth Affairs & Sports, Government of India that is engaged in developing the personality and leadership qualities of the youth so as to engage them in Nation-building activities. NYKS has nearly a lakh active Youth Clubs spread across India. Through its network of 29 Zonal offices, the NYKS selects, trains and deploys 12000 NYC volunteers at 20 to 30 per district.

NYKS vide their letter of 4th April, 2016 has expressed their desire to reach out to educational institutions to strengthen youth development programmes by involving students as partners. They propose to offer many academic and non-academic activities such as Research Projects, Internship Projects, Club Formation, Employability Skill Training, Life Skills and Leadership Training, Seminar, Symposia, etc. Further details of their programs can be obtained from the following Officials of the NYKS:

1. Maj. Gen. (Retd.) Dilawar Singh, Director General, NYKS
(Contact No. 9871571409 / 011-2240 2804)
2. Shri Sunil Malik, Joint Director (9868018001 / 011-2240 2812)

I write this to request you to explore the possibility of availing the youth development and other programmes offered by the NYKS and disseminate the information among students of all the Departments and Colleges of your university.

With regards,

Yours sincerely,

(Ved Prakash)
