If the research work is found satisfactory, his/her tenure will be extended further for a period of three years for upgradation from M.Phil to Ph.D under the enhanced emoluments of the National Fellowship for Higher Education for ST Candidates (Ph.D) in Annexure-VI. The recommendation of the Committee shall be submitted to the Ministry Designated Team for upgradation to the level of National Fellowship for Higher Education for ST Students Ph.D. The work done and the time spent on scholarships or fellowships of any agency other than the Ministry designated team will not be taken into account while considering the proposals for enhancement in the value of fellowship. The fellowship may be withdrawn if the work is not considered satisfactory or the candidate fails in any of the examinations related to Ph.D. In case the work for the first two years is not found satisfactory, an additional year will be given to him/her for improvement. However, during this period he/she will be designated as National Fellowship for Higher Education for ST Students M.Phil.

In such cases work will be evaluated again before third year of the tenure, and if improvement is found, the Fellow will get two more years under the National Fellowship for Higher Education for ST Students (Ph.D). Thus, the total period of fellowship (National Fellowship for Higher Education for ST Students M.Phil and Ph.D) is for five years, with no further provision of extension.

The gap period for the registration in Ph.D after completion of M.Phil is strictly one year only and ***Fellowship will lapse if the gap is more than one year.***

The beneficiary shall be required to submit the bond at the time of joining fellowship. Ministry may prescribe that the details of project summary details being done by the student should be submitted at Ministry within three months of release of the first installment of the fellowship.
