Directors/ Principals

All the Institutions/ Colleges & University Campuses

I K Gujral Punjab Technical University

Sub: Regarding Internship opportunities through Internshala.

Dear Sir/ Madam

I K Gujral Punjab Technical University has signed an MoU with Internshala on May 30, 2018. Internshala is India's largest online internship platform used by 80,000+ organizations offering 4 lacs+ internships every year. On Internshala web portal, students can find internships in all domains such as engineering, management, applied arts, architecture, design, law, hotel management, and so forth. Students can search and apply for internships listed on Internshala for free. Also All India Council for Technical Education (AICTE) has also recommended Internshala to Engineering & Management students for internship purpose.

In light of the above, you are requested to kindly direct the Training & Placement Officer of your institute/college to register at Internshala portal and upload the data of willing students only, who are supposed to undergo semester training & six-week training, at internshala.com/i/ptu_college_registration. The last date of registration will be October 15, 2018.

Internshala will inform the registered students about the various internship opportunities in their respective domain. Registered colleges will also receive monthly update on students getting hired for internships by Internshala.

For any queries, you may please call the undersigned @ +91-9478098076.

With profound regards,

Dean (R&D)
