Ref. No. IKGPTU/R&D/3722

Dated 9/8/18

Directors/ Principals

All the University Campuses/ Engineering Colleges & Institution

I K Gujral Punjab Technical University

Sir/Madam

Sub: Regarding Semester Training in Engineering Colleges.

As you are aware that IKG- Punjab Technical University is having two mandatory industrial training modules as a part of its course curriculum for B.Tech students. The engineering graduates are required to undergo six weeks industrial training after 4th semester and semester training in 7th semester or 8th semester. Now, as per the new model curriculum issued by The All India Council of Technical Education (AICTE), the said semester Training has been discontinued w.e.f. new batch.

Subsequently, a meeting of Training & Placement Officers of IKG-PTU affiliated colleges was held at IKG-PTU main campus on May 30, 2018 under the chairmanship of Honorable Vice-Chancellor, IKG PTU. In the said meeting, some training and placement officers raised concern over the above said decision of AICTE regarding discontinuation of Semester Training. Further, it was decided in the meeting that colleges/institutes may submit their concern with reasons for the continuation or discontinuation of semester training.

In light of the above, if your esteemed College/Institute wishes to put their views regarding continuation or discontinuation of Semester Training, the same may be send through E-mail at msbedi@ptu.ac.in by August 13, 2018 before 1500 hrs.

For any quires you may please call Mr. Mrigender Singh Bedi, Assistant Director (CR&A) @ +91- 9478098076.

With profound regards,

Dean (R&D)
