Residential FDP**

**for Student Induction on
Universal Human Values**
(04th Jan 2019 to 10th Jan 2019)

Propelling Punjab to a Prosperous Knowledge Society

ABOUT IKG PTU KAPURTHALA

I.K.Gujral Punjab Technical University (IKGPTU) was established by an Act of State Legislature on 16th January, 1997, to promote technical, management and pharmaceutical education in the state at degree level and above. It was established as Punjab Technical University and renamed as I.K.Gujral Punjab Technical University by State Government in the honor to Late

Sh. Inder Kumar Gujral, Former Prime Minister of India, in 2015. The University has the mandate to set up centres of excellence in emerging technologies and for promoting training, research and development in these areas. The University has undertaken the task

of training students to help in the development of skilled manpower in this sector in the country in general and in the state in particular. With this goal in mind, the university is promoting a number of courses in different streams in regular as well as distance education programmes. At present University have 121 AICTE and 65 UGC institutes affiliated with it.

ABOUT IRC-UHVE

An International Resource Centre for Universal Human Values & Ethics (IRC-UHVE) was established at IK Gujral Punjab Technical University in August 2014 after 3 years of rigorous effort of evaluating the veracity and effectiveness of the Universal Human Values approach to value education. This approach has also been successfully tried out and is now established at 45 universities in 8 states of India and 2 universities in Bhutan over the last 11 years

ABOUT STUDENT INDUCTION PROGRAM

Induction Program was discussed and approved for all colleges by AICTE in March 2017. It was discussed and accepted by the Council of IITs for all IITs in August 2016. In order to improve the quality of the technical education, AICTE has been taking various steps and one such decision is taken to ensure that every student, on admission shall be put through a mandatory Induction program to reinforce the fundamental concepts and the required language skill for the technical education. Therefore, AICTE need trained faculty members in each institute to conduct such programs. Accordingly, AICTE has planned a series of Faculty Development Programs all across the country for its approved institutions.

ABOUT THE 7 DAYS' RESIDENTIAL FDP ON UNIVERSAL HUMAN VALUES

FDP on Universal Human Values is a platform for discussing a wide range of issues like Education, Reality, Happiness, Success, Aspirations and gaining an understanding on Our Nature, Relationships, Environment, Social Issues, and Self-Confidence. The FDP is conducted as a dialog, free from any value prescriptions or do's and don'ts. Proposals about universal principles of life are placed for evaluation and discussion at one's own right. Individuals from 3 years onwards can attend. The 7 days' FDP is a starting point in preparing teachers who have a responsibility to teach this subject. Once they go through a 7 days' residential FDP, they refine their personal perspective on value education, on education, and on teaching. They are equipped to share the content effectively. There is ample scope for advanced study in this area. The validation of advancement is directly visible in living, rather than in "academic" achievement alone

FDP COURSE CONTENT OUTLINE

- **Holistic Development & Role of Education in Holistic Development**-Right Understanding, Relationship and Physical Facilities.
- Understanding the need of Value Education & Continuous Happiness and Prosperity-the Basic Human Aspiration.
- Happiness & Prosperity-Current Scenario and Self Exploration as the Process for Value Education.
- Harmony at Individual Level-Understanding Human Being as the Co-existence of Self ('I') & Body.
- Understanding Harmony in Family.
- Understanding Harmony in Society.
- Understanding Harmony in Nature.
