Sir/ Madam

IKG Punjab Technical University is committed to provide valuable opportunities to its students for their career growth in different spheres. The selection of the platform to be made available to students is entirely decided as per the current need of students and industry. Similarly, to impart enriched practical exposure to its engineering students and to make the students industry ready, IKG PTU has taken several steps in the past such as collaboration with Confederation of Indian Industry (CII), The Indus Entrepreneurship (TiE) & MoUs with Internshala, AIESEC and Infosys Campus Connect.

Under this collaboration, Huawei will facilitate our students in their internships and offer free Certification Exam access to the students of the ICT Academy (till Dec 31, 2019). Such certifications would undoubtedly enrich the resume of our student that would make them more employable than others.
