Sir/Madam,

The National Assessment and Accreditation Council (NAAC) was established in 1994 as UGC autonomous body. NAAC accreditation for colleges is an integral part of the functioning of higher education institutions in India. NAAC accreditation is mandatory for all the higher learning institutes in India. The impact of Assessment and Accreditation is quite vast and linked to various schemes of Government of India. For example, Graded Autonomy to Universities, Granting Autonomous Status of College, UGC funding, RUSA grants etc.

In fact the UGC has mandated that by 2022 all HEIs need to be accredited. Only NAAC-accredited Colleges/Universities in India are eligible for UGC grants, RUSA grants, financial aid etc. On the other hand, NAAC accreditation determines the quality of the institute in terms of education, infrastructure, research, teaching & learning etc. Institutes with top NAAC grades such as 'A++', 'A+' and 'A' are most sought-after institutes, as they offer high-quality education.

In view of importance of NAAC, all affiliated college of IKGPTU are directed to undergo the process of Accreditation by 2022.
