**Sub: Regarding orientation programme for Innovation & Entrepreneurship Development
Coordinators of IKG PTU Campuses & affiliated colleges.**

IKG-PTU has taken many initiatives to promote entrepreneurship and innovation among its campuses and affiliated colleges. To effectively take these initiatives forward, Entrepreneurship Cells were established in university campuses & affiliated colleges. To further generate the initial spark in the students, University organizes IEDC meets, Entrepreneurship Awareness Camps and B-Plan competitions annually.

At various occasion, it has been felt that due to lack of coordination and team work among IED Coordinators of University campuses and affiliated colleges, various challenges are faced by University's startup mission. This situation creates inevitable challenges that arise during various entrepreneurship workshops and programmes. To overcome these challenges and increase collaborative communication in future, a team building outstation workshop has been scheduled by University for IED coordinators of the University Campuses and affiliated colleges. The workshops will help IED coordinators to develop shared vision/ understanding. The said orientation programme is scheduled from 23rd to 25th August, 2019 at Hotel Satyam International, Dalhousie. (Detailed programme is attached).

Travel and Stay arrangement for the participants will be sponsored by the University. Batch size of the orientation programme will be of minimum 20 participants and maximum of 30 participants, which will be on first cum first basis.

You are requested to kindly depute IED coordinator of your College/ Institute and send the participation confirmation at placements.ptu@gmail.com by Aug 14, 2019 (before 1100 hrs)
