Dear Sir / Madam,

Greetings from IKG-PTU . . . .

In view of the current situation of Nationwide lockdown due to COVID-19, AICTE has issued advisory to all Institutes that students should not to take up any Internships which involves travel, contact with outsiders, etc., However, ongoing internships, where companies are allowing students to work from home, shall continue.

Considering the current situation, and its effect on the internship/placement of our students, University in collaboration with Internshala (which is India's largest Internship portal) have launched '**Chalo India, Let's Work from Home**' initiative. Through this, all the students of I. K. Gujral Punjab Technical University can utilize their time to do work from home internships while practicing social distancing at online Internships via Internshala. Students can visit here to apply - [internshala.com/i/ptu-internships](http://internshala.com/i/ptu-internships)

**Eligibility** - All the students (1st year to final year) from all streams/branches are eligible to apply for these internships. The registrations have already begun and **the last date to apply is 29th April.**

Also, there is no registration fee involved at all. You are requested to direct Placement officer of your College/Institute to share this vital information with all your students through Email/ WhatsApp and other social media and encourage students for taking up online internships through Internshala or any other suitable Organization/Portal that can provide training via Work from home model. The said Training from home will be considered in lieu of 6 weeks summer training which is scheduled in June-July, 2020.

In case you have other questions, you may call undersigned at +91-9478098076

Regards
