

Department of Physical Sciences
IK Gujral Punjab Technical University Kapurthala
Organizes

A Webinar Series on Material Science: Quantum Dots and Thermoelectric Materials

Speaker:

Prof. Ranber Singh
Department of Physics,
Sri Guru Gobind Singh
College, Chandigarh-India
Email:
ranber14@gmail.com

CHIEF PARTON

Dr. Ajay K. Sharma
(Vice Chancellor, IKGPTU)

PARTON

Dr Neelkanth Grover
(Director-Main Campus)

CONVENORS

Dr. Ashish Arora
Dr. Hitesh Sharma
Dr. Gaurav Bhargava

COORDINATOR

Dr. Neetika
(dr.neetika@ptu.ac.in)

About Speaker:

Prof. Ranber Singh has obtained PhD degree from Panjab University, Chandigarh and has worked as Post doctoral fellow at Max Planck Institute for Solid State Research, Germany, Institute für Anorganische Chemie, Aachen, Germany, Institute of Physical Chemistry and Center for Computational Sciences, Johannes Gutenberg University Mainz, Germany, to name a few. His areas of interest are Quantum Dots, Magnetism in Nanomaterials, Electronic and optical properties of Graphene, etc.

Date: 24 August 2020

11.00 AM (IST)

Webinar Details : Zoom meeting

Meeting ID: 820 6392 5041

Passcode: PTU

E-certificates for the participants
