Sub: **Regarding registration of Final Year & Pass out Students at Ghar – Ghar Rozgar Portal.**

Reference: PA/DEGT/9251 Dated: April 25, 2018 (copy attached)

**Sir/Madam**

Number of initiatives have been taken by Government of Punjab in helping the industry in the recent past. The industry of Punjab is also facing one of the serious problem of Manpower Shortage. As a result, the state has launched ghargharrozgar.punjab.gov.in portal in which the industrial unit can enter its requirement of various types of manpower either skilled and unskilled. In this portal all the unemployed/under employed, skilled or partially skilled youth of Punjab passing out from engineering colleges, ITIs, Polytechnics and other Degree colleges are registering themselves in big way and is making themselves available for the services. As a result, the industrial unit can have wide range of choice and can easily pick the appropriate skilled/unskilled man power as per their need.

In light of the above, Directorate of Technical Education and Industrial Training Department, Punjab has instructed all the Engineering Colleges under IKG PTU to register their passout & final year students at ghar ghar rozgar portal (Registration process detail is attached).
