

The tentative list of PTU approved Faculty Development Programme is attached herewith. The colleges should strictly follow the previous given rules/regulations along with below given directions:

- 1). At present University is giving approval to the FDP's to be organized up to August, 2013. FDP's to be organized after August, 2013 will be announced in the last week of August, 2013
- 2). Any college will get financial assistance for only one Faculty Development Programme from Punjab Technical University in any session. If more than one FDP's of any college are approved or shown in the below mentioned list, then that college has to decide and intimate the University that with which programme they are willing to organize on PTU sponsorship. It should be intimated to the University within three days of the approval of the programmes.
- 3). The University did not approve the courses based on education trends/ teaching pedagogy or related topics. FDP's on these topics are already being directly organized by PTU.
- 4). It is mandatory for those colleges (whose FDP's are approved) to get at least two of their faculty members trained in the FDP's directly organized by PTU.
- 5). Any change in the name of experts/date of programme should be done only with the prior approval of the University
- 6). It is mandatory for the colleges to send the session wise detail of the programme to the University at [fdp.ptu@gmail.com](mailto:fdp.ptu@gmail.com) one day before the start of the programme.
- 7). Daily attendance of the FDP should be sent at [fdp.ptu@gmail.com](mailto:fdp.ptu@gmail.com) before 10:30 am on each day of the FDP.
- 8). It is mandatory that at least two resource persons of the each FDP should be from institutions like IIT, NIT , NITTTR or other institutes of national repute. In the below mentioned list of tentatively approved programmes, some FDP's does not have sufficient number of experts from National reputed institutes. In this case it is the duty of that institute to get the desirable resource persons and conduct the FDP in efficient manner, otherwise no financial assistance will be given.
- 9) College has to print the participation certificates. The uniform format of that certificate is given at FDP link in PTU website/e-mailed to course co-ordinator. The expenses incurred on certificate printing will not be reimbursed as university is already giving the grant for reading material under its scheme.

The colleges may contact at 9478098031/ [fdp\\_ptu@yahoo.in](mailto:fdp_ptu@yahoo.in) in case of any query regarding FDP.

This list is purely tentative in nature subject to the satisfaction of all the rules/regulations and directions given regarding Faculty Development Programmes.
